After a courtship voyage of a year and a day, the owl and the pussycat finally buy a ring from Piggy and are blissfully married, in this illustrated version of Lear's nonsense poem.

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F\*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f\*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just

not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way

around men. She knows how to mentally f\*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

The Power of the Penis - A one-of-a-kind joke book for adults. This hilarious book will inform women about the power of the penis in a manner that has never even been thought about. dating, and also for those ladies who have made some terrible mistakes in partner choices. There is something in it for every woman.

Most women have no access to the power of their pelvis. The pelvic floor is the often misunderstood and neglected centerpiece of our musculoskeletal system: it is crucial for healthy, elegant movement and for our sensuality. Any numbness and blockage in this area can make us feel out of balance, lost, or stuck in our life. Women who are sensuously aware of their pelvic floor and know how to use it are authentic, powerful, and sexy. They're aligned with themselves. They know what they want, and they have the mental clarity and the physical energy to achieve whatever they desire. They express their sexuality with passion and enjoy life to the fullest. They sparkle with vitality and maintain that fresh radiance their entire lives. Through satisfying sex, orgasms, and the resulting emotional intimacy, these women hold the essential elements for fulfilling and intimate romantic relationships in the palms of their hands. This power is available to every woman, but for many of us, it's been locked away. You will find the keys to unlock it in this book.

This is the book that no man wants you to read... Countless women play by the bias male rules of dating and relationships, one that keeps them in a constant state of stress and worry. Victims of romance instead of masters of love, today's

women settle for cheap dates and cheaper talk. Why are you splitting the bill with a man that should be spoiling you? Why are you preparing home cooked meals for a man that can't provide you a home? Why are you having sex with a man that promises the world, but refuses to give you his heart? Why are you playing by outdated rules in hopes that one day your kindness will be rewarded? I have discovered a group of women who refuse to be exploited, are immune to manipulation, and who never settle in the name of love. These ladies know what they want and take what they want by beating men at their own game. Utilizing the secrets exposed in this book, these women gain power, money, and status. Men call them Gold Diggers, women call them Hos, but they call themselves Winners. This is the book that society doesn't want you to read... If women are nice, they are seen as weak and ineffective, but if they are tough, they are labeled a bitch. Hauser proves that women don't have to sacrifice their values or hide their authentic personalities to be successful. Sharing a wealth of personal anecdotes and time-tested strategies, she shows women how to reclaim “nice” and sidestep regressive stereotypes about what a strong leader looks like. Her accessible advice and hard-won wisdom detail how to balance being empathetic with being decisive, how to rise above the double standards that can box you in, how to cultivate authentic confidence that projects throughout a room, and much more. THE MYTH OF THE NICE GIRL is a refreshing dose of forward-looking feminism that will resonate with smart, professional women who know what they want and are looking for real advice to take their career to the next level without losing

Mama Gena's School of Womanly Arts shows women how celebrating their sensuality can help them achieve their dreams—"think of it as The Power of Positive Thinking as interpreted by Anais Nin" (The New York Times).

Relationship expert Regena Thomashauer teaches the lost "womanly arts" of identifying your desires, having fun no matter where you are, knowing sensual pleasure, befriending your inner bitch, flirting (in a way that makes your day, not just his), and more—because making pleasure your priority can actually help you reach your goals. So if you need a refresher course in fun—and you know you do—come to Mama.

intelligence seems almost limitless. She also has a pitch-dark sense of humor that she wields perfectly." --Michael Schaub, NPR In *THE POWER*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *THE POWER* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

An inner city stripper befriends a high level executive in one of the world's largest companies and begins using a combination of intelligence, hustles she learned on the street and pornographic sex, to rise through the ranks, only to realize she is unhappy and there is still something missing. Along the way we meet perverted white men, backstabbers, haters, judgmental media, the unmotivated brother who isn't about anything, and a woman inspired for change. The author is quoted as saying, "I wanted to write about sex and its impact in the marketplace. The subject matter is over the top for entertainment purposes, but very much based in reality. When sex is used as a weapon things can spin out of control, and I wanted to touch on that insanity that even

takes place in corporate America. In insane times, what appeared to once be insane, is now just a day at the office. This is an entertaining read and you won't be disappointed in this book."

