

The Promised Land By Pastor Chris Oyakhilome Free

The premier real estate book for Christians, *Possessing Your Promised Land* is the believer's (and non-believer's) guide to SUPERNATURAL real property acquisition. Combining the author's own extensive knowledge as a REALTOR with his numerous miraculous testimonies, this book seeks to inform Christians and non-Christians alike in the practical considerations of buying lands and homes, while intriguing the reader with his remarkable stories of supernatural property transactions. Readers will readily find their faith encouraged to acquire properties for their own homes or investments, while gaining the practical wisdom necessary to see it actually happen. (More information about this title is also available at www.rodneymjohnson.com.)

ENDORSEMENTS: Pat Boone: "Commit your works unto the Lord, and He will establish your thoughts." Proverbs 16: 3. Another translation says-"and He will guarantee your success." I like that even better! The point is this: God created everything there is and wants man to be successful in his stewardship of creation. Rodney Johnson has tapped into that wonderful truth, and shares it with us in very practical ways, from his own experience. What could be better? Dean Jones: My longtime friend, Rodney Johnson, is not only an expert in Southern California real estate, but a man who strives to serve God's purpose in every deal he closes. Does it matter to God where you live? This book will be a vivid reminder that the God who birthed life on planet Earth is still interested in making homes for His people on it. Gavin MacCleod: Rodney Johnson's book, *Possessing Your Promised Land: Biblical Principles for Real Estate Acquisition* is a read that will inspire, educate, and guide you through any real estate transaction. Our Lord said, "I came that you might have life and have it more abundantly." Rodney explains God's word and how your mindset translates into acquiring real estate properties-among other things-according to God's plan. It's a MUST READ-and it's all biblical! Paul McGuire: Rodney Johnson's *Possessing Your Promised Land* shows the reader firsthand how to develop a mindset geared toward acquiring real estate. His exciting examples culled from almost twenty years of helping people "possess their own promised lands" make this an enjoyable read. If God has been nudging you to step out into the unknown like He called Abraham to do then, by all means, read this book. Michael Reagan: From the political to the practical, Rodney Johnson covers it in *Possessing Your Promised Land*. Whether it is using his garage as a polling site in national elections or taking the appropriate tax deduction, he has something to say that should be of benefit to all homeowners and those who want to be homeowners. This book is not about "mansions in the sweet by and by." Instead, Rodney uses biblical examples and characters to show us what we need to do in the "here and now." I encourage you to read *Possessing Your Promised Land* and then do what the title suggests. Colin Stewart: Rodney Johnson has performed a unique service for both Christians and non-Christians alike in this immensely readable and inspiring book. His fresh and insightful application of Biblical truth to the subject of real estate ownership places the concept of "possessing the land" in a context that is compelling and relevant to everyday life in the 21st century. Plus his stories are very funny and enjoyable to read! Lisa Whelchel: *Possessing Your Promised Land* is full of hope, faith and encouragement to believe your real estate dreams really can come true. Rodney Johnson provides all that plus the practical direction to make it happen. Above all, this unique and timely book reminds us that if we delight in God then He gives us the desires of our hearts, and it is God's heart-desire to give us a home-both earthly and heavenly! Biblical examples are used to show how to attain success in real estate. God is constantly moving His children along the path to a better and deeper world of wonder and supernatural power and destiny. Are you following His lead? The Journey is an exciting look at biblical journeys and parallels them with your modern-day life. Practical truths revealed

Read Free The Promised Land By Pastor Chris Oyakhilome Free

throughout the pages dissolve the mediocrity from your life, and provide direction to walk a new path—with Him. You will learn: How to identify where you are. Where your destiny is and how to get there. About life's four possible destinations. How to exercise your creative power. The terms of God's covenant with you. How to defeat your Jericho. That your greatest enemy may be within you. The Journey is an anointed, insightful, and often humorous revelation of the stages of Christian life. With a refreshing absence of religiosity, author Jason Anderson pinpoints life-changing truths, exposes common misconceptions, releases grace, and debunks the time-tested excuses keeping you from the place of rest in which you were designed to rule and reign.

