

## The Phantom Prince My Life With Ted Bundy

The inspiration for the five-part Amazon Original docuseries *Ted Bundy: Falling for a Killer* This updated, expanded edition of *The Phantom Prince*, Elizabeth Kendall's 1981 memoir detailing her six-year relationship with serial killer Ted Bundy, includes a new introduction and a new afterword by the author, never-before-seen photos, and a startling new chapter from the author's daughter, Molly, who has not previously shared her story. Bundy is one of the most notorious serial killers in American history and one of the most publicized to this day. However, very rarely do we hear from the women he left behind—the ones forgotten as mere footnotes in this tragedy. *The Phantom Prince* chronicles Elizabeth Kendall's intimate relationship with Ted Bundy and its eventual unraveling. As much as has been written about Bundy, it's remarkable to hear the perspective of people who shared their daily lives with him for years. This gripping account presents a remarkable examination of a charismatic personality that masked unimaginable darkness.

Looking at the Ted Bundy case, offers information on how a serial killer case is investigated and how a prosecution team collects and presents evidence at trial.

Early morning on Monday, October 9, 2017, wildfires burned through Northern California, resulting in 44 fatalities. In addition, 6,200 homes and 8,900 structures and were destroyed. Author Brian Fies's firsthand account of this tragic event is an honest, unflinching depiction of his personal experiences, including losing his house and every possession he and his wife had that didn't fit into the back of their car. In the days that followed, as the fires continued to burn through the area, Brian hastily pulled together *A Fire Story* and posted it online—and it immediately went viral. He expanded his original web comic to include environmental insight and the fire stories of his neighbors and others in his community. This paperback version includes 32 new pages that bring the story up-to-date. *A Fire Story* is a candid testimony of the wildfires that left homes destroyed, families broken, and a community determined to rebuild.

- “The foreword promises exclusive information and delivers. Through prodigious research, Sullivan sniffs out small details, like overlooked gas station receipts, to meticulously define the time line of Bundy's killing spree. [He] also attempts to offer, when possible, well-rounded views of the forgotten women who were victims, sharing snapshots of their lives and personalities. Precise and fast-paced, this is a worthwhile addition to the existing Bundy canon.”—Booklist
- Reviews of the 1st edition: • “Despite the multitude of books about Bundy, *The Bundy Murders* offers fresh material and ideas about Bundy's predatory movements. Well researched and highly recommended, for Bundy scholars and true crime fans alike.”—Katherine Ramsland, author of *The Human Predator* and *The Devil's Dozen*
- “Unearths new and horrifying evidence of other murders and graphic new details about the most notorious and fascinating serial killer of all

time...provides the most in-depth examination of the killer and his murders ever conducted...a must-read for all true crime fans”—Dan Zupansky, author of Trophy Kill • “The Bundy Murders is scholarly and yet, at the same time, compelling and mesmerizing. Couldn’t put it down. This is crime writing at its very best!”—Gary C. King, author of The Murder of Meredith Kercher and Rage • “Kevin Sullivan has delivered a precise, knowledgeable chronicle of the life and death of America’s most recognizable serial killer. This highly accessible study gives context to the details of horror unleashed by the unfinished soul we know as Ted Bundy.”—Ron Franscell, bestselling author of The Darkest Night and Delivered from Evil • “The touchstone of accuracy and insight...never before revealed information on the grisly crimes of America’s most notorious serial killer...required reading for anyone interested in serial killers in general and Ted Bundy in particular.”—Burl Barer, Edgar Award winning author of The Saint: A Complete History in Print Radio Television and Film • “Sullivan’s book is the most comprehensive I have encountered on Bundy. He provides minor details and insights not provided by any other book on the subject, revealing subtle facets of the killer’s background and crimes which have previously gone unnoticed.”—Gary Brucato, coauthor, The New Evil: Understanding the Emergence of Modern Violent Crime • “Insightful, well researched, and well written...highly recommend[ed] for any true crime reader, or any reader wanting to know more about Bundy or about deviant personalities. In fact, this book should be required reading for any student of psychology or criminal law”—Psychotic State.com In this revised, updated and expanded edition, the author explores the life of Theodore Bundy, one of the more infamous--and flamboyant--American serial killers on record. Bundy's story is a complex mix of psychopathology, criminal investigation, and the U.S. legal system. This in-depth examination of Bundy's life and his killing spree that totaled dozens of victims is drawn from legal transcripts, correspondence and interviews with detectives and prosecutors. Using these sources, new information about several murders is unveiled. The biography follows Bundy from his broken family background to his execution in the electric chair.

