

The Pigeon Has Feelings Too

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald and Piggie are best friends. In *I Am Going!*, Piggie ruins a perfectly good day by telling Gerald she is going. If Piggie goes, who will Gerald skip with, play Ping-Pong with, and wear silly hats with? Willems's Geisel Award–winning duo continues to delight readers with their silly shenanigans. Packed full of humor and heart, the Elephant & Piggie Books are vetted by an early-learning specialist and early learners themselves, so they'll be right on target for new readers.

The Upside-Down Magic kids are back in another topsy-turvy adventure in the next installment of this New York Times bestselling series! It's Big Night in Dunwiddle . . . and that means the whole school has a sleepover like no other. For one night every year, magic students run through the halls, hunting for the objects that will win them a super special prize. Nory is super excited for the scavenger hunt. Not only because she likes winning, but also because if her team wins, she thinks there's a chance her best friend Elliott won't move away to attend super snobby Sage Academy. Sebastian is a little less excited once the hunt is on. Yes, he has magical powers that help his team -- like being able to see invisible things or anything that makes a sound. The problem is that the really loud sounds are hurting him . . . and nobody seems to care. The kids in Upside-Down Magic know their five F's (Flares, Flyers, Fuzzies, Flickers, and Fluxers) -- but to win this night, a sixth F is the most important . . . Friendship.

A mysterious football accident sends a high school reeling in this award-winning multimedia-format novel from Tommy Greenwald Thirteen-year-old Teddy Youngblood is in a coma, fighting for his life after an unspecified football injury at training camp. His family and friends flock to his bedside to support his recovery—and to discuss the events leading up to the tragic accident. Was this the inevitable result of playing a violent sport, or did something more sinister happen on the field that day? Told in an innovative multimedia format combining dialogue, texts, newspaper articles, interview transcripts, an online forum, and Teddy's inner thoughts, *Game Changer* explores the joyous thrills and terrifying risks of America's most popular sport.

That Is Not a Good Idea! is a hilarious, interactive picture book from bestselling author and illustrator Mo Willems, the creator of books like *Don't Let the Pigeon Drive the Bus*, the *Knuffle Bunny* series, the *Elephant and Piggie* series, *Goldilocks and the Three Dinosaurs*, and many other new classics. Inspired by the evil villains and innocent damsels of silent movies, Willems tells the tale of a hungry fox who invites a plump goose to dinner. As with the beloved Pigeon books, kids will be calling out the signature refrain and begging for repeated readings. The funny details in the full-color illustrations by three-time Caldecott Honoree Mo Willems will bring nonstop laughter to story time.

Includes pages of highly interactive activities. This title helps you make a pigeon finger puppet, build a paper bus, make your own driver's licence, and you can even create your own Pigeon book starring.

Chekhov is a unique force in modern drama. His works have long been cherished for their brilliant wit and unusual ability to provide striking insights into the human condition. In these stunning, individually published translations of three of Chekhov's most popular and beloved plays, Laurence Senelick presents a fresh perspective on the master playwright and his groundbreaking dramas. This volume illuminates the timeless trials of art and love and bring Chekhov's memorable characters to life. Each of these three plays showcases the hallmark features of a Chekhov classic: clashing desires, complex family dynamics, the individual's loss of balance and sense of identity in the shifting eruptions of society and a modernizing Russia, and the angst of artistic struggle and ambition. Supplementing each of the plays are an account of Chekhov's life, a note on the translation, introductions to each work, and variant lines - often removed due to government censorship - which illuminate the context in which they were written and shed light on Chekhov's work as a playwright. These editions are the perfect guides to enriching our understanding of this great dramatist or to staging a production.

Duck and Goose, where is your pumpkin? Is it in the log? Is it under the leaves? Is it in the apple tree? Preschoolers will surely enjoy going on a pumpkin hunt with Duck and Goose . . . especially when they find the perfect pumpkin at the end! In this interactive and engaging read-aloud, bestselling author and award-winning artist Patrick McDonnell creates a funny, engaging, and almost perfect story about embracing life's messes. Little Louie's story keeps getting messed up, and he's not happy about it! What's the point of telling his tale if he can't tell it perfectly? But when he stops and takes a deep breath, he realizes that everything is actually just fine, and his story is a good one--imperfections and all.

Super heroes seem pretty tough—but they actually feel happy, sad, proud, and angry just like everyone else. Classic DC character art featuring fan favorites (such as Batman, Superman, Green Lantern, Wonder Woman, the Flash, Supergirl, and their friends) illustrates the full range of feelings in this concept board book. Simple, age-appropriate text talks about how swimming in the water makes Aquaman happy; or being a great acrobat makes Batgirl proud. Little ones are also invited to talk about what makes them feel angry, excited, or scared. DC super heroes provide a fun, easy way to explore emotions with babies, toddlers, and preschoolers.

Gerald the elephant tells his best friend Piggie a long, crazy story about how he broke his trunk.

