

The Path Of Druidry Walking The Ancient Green Way

The most renowned Druid priest in North America, Isaac Bonewits has spent the last four decades devoted to Druidic study. Now he imparts his wisdom through this elegant and thoughtful tour of ancient and modern Druidism. With impeccable scholarship, Bonewits explores the Druids' archeology and mythology, and helps to demystify their rituals and prayers.

In a book that includes a glossary and pronunciation guide, the author introduces the nature-based tradition of druidry. Original. The Hedge Druid's Craft blends the traditions of Wicca, Witchcraft and Druidry into a spiritual path that uses the techniques of "hedge riding" to travel between the worlds, bringing back wisdom and enchantment into our everyday lives. It is about working with boundaries, with a foot in either world, living around the edges and working with liminal times and places. For those whose paths meander and often overlap, and those who would not be constrained nor confined by labels, yet who seek some definition, this book is for you. If you are interested in Witchcraft, Wicca or Druidry, this book will sing to your soul.

The ultimate book of Druidism for the 21st century! Collected writings and research spanning a quarter of a century culminated together for the most complete guide, reference and curriculum for a spiritual, mystical and magical legacy of legendary renown that speaks relevantly to present times and will carry human evolution into the future.

Druids draw their inspiration from the world of nature in the rich source of teaching in the myths and legends of their ancestral tradition. It is said that druidry provides a means of personal and planetary healing can help you get in touch with your roots. A Beginners Guide to Druids is an approachable introduction to the fascinating world of druids. This guide looks at the various teachings and beliefs of druidry today. This book covers such aspects as ceremony and ritual, gods and goddesses, life, death and rebirth, to help you develop a deeper understanding of how you can weave druidry into your everyday life. Practice sections enable you to consolidate your understanding of the belief systems and help bring the ideas alive.

Discover the hidden beauty in the Druid lifestyle and how it can bring peace and contentment to your life! Have you ever awakened, and you're already tired just from thinking about your daily routine? Are you ready to learn how to improve your life? Do you want to make your time here have more meaning? If you answered yes to even one of these, then you have found the right book! Modern Druidry is not about dancing around Stonehenge in flowing white robes, chanting strange rituals. It's about respecting nature and living life free of stress, strain, and worry. If this sounds like what you have been searching for, you have come to the right place. In this book, you will: Discover everything you want to know about both ancient and modern Druidry Learn all the key elements you need to practice Druidry on your own Explore the many Gods and Goddesses of Druidry Discover Druid festivals and ceremonies Learn how to use Druid prayer and meditation Uncover an entire chapter on Druid rites and rituals See examples of the Tree Alphabet Uncover the power of herbs and what they can do for you Read about the steps needed to practice Druidry and divination Learn more about Ogham divination Discover different layouts and methods of Druid tarot Throughout the book, you will find easy to understand, step-by-step instructions on how to set up your own prayer and ritual space, prayers you can follow or rewrite to suit your own purposes, rites and rituals, tarot card spreads, and much more. Now is the time to start living your life to your fullest potential. Click on the "add to cart" button to get your copy of this book and get started on a journey you will never forget!

Druidry is primarily a reconstructed ethnic religion derived from what is known about the beliefs of the ancient Celts. Those who follow it may be drawing on anthropology, folklore, archaeology, history and even academic research; others may hear the 'Druidic Call' to celebrate Earth and Sky but may not know where to learn more. These are the seekers whom The Solitary Druid is dedicated to. An essential first step in Paganism and a necessary one for those new to the Druid's path, focusing on the core teachings of modern Druidry.

Taking both Zen and Druidry and embracing them into your life can be a wonderful and ongoing process of discovery, not only of the self but of the entire world around you. Looking at ourselves and at the natural world around us, we realise that everything is in constant change and flux - like waves on the ocean, they are all part of one thing that is made up of everything. Even after the wave has crashed upon the shore, the ocean is still there, the wave is still there - it has merely changed its form. The aim of this text is to show how Zen teachings and Druidry can combine to create a peaceful life path that is completely and utterly dedicated to the here and now, to the earth and her rhythms, and to the flow that is life itself.