Too often, all oppressed people in America are lumped together under the moniker "people of color," as if each group's experience under the yoke of systemic racism has the same economic and social repercussions. But the American Descendants of Slavery (ADOS) hold a unique claim to economic and reparative justice: for ADOS, after all, is the only group whose ancestors were forcibly brought to America, enslaved, built much of the wealth of the country, yet continue to be specifically excluded from the same social, political, and economic rights of other Americans. To that end, Rev. Dr. Kevin W. Cosby lays out the first theology of the ADOS movement, turning the traditional lens of Black liberation theology from Moses leading escaped Hebrew slaves in Exodus to other biblical leaders like Solomon, Daniel, and Nehemiah. A Jew born in exile, Nehemiah landed a somewhat privileged position in the Persian king's court. After learning about his people's dire situation in Jerusalem, Nehemiah wept and was moved to lead efforts to rebuild the wall around the city with money (reparations) obtained from the imperial government. In the stories of Nehemiah and other biblical leaders, Cosby finds inspiration on how to rebuild Black America including the necessity of government reparations for ADOS. Cosby calls all Americans to move from a place of relative nonengagement and detachment to a place of active support of ADOS's efforts for justice and healing

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and

Read Free The Promised Land By Pastor Chris Oyakhilome Free

change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama’s conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

A leader's guide for a one-year study of the Books of Deuteronomy and Joshua. It is coordinated with the corresponding WEB Study Guide, with an answer for every question in the WEB Study Guide to assist the leaders of groups or to help the individual student. It is a valuable resource for anyone serious about understanding the Bible.

This book is a classic exposition of the Christian life. It provides Bible-based answers to a lot of questions, and provides explanations needed to live a constantly victorious life. Joshua brought the children of Israel into a land flowing with milk and honey; yet the Bible says they did not enter the rest of God.

Do you need a miracle—that supernatural intervention of God in the natural affairs of men that transcends human reasoning and ability? Learn how to receive one in this captivating book as Pastor Chris shares vital steps you must take to release God’s power on your behalf. Also discover how to ward off the devil’s counter-attack and retain what God has given you!

In this book, Pastor Chris Oyakhilome teaches you the “what,” “how” and “why” of speaking in other tongues, and reveals the immense benefits it holds for you as a New Testament believer in Jesus Christ. You will also learn about Tongues, Interpretation of tongues, and Prophecy The difference between Praying in Your Understanding and Praying in Tongues

In the midst of an ever-changing world, there is one thing that never changes—the Word of God. As you travel on this journey called life, it's good to have that constant from day to day. But even still, many of us could use a way to keep the constant and loving message of God ever closer to our hearts. From the Pastors Pen is a daily companion for you on your journey. This devotional journal includes not only a daily devotional but also a space for you to write down your thoughts. For each day, you will find a passage of scripture along with author and pastor Samuel G. Mays commentary and reflections related to those verses, and while the devotionals do not follow any particular pattern, you will discover how they reflect the variations in the tapestry of life. So whether you are dealing with hardships or just need daily spiritual bread and nourishment, you can chronicle your walk in faith no matter the circumstances. Once completed, your own copy of From the Pastors Pen will stand as a unique volume that reflects this chapter in your life. There will not be another one like it in the entire world!

Rev. Paris Pearson's dreams were about to come true. After a 10 year delay in his 5 year life's plan, he was about to move from his current ministerial position; to the fulfillment of his vocational dream as a Senior Pastor at a "down home" country church. He would soon discover that there would be a lot more to this dream job than he could have ever imagined. He would soon learn that the people he went to pastor may have been sanctified but they were not yet glorified. This is the story of a young minister that with the help of a supportive family, a patient congregation and a gracious Lord; he would begin his journey into building a legacy of caring service.

