God has given humanity the ability to bring heaven to earth. Whether you know it or not, you have the authority to change the world through prayer. When God said, “Let mankind rule over all the earth,” He was arranging the dominion of the world so that the partnership of mankind was essential for the accomplishment of His purposes. Through his unique perspective on this often-misunderstood subject, best-selling author Dr. Myles Munroe takes the mystery out of prayer, providing practical answers for difficult questions about communicating with God. Prayer can heal you. It's not just hype or hope or a spiritual cliché. There is actual scientific evidence to support this. Recent medical and psychological studies claim that prayer can relieve stress, improve attitudes, and mend bodies. Prayer generates peace, power, and health—a triple preventative that guards against anxiety and disease. It's a simple act that heals. According to Chet Tolson and Harold Koenig, prayer helps people function at their best when life serves them the worst. Even on good days, it enhances the mind-body-soul connection. In *The Healing Power of Prayer*, these authors explain the nature of prayer, what happens when we pray, the restorative benefits of prayer, how to organize prayer, and much more. Their facts and insights will encourage believers to increase, the fainthearted to revive, and skeptics to begin a life of prayer.

Ye have not, because ye ask not (James 4:2). I BRING YOU A MESSAGE FROM GOD contained in seven short words. Six of the seven words are monosyllables, and the remaining word has but two syllables and is one of the most familiar and most easily understood words in the English language. Yet there is so much in these seven short, simple words that they have transformed many a life and brought many an inefficient worker into a place of great power. I spoke on these seven words some years ago at a Bible conference in central New York. Some months after the conference, I received a letter from the man who had presided at the conference, one of the best-known ministers of the gospel in America. He wrote me, "I have been unable to get away from the seven words on which you spoke at Lake Keuka, they have been with me day and night. They have transformed my ideas, transformed my methods, transformed my ministry." The man who wrote those words has since been the pastor of what is probably the most widely known of any evangelical church in the world. I trust that the words may sink into some of your hearts today as they did into his on that occasion and that some of you will be able to say in future months and years, "I have been unable to get away from those seven words, they have been with me day and night. They have transformed my ideas, transformed my methods, transformed my life, and transformed my service for God."