This solidly researched guide to Ogham, the traditional alphabet of Irish poets and loremasters, belongs on the bookshelf of anyone interested in Celtic traditions or modern Druid spirituality. Ellison deserves high praise for a readable and practical introduction to the intricacies of Ogham lore

Pagan Portals: Australian Druidry works as a supplement to the study of Druidry and other nature-based spiritual paths as practiced in Australia. The seasons, animals, plants and ancestral histories of the land in Australia are quite different from those of the Celtic lands where Druidry originates. Julie Brett discusses the difficulties of following a nature-based tradition in an environment wildly different from Druidism's place of origin, and offers practical information on how to adapt the practice of Druidry to suit the energy of the land and respect its spirits and ancestors.

The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals. This is a comprehensive study of the Druids, from their earliest history to the present-day renaissance. Written by a former Chosen Chief of the Order of Bards, Ovates, and Druids, this is a definitive account of the history and practice of Druidry, their principal deities, their myths, their wisdom and their social organization.

Paganism is a way of seeing the world and your place in it. It means challenging the assumptions of mainstream society and strengthening your relationships with the gods, the universe, your community, and your self. The Path of Paganism provides practical advice and support for honoring your values and living an authentic Pagan life in mainstream Western culture. Discover tips for establishing or deepening a regular practice. Explore how your spirituality can help you deal with life's inevitable hardships. Learn the basics of leadership roles and other steps to take as you gain experience and move into more advanced practices. With questions for contemplation as well as rituals to help you integrate new concepts, this book guides you through a profoundly meaningful way of life. Praise: "This is an absolute gem of a book! John's love of his Pagan path fills this book with incredible enthusiasm and confidence...I would recommend this book to beginners and experienced

practitioners alike. Both will find many pearls of wisdom within these pages. Highly recommended."—Damh the Bard

Tune into the wisdom of three trees sacred to Druids—birch, oak, and yew—and use their powerful lessons and natural gifts to transform your life. Written by a Druid with more than twenty years of practical experience, *The Wisdom of Birch, Oak, and Yew* will guide you through a one-of-a-kind journey of magical self-discovery. Its unique invitation: change your perspective by “being as a tree” and consider yourself in light of the qualities of our arboreal friends. Engage with the spirit of each tree and explore its relationship to the stages of your life and the rhythm of your days. Experience within yourself each tree’s positive attributes, gain perspective by taking on each tree’s role as “witness,” and find respite from the frenetic pace of modern life. Praise: “Wise, inspiring, and entertaining, this is a profoundly practical book about nature’s magic and how it supports our personal development. I warmly recommend it.”—Dr. William Bloom, author of *The Power of Modern Spirituality* “A very fine book on the deep magic of the trees. Penny Billington shows us how these trees function as guides and initiators, teachers and friends and along the way gives us a first rate introduction to working with the energies of the land to promote healing and new life.”—Ian Rees, Psychotherapist, Trainer, and Program Director of the Annwn Foundation

In *Living Druidry* Emma Restall Orr opens the doorway to this powerful and ancient spirituality in a way that is both accessible and inspiring. Grounded in everyday life and experience this book guides the reader to find their own vision, and their own deep, personal, ecstatic relationship with nature. You will learn about: The fundamental principles underlying Druidry; The relevance of Druidry and nature spirituality today; The powers of nature that resonate within the individual; Understanding and accepting yourself; How to bring a profound spiritual experience into your everyday life; Simple ways to acknowledge and embrace the wild side of your nature

