

The Problem With Forever Jennifer Armentrout

Whether or not you believe in fate, or luck, or love at first sight, every romance has to start somewhere. Meet Cute is an anthology of original short stories featuring tales of “how they first met” from some of today’s most popular YA authors. Readers will experience Nina LaCour’s beautifully written piece about two Bay Area girls meeting via a cranky customer service Tweet, Sara Shepard’s glossy tale about a magazine intern and a young rock star, Nicola Yoon’s imaginative take on break-ups and make-ups, Katie Cotugno’s story of two teens hiding out from the police at a house party, and Huntley Fitzpatrick’s charming love story that begins over iced teas at a diner. There’s futuristic flirting from Kass Morgan and Katharine McGee, a riveting transgender heroine from Meredith Russo, a subway missed connection moment from Jocelyn Davies, and a girl determined to get out of her small town from Ibi Zoboi. Jennifer Armentrout writes a sweet story about finding love from a missing library book, Emery Lord has a heartwarming and funny tale of two girls stuck in an airport, Dhonielle Clayton takes a thoughtful, speculate approach to pre-destined love, and Julie Murphy dreams up a fun twist on reality dating show contestants. This incredibly talented group of authors brings us a collection of stories that are at turns romantic and witty, epic and everyday, heartbreaking and real.

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy’s life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom’s future rests on Poppy’s shoulders, something she’s not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. For a lady of the manor, it's a chance to escape her wealthy husband's increasingly hostile behavior. And for a trained chef, it's a chance to challenge the men at the top of her profession. These four women are giving the competition their all--even if that sometimes means bending the rules. But with so much at stake, will the contest that aims to bring the community together only serve to break it apart?

Discover the New York Times bestselling Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. In this delightfully charming teen spin on *You've Got Mail*, the one guy Bailey Rydell can't stand is actually the boy of her dreams—she just doesn't know it yet. Classic movie buff Bailey "Mink" Rydell has spent months crushing on a witty film geek she only knows online by "Alex." Two coasts separate the teens until Bailey moves in with her dad, who lives in the same California surfing town as her online crush. Faced with doubts (what if he's a creep in real life—or worse?), Bailey doesn't tell Alex she's moved to his hometown. Or that she's landed a job at the local tourist-trap museum. Or that she's being heckled daily by the irritatingly hot museum security guard, Porter Roth—a.k.a. her new arch-nemesis. But life is whole lot messier than the movies, especially when Bailey discovers that tricky fine line between hate, love, and whatever-it-is she's starting to feel for Porter. And as the summer months go by, Bailey must choose

whether to cling to a dreamy online fantasy in Alex or take a risk on an imperfect reality with Porter. The choice is both simpler and more complicated than she realizes, because Porter Roth is hiding a secret of his own: Porter is Alex...Approximately.