""The Only Living Witness" towers over the rest of the Ted Bundy bookshelf . . . (as) a monument to book-length journalism" (Jack Olsen, author of "The Misbegotten Son"). "A shining example of excellent reporting, fine writing, and a story of enduring value."--Carlton Stowers, author of "Careless Whispers."

The Phantom Prince: My Life with Ted Bundy by Elizabeth Kendall: Conversation Starters 'The Phantom Prince: My Life with Ted Bundy' is the work of author Elizabeth Kendall and her daughter Molly Kendall where they share their views and tumultuous relationship with a notorious serial killer Ted Bundy. The book is a reprint to the original novel that was print in September 1981 and had long gone out of print. Ted Bundy was a serial killer who was sentenced to death by electrocution due to the ghastly murders and rape of more than thirty victims in the 1970s. The book shares insights on Kendall's six-year relationship with Ted and doesn't shy to reveal that she had loved Ted and a part of her still misses

him, despite his flaws. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to create hours of conversation:

- Foster a deeper understand of the book
- Promote an atmosphere of discussion for groups
- Assist in the study of the book, either individually or corporately
- Explore unseen realms of the book as never seen before

In the tradition of bestselling legal memoirs from Johnnie Cochran, F. Lee Bailey, Gerry Spence, and Alan Dershowitz, John Henry Browne's memoir, *The Devil's Defender*, recounts his tortuous education in what it means to be an advocate—and a human being. For the last four decades, Browne has defended the indefensible. From Facebook folk hero "the Barefoot Bandit" Colton Moore, to Benjamin Ng of the Wah Mee massacre, to Kandahar massacre culprit Sgt. Robert Bales, Browne's unceasing advocacy and the daring to take on some of the most unwinnable cases—and nearly win them all—has led *48 Hours'* Peter Van Sant to call him "the most famous lawyer in America." But although the Browne that America has come to know cuts a dashing and confident figure, he has forever been haunted by his job as counsel to Ted Bundy, the most famous serial killer in American history. A drug- and alcohol-addicted (yet wildly successful) defense attorney who could never let go of the case that started it all, Browne here asks of himself the question others have asked him all along: does defending evil make you evil, too?

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom. The untold true crime story behind the notorious serial killer who preyed on women across the United States from the author of *The Bundy Murders*. Journey back in time to when Ted Bundy was killing young women and girls in the Pacific Northwest and beyond. Within these pages, you'll find revealing stories from Bundy's friends as well as his friends of his victims—some being published for the very first time. Discover what it was like to know him while he was actively involved in murder. Learn information and anecdotes about the victims that were not previously shared with the investigators. You'll also hear from the two former detectives who worked with the author on his book, *The Bundy Murders*, as they dispel commonly held myths about Bundy and offer insight into his deadly career and its impact on those who came into contact with him. *The Trial of Ted Bundy* is the story of those who hunted Bundy, those who guarded him, and those who were otherwise part of this strange case in one way or another. "Bundy expert Kevin Sullivan has done the painstaking

work of filling [in the holes in Bundy's story] and offering credible notions for those for which information might always be elusive. An important addition to true crime studies."—Katherine Ramsland, bestselling author of *Confession of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer*

Drawn from more than 150 hours of exclusive tape-recorded interviews with Bundy, this collection provides shocking insights into the killer's 11th-hour confessions before his death in a Florida electric chair. A unique, horrifying self portrait of one of the most savage sex killers in history.