The Path of Druidry Walking the Ancient Green Way Llewellyn Worldwide Limited

The Bardic Book of Becoming is a warm, user-friendly, eclectic introduction to modern Druidry that invites you to take the first steps into the realms of magic and mystery. In this book you will be introduced to the various techniques and practices of a Druid in training. Written by Ivan McBeth, the cofounder of Vermont's Green Mountain School of Druidry, with Fearn Lickfield, the book incorporates lessons, visualizations, rituals, and magical stories. Many different activities and exercises are included that provide the reader with hands-on learning. Ivan also provides personal stories that demonstrate his own journey from spiritual seeker to Druid.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. A guide to the history and practices of the Druids and the Celtic faith • Reconstructs the Druidic faith from surviving remnants, parallels with other Indo-European traditions, and dedicated study of scholarly sources • Details magical rites and ceremonies, methods for consecrating an outdoor temple, and customs for celebrating important festivals such as Beltaine and Samhain • Discusses rules for firecraft, making offerings to deities and spirits, and the ancient Coligny calendar, including the names of the months in old Gaulish Druids and their magic, lore, and rituals have fascinated all those who encounter them, from the ancient Greeks and Romans onward. Even today, the mere mention of their name evokes pictures of standing stones, mistletoe, golden sickles, white-robed priests, and powerful sorcerers. But were they really as we picture them? Drawing on comparative mythology and linguistics, archaeological evidence, and etymology, Teresa Cross offers readers a comprehensive course in the history and development of the Celtic spiritual tradition and its lore, reconstructing the Druidic faith from the remnants that have survived and dedicated study of scholarly sources. She also reveals parallels with other Indo-European traditions, such as the similarities between Celtic and Vedic Hindu beliefs and practices. She chronicles the ethics and spiritual teachings of Druidism and the Celtic faith and examines what happened to these beliefs during centuries of Christianization. Moving from history to practice, Cross details magical rites and ceremonies as practiced by modern-day followers of Druidry. She explores the structure of the *Touta*, which roughly corresponds to “tribe,” methods for consecrating a *nemeton*, the outdoor temple that offers the optimum sacred space for the meeting of heaven and earth, and the rites and customs associated with important festivals such as Beltaine and Samhain. She also explores the rules of firecraft, the sacred art of giving to the cosmos, making offerings to deities and spirits, sacred food and beverages, and the ancient Coligny calendar, including the names of the months in old Gaulish. Offering an authentic handbook for starting your own Celtic group led by Druids, Cross reveals the meanings and metaphysics behind the Celtic and Druidic customs and traditions, reuniting the fragmentary remains of long-lost Druid culture with the still-living practices of the Celtic faith.

In this beautifully-written guide, Chief Druid Philip Carr-Gomm shows how the way of Druids can be followed today. He explains - The ancient history and inspiring beliefs of the ancient Druids - Druidic wild wisdom and their tree-, animal- and herb-lore - The mysteries of the Druids' seasonal celebrations - The Druids' use of magic and how their spirituality relates to paths such as Wicca This guide will show how the wild wisdom of the Druids can help us to connect with our spirituality, our innate creativity, the natural world and our sense of ancestry. The life-enhancing beliefs and practices of this spiritual path have much to offer our 21st-century world.

Many students don't want to be tied to a particular group or spiritual tradition, but prefer to search, experiment, and grow on their own; this book is perfect for these people. Watson discusses the principles that underlie magical practice in a very easy-to-understand manner. She includes information on affirmations, visualization, spiritual practices, folk magic, and ritual. Safety measures and ethical considerations are stressed throughout.

Druidry is currently exciting much interest but has an image that is not usually associated with urban life. In *The Handbook of Urban Druidry*, author Brendan Howlin presents Druidry in an easy-to-understand way, making the concepts open to everyone. Druidry is a wonderful, spiritually fulfilling life path. Through the magic that is Druidry, we build deep and abiding relationships with the natural world around us, and through our connection to the natural environment we walk a path of truth, honour and service. We aim to immerse ourselves in the present moment, in the present environment, in order to share in the blessing that is the cycle of life. Throughout the ages, people have withdrawn from the world in order to connect more fully with it. This book is an introductory guide for those who wish to walk the Druid path alone, for however long a time. It is about exploration and connection with the natural world, and finding our place within it. It covers the basics of Druidry and how, when applied to the everyday life, enriches it with a sense of beauty, magic and mystery. This book is for those people who feel called to seek their own path, to use their wit and intelligence, compassion and honour to create their own tradition within Druidry.

The Druids were the mystics, philosophers, and magicians of the ancient Celtic world. Their spirituality was borne from their near-worship of poetry and music, their warrior prowess, and the world of nature. *The Mysteries of Druidry* reveals this mystical romanticism as it was in ancient times, and shows various ways to bring it to life today, in both private and social realms.

Thoroughly researched, provocative, and informative, the book carries the reader back to the world of the Druids, not just through

Celtic mythology and traditional storytelling, but through the author's own experience of living and traveling in Ireland and visiting its sacred sites. The Mysteries of Druidry combines a high-quality "training manual" for modern spiritual Celts and Druids with an original and thought-provoking philosophical account of the spiritual meaning of Druidry.

