

The Private Eye

Canine detective Scratch helps his young master Flash Fry investigate a feud between two amateur tricksters, who end up locked in a nasty duel in a supposedly haunted house.

Sister Eve knows God moves in mysterious ways. And Eve adores a good mystery. Especially a murder. Two decades into her calling at a New Mexico monastery, Sister Evangeline Divine breaks her daily routine when a police officer appears, carrying a message from her father. Sister Eve is no stranger to the law, having grown up with a police captain turned private detective. She's seen her fair share of crime—and knows a thing or two about solving mysteries. But when Captain Jackson Divine needs her to return home and help him recover from surgery, Sister Eve finds herself taking on his latest case. A Hollywood director has disappeared, and the sultry starlet he's been running around with isn't talking. When the missing man turns up dead, Captain Divine's case escalates into a full-blown murder case, and Sister Eve's crime-solving instincts kick in with an almost God-given grace. Soon Sister Eve finds herself soul-searching every step of the way: How can she choose between the vocation in her heart and the job in her blood?

Digital web comic compiled. Contains 10 issues plus a "Making of" special.

When Greta Divawing, butterfly star of the Scarab Beetle Theatre, goes missing a week before the opening performance of "Bugliacci," Joey Fly is called in to investigate her puzzling disappearance.

Collects Hawkeye (2016) #1-12. Remember Hawkeye? No, not that Hawkeye - your favorite Hawkeye! The former Young Avenger, the butt-kicking hero who had to save that other Hawkguy all the time and basically keep his life in some semblance of order. Yup, you know her - it's the dazzling Kate Bishop, making a splash in her own solo series as the City of Angels gets a new guardian angel. There are crimes to solve, and she's the best archer to handle 'em! But is she ready to face the ghosts of her past? This is Kate Bishop as you've never seen her before, in a stirring saga that really hits the mark!

An account of the activities of Irwin Blye, who for twenty years has investigated cases for families, politicians, banks, insurance companies, businessmen, Mafia bosses, and crooked cops

Just a few months after solving their first case as Private Eye Cats, Scooter and Nugget realize it's time to get back to work as crime fighting detectives after another mysterious crime occurs in their usually quiet Miami Beach neighborhood. Their second case, however, proves to be more puzzling and dangerous than their first. When these two feline sisters discover that a dog named Jewel has been kidnapped from her home and the police are offering little help in solving the case, they move quickly to find the thief and return Jewel to her owner. Using their ability to speak English as well as cat talk, and with the help of their human friend Tyrone Williams who worked with them on their first case, they plan a course of action. Solving this crime will be far from easy. The crime fighting cats have no idea who the kidnapper is. They not only have to discover the identity of the lawbreaker, they also have to figure out a way to contact him. Scooter, Nugget, and Mr. Williams face an additional challenge. How can they trick the thief into meeting with them so they are able to recover Jewel and have their

suspect arrested? Step by step, as in their first case, our detectives work out every detail of how they will investigate this misdeed and see it to a successful conclusion. However, it seems that every stride they make in the right direction leads to a dead end, and the kidnapper turns out to be a dangerous character. Your heart will race as you follow the action. You'll wonder all along if Jewel will ever be returned. You will also be surprised at who becomes the hero of this adventure. The Case Of The Kidnapped Dog is an entertaining story for you to read and a real test of the crime detection abilities of our private eye sisters.

Army veteran-turned-private eye Dallas Rowen investigates the death of demolition derby driver Jerry Grady and quickly walks into the crosshairs of a murderer.