Allan and Barbara Pease, the international bestselling authors of *Why Men Don't Listen & Women Can't Read Maps*, deliver their most exciting book yet. Will men and women ever see eye-to-eye about love and sex? How will relationships ever be rewarding if men only want to rush into bed and women want to rush to the altar? In this practical, witty and down-to-earth guide, couples experts Allan and Barbara Pease reveal the truth about how men and women can really get along. By translating science and cutting edge research into a powerful yet highly entertaining read, you'll learn how to find true happiness and compatibility with the opposite sex. REVEALED IN THIS BOOK: \* The seven types of love \* The top five things women want from men \* What to do when the chemistry is wrong \* What turns men and women on – and off! \* The most common "New Relationship" mistakes and how to avoid them \* How to decode "manspeak" If you want to get the most satisfaction from your relationship, or are single and looking for the right person, then you must read this book for the answer to *Why Men Want Sex and Women Need Love*.

woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Argues that women have given up their control in relations with men through lower standards and compromised values, and challenges women to regain their power by evaluating their behavior and taking responsibility for their choices.

Highly relevant! Perhaps one of the most relevant pieces of writing out there today. An instant landmark classic of indecency that means more than it says. This book is not for the faint of heart and great caution and maturity should be observed if you must venture into it. Sophisticated readers, however, will find the terrible ideas of our hero, "Mr. Crump," devilishly entertaining. Seriously though, this book is a crude social commentary on the character of our most newly elected president. The book consists of maniacal visions and advice on how to sexually assault women. Its purpose is to call

into question the nature of abusive rhetoric and our willingness to be complacent in the face of it. Furthermore, it demands accountability not only from our so called "president," but from those of us who elected him as well. The book is written in a racist and misogynistic tone, and there is plenty of vulgarity to go around. It is mostly founded on the premise of the superiority of white men. The narrative takes full advantage of the attitude against political correctness and openly addresses issues that are often hard to discuss. There are themes of race, gender, xenophobia, white supremacy and idiocy that will keep any student of philosophy entertained. The book is insulting to the reader, but it is all part of the act. Mr. Crump treats the subject of sexual harassment as a sport and outlines tactics and criteria for playing such a sport. He references the sexual revolution of the '60s, deranged ideas about penis envy, and male sexual entitlement. He advises against falling in love and warns men about the strength of the weaker sex. He is an avid advocate of sexual dominance, and to that effect he proposes the ideas of money, power, race, good looks, and the right mental attitude as fundamental to achieving that goal. Crump goes on to clearly detail "how to grab women by the pussy." He talks about how to get started: where to train, what to expect, how to choose your victims. He establishes levels of difficulty in the game, and how to overcome those challenges. Heavily influenced by pop culture, Crump references several movies and news stories of the scandalous sort: Schwarzenegger's love child, Bill Cosby's allegations of sexual abuse, etc. Finally, Crump admits that in his game, as fun as it

may be, there will always be a price to pay. He admonishes the reader of the consequences of engaging in such foul behavior, and concludes by predicting the rise of Trump. In spite of its silliness and shameful content, this book should not fail to challenge our notions about truth and decency. When filth, deceit and arrogance become a source of entertainment and leverage rather than condemnation, then it's time to start asking some serious questions about ourselves. There are things, awful, terrible things, festering under the surface of seemingly innocent boys' locker room talk. And these are things that we really must have a conversation about. The subject matter of this book is not to be taken seriously. However, what should be taken seriously is the fact that it exists, and that its source of inspiration is none other than the president of the United States. All in all, if there is one thing that the success of this book will do is prove one of the most valued tenets of the United States; a principle that Trump's own election has come to endorse. And that is that anything is still possible in this great country of ours.

take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat

Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You

Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future

From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they performed a “punk prayer” beseeching the “Mother of God” to “get rid of Putin.” They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen’s riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, Texts So Good He Can't Ignore! In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. From artist, activist, and Pussy Riot founder Nadya Tolokonnikova, a guerilla guide to radical protest and joyful political resistance The face of modern protest is wearing a brightly colored ski mask. Nadya Tolokonnikova, founding member of the Russian activist group Pussy Riot, is a creative activist, professional protestor, brazen feminist, shocking visual artist, and force to be reckoned with. Her spontaneous, explosive approach to political action has involved jumping over barbed wire, kissing police officers, giving guerilla performances in crowded subway cars, and going on a hunger strike to protest the abuse of prisoners. She's been horse-whipped by police in Sochi, temporarily blinded when officers threw green paint in her eyes, and monitored by the Russian government. But what made Nadya an activist icon overnight happened on February 21, 2012, when she was arrested for performing an anti-Putin protest song in a Moscow church. She was sent to a Russian prison for 18 months and emerged as an international symbol of radical resistance, as calls to "Free Pussy Riot" resounded around the world. With her emblematic ski mask, black lipstick, and