It is almost impossible to escape the Spanish Inquisition alive. However, Edgar Allan Poe's unnamed narrator, after suffering innumerable tortures upon his body and soul in the hands of his tormenters, sees the light of the day at the very end of his sanity's tether. Even despite the lack of supernatural elements, "The Pit and the Pendulum" (1842) has enjoyed and influenced several notable movie adaptations. Animations such as The "Flinstones", TV series like "Crime Scene Investigation", to films like Roger Corman's "The Pit and the Pendulum" (1961), starring Vincent Price and some torture methods found in the "Saw" franchise, the story's famous pendulum scene is a rather fruitful source of inspirations. Yet, despite the terrific torments, the story focuses primarily on how terror is implicitly depicted through the workings of the mind. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

Sometimes I feel silly. Sometimes I feel like eating pizza for breakfast. Sometimes I feel brave. Sometimes I feel like trying something new... The Feelings Book vibrantly illustrates the wide range of moods we all experience. Kids and adults will appreciate Todd Parr's quirky intelligence as he pays special attention to the ever-changing, sometimes nonsensical emotions that we all feel. Targeted to young children first beginning to read, this book will inspire kids to discuss their multitude of feelings in a kid-friendly, accessible format, told through Parr's trademark bold, bright colors and silly scenes.

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

Poses questions to the reader on the state of their mood based on animal emotions, from happy as a hippo to worried as a rabbit and contented as a frog. On board pages.

A humorous, exciting tale of an ordinary girl who makes an extraordinary scientific discovery—a blind fish that walks. When seventh-grader Alexis catches an unusual fish that looks like a living fossil, she sets off a frenzied scientific hunt for more of its kind. Alexis and her friend Darshan join the hunt, snorkeling, sounding the depths of Glacial Lake, even observing from a helicopter and exploring a cave. All the while, they fight to keep the selfish Dr. Mertz from claiming the discovery all for himself. When Alexis follows one final hunch, she risks her life and almost loses her friend. *Walking Fish* is a scientific adventure that provides a perfect combination of literacy and science.

My Emotions Journal Log Book For Kids & Teens- 6 x 9 inch journal, with over 100 pages to work with. Help Children And Tweens Express Their Feelings - Reduce Anxiety, Anger & Frustration and share their feelings. This beautifully designed journal is ideal for both elementary age, up to the early teen years. Your child will be able to think about how they feel each day and also have the opportunity to share those feelings with you, or somebody else that they feel comfortable with. Each day has two pages to work with. On the first page.... You're asked to identify your key emotion for the day by circling the most relevant emoji. However, there is also a space for your child to draw their OWN one too, which gives them more creative freedom. There's then a space to doodle/draw or stick something related to how their feeling. An additional small place to write about how they feel, (if they want to... no pressure!). On the second page.... You're asked to write down three good things about your day. This will help the child focus on the positive aspects that they can take from every single day, no matter how they feel. You're asked to write down something or someone that helped you during the day. You're asked to write about something you'd like to improve on tomorrow. Lastly, you're asked if there is someone you'd like to share your feelings with.... Whether it be via writing, drawing or just talking! Each day there is also the opportunity to write a letter or draw a picture to the person you'd like to share your feelings with. There is a template to use and you're actually able to tear this out of the page if you'd like to. Alternatively, this space could be a place for the child to simply write to themselves about how they're feeling and this can be soothing in itself, without necessarily sharing it with anyone. Whatever the child would like to do, the option is there. This emotion tracking journal can be used every day, or simply when the child needs it the most,

or is having a particularly challenging day. Not only would this make a great gift for a child, to give them the opportunity to track how they feel each day and improve their overall mood and sense of well-being.... This could also make an excellent tool for teachers to have in school, particularly for children who struggle to understand their feelings. Likewise, this could be something that school therapists can use, to encourage their students to communicate their feelings to others and acknowledge their emotions. This emotion tracking diary would be particularly beneficial for children who would benefit from identifying and acknowledging their feelings regularly - such as those with conditions such as; an Autism spectrum condition, ADHD, an Anxiety disorder, Depression & Mood disorders.

The pigeon really, really wants a puppy, but when a puppy arrives the pigeon changes its mind.

The Angry Therapist who has helped thousands of men find more happiness in their relationships and more purpose in their lives now shares his insights with everyone in this powerful guide—self-help in a shotglass—covering essential topics, from vulnerability and posturing to workouts and women. Deep in post-divorce soul searching, John Kim came to an astonishing realization: he was a miserable f*ck who might just be to blame for the problems in his life. Armed with this new insight, he began The Angry Therapist blog—an admission that, while he was a licensed therapist and life coach, he was no better than the people who sought his advice. In his first post, “My Fucking Feelings,” he wrote about the struggles and shortcomings that had led him to this point. As his work caught on, catapulting him into the role of unlikely and unconventional guide for thousands of people all over the world, Kim evolved from behaving like a boy to living like a man—and showed his clients how to do so as well. In *I Used to Be a Miserable F*ck*, Kim delivers the dos and don'ts for stepping up and into manhood, which he defines by transparency and strength of character, not six-pack abs or a corner office. With his signature no-nonsense approach that will make you laugh and think, Kim takes you on a rugged, rough and tumble road trip of self-exploration and discovery, sharing his wisdom and insights, such as why: Being nice is for boys, and being kind is for men Scheduling man dates could make you a better friend, lover, and human being Peeing in the shower is a sign of a larger problem Arguing, judging, and answering, “I dunno” are keeping you from a healthy relationship, a great career, and a happy life We are not born men. We are born boys. The transition from misery to meaning is an internal process that requires work: reflection, pain, courage, and sometimes, a rebirth. Kim knows because he's been there. The truth is, men weren't meant to just pay bills and die. With this book as your guide, you will love hard, walk tall, and find a life filled with purpose and passion.