Brash, brilliant and funny, the Chicago Imagists--from the Hairy Who and Nonplussed Some to False Image and Marriage Chicago Style--receive a full appraisal in this electrifying volume. This amply illustrated catalog surveys the work of the group of artists known as the Chicago Imagists, who exhibited together in the late 1960s, and whose influence continues to spread 50 years later. Drawing from a collection of rarely seen works, the book presents work from the 17 artists who comprise the original Imagist exhibition groups--the Hairy Who, Nonplussed Some, False Image and Marriage Chicago Style--as well as a number of independent Chicago artists. These artists and their historic work, which is brash, brilliant and often humorous, have seen increased attention over the last decade. Scholars, collectors and younger artists have been magnetized by the paintings of Jim Nutt, Christina Ramberg, Roger Brown, Gladys Nilsson and Karl Wirsum, but there are few large-scale, high-quality books documenting their work. In addition to a reprint of an important and little-known piece by Dennis Adrian, the book features original essays that provide a big-picture view of the vibrant Chicago art ecosystem and explore the relationship between Imagism and abstraction and between historical Imagist art and its offspring. Also included are an interview with the collectors, biographical "snapshots" of seven key artists and a timeline plotting major works in the collection against important historical events in the art world. With this comprehensive range of material, *Private Eye: The Imagist Impulse in Chicago Art* adds substantively to the topic's scholarship.

Caldecott Medalist Brian Selznick and debut children's book author David Serlin create a dazzling new format especially for young children!

From Philip Marlowe and Sam Spade to Jake Gittes, private eyes have made for some of the most memorable characters in cinema. We often view these detectives as lone wolves who confront and try to make sense of a violent and chaotic modern world. Bran Nicol challenges this stereotype in *The Private Eye* and offers a fresh take on this iconic character and the film noir genre. Nicol traces the history of private eye movies from the influential film noirs of the 1940s to 1970s neonoir cinema, whose slow and brilliant decline gave way to the fading of detectives into movie mythology today. Analyzing a number of classic films—including *The Maltese Falcon*, *The Big Sleep*, *Chinatown*, and *The Long*

Goodbye—he reveals that while these movies are ostensibly thrillers, they are actually occupied by issues of work and love. The private eye is not a romantic hero, Nicol argues, but a figure who investigates the concealments of others at the expense of his own private life. Combining a lucid introduction to an underexplored tradition in movie history with a new approach to the detective in film, this book casts new light on the private worlds of the private eye.

A classic romance novel by best-selling author Jayne Ann Krentz is accompanied by an original tale by Lori Foster, in a dual edition celebrating Harlequin's fiftieth anniversary. Original.

There's a sandwich thief in Mr. Venezia's pet shop, and everyone is a suspect, from the chinchillas to the goldfish. Never fear! The world's fluffiest detective on the case: Sasspants, PI(G). By day, Sasspants is your average book-loving, gizmo-inventing guinea pig. By night she solves pet shop mysteries with the help of her sidekick, Hamisher the hamster. Our furry little heroes will stop at nothing to find the sandwich thief! This is the first book in the Guinea PIG, Pet Shop Private Eye series.

Chuck Chambers has seen it all in his 22 years as a P.I., working thousands of cases. His hands-on experience and hard-nosed detective work has made him one of the most sought-after private investigators in the business. Here, Chambers shares his insider expertise, with true case histories from his files, tricks of the trade, and step-by-step advice to help readers be able to: - Catch a cheating spouse - Uncover hidden assets, monetary malfeasance, and fraud - Tail and track a mark - Use the Internet to get information on anything and anyone - Protect one's privacy - Prepare an intelligence file on anyone-on and off line - Find and preserve legal evidence *The Private Investigator's Handbook is as fascinating to read as it is useful for anyone looking to get the undercover legal help they need, and the peace of mind they deserve.

Mystery writers such as Lawrence Sanders, Sue Grafton, and Parnell Hall offer advice and tips on writing the private eye novel

The Little Old Lady and the Little Old Man are bereft. The Gingerbread Boy has run away to train for the Fairytale Olympics. Is he fast enough to outrun hungry Foxy Loxy? Even worse, dark rain clouds are forming and he could turn to mush. Luckily, Sky Private Eye is just the detective to solve the mystery.

Dear Reader, The guy who usually writes these letters asked me to do it instead. Maybe he was having a bad writing day. Maybe he wanted me to play the sap for him. Or maybe he ran into Trouble with a capital T. Well, Trouble's in my business. I'm a dog. I'm a detective. The name's Bud Barkin. And this book is about the case I had involving a dame named Delilah Gorbish, whom I would call Trouble with a capital T except I've used that metaphor already, and the clown named Crusty Carmady whose calling card is a teakettle that he heaves through windows. Nice pair of birds. The mystery deepens with another character called the Big Fish, who isn't really a fish and who's addicted to the Home Shopping Network. Hey, I don't write 'em—I just solve 'em. Yours truly, Bud Barkin, P.E.

