**The Power of Ignorance** Dave Trott, 2021-02-09 “The wise man knows he doesn’t know. The fool doesn’t know he doesn’t know.” Lao Tzu “In the West they only respect experts. But the expert mind is the closed mind.” Shunryu Suzuki What’s the most important step in fixing a puncture? It isn’t jacking up the car, or taking the wheel off, or finding the puncture. There’s something more fundamental than any of those. Something without which you can’t even begin to fix a puncture. The most important step is finding out you’ve got a puncture. Without that you can’t do anything. Instead of saying, “It’s just a bit bumpy, must be the road,” and carrying on, you must acknowledge that something has changed and you don’t know what that is. If you don’t admit you don’t know what’s happening, you can never find out. If you don’t find out, you can never change it. The most important step, always, is admitting you don’t know. That’s the power of ignorance. In this latest collection of real-life stories, Dave Trott provides lessons about problem solving and creative thinking that can be applied in advertising, business, and the wider world. With his trademark wit, wisdom and critical eye, he shows how great problem solvers and creative thinkers are those who are not afraid to say “I don’t know.”

*Grit* Angela Duckworth, 2016-05-03 In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-genius everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie

Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

The Power of Onlyness Nilofer Merchant,2017-08-29 An 800-CEO-READ Staff Pick Shortlisted for the Thinkers50 Breakthrough Idea Award A Financial Times Business Book of the Month “For any would-be activists who hear the voice: ‘not me’ or ‘not now,’ Merchant makes the strong case for ‘yes you’ and ‘yes now’—and even shows you how to jump in.” —Van

Jones, host of CNN's The Messy Truth, author of Rebuild the Dream and The Green Collar Economy "The Power of Onlyness is a book for our times. . . . Merchant forces us to dig deep, into the book and ourselves, and it goes beyond self-knowledge and self-empowerment, obliterating the fear of otherness with an understanding of the onlyness of us all." —Sally Haldorson, 800-CEO-READ An innovation expert illuminates why your power to make a difference is no longer bound by your status If you're like most people, you wish you had the ability to make a difference, but you don't have the credentials, or a seat at the table, can't get past the gatekeepers, and aren't high enough in any hierarchy to get your ideas heard. In The Power of Onlyness, Nilofer Merchant, one of the world's top-ranked business thinkers, reveals that, in fact, we have now reached an unprecedented moment of opportunity for your ideas to "make a dent" on the world. Now that the Internet has liberated ideas to spread through networks instead of hierarchies, power is no longer determined by your status, but by "onlyness"—that spot in the world only you stand in, a function of your distinct history and experiences, visions and hopes. If you build upon your signature ingredient of purpose and connect with those who are equally passionate, you have a lever by which to move the world. This new ability is already within your grasp, but to command it, you need to know how to meaningfully mobilize others around your ideas. Through inspirational and instructive stories, Merchant reveals proven strategies to unleash the centrifugal force of a new idea, no matter how weird or wild it may seem. Imagine how much better the world could be if every idea could have its shot, not just the ones that come from expected people and places. Which long-intractable problems would we solve, what new levels of creativity would be unlocked, and who might innovate a breakthrough that could benefit ourselves, our communities, and especially our economy. This limitless potential of onlyness has already been recognized by Thinkers 50, the Oscars of management, which cited it one of the five ideas that will shape business for next twenty years. Why do some individuals make scalable impact with their ideas, regardless of their power or status? The Power of Onlyness unravels this mystery for the first time so that anyone can make a dent. Even you.

*Homegrown Gurus* Ann Gleig,Lola Williamson,2013-11-01 Exploring homegrown movements and figures, proclaims

□American Hinduism□ as a distinct religious tradition. Today, a new stage in the development of Hinduism in America is taking shape. After a century of experimentation during which Americans welcomed Indian gurus who adjusted their teachings to accommodate the New World context, □American Hinduism□ can now rightly be called its own tradition rather than an imported religion. Accordingly, this spiritual path is now headed by leaders born in North America. Homegrown Gurus explores this phenomenon in essays about these figures and their networks. A variety of teachers and movements are considered, including Ram Dass, Siddha Yoga, and Amrit Desai and Kripalu Yoga, among others. Two contradictory trends quickly become apparent: an increasing Westernization of Hindu practices and values alongside a renewed interest in traditional forms of Hinduism. These opposed sensibilities□innovation and preservation, radicalism and recovery□are characteristic of postmodernity and denote a new chapter in the American assimilation of Hinduism.