Discover The Terrifying True Crime Story of America's Most Notorious Serial Killer - Ted Bundy Delve into a chilling darkness of the serial killer world and explore it through the eyes of victims, detectives, witnesses, and other people who were involved and experience the whole new dimension of true-crime storytelling. Described as "a sadistic sociopath who took pleasure from another human's pain and the control he had over his victims, to the point of death, and even after," Ted Bundy was a nightmare in disguise. A witty, hard-hitting exploration of the ultimate aims of science in a dramatic form.

The story of the Phantom of the Opera, a half-crazed musician hiding in the labyrinth of the famous Paris Opera House and creating a number of strange and mysterious events to further the career of a beautiful young singer, is today regarded as one of the most famous of all horror stories: widely mentioned in the same breath as Frankenstein and Dracula. Yet the fame of this novel is based almost entirely on the various film versions, while the original book has been largely ignored and is rarely in print. An Accelerated Reader® Title

"A must-have for Bundy fanatics, this collection fills in holes and addresses key mysteries about one of the world's most infamous serial killers." —Katherine Ramsland, bestselling author of *Confession of a Serial Killer* Within these pages, you'll read of the many questions still surrounding this fascinating and intricate case, as well as the answers that are only now being provided here. There's so much more to learn, and new information is still surfacing about Bundy, his victims and his potential victims. As such, there is new testimony included from those who had a brush with the killer, and others who played their own roles in this multi-state case. In this book, Bundy case detectives Jerry Thompson of Salt

Lake City, Utah, and Don Patchen of Tallahassee, Florida, talk about their personal experiences with Bundy. So does Ron Holmes, the Louisville criminologist who worked with the killer towards the end of his life. Also included are official reports that have rarely been viewed outside of the archives, along with the author's commentary to guide readers through them. And last but not least, is Bundy's final confession to Utah detective Dennis Couch just hours prior to Bundy's execution. In it, Bundy reveals startling facts and sparks additional questions. A must-read for those true crime readers fascinated by America's most enigmatic and infamous serial killer. Praise for Kevin M. Sullivan's books on Ted Bundy "Provides the most in-depth examination of the killer and his murders ever conducted." —Dan Zupansky, host of the True Murder podcast "This is crime writing at its very best!" —Gary C. King, author of *The Murder of Meredith Kercher*

Ted Bundy was America's first celebrity serial killer, and one of the most chilling enigmas in criminal history. Handsome, boyish and well spoken, a law student with bright political prospects, Bundy was also a predator and sexual deviant who murdered and mutilated at least thirty young women and girls, many of them college coeds, but at least two as young as twelve. Penned by two journalists in close contact with Bundy's friends and relatives, as well as spending 150 hours interviewing him on Death Row, *Ted Bundy: The Only Living Witness* is the definitive account of America's most notorious criminal, as told by the people who knew him best.

The inspiration for the five-part Amazon Original docuseries *Ted Bundy: Falling for a Killer Now* in paperback, this updated, expanded edition of *The Phantom Prince*, Elizabeth Kendall's 1981 memoir detailing her six-year relationship with serial killer Ted Bundy, includes a new introduction and a new afterword by the author, never-before-seen photos, and a startling new chapter from the author's daughter, Molly, who has not previously shared her story. Bundy is one of the most notorious serial killers in American history and one of the most publicized to this day. However, very rarely do we hear from the women he left behind--the ones forgotten as mere footnotes in this tragedy. *The Phantom Prince* chronicles Elizabeth Kendall's intimate relationship with Ted Bundy and its eventual unraveling. As much as has been written about Bundy, it's remarkable to hear the perspective of people who shared their daily lives with him for years. This gripping account presents a remarkable examination of a charismatic personality that masked unimaginable darkness. The most fearsome Serial Killer in U.S. history. A murderer's tale is not always shrouded in darkness, trauma, and failure to perform as a normal person. Some killers are just as successful in life as those around them or even more so. They are able to function as any regular human being and charm their communities and victims into believing that they are of a good, pure nature. Ted Bundy was a handsome, charming and ambitious man who carried his hatred deeper and more hidden than any other murderers do. He was able to lead a life that included normal friendships and relationships, and he even got far as both a student and a politician. But the hatred was there...it was always there... Bundy ended the lives of over thirty young women, ensuring that