Katie Fry may be little, but she's got a big brain, and she uses it to solve mysteries with

her feline friend Sherlock. And they've got a new case. Katie's brother can't find his favorite stuffed animal anywhere. But with a nose for clues and a few good tips, Katie and Sherlock are hot on the fox's trail. A great introduction to simple, fun mysteries. Beginning readers will love hunting for clues in the art right along with Katie and Sherlock!

BONUS: This edition contains an excerpt from Jonathan Kellerman's *Guilt*. **NEW YORK TIMES BESTSELLER** The voice belongs to a woman, but Dr. Alex Delaware remembers a little girl. It is eleven years since seven-year-old Melissa Dickinson dialed the hospital help line for comfort—and found it in therapy with Alex Delaware. Now the lovely young heiress is desperately calling for the psychologist's help once more. Only this time it looks like Melissa's deepest childhood nightmare is really coming true. "A page-turner from beginning to end."—Los Angeles Times Twenty years ago, Gina Dickinson, Melissa's mother, suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled. Now her acid-wielding assailant is out of prison and back in L.A.—and Melissa is terrified that the monster has returned to hurt Gina again. But before Alex Delaware can even begin to soothe his former patient's fears, Gina, a recluse for twenty years, disappears. And now, unless Delaware turns crack detective to uncover the truth, Gina Dickinson will be just one more victim of a cold fury that has already spawned madness . . . and murder.

Every Thursday night Kenny logs into Maya's camroom for a private, steamy session that leaves them both giddy, breathless and hungry for more. Their online relationship is complicated. She's a sex worker and he's her client. He's a spy and she was once his surveillance subject. Technically there are only two degrees of separation between them, but only Kenny knows that. What works online could never work in the real world, right? That's why they have to hide - even from each other - that their feelings run much deeper than they should. When Kenny finally gets the chance to train under Monica, this career-defining opportunity comes with a catch: he has to tell Maya who he is and confess his deception, because the spies need her help to bring down an international arms ring. Maya is heartbroken to find out that Kenny has been deceiving her for months. She struggles to reconcile the man she used to fantasize about and the one in front of her. But she agrees to help him for one reason: she needs the money. Or at least that's what she tells herself. The entire mission hinges on the two being a believable couple in Maya's camroom to lure an Albanian mobster into a trap. In the process, they find that their online connection is even stronger offline. But is it strong enough to keep them alive when they have to walk into the mobster's lair and put on the performance of their lives? *Private Eye* is the second book in *The Spies Who Loved Her* series. These erotic romantic suspense novels are about sexy secret agents and the civilians who bring them to their knees. content warnings graphic depictions of violence (shooting death) graphic depictions of bodily harm a racial epithet?

An LAPD homicide detective must choose between justice and vengeance as he teams up with the FBI in this "thrilling" novel filled with mystery and adventure (New York Times Book Review). For maverick LAPD homicide detective Harry Bosch, the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal . . . because the murdered man was a fellow Vietnam "tunnel rat" who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist

beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

This volume - the follow-up to Olson's bestselling "Confessions of a Bangkok Private Eye" - serves up more juicy portions of what goes on under the veneer in Thailand and includes stories deemed too hot to include in the first book for fear of repercussions. It also includes recent cases, where state-of-the-art surveillance devices and other advances in the dark arts of private investigation have made it easier to uncover dirt deep below the surface. This is a book that reads like exciting fiction, with one big difference: every story is true. Only the names and related identifying details have been changed to protect the innocent along with the guilty. These chronicles of a decade lived dangerously in the Land of Crooked Smiles will, by turns, entertain, shock, inflame and inform you.