Druidism, the ancient shamanic religion of Britain is experiencing a major revival there and in America. This book is both a complete description of the Druid Way as well as a fascinating tour of the major Druid sites, ruins, and "power places". Includes specific suggestions for bringing this ancient wisdom tradition into our own lives and activities.

Perhaps the most mystical, magical people ever known were the Druids. They were wizards, storytellers, teachers and spiritual leaders. They were attuned to the Earth and the Sun. And they were very powerful. Couldn't it be amazing if you could be a Druid? Now you can with the secrets revealed in *Druid Magick*. This book presents everything you need to know to become a Druid and even start your own Druid "Grove" (the name of a Druid group). You'll learn about the Druid's tools - the sickle, wand, cord and more - and how to make and use them. You'll discover all of the beliefs the Druids hold, including the emphasis on honor and ethics. You'll learn how a Druid sees the Divine in everything and how even sex can be sacred. And of course you'll learn the secrets of the magic of the Druids. You'll learn how to do protection spells and how to use magic to find missing items. You'll learn how you can visit other "worlds" or levels of reality. You'll even learn how to do shapeshifting and experience the world as an animal! Are you having a mental block? With this book you'll learn how to tap into the creativity that was a hallmark of the Druids. You'll be able to write, draw, write or perform music with much greater ease and depth than ever before. Become a Druid can bring you all this and more! Druidry is far more than historic Celtic leadership. It is a living, growing, spiritual tradition that can bring you more self-assurance and self-development than you've ever had before. Jump out of the ordinary! Try something new to bring that spark back into your life. Discover the secrets of Druid Magic. Winner of the 2001 Coalition of Visionary Resources (COVR) Award for best Magic Book

A complete guide to the techniques of the pre-Celtic Druids for understanding the past, present, and future • Offers step-by-step instructions for a wealth of practices passed down across five generations of Welsh Druids • Explains the three forms of divination used by the Druids: interpretive divination, such as reading the Sevens; inductive divination, such as reading the wind or smoke; and intuitive divination, whose tools include cup-stones and scrying mirrors • Provides comprehensive instructions on how to craft and utilize your own magical instruments and tools, including botanical compounds, scrying wands, and slate speculum vitae In this practical guide, Jon G. Hughes shares ancient secret Druidic techniques of divination passed down to him across five generations in an unbroken lineage of influential Welsh Druids.

Hughes explains the three forms of divination used by his tradition: interpretive divination, used by readers of the Sevens (small staves with engraved sigils); inductive divination, which includes instructions for reading the wind, reading smoke, and divination using water; and intuitive divination, whose tools include cup-stones and slate mirrors for scrying. Providing step-by-step instructions for practices in each of the three forms, he offers a wealth of divinatory techniques and explains how to access the altered states of consciousness necessary to read time backward and forward. He also explores the crafting and use of all tools and mixtures the reader will need to perform each type of divination, including botanical compounds, scrying wands, and a slate speculum vitae, the "mirror of life." He reveals how the prime function of divination in this school of Druidic lore is to gain insight into past, present, and future events through a process of internalizing them, akin to empathy, and then interpreting them. By providing an understanding of pre-Celtic beliefs and clear instructions for Druidic practices, Hughes offers each of us the opportunity to begin our own practical experimentation and journey of discovery into the ancient art of Druidic divination. The classic guide to living a spiritual life rooted in Celtic antiquity and revived to meet the challenges of contemporary life. *Druidry* offers people a path of harmony through reconnection with the green Earth. The *Druidry Handbook* is the first hands-on manual of traditional British druid practice that explores the Sun Path of seasonal celebration, the Moon Path of meditation, and the Earth Path of living in harmony with nature as tools for crafting an Earth-honoring life here and now. From ritual and meditation to nature awareness and ecological action, John Michael Greer opens the door to a spirituality rooted in the living Earth. Featuring a mix of philosophy, rituals, spiritual practice, and lifestyle issues, *The Druidry Handbook* is an essential guide for those seriously interested in practicing a traditional form of druidry. It offers equal value to eclectics and solitary practitioners eager to incorporate more Earth-based spirituality into their own belief system.