their final moments were ugly and violent. His torture methods were cruel, and there was no mercy shown to each female as he bludgeoned, strangled or cut them. Ted Bundy - The Campus Killer - a name of nightmares. This is his story.

The Bundy expert's authoritative A-to-Z guide to the people and locations involved in the case against America's most infamous serial killer. True crime author of *The Bundy Murders* Kevin M. Sullivan provides a comprehensive guide to the notorious murderer's life and crimes. This alphabetized volume lists hundreds of people involved in the case as well as dozens of locations where significant events occurred. This veritable "Who's Who" of the Bundy murders is an essential reference for researchers and students of the subject. "Sullivan's A-to-Z coverage of Ted Bundy provides a solid guide to the people and places that define the man and the monster, including some not present in other Bundy narratives. It nicely rounds out his Bundy oeuvre and gives readers an extensive reference tool on one of the world's most infamous serial killers."—Katherine Ramsland, author of *Confession of a Serial Killer*

Charged with defending the convicted and unrepentant mass murderer Ted Bundy during the last three years of his life, newly-minted Washington, D. C. attorney Polly Nelson fought to keep him out of the electric chair. In the now-classic *Defending the Devil*, she recounts with powerful honesty her own challenging role in the drama. Viewing herself as a compassionate humanitarian first, Nelson reveals her struggle to uphold her professional vow to represent her client (and try to save his life) while simultaneously being deeply mortified by the magnitude of his heinous crimes. Bundy's legal proceedings are meticulously recounted here, offering an eye-opening glimpse into the complex judicial appeals system. In addition to her fascinating behind-the-scenes look at the court proceedings, Nelson offers her unique insight into the mind of the killer. She paints a portrait of him as something less-than the diabolical evil genius suggested by his notoriety. While making no excuses for his despicable actions and acknowledging his "absolute misogyny," Nelson explores psychological angles to the case that many previously ignored. Showing a decidedly humanist slant, she brings Bundy's overt mental illness to the fore and makes a compelling case against the use of capital punishment. While ultimately unable to stay Bundy's execution, Nelson found a true calling in the fight to appeal the sentence. With candor and wit, she shares her own personal journey of emotional and intellectual transformation as a lawyer. "I was born to represent Ted Bundy," she writes.

Personal narrative of "Ted Bundy's lover and fiancée for more than six years"--Jacket.

Discusses the investigation and trial of Liysa Northon, who was convicted for killing her husband in 2000 after setting up a crime scene made to look like she herself escaped, a case that eventually linked her to a series of violent crimes against a series of men. Reprint.

What is it like to learn that your ordinary, loving father is a serial killer? In 2005, Kerri Rawson heard a knock on the door of her apartment. When she opened it, an FBI agent informed her that her father had been arrested for murdering ten people, including two children. It was then that she learned her father was the notorious serial killer known as BTK, a name he'd given himself that described the horrific way he committed his crimes: bind, torture, kill. As news of his capture spread, Wichita celebrated the end of

