If you want to accomplish what's important to you, discipline and willpower won't get you where you need to go. In this iconoclastic new book, Susan Fowler reveals compelling insights and actions to help you master and maintain your motivation. Motivation is at the heart of everything you do and everything you want to do but don't. Unfortunately, the ways we typically motivate ourselves don't work. Relying on sheer determination eventually becomes exhausting—it's not sustainable. And even setting goals can backfire—if you're not setting them for the right reasons. Susan Fowler says motivation is energy, and what matters is the quality, not the quantity. Traditional "motivators" such as fear, guilt, or the promise of a reward provide low-quality, short-term energy. Drawing on the latest empirical research, she proves that high-quality, optimal motivation is a skill that you can learn and apply. Science tells us that satisfying three basic needs—for choice, connection, and competence—is essential to optimal motivation. You need to feel like you've picked your path, not that you're being driven down it. Your goal should be linked to people or a purpose meaningful to you. And you want to continually learn and grow. Through practical exercises and eye-opening stories, Fowler

shows you how to identify and shift the quality of your motivation. The skill to master your motivation is important—it may be your greatest opportunity to evolve, grow in wisdom, and be the light the world so desperately needs.

**WHO IS REALLY THE MONSTER?** Nineteen year old Callan Sanclaire has cared for his mother, and helped her cope with her illness, ever since his father was killed seven years ago. Except she does not have any ordinary illness... but a curse which turns her into a werewolf at the night of the full moon. Since discovering her curse, Callan always feared a visit from the mysterious company called Lycorp, a group of werewolf hunters who are determined to keep the world safe from those suffering with the curse. When his mother is taken by Lycorp, Callan must find a way to infiltrate the company from the inside. But first he must endure a gruelling job interview which will test his breaking point. The Wolf Trials might be the death of him.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

An insidious parasite is working its way through the suburbs of Washington, D.C. NITS follows the trail of a virulent outbreak of head lice as it wreaks havoc on the lives of a social climbing mother of a scholarship student, a buff young Latin teacher and a controlling do-gooder who is so consumed with exterminating the pest, people start calling her the "Lice Nazi." A social satire with bite, NITS explores the themes of class, ambition, and the unavoidable interconnectedness of modern life.

"Ciara is tired of hauling her hockey gear across town to play on the rink when there is a perfectly good frozen river in her own backyard! So she builds her own rink on the river. And with a little help from the neighbourhood, she knows that her team, the River Rink Rats, will finally win a game on their own brand new rink. With the excitement and pace of a real hockey match, the River Rink Rats play their final game on their new rink. The pressure is on; the crowd is watching; Ciara has the puck; the crowd keeps watching; the ice starts to...CRACK; Ciara keeps playing; the ice starts to drift; the crowd starts running; Ciara shoots to SCORE and . . . you can be sure that no matter how the game ends, there will be hot chocolate!"--

Beth Chambers' life is no fairytale, even if she feels like a damsel in distress. After four years in a destructive relationship, Beth has decided enough is enough and leaves her girlfriend, taking with her only her dog Dudley, her broken spirit, and a shattered view of life. At her lowest point, she meets Amy Fletcher, a woman who has it all-and whom she believes would never want more than friendship. But what Beth fails to realise is that there are definitely two sides to every story. Could Amy Fletcher be Beth's Princess Charming? Could her story end with a happily ever after?

In the tradition of *Friday Night Lights* and *Outcasts United*, **ONE GOAL** tells the inspiring story of the soccer team in a town bristling with racial tension that united Somali refugees and multi-generation Mainers in their quest for state--and ultimately national--glory. When thousands of Somali refugees resettled in Lewiston, Maine, a struggling, overwhelmingly white town, longtime residents grew uneasy. Then the mayor wrote a letter asking Somalis to stop coming, which became a national story. While scandal threatened to subsume the town, its high school's soccer coach integrated Somali kids onto his team, and their passion began to heal old wounds. Taking readers behind the tumult of this controversial team--and onto the pitch where the teammates vied to become state champions and achieved a vital sense of understanding--**ONE GOAL** is a timely story about overcoming the prejudices that divide us.

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit [www.thebookbook.co.uk](http://www.thebookbook.co.uk)

Traditional beliefs about meeting goals are fundamentally flawed. Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by their very nature self-contained, goals are immeasurable. A goal is realized, not achieved, and must be maintained to remain successful. What good is the goal of losing weight if you don't keep the weight off? Losing twenty pounds is an objective. Keeping that twenty pounds from returning is a goal, which must be maintained to remain a success. In Three Your Life, entrepreneur and accidental expatriate David R. Sanders applies this important distinction between goals and objectives. Beginning with attitude, outlook, and perception, Sanders builds a solid foundation on which to effect major life changes. Learn to differentiate between needs, wants, and desires-and discover how focusing on desires causes everything else to fall into place. To realize desires, Sanders reevaluates conventional thinking on prioritizing tasks, using a three-part daily structure that ensures you're working toward a productive and fulfilling life. A fresh new approach to goal setting, Three Your Life offers the opportunity to realize your goals, achieve your objectives, and understand the difference between the two.