This new edition was written out of the need to provide an introduction to the Druid Way based on a Celtic metaphysic. The authors bring a wide experience of druidic practice and thought to bear and present a work that will allow those new to the Way to take their first steps with confidence. However, it is also a book that will be of immense interest to those who are already Druid as it approaches the subject with a fresh vision and a passion that will inspire many to re-examine their roots. The book is divided, appropriately, into three sections. The first part, 'How the World Came To Be', looks at ancestral Celts and Druids and examines not just the history of the Druid Way, but also the metaphysic that gives it continued life. The second part, 'The Shape of the World', explores some of the philosophical concepts of the modern Druid Way as well as the importance of the Matter of Britain in understanding what it is to be Druid. The final part, 'Working in the World', looks at some of the practical aspects of being Druid.

Experience the Mystery and Magic of Contemporary Druidry *The Book of Hedge Druidry* is for those who feel called to explore a powerful earth-based spirituality rooted in Celtic lore. With hands-on practices as well as fascinating perspectives on what it means to be a Druid, this book walks you through the magic of the liminal realm and helps you fill your own cauldron of inspiration. Longtime Druid Joanna van der Hoeven guides you in creating an altar and crafting rituals based on the Wheel of the Year and important life passages. You will discover enchanting moon rites and ideas for daily practice as well as insights for working with herbs, spells, and the ogham alphabet. When you step onto the Hedge Druid's path, you learn to work with the in-between places, straddling the boundary between this world and the next and developing profound relationships with ancestors, goddesses, gods, spirits of place, and the Fair Folk. Druidry is a powerful tradition that evokes the mystical spirit of times past. This comprehensive guide to solitary Druidry will connect you to a higher wisdom for the benefit of all. Connect with the astonishing powers of Nature with this spiritual tradition dating back thousands of years that offers today's woman a gentle loving formula for living happily and well. Original.

Druidry and Wicca, also known as "the Craft", are the two great streams of the Western Pagan tradition. Both traditions originated in the British Isles, and both are now experiencing a renaissance all over the world, as more and more people seek a spirituality rooted in a love of nature.

For the ancient Druids, the healing and magical properties of herbs were inseparable from the larger cycles of the seasons, the movements of the planets, and the progression of a human life. A Druid's Herbal shows the reader how to use herbs when creating rituals to celebrate festivals and significant life passages such as births, house blessings, weddings, funerals, and naming ceremonies. Drawing on extensive research and a deep personal experience with Pagan traditions, Ellen Evert Hopman explores the history and folklore surrounding the eight major Celtic festivals: Samhain, Winter Solstice, Imbolc, Spring Equinox, Beltaine, Summer Solstice, Lughnasad, and Fall Equinox. Included in each discussion are complete instructions on the medicinal and magical uses of the herbs associated with each celebration. Using these Celtic traditions as examples, the author suggests ways to incorporate the symbolic and magical power of herbs into personal rituals that honor all phases of life from childbirth to last rites. Also included are chapters on how to prepare herbal tinctures, salves, and poultices; herbs used by the Druids; herbal alchemy and the planets; and the relationships between herbs and sacred places. Filled with practical information and imaginative

suggestions for using herbs for healing, ceremony, and magic, this book is an indispensable and comprehensive guide to age-old herbal practices.

Listen to the call of spirit and seek truth in wild groves, the shifting seasons, and the beauty of the Old Ways. Discover how to embark on this sacred green path and enrich your life with its ancient wisdom. Practicing Druid Penny Billington offers a clear and structured course of study grounded in Celtic history and mythology, and highlights the mysteries and modern practice of this nature-based tradition. Each chapter begins with an evocative visualization and captivating Welsh mythic tales from the Mabinogionare woven throughout, introducing lessons and key concepts. A series of hands-on exercises will help you internalize these truths, develop a spiritual awareness rooted in nature, build a relationship with the multi-dimensional world, and ultimately adopt a druidic worldview to guide you in everyday life. Archetypes Animal energy The elements The Nwyfre Symbols The Wheel of the Year The Otherworld Trees as teachers and healers Shapeshifting From joining a druidic community to starting out as a solitary practitioner, this unique spiritual guide offers advice on everything you need to know about practicing Druidry today.

Praise: "I loved this rich and intuitive approach to the study of modern Druidry. Penny's book is full of wisdom and insight. The comprehensive course is accompanied by beautiful visualizations and carefully crafted inspirational exercises."—Barbara Erskine, bestselling author of *Lady of Hay*

A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, *The Celtic Golden Dawn* presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.