a thirty-one-year nightmare. For Kerri Rawson, another was just beginning. She was plunged into a black hole of horror and disbelief. The same man who had been a loving father, a devoted husband, church president, Boy Scout leader, and a public servant had been using their family as a cover for his heinous crimes since before she was born. Everything she had believed about her life had been a lie. Written with candor and extraordinary courage, *A Serial Killer's Daughter* is an unflinching exploration of life with one of America's most infamous killers and an astonishing tale of personal and spiritual transformation. For all who suffer from unhealed wounds or the crippling effects of violence, betrayal, and anger, Kerri Rawson's story offers the hope of reclaiming sanity in the midst of madness, rebuilding a life in the shadow of death, and learning to forgive the unforgivable. "No easy answers here. No platitudes. Only raw honesty, written with the gracious authority of one who has glimpsed hell. Kerri Rawson shares her earned wisdom and a hope that has been bought with tears and nightmares. This book is a gritty must-read in the library of hope." —Paul J. Pastor, author of *The Face of the Deep* and *The Listening Day*

"Jason's story illuminates the many ways America's justice system can go wrong and fight-often with a vengeance-to sustain that wrong. It celebrates the ordinary heroes who rose up, using art and new technology to challenge trials they saw as mockeries of justice"--P. [4] of cover.

She was an innocent Mormon girl. He was America's most notorious serial killer. When their paths crossed on a quiet autumn afternoon, he planned to kill her. But this victim had an incredible will to survive and would live to tell her story nearly three decades after he met death in a Florida electric chair. Ted Bundy brutally attacked Rhonda Stapley in a secluded Utah canyon in 1974. She miraculously escaped and hid her dark secret until now. This compelling real story of triumph over tragedy is both shocking and inspiring and told with the true courage of a victim turned survivor. (Foreword by Ann Rule) When she appeared on his show, Dr. Phil McGraw told Rhonda, "This book will save lives."

Few serial killers in history have garnered as much attention as Jeffrey Lionel Dahmer. Although Dahmer killed seventeen young men and boys, it was not so much the number of people he killed that makes him stand out among famous serial killers, but more so the acts of depravity that he committed on the corpses of his victims. In this true crime story you will read how Dahmer transitioned from a loner to serial killer, committing numerous unnatural acts along the way such as necrophilia and cannibalism. Following in the macabre tradition of another infamous Wisconsin serial killer-Ed Gein-Jeffrey Dahmer terrorized Milwaukee for most of the 1980s until he was finally captured in 1991. Perhaps one of the most frightening aspects of Jeffrey Dahmer's serial killer career was how easy he was able to lure his victims into his trap. Dahmer possessed above average intellect, was conventionally good looking, and usually had a calm demeanor that could disarm even the most paranoid of people. Because of these traits, Dahmer was able to evade justice numerous times, which allowed him to keep killing. Truly, Dahmer was able to fool his family, the police, his neighbors, and even the judicial system into believing that he was not a threat; but during the entire time his kill count increased and the body parts of his victims began to pile up around his apartment. Open the pages of this book to read a story that is among the most disturbing of all true crime serial killers. You will follow the course of Dahmer's life from an

alcoholic outcast in high school to a vicious predator who stalked the streets of Milwaukee. Finally, you will read about Dahmer's trial, his jail house murder, and the impact that his many crimes had on Milwaukee.

Ariel Matthews enjoys escaping into the worlds and adventures of her favorite books, but she can't escape her past no matter how hard she tries to push it from her mind. Haunted by a traumatic event, Ariel struggles to find peace from her memories of what happened. When Axel Stone walks into the small coffee shop where she works, her world is changed forever, and she begins to believe that happiness might be possible. But neither one of them is ready for the devastation that ensues when both of their pasts come back with a vengeance.

The Co-Ed Killer, Son of Sam, Hillside Strangler, and Dating Game Killer--in many ways, terrifying serial killers helped define the 1970s. These fascinating profiles present notorious as well as lesser-known murderers of that decade. Beyond Ted Bundy and David Berkowitz, it includes such perpetrators as Carl Eugene Watts, "The Sunday Morning Slasher," who killed 80 women; Richard Chase, the "Vampire of Sacramento"; and Rodney Alcala, believed to have killed as many as 130 people.