**When God is a Customer** Kṣētrayya,1994-04-15 How is it that this woman's breasts glimmer so clearly through her saree? Can't you guess, my friends? What are they but rays from the crescents left by the nails of her lover pressing her in his passion, rays now luminous as the moonlight of a summer night? These South Indian devotional poems show the dramatic use of erotic language to express a religious vision. Written by men during the fifteenth to eighteenth century, the poems adopt a female voice, the voice of a courtesan addressing her customer. That customer, it turns out, is the deity, whom the courtesan teases for his infidelities and cajoles into paying her more money. Brazen, autonomous, fully at home in her body, she merges her worldly knowledge with the deity's transcendent power in the act of making love. This volume is the first substantial collection in English of these Telugu writings, which are still part of the standard repertoire of songs used by classical South Indian dancers. A foreword provides context for the poems, investigating their religious, cultural, and historical significance. Explored, too, are the attempts to contain their explicit eroticism by various apologetic and rationalizing devices. The translators, who are poets as well as highly respected scholars, render the poems with intelligence and tenderness. Unusual for their combination of overt eroticism and devotion to God, these poems are a delight to read.

*The Book of Nathan the Prophet and the Book of Gad the Seer* Ti Burtzloff,2015-03-12 Tied together now into One Book

are The Book of Nathan The Prophet, and The Book of Gad The Seer. They are referred to in 1 Chronicles 29:29 which is given as follows: Now the acts of David the King first and last, behold, they are written in the book of Samuel the Seer, and in the book of Nathan the Prophet, and in the book of Gad the Seer, 1 Chronicles 21:11, 12. 11 So Gad came to David, and said vnto him, Thus saith the Lord, Choose thee 12 Either three yeeres famine, or three moneths to bee destroyed before thy foes (while that the sword of thine enemies ouertaketh thee) or else three dayes the sword of the Lord, euen the pestilence in the land, and the Angel of the Lord destroying throughout all the coasts of Israel. Now therefore aduise thy selfe, what word I shall bring againe to him that sent me. First power of the two witnesses in Revelation 11:6 compared to the first power of Gad the seer in 1 Chronicles 21:12. In Revelation 11:6 a lack of rain is the first power that the two witnesses were given. In 1 Chronicles 21:12 Gad can cause a famine to fall upon David's kingdom. A lack of rain would cause a famine. So being able to make it not rain is the same thing as being able to cause a famine. So here we See that the first power in Revelations 11:6 which the two witnesses possess, is the same first power that Gad possesses in 1 Chronicles 21:12. Second power of the two witnesses in Revelation 11:6 compared to the second power of Gad the seer in 1 Chronicles 21:12. This is a matter of comparing the power to turn water into blood, or let us paraphrase this for the sake of understanding it, the second power in Revelation 11:6 to turn water into blood can be better translated as the power to make puddles of blood, pools of blood, ponds of blood, rivers of blood, streams of blood, oceans of blood, lakes of blood, to spill so much blood that there would literally be a FLOOD of BLOOD. Now comparing that second power the two witnesses have in Revelation 11:6 to the second power that Gad had in 1 Chronicles 21:12 which was three moneths to bee destroyed before thy foes (while that the sword of thine enemies ouertaketh thee) we can See that if the enemies of David's kingdom had pursued to overtake David's kingdom for three months long by the sword of it's enemies, so much blood would have been shed constantly for three months that there would have literally been a BLOOD FLOOD. We can See here again that the second power of the two witnesses in Revelation 11:6 is the same power as the second power Gad had in 1 Chronicles 21:12. And the Third power of the two witnesses in Revelation 11:6 compared to the third power of Gad the seer in 1 Chronicles 21:12 are also exactly the same power. The third power of the two witnesses in Revelation 11:6 is the power to cause plagues. The third power of Gad the seer in 1 Chronicles 21:12 is the power to cause a pestilence. A plague and a pestilence are the same thing. Now many of the secret sins which king David committed were sins of sodomy. See 2 Samuel 1:26 which is given as follows: I am distressed for thee, my brother Ionathan, very pleasant hast thou beene vnto mee: thy loue to mee was wonderfull, passing the loue of women. That was king David speaking of the love that he had between him and Jonathan. Note that even the type of love a man might have for his brother-man is not ever compared to the type of love that men have for women. In other words, a strait man, would not say that the love another man has for him is wonderful, passing the love of women. Only an effeminate one might say it that way. Note: We are not bashing a man of the past. We are exposing a spirit that is here among us right

now in our time. This is why Nathan the prophet and Gad the seer were killed by king David. It is because they exposed king David for committing Sodomy. And this is why Revelation 11:8 states that the two witnesses were killed in a city which spiritually is called Sodom. Sodom symbolizing Sod