Learn how this powerful means of self discovery can heal us and link us to the natural forces of nature.

A comprehensive and revealing look at the druids and their fundamental role in Celtic society that dispels many of the misconceptions about these important religious figures and their doctrine • Written by the world's leading authority on Celtic culture
Druidism was one of the greatest and most exalting adventures of the human spirit, attempting to reconcile the unreconcilable, the individual and the collective, creator and created, good and evil, day and night, past and future, and life and death. Because of the oral nature of Celtic civilization our understanding of its spiritual truths and rituals is necessarily incomplete. Yet evidence exists that can provide the modern reader with a better understanding of the doctrine that took druidic apprentices 20 years to learn in the remote forests of the British Isles and Gaul. Using the descriptions of the druids and their beliefs provided by the historians and chroniclers of classic antiquity--as well as those recorded by the insular Celts themselves when compelled, under Christianity's influence, to utilize writing to preserve their ancestral traditions--Jean Markale painstakingly pieces together all that is known for certain about them. The druids were more than simply the priests of the Celtic people; their influence extended to all aspects of Celtic life. *The Druids* covers everything concerning the Celtic religious domain, intellectual speculations, cultural or magical practices, various beliefs, and the so-called profane sciences that have come down from the Celtic priesthood.

When I started running meditation groups, I searched for a book that would tell me how to do it. There wasn't one. Like many Pagans, I hate dogma and resent being told exactly what to do. But at the same time, like everyone starting out on something new, I wanted a frame to hang my work from. I learned the hard, slow way. *Druidry and Meditation* is a guide for Druids who want to meditate. It explores meditation for the body, the intellect, the emotions and for spiritual practice. There are plenty of easy to follow exercises, along with prompts about how to develop your own work from there, held by a philosophical framework. I've included sample pathworkings to get people started, and a detailed explanation of how to construct your own. There's a chapter on how to run a meditation group – covering practical issues as well as the art of writing for groups and the technicalities of guiding. I've also included a section on how to incorporate meditation into group ritual, covering practical issues. *Druidry* is a beautiful, multifaceted, non-dogmatic spirituality. Every aspect of *Druidry* can be supported with meditative work. Meditation is not *Druidry* and *Druidry* is not meditation, but the two combine to inspiring effect. Many Pagans question, all the time, how we can make our spirituality an intrinsic part of our lives. This meditative approach to *Druidry* is one answer to that question. Through greater self-awareness, with deep contemplation, spiritual openness and conscious nurturing of creativity, we can explore and express our Paganism in ever more rewarding ways.

Graeme K Talboys has been Druid for a long time. An encounter with a spirit in a beech grove fifty years ago convinced him that the eye rarely sees all there is to see. A few years later he realised there were ways to discover more about those other worlds amongst the trees. The word Druid didn't drift into his consciousness until he was a teenager, but by then he was already exploring the Forest and fascinated by the history and archaeology of ancestral Celts. Since then, Graeme has been a teacher in schools and museums. He now writes, passing on what he has learned through fiction and non-fiction. He spent some time in a Druid Order, completing their formal training, but is much more comfortable exploring the Forest on his own. Since 2001 he has administered the Hedge Druid Network with fellow Druid, Julie White.

Explore the powerful magic of the twenty-five trees in the ogham tradition. Enrich your spiritual practice with authentic Celtic wisdom and practical techniques. Written by a Druid witch and Celtic shaman, *Celtic Tree Magic* shows you how to: Practice ogham divination, charms, and spells Work with each tree's magical correspondences and healing attributes Make salves, tinctures, ointments, and green crafts Find tree spirit allies in nature and the otherworld Fashion wands and other magical tools With exercises, hands-on tips, and an accessible exploration of folklore and myth, this lovely and lyrical handbook provides practical skills and deeper understandings for beginners and intermediate practitioners. Praise: "A trusted and guiding hand through the Celtic forests of wisdom and magic."—Kristoffer Hughes, author of *The Book of Celtic Magic* and founder of the Anglesey Druid Order "This lovely work offers a truly experiential journey...It offers the reader a richer understanding of nature and self."—Philip Carr-Gomm, Chosen Chief of the Order of Bards, Ovates, and Druids and author of *Druid Mysteries* "Danu Forest has made masterful use of the original sources...I heartily commend this book."—Nicholas R. Mann, author of *Druid Magic*