After a search of over twenty years, one of America's most elusive serial killers was finally apprehended. Now, read the true story of one man's attempt to get inside the mind of the Green River Killer July 15, 1982: 3 woman's strangled body was filed, caught on the pilings of Washington state's Green River. Before long, the "Green River Killer" would be suspected in at least forty-nine more homicides, with no end in sight. Then the authorities received an unbelievable letter from the infamous serial killer Ted Bundy -- then on Florida's death row -- offering to help catch the Green River Killer. But he would only talk to one man: Robert Keppel, the former homicide detective who had helped track Bundy's cross-county killing spree. Now these conversations are revealed, in which Bundy speculates about the motive and methods of the Green River Killer -- and reveals his own twisted secrets as well. Now, as never before, we look into the face of evil...and into the heart of a killer.

Now updated with a new chapter, the #1 "New York Times"-bestselling true crime writer tells the chilling tale of how she came to learn that Ted Bundy, her close friend and colleague at a Seattle crisis hotline, was in fact a savage serial killer.

The Phantom Prince My Life with Ted Bundy, Updated and Expanded Edition Abrams

As summer turns to autumn one woman begins an unexpected journey of love, compassion, and discovery in the second Amish Seasons novel. The oldest of seven daughters, Ruth Schrock has grown up believing that her uncompromising father has never really approved of her independent nature. Though devoted to her community and her faith, she's always found it difficult to follow the straight and narrow path of a deacon's daughter. When Ruth is asked to teach in a nearby community, she jumps at the opportunity—feeling that God has given her a chance at a life of meaning. Ruth never could have guessed that her new path would lead to Levi Yoder. Handsome Levi is a shy and quiet man. He lives alone and seems most comfortable spending time with the injured animals he rescues and cares for. Ruth and her all-embracing love of life confuse yet captivate Levi. With her school across the road from his farm, the attraction grows—but so do the conflicts. Can these two opposites find a path they can walk together into the future?

(Applause Books). In this fast-moving, candid, conversational, and entertaining memoir, Harold Prince, the most honored director in the history of the American theater (22 Tony Awards and counting), looks back over his 70-year (and counting!) career. Featuring original material from *Contradictions: Notes on Twenty-Six Years in the Theatre*, Prince provides a fresh, new perspective on his writing from the vantage point of today. *Sense of Occasion* gives an insider's recollection of the making of such landmark musicals as *West Side Story*, *Fiddler on the Roof*, *Cabaret*, *Company*, *Follies*, *Sweeney Todd*, *Evita*, and *Phantom of the Opera*, with Prince's perceptive comments about his mentor George Abbott and his many celebrated collaborators, including Leonard Bernstein, Jerome Robbins, Stephen Sondheim, John Kander, Boris Aronson, Andrew Lloyd Webber, Angela Lansbury, Elizabeth Taylor, Zero Mostel, Carol Burnett, and Joel Grey. As well as detailing his titanic successes that changed the form and content of the American musical theater, Prince even-handedly reflects on the shows that didn't work, most memorably and painfully *Merrily We Roll Along*. Throughout, he offers insights into the way business is conducted on Broadway, drawing sharp contrasts between past and present. This thoughtful, complete account of one of the most legendary and long-lived careers in theater history, written by the man who lived it, is an essential work of personal and professional recollection.

