

The Oxford Duden Pictorial English Dictionary

The Oxford-Duden Pictorial Thai & English Dictionary identifies over 29,000 objects by means of numbered illustrations, and offers at a glance their Thai and English terms.

"An enlarged and improved version of "Arabisches Wèorterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèorterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

4,000 words and phrases are organized thematically within 163 topics. Includes English to Vietnamese translations of vocabulary throughout, and an extensive index in Vietnamese at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website. The Wordsworth Dictionary of Culinary & Menu Terms contains over 12,000 entries and should prove useful to budding chefs and gourmards, fascinating to browsers and crossword enthusiasts, and a handy companion for hungry travellers or those wishing to avoid the potential pitfalls of self-catering and ordering meals in restaurants in foreign lands. In short, this book is essential reading for those who want to know the difference between chiorro, chiozzo, choko and chorizo, or who cannot tell a kaboucha from a kabanosi. Rodney Dale has assembled and arranged a rich diet of terms used for ingredients and recipes which are encountered in cuisine world-wide. This pabular vocabulary will be eagerly embraced by all those interested in and engaged in food and its preparation from whatever culture and tradition they may come.

Spanish & English vocabulary printed with pictures on the same page. Index in English. Includes technical pictures in two languages. Labeled drawings provide the Chinese and English expressions for terms dealing with astronomy, physics, geography, daily life, nature, industry, work, and culture

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The Oxford-Duden Pictorial English Dictionary identifies over 29,000 objects by means of numbered illustrations. This second edition has been completely updated and revised to include the most recent innovations in science and technology and to offer increased coverage of all major fields of reference, including photographs, computing, transport, and communications.

Labeled drawings depict the French and English words related to plants, animals, science, music, theater, sports, education, and industry

The Oxford-Duden Pictorial French and English Dictionary, Second Edition identifies over 28,000 objects by means of numbered illustrations. Based on the premise that pictures can more clearly convey certain kinds of information, this handy reference presents a list of vocabulary relating to a subject together with a picture illustrating that subject. Each double-page spread links the words by number to the picture situation drawn from everyday life. This Second Edition has been revised and updated to reflect over 1,500 new items of vocabulary relating to such diverse fields as photography, typesetting, personal computers, telecommunications, and transport. An essential reference for general readers, students, translators, travelers, and business people, the Oxford-Duden Pictorial French and English Dictionary, Second Edition, serves as an invaluable supplement to any French-English or English-French dictionary.

The Oxford-Duden Pictorial English Dictionary Oxford University Press, USA

A comprehensive, flexible, and up-to-date vocabulary reference and teaching tool for English language learning. The Oxford Picture Dictionary and its components create a highly teachable programme that can be used as a complete, four-skills beginning course, or as a language development supplement and practical reference. NEW Grammar Activity Book

This new edition provides an up-to-date and complete picture of contemporary German, including spelling changes ratified in 1996. Featured are more than 260,000 words, sample sentences, and maps. Thumb-indexed.

Presents detailed line drawings illustrating the specialized and technical vocabulary of entire subjects from Astronomy to Zoos together with the exact Chinese names and their correct English equivalents. Annotation copyright by Book News, Inc., Portland, OR

Provides authoritative coverage of German and English with over 320,000 words and phrases, and 520,000 translations. Features include: essential grammatical information and language usage notes for both languages; cultural notes, providing interesting and helpful information on life in the German- and English-speaking world; boxed notes offering help with language usage and construction; and a centre section covering essential correspondence with sample letters, emails, CVs, resumes, telephone and text messaging.

Groups of German and English words in a particular subject area are illustrated on the same or opposite page.

There are certain kinds of information that can be conveyed more readily and clearly by pictures than by descriptions and explanations. The Oxford-Duden Pictorial Italian and English Dictionary identifies over 28,000 objects by means of numbered illustrations, offering at a glance their Italian and English terms. This completely new addition to the successful Oxford-Duden Pictorial range of dictionaries reflects the most up-to-date changes in technology, science and medicine, industry and commerce and offers comprehensive coverage of all major fields of reference, including the arts and

entertainment, recreation and sport, flora and fauna and typical situations in domestic and everyday life. Every vocabulary item relating to such diverse fields as photography, typesetting, personal computers, telecommunications and transport is indexed in Italian and English so that the dictionary can be used in both directions. The subjects are organized thematically enabling the user to grasp the entire vocabulary relevant to a given situation or context. This new dictionary will be an invaluable supplement to any Italian-English or English-Italian dictionary.

The Oxford Dictionary of English Grammar is a straightforward and accessible A-Z guide to the diverse and often complex terminology of English grammar. It contains over 1,600 entries with clear and concise definitions, enhanced by numerous example sentences, as well as relevant quotations from the scholarly literature of the field. This second edition is written and edited by Professor Bas Aarts of University College London, writer of the acclaimed Oxford Modern English Grammar. It has been fully revised and updated, with particular attention paid to refreshing the example sentences included within the text. There are over 150 new entries that cover current terminology which has arisen since the publication of the first edition, and there are also new entries on the most important English grammars published since the start of the 20th century. Hundreds of new cross-references enhance the user-friendly nature of the text, and the list of works cited has been thoroughly updated to reflect the current state of the field. A short appendix of web links has been added. All in all, this Dictionary is an invaluable guide to English grammar for all students and teachers of the subject, as well as all those with an informed interest in the English language.

The Oxford-Duden pictorial dictionaries provide exceptionally wide coverage of the vocabulary of everyday life. Ideal for students, tourists, translators, and business people, each dictionary identifies some 28,000 objects in 384 picture sections (6 in full colour) by means of numbered illustrations, offering at a glance their names in both languages. The Portuguese and English vocabulary in this new dictionary covers subjects as diverse as flora and fauna, industry, sport and leisure, the arts, and technology. The variations of Brazilian Portuguese and American English are fully represented, making this an indispensable supplement to any Portuguese-English/ English-Portuguese dictionary.

The Oxford-Duden Pictorial Thai and English Dictionary identifies parallel English and Thai word lists for over 29,000 objects by means of numbered illustrations, and offers quick reference to their Thai English terms. This completely new addition to the successful Oxford-Duden range of dictionaries reflects the most up-to-date changes in technology, science and medicine, industry and commerce and offers comprehensive coverage of all major fields of reference, including the arts and entertainment, recreation and sport, flora and fauna and typical situations in domestic and everyday life. Also included are specially produced pages on Thai subjects such as Buddhism and architecture. Fully alphabetized indices in both languages refer the reader not only to various subjects and contexts in which a word is used, but also to the correct translation and vocabulary of the entire subject. With no other Thai and English pictorial available at present on the market, the Oxford-Duden Pictorial Thai and English Dictionary is an essential resource for everyone from the beginning student to the seasoned speaker.