Teachers loved Mary Ann Carr's One-Hour Mysteries and asked for more! In this follow-up to her wildly popular book, Mary Ann Carr offers five motivating mysteries that your students can solve using clues and logical reasoning. Your students become crime scene investigators, analyzing clues found at a crime scene and applying forensic techniques in their analysis. Each mystery includes a complete set of teacher instructions and blackline masters that may be photocopied for classroom use. This exciting book features the following mysteries: Miss Moneybags' Last Will and Testament, The Doggone Mystery, The Case of Forged Houdini, Who Took the Video Game, and Aunt Sally's Secret. What better way to motivate critical thinking than with a whodunit? Skills include deductive reasoning, inferring, taking notes, organizing data, and analyzing evidence. Get ready for real thinking combined with cloak-and-dagger fun! Grades 4-8

Detective Princess King is taking on her toughest case yet: find the "pea" a priceless emerald that's disappeared from Mrs. Snell's jewelry collection. But as Princess searches for clues, she discovers that Snell Manor holds many mysteries -- from secret passageways to a towering bed of stacked mattresses. Can Princess use her sleuthing skills to solve the crime and prove she's the best private investigator in town?

Experience Hans Christian Andersen's classic "The Princess and the Pea" like never before in this graphic novel retelling for kids. Each Far Out Fairy Tales adventure includes info on the original tale, a guide to the story's twists, and visual discussion questions to critically engage readers.

The Private Eye

Filled with the funniest and most influential examples of Private Eye cartoons reflecting the social, cultural and political history of the past half century. With over 1500 comics, many of which have never been republished, this compendium is a real treasure!

Revision of the author's thesis (Ph. D.)--University of Manchester, 2003.

In this companion to her best-selling books, Carr presents five exciting new mysteries for student detectives to tackle. Students will sharpen their sleuthing skills after completing the course designed for great detectives at the Private Eye School, before moving on to tackle mysteries such as "The Vandal Strikes" and

“The Great Electric Train Robbery.” Along the way, students will learn to analyze bloodstains and lip prints, while decoding messages and solving challenging puzzles. Each of these mysteries requires students to think outside of the box, organize data, take notes, make inferences, and use deductive reasoning skills. The mysteries include a teacher's guide and attractive reproducible pages for students to use in their investigations. The Private Eye School also provides directions for creating a classroom learning center, in which students write their own mysteries, create logic puzzles, and sketch crime scenes. Grades 4-8

“I’m in a business where people come to me with troubles. Big troubles, little troubles, but always troubles they don’t want to take to the cops.” That’s Raymond Chandler’s Philip Marlowe, succinctly setting out our image of the private eye. A no-nonsense loner, working on the margins of society, working in the darkness to shine a little light. The reality is a little different—but no less fascinating. In *The Legendary Detective*, John Walton offers a sweeping history of the American private detective in reality and myth, from the earliest agencies to the hard-boiled heights of the 1930s and ’40s. Drawing on previously untapped archival accounts of actual detective work, Walton traces both the growth of major private detective agencies like Pinkerton, which became powerful bulwarks against social and labor unrest, and the motley, unglamorous work of small-time operatives. He then goes on to show us how writers like Dashiell Hammett and editors of sensational pulp magazines like *Black Mask* embellished on actual experiences and fashioned an image of the PI as a compelling, even admirable, necessary evil, doing society’s dirty work while adhering to a self-imposed moral code. Scandals, public investigations, and regulations brought the boom years of private agencies to an end in the late 1930s, Walton explains, in the process fully cementing the shift from reality to fantasy. Today, as the private detective has long since given way to security services and armed guards, the myth of the lone PI remains as potent as ever. No fan of crime fiction or American history will want to miss *The Legendary Detective*.

Marty Frye is not your ordinary sleuth. Marty Frye is a poet detective - he makes up rhymes as he solves small crimes. When his friend Emma's diary is missing, Marty is on the case. When Katie's flour is nowhere to be found, Marty tracks it down. And when the brand-new Action Chuck figures mysteriously vanish from the toy store, Marty unravels the mystery. Will there ever be a case too hard for Marty to solve? Or a word too impossible to rhyme? Broken into three short stories of poetry and petty crime, this charming chapter book will have young readers in search of a rhyme in no time. A Christy Ottaviano Book

Describes twenty-seven fictional detectives, looks at the major novels and stories in which they appeared, and discusses trends in detective fiction

As private investigator Joey Fly investigates the disappearance of a diamond pencil box belonging to a lovely butterfly named Delilah, he is hampered by his clumsy scorpion assistant, Sammy Stingtail.