unwavering bravery, Nadya has become an emissary of hope and optimism despite overwhelming and ugly political corruption. *Read & Riot* is structured around Nadya's ten rules for revolution (Be a pirate! Make your government shit its pants! Take back the joy!) and illustrated throughout with stunning examples from her extraordinary life and the philosophies of other revolutionary rebels throughout history. Rooted in action and going beyond the typical "call your senator" guidelines, *Read & Riot* gives us a refreshing model for civil disobedience, and encourages our right to question every status quo and make political action exciting—even joyful.

Following the work of E. O. Wilson, Desmond Morris, and David Buss, *What Women Want--What Men Want* offers compelling new evidence about the real reasons behind men's and women's differing sexual psychologies and sheds new light on what men and women look for in a mate, the predicament of marriage in the modern world, the relation between sex and emotion, and many other hotly debated questions. Drawing upon 2000 questionnaires and 200 intimate interviews that show how our sexual psychologies affect everyday decisions, John Townsend argues against the prevailing ideologically correct belief that differences in sexual behavior are "culturally constructed." Townsend shows there are deep-seated desires inherited from our evolutionary past that guide our

actions. In a fascinating series of experiments, men and women were asked to indicate preferences for potential mates based on their attractiveness and apparent economic status. Women overwhelmingly preferred expensively dressed men to more attractive but apparently less successful men, and men were clearly inclined to choose more attractive women regardless of their professional status. Townsend's studies also indicate that men are predisposed to value casual sex, whereas women cannot easily separate sexual relations from the need for emotional attachment and economic security. Indeed, wherever men possess sexual alternatives to marriage, and women possess economic alternatives, divorce rates will be high. In the concluding chapter, Townsend draws upon the advice of couples who have maintained their marriages over the years to suggest ways to survive our evolutionary predicament. Lucidly and accessibly written, *What Women Want--What Men Want* shows us why we are the way we are and brings new clarity to one of the most intractable debates of our time.

The question is asked, can love exist when everything that was supposed to be pure turns into shit? Forbidden territory is breached when the sexy allure of money and power slips into the hearts of so-called loyal men forcing the birth of murder stained hands and evil intentions. firm in place, that no man was supposed to cross, is infiltrated when treason begins to rest in every seat at the table and each man quickly finds out that, “Family ain’t family, and Blood ain’t blood.” The Pussy Trap 5 is the end of a journey which will confirm the truth of the statement, “Pussy is the only thing that gives life, and takes it.” ~NeNe Capri

The embarrassment and alienation we often feel when the word 'vagina' comes up in conversation is fairly new. In this book, Naomi Wolf explains why the vagina deserves an understanding of its own cultural lineage and ancestry because, what is true of the female body in general, is more true of the vagina than of any other feminine aspect.

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author  
Author, educator, and School of Womanly Arts founder Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy: A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most

viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

"Women go to college, to get more knowledge Men go to Jupiter, to get more stupider." While this book may not be a how-to guide into the panties of every woman you meet, it is a thought-provoking inspirational advice book to help guide individuals towards finding the right types of women. Many women have browsed through the topics discussed and have been appreciative of the no-nonsense approach. Mature, adult women are not in the mood to be toyed with and don't want to torment respectable men. This book is for the guy who is sick of drama and games and doesn't want to learn a new language just to lie his way into a woman's pants for one night, but rather would like to find an efficient way to the

Your Sex Drive, and Become a Power Source by Alisa Vitti; and Pussy: A Reclamation by Regena Thomashaue.