### You can transform your life by setting goals

Do you set goals but somehow never reach them? Are you struggling to build the life you want for yourself? Do you aim for the stars but somehow never get close? *Goal Setting for Success* (Personal Development book 1) is based on **tried and tested scientific principles** that have helped millions of people build the lives they want. The theory has been condensed and simplified into an easy-to-use series of steps that will show you how to: - Discover for which life area(s) you want to set goals. - Understand the requirements of a well structured goal. - Recognize which goals will work for you and which won't. - Take action so that your goals become reality and your life improves exponentially. - Review your progress and adjust your goals where required. - Deal with the curve balls life throws you so that they don't get in the way of achieving your goals.

### Taking Consistent Action is Key to Changing your life

Creating meaningful goals for yourself becomes easy once you know how. Actually achieve professional and personal goals irrespective of what they are by *following the simple, practical steps outlined*. Do you want your own profitable business that will bring fame and success? Do you desire financial independence and personal freedom? ### Take action now and change your life forever!

Get ready for another binge-worthy romance from New York Times and international bestselling author Elle Kennedy! She's good at achieving her goals... College senior Sabrina James has her whole future planned out: graduate from college, kick butt in law school, and land a high-paying job at a cutthroat firm. Her path to escaping her shameful past certainly doesn't include a gorgeous hockey player who believes in love at first sight. One night of sizzling heat and surprising tenderness is all she's willing to give John Tucker, but sometimes, one night is all it takes for your entire life to change. But the game just got a whole lot more complicated Tucker believes being a team player is as important as being the star. On the ice, he's fine staying out of the spotlight, but when it comes to becoming a daddy at the age of twenty-two, he refuses to be a bench warmer. It doesn't hurt that the soon-to-be mother of his child is beautiful, whip-smart, and keeps him on his toes. The problem is, Sabrina's heart is locked up tight, and the fiery brunette is too stubborn to accept his help. If he wants a life with the woman of his dreams, he'll have to convince her that some goals can only be made with an assist. When Chase finds survival gear hidden in the attic of his boarding school, he realizes Ashwood Prep isn't what it seems. Thrust into a conspiracy that is centuries old, he can choose to run or stand up and fight. After an earthquake cuts the school off from the rest of the world, Chase has to figure out who's a friend, who's an enemy, and if there's really any difference at all. As the world starts to collapse, trusting the wrong person can have deadly consequences. Caught between his classmates and the professors' schemes, he can't afford to choose wrong. It would all be a lot easier if Taylor and Maya weren't pulling him in opposite directions. Is it really the apocalypse? Or is it something much worse?

Trisha, a mid-level manager, dreams of grandeur: a sprawling professional network, a close-knit family, corporate success and domestic bliss. Dev, next-in-line to CEO, hopes for total detachment from work and devises a cunning delegation system run by email-forwards. Their circumstances are challenged when a looming organizational restructure forces them to re-evaluate their personal goals and their on-again-off-again relationship. Set in an India stuck between tradition and modernity, Means to an End, follows Trisha and Dev, as they struggle to fulfill the expectations of their company, their family and the society.

At last — Canada's favourite storyteller takes on Canada's most beloved pastime! Ciara is tired of hauling her hockey gear across town to play on the rink. It makes no sense—there is a perfectly good frozen river in her own backyard! But her dad says it's too jagged, and her mom says it's too bumpy, and her older sisters don't see why she can't keep going all the way across town, just like they did. But Ciara won't let anybody stop her. And with a little help from the neighbourhood, she knows that her team, the River Rink Rats, will finally win a game on their own brand new rink. In classic Robert Munsch style, this warm fun story of community and hockey takes a hilarious turn. With the excitement and pace of a real hockey match, the River Rink Rats play their final game on their new rink. The pressure is on; the crowd is watching; Ciara has the puck; the crowd keeps watching; the ice starts to...CRACK!; Ciara keeps playing; the ice starts to drift; the crowd starts running; Ciara shoots to SCORE and— You can be sure that no matter how the game ends, there will be hot chocolate! This ebook features read-along narration by the author.

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's

fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

Adilyn Archer fought with the idea that she could ever stay happy for too long. She's numb from the emptiness in her heart after the unexpected death of her mother. Adi gave up all hope that she would ever find that one thing in life to take her from that solitude. Forced into a place she never expected to be, she's face to face with the monster that haunts her dreams every night.

That man stole her life from her and she's forever damaged. Just when she thought she didn't have a fight left in her, she looks into the eyes of a beautiful distraction. He's just what she needs to get through this. But is it really at the right time? Ryder Bennett didn't expect to feel such an immediate attraction to Adi. He fights with the idea that they aren't meant to be together. They come from polar ends but he still can't get enough of her. As differences try to pull them apart, they uncover odd similarities that bring them together again. Is it enough to make it last? Just when things couldn't be any better, Ryder moves faster than Adi expected. However, she's hesitant to reveal her true feelings for him because her happiness has been ripped from her in the past. What could be so bad? She decides to take a chance on her happiness again. The Pattern repeats...Without warning, a damaging secret is revealed. Adi doesn't expect what's been thrown at her and she's broken again. What first brought them together could tear them apart. Was she too distracted to see who Ryder really is?