This book is part true-crime novel, and part textbook. It was written specifically

about surveillance, as conducted by private investigators. It's virtually an industry bible, and contains an incredible volume of highly detailed how-to techniques, for virtually every area of surveillance. It covers how to get information out of people under pretext, how to follow people on foot or by car. What to expect and even how to think as a PI, in order to get great results. The book covers everything including: Training courses and licensing Job preparation Conduct of surveillance operations Special techniques used by professionals Following on foot, car, bus, train, taxi Working in specialist areas (buildings, apartments, shopping centres etc) While an invaluable resource for any potential recruit to the PI industry, this book is also an excellent resource for experienced PI's as well. It lists a large number of web references and other details for information sources that can be used to track down elusive offenders. With almost 544 pages, this incredible encyclopaedic resource covers all the basic techniques, as well as some you have never thought of. How can a female PI urinate on a long vehicle stakeout? What web resource can be used to determine the likely gender of an obscure ethnic name which was listed in client intelligence? How do I identify someone? What role does human psychology play in surveillance operations? How can I find out if they are working? 10 pages explaining why and how things are seen, 10 issues to consider when parking a surveillance vehicle, 30 issues to consider in selecting a suitable surveillance vehicle, 9 methods to assist identification of an unknown unit number in a large block, . . .and much more Not only does this comprehensive training resource cover techniques, it is illustrated with a large number of real cases which Chris has conducted. These stories are an incredible insight to the PI world, and are both entertaining and fascinating. Each story details real-life implementation of techniques described in the book.

The animals in Mr. Venezi's pet shop are used to how forgetful he is. Then he hires the perfect assistant, Viola. She does her job so well that Mr. V hardly needs to be there. In fact, one day, Mr. V doesn't come back at all! But then Viola starts ignoring the animals. Has Mr. V given the pet shop to a villain? Or is some other mystery afoot? Sasspants, PI(G)—fluffy-but-determined guinea pig detective—and junior detective Hamisher the hamster—will soon fish out the answers!

Mr. Venezi has put up a "help wanted" sign in the pet shop. He needs someone to keep track of the animals. But more help might mean he sells more pets, and the animals will have to leave their home. Sasspants, PI(G)— fluffy-but-reluctant detective—is on the case. She fixes the signs on all the cages, but then a vandal turns turtle into turnip and fish into knish! Are the crazy ferrets behind it? The game is afoot for Sasspants and her sidekick Hamisher!

Discover what it's really like to be a Private Investigator from one of the top Private Eyes in the country. Confessions of a Private Eye offers an accurate behind-the-scenes look at the real-life cases of celebrated Private Investigator and Super Sleuth, Scott B. Fulmer. In a thrilling private eye career spanning almost three decades, he has seen it all. Join Fulmer as he describes in

breathhtaking detail his investigations and daring challenges involving kidnapped children, missing diamonds and insurance scams. Discover how he busted a fake chiropractic clinic, recovered thousands of dollars of purloined tortillas and proved an injured stripper was not so injured after all. In the private eye world truth really is stranger than fiction. At the age of eight, Fulmer discovered the mysteries of Sherlock Holmes in his elementary school library and his career choice was set. His investigations have taken him from Texas to Utah and California to Washington, DC. From the streets of San Francisco to a secret cave in rural Pennsylvania where he began working for the U.S. government. Fulmer has unraveled intrigues, busted employee theft and even worked with F.B.I. His true-life cases have run the gamut from workers comp fraud and murder, to recovering runaways, human smuggling and cheating spouses. From placing hidden GPS trackers on vehicles, proving trademark infringement and even investigating members of the George Bush administration. Confessions of a Private Eye is Fulmer's spell-binding account, and your backstage pass to learning how real private investigators go about solving cases and catching the bad guys. Of course, all the names, locations and other identifying details have been changed to protect the privacy of the innocent (and the guilty). Learn how Fulmer got his start in the private investigator business and the mistakes he made a long the way. His narrative is insightful and often poignant. Not every investigation has a happy ending. But through it all you'll learn about Fulmer's unique investigatory methods and his state-of-the-art equipment. Confessions of a Private Eye is a humorous, thorough and perceptive depiction of the mysterious private investigation world by one of the country's top private eyes.
