

The Pmp Exam Quick Reference Guide Sixth Edition Test Prep

Quick reference guide for the CAPM Exam, 6th Edition.

To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide – Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide – Sixth Edition – PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

A unique learning resource to prepare for the PMP® certification exam Without sufficient practice and preparation for taking the Project Management Institute's (PMI's) PMP® certification exam, you won't be able to actually put your skills into practice in the real world! To help you achieve your goal of passing the exam, this two-part prep book covers all elements of the brand-new Project Management Professional exam. A team of experts presents you with a solid overview of the exam as well as hundreds of questions, detailed answers, and explanations. In addition, each question is accompanied by cross-references, providing you with a thorough preparation foundation for taking the PMP® exam. Features hundreds of short questions-and-answers on some of the most key topics that PMPs should be familiar with before taking the exam Includes more than 800 exam-quality questions with detailed answers and explanations, plus more than 200 fill-in-the-blank, true/false, and short answer questions to help you prepare for the exam Serves as an ideal complement to Sybex's PMP®: Project Management Professional Exam Study Guide, 6th Edition PMP® Practice Makes Perfect prepares you for taking the grueling 200-question, four-hour PMP® exam. (PMBOK, PMI, PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

The Practice Standard for Project Risk Management covers risk management as it is applied to single projects only. It does not cover risk in programs or portfolios. This practice standard is consistent with the PMBOK® Guide and is aligned with other PMI practice standards. Different projects, organizations and situations require a variety of approaches to risk management and there are several specific ways to conduct risk management that are in agreement with principles of Project Risk Management as

presented in this practice standard.