"Do you think I killed those girls?" Ted Bundy asked me this question after we had completed the final interview. We were standing in the corridor outside my office and Ted was about to return to his cell. It was an unusual question to ask... I was caught off guard by the question." "With this question, Ted had put me in a lose-lose situation. My best option might have been to tell him that I couldn't, or wouldn't, answer his question. However, I said to him, "I don't know, but if you did, I believe you will do it again." I'm sure it wasn't what he wanted to hear. He didn't say anything. He turned and walked back to his cell. In future conversations we had together he never again asked that question." "Putting all the information I had gleaned from the test data as well as the phone conversations and the personal interviews with Ted? I concluded that it was my opinion that Ted's personality fit the crime for which he was found guilty. I submitted my report to the court. Then all hell broke loose." - from *The 1976 Psychological Assessment of Ted Bundy* Dr. Carlisle was part of the 90-Day Diagnostic team at the Utah State Prison tasked by the judge to determine to the best of his ability, without being biased by any of the reports previously done, whether Ted Bundy had a violent personality. Many books have been written about Bundy, but rarely have we had the opportunity to understand the inner workings of his mind. Now, Dr. Carlisle shares the step-by-step psychological assessment process regarding how he determined that Bundy was indeed a violent person and would likely continue to kill if he was set free. This book contains never-before-seen interviews with Ted and those who knew him, along with some of Bundy's assessments, and a letter he wrote to Dr. Carlisle. Book four in the *Development of the Violent Mind* series.

Stephen Sondheim and James Lapine's beloved musical masterpiece becomes a major motion picture, starring Meryl Streep and Johnny Depp.

A young woman is haunted by the ghost of her conjoined twin, in Lisa Brown's *The Phantom Twin*, a sweetly spooky graphic novel set in a turn-of-the-century sideshow. Isabel and Jane are the Extraordinary Peabody Sisters, conjoined twins in a traveling carnival freak show—until an ambitious surgeon tries to separate them and fails, causing Jane's death. Isabel has lost an arm and a leg but gained a ghostly companion: Her dead twin is now her phantom limb. Haunted, altered, and alone for the first time, can Isabel build a new life that's truly her own?

Perfect for fans of *Making a Murderer* and *The People v. O. J. Simpson*, *Invisible Darkness* is the story of one of the more bizarre cases in recent memory—killings so sensational that they prompted the Canadian government, in the interests of justice, to silence its national press and to lock foreign journalists out of the courts. To all appearances, Paul and Karla Bernardo had a fairytale marriage: beautiful working-class girl weds bright upper-middle-class guy and they buy a fashionable dream house in the suburbs. But, bored with his straight, prestigious accounting job, Paul soon went freelance as an international smuggler. He also revealed his boredom with conventional sex—enough so that, one Christmas Eve, he persuaded his wife to drug her own sister and engage in a menage a trois, during which the sister died (a bungling coroner ruled her death accidental). The couple then upped the ante, kidnapping and imprisoning several high school girls for sexual marathons, which they videotaped before savagely murdering their captives. When the girls' bodies were found, the police were stymied (although Paul had been accused of rape and given a DNA test that vanished for two years and only recently was linked to some fifty sexual-assault cases) until Karla tried to have her husband arrested for wife beating. During questioning, she confessed to the crimes and is now serving two concurrent twelve-year sentences for manslaughter in exchange for testifying against her husband, who was jailed for life.

Ted Bundy is one of America's most notorious serial killers. Between the mid and late 1970s, Bundy admitted to the murders of more than thirty young women and girls across the American states of Washington, Oregon, Idaho, Utah, and Colorado. Reports of Bundy's murders reached the police and trickled down through the press to ordinary citizens; panic ensued. Yet while the killings were taking place, no-one could see that the string of brutal murders happening all over the northwest of America was perpetrated by the same man. Inside you will read about... ? Bundy's Early Life ? Bundy's First Year of Terror ? Bundy's Second Year of Terror ? Escape and Chi Omega Sorority House Murders ? Arrest and Trial ? Second Trial, Legal Battles, and Execution And much more! Ted Bundy's story does not end with his capture, nor does it end with his trial and conviction. Even moments before he was executed by electric chair, the most notorious serial killer in U.S. history revealed more crimes and more victims. We will never know the true number of Bundy's victims.