In *The Queen V*, the beloved OB-GYN, celebrity doctor, and star of Bravo's *Married to Medicine* reveals the twelve principles behind a happy and healthy vagina...and other lady parts. After twenty years of private obstetrics and gynecological practice, there's nothing Dr. Jackie Walters hasn't seen. And now, in her new book, the widely-adored OB-GYN invites you to put your feet in the stirrups and investigate. Whether she's covering libido, contraceptives, labiaplasty, or fertility, Dr. Jackie educates readers with her characteristic grace and pragmatism. Both funny and informative, she brings you on a quest through the female reproductive system—answering all the burning (and itching, and smelling...) questions you've always been afraid to ask. Dr. Jackie knows that every woman is different, and she's designed a reading experience that's tailor-made for each individual. After taking a fun quiz to uncover your own vaginal personality (V.P.), you'll embark upon an eye-opening journey of self-discovery. Are you a Mary Jane, a Sanctified Snatch, or a Notorious V.A.G.? What's the shape of your vaginal flower—rosebud, tulip, or carnation? Dr. Jackie reveals the answer and doles out advice so personal you'll feel like you're in the office talking to her. For every time you've been draped in a paper gown and too embarrassed to ask that question, Dr. Jackie has you covered. Her book is a woman's guide to self-awareness that will educate, entertain, and empower others to achieve vaginal liberation. It's a must-read for anyone

who owns (or loves) a vagina.

A Pussy Rioter's riveting, hallucinatory account of her years in Russia's criminal system and of finding power in the most powerless of situations In February 2012, after smuggling an electric guitar into Moscow's iconic central cathedral, Maria Alyokhina and other members of the radical collective Pussy Riot performed a provocative "Punk Prayer," taking on the Orthodox church and its support for Vladimir Putin's authoritarian regime. For this, they were charged with "organized hooliganism" and were tried while confined in a cage and guarded by Rottweilers. That trial and Alyokhina's subsequent imprisonment became an international cause. For Alyokhina, her two-year sentence launched a bitter struggle against the Russian prison system and an iron-willed refusal to be deprived of her humanity. Teeming with protests and police, witnesses and cellmates, informers and interrogators, Riot Days gives voice to Alyokhina's insistence on the right to say no, whether to a prison guard or to the president. Ultimately, this insistence delivers unprecedented victories for prisoners' rights. Evocative, wry, laser-sharp, and laconically funny, Alyokhina's account is studded with song lyrics, legal transcripts, and excerpts from her jail diary—dispatches from a young woman who has faced tyranny and returned with the proof that against all odds even one person can force its retreat.

realize late than never that we women have the true power. Robin The Power is Ours!, May 23, 2008 By Crystal Adkins "Crystal's book reviews" Ashland, KY) This review is from: Power of Pussy (Paperback) Sandy Patsy's book, Power of Pussy is about her getting the feelings for her on again off again boyfriend, Peter onto the paper, in which helps clear up the confusion of men. Why do men think they have all of the power, when it is we women who have what they crave and lust after? The black widow and female praying mantis, have a great lifestyle, find a mate, intercourse, and then have them for dinner...literally! Ah, but if it were only that easy. Through Sandy's eyes and life experiences, at the age of 60 she considers herself an expert, on the Power of Pussy. Saved notes, feelings, true events, and ramblings make up the interior of this book. Ms. Patsy uses colorful language, and pulls no stops when it comes to showing her true feelings for Peter or actually men in general. Parts of the Power of Pussy were laugh out loud funny while others were informative and full of emotion. Step into a sneak peak of Sandy's love life by reading her book. 4 Hearts WOW! All we women can relate to Sandy's emotion, confusion & feelings. Universal experiences. Jill White, Wichita KS What an emotional ride.....I might have killed him. Sheryl Wohlford, Wichita KS

wish I had read this 23 years ago! - Scarlett Curtis \_\_\_\_\_ From earliest childhood, girls are misled about their bodies, encouraged to describe their genitalia with cute and silly names rather than anatomically correct terms. In our schools and in our culture, we are coy about women while putting straight men's sexuality front and centre. Girls grow up feeling ashamed about their periods, about the appearance of their vulvas, about their own desires. They grow up without a full and honest sex education, and this lack of knowledge has serious consequences: the number of women attending cervical screening appointments in the UK is at a 20-year low while labiaplasty is the fastest growing type of plastic surgery in the world. Vagina provides girls and women with information they need about their own bodies - about the vagina, the hymen, the clitoris, the orgasm; about conditions like endometriosis and vulvodynia. It confronts taboos, such as abortion, miscarriage, infertility and masturbation. It tackles vital social issues like period poverty, female genital mutilation and the rights of transgender women. It is honest and moving as Lynn Enright shares her personal stories but this is about more than one woman - this is a book that will provoke thousands of conversations. We urgently need to talk about women's sexual and reproductive health, about our experiences of sex and pregnancy and pain and pleasure. Vagina: A Re-Education will help us do just that.