Diary of a Pastor's Soul tells the story of a fictionalized pastor, embarking on his final year before retirement, who reflects on the experiences and relationships that have formed his vocation and shaped his soul over a lifetime of pastoral ministry. Drawing on his own experiences, seasoned pastor Craig Barnes invites readers to embrace the life lessons of a pastor who has been formed by his failures and his fleeting moments of glory, but most of all by discovering the holy in the routine but often quirky duties of being a parish pastor. Through 52 weekly thematic entries, Barnes presents spirituality in narrative form through a collection of interwoven stories about learning to love others with curiosity, amazement, vulnerability, and most of all gratitude for the grace found in flawed lives. Barnes's fictionalized diary approach creatively shows how the pastoral vocation forms mind, heart, and soul, helping pastors make sense of their own calling. With unvarnished honesty, this book eloquently illustrates a lifetime of ministry, revealing how "the Holy haunts the landscape of life."

The purpose of the wilderness is about what God wants to do in our life. Ever since the fall recorded in Genesis, man has lost their identity, power and authority given to them by God. Without this power and authority, man will never be able to take dominion in this world. When our identity, power and authority have been restored, then He wants to prepare us for the work ahead. The reason why God brings us into the wilderness is to prepare each believer to be able to release their potential. Before we are able to be used by God mightily, He wants to change our character and filter out all the unnecessary things that we have learned in this world. It is a time where man has to learn how to be dependent upon God. This dependence starts in the wilderness where there is absolutely nothing. God wants all of us to put our total trust upon Him and that He will provide all the necessities that we need. God wants His people to experience the supernatural provision that He offers. This is especially true for people who desire to be future leaders in the Kingdom. This does not only refer to people in leadership but also people who live their life in the marketplace. People need to know and understand how God provides in their life and how He wants to use them in their field. In order for people to understand how God works, they need to be transformed through a season of testing. This season of testing is where God actually wants to build up our character. Our character needs to be changed to that of God. Without a character transformation, we will always reflect what we learn in the world. We need to get rid of everything that was attached to our life that doesn't reflect the characteristics of God. This is done in the wilderness because in the wilderness, since there is nothing, we can't help but rely on God. As we rely on God more, then the things that have been attached to our life will start to fall off. Everything that was attached has to come off. When everything comes off, then God will put His Words and traits upon our life. That is why character is so important. It reflects God's traits. People never look at character as an important aspect in life. Character is often ignored or overlooked. However, to God, it is an important quality. When we are ultimately changed by God, then as we come out of our wilderness experience, we will come out with supernatural power to establish His Kingdom here on earth. Since we learn of His supernatural provision, we will also learn of His supernatural power. The whole process of the wilderness experience is receiving the anointing of God upon our life. With the anointing of God, we will be able to accomplish much. When the world says it takes talents and skill to accomplish much, to God it is all about the anointing. Our wilderness experience will release the anointing

Read Free The Promised Land By Pastor Chris Oyakhilome Free

that is upon our life. The anointing is very crucial in a believers life. Just as Jesus was anointed to fulfill His purpose while on earth, we need to be anointed to fulfill the purpose of God in our life. This cant happen unless we are totally changed and dependent upon God. Everyone needs to go through their wilderness experience to receive the anointing of God.

Author Olu Brown shares principles from the story of Moses, to guide leaders through some of the most gut-wrenching situations they will face. Leadership Directions from Moses answers the question, 'How can I remain effective in answering my own call, when people around me—some of whom are trusted friends and colleagues—will not (or cannot) stay on the journey we've set out to complete? How can I keep moving forward, when the path suddenly becomes so difficult?' The book covers topics like how to help others leave gracefully, how not to be upended when others choose to leave, how to have difficult conversations, and how to find unexpected opportunity in the challenge of new vacancies. It is full of practical help, including examples from pastors and churches across the US. It is also filled with compassion and wisdom—a pastoral book for pastors facing this difficult, nuanced, and often-emotional topic.

H Arnold Barton has contributed to Letters from the Promised Land: Swedes in America, 1840- 1914 as an author.H.

Arnold Barton, professor of history at Southern Illinois University at Carbondale, is the author of ""The Search for Ancestors: A Swedish-American Family Saga, ""and ""Scandinavia in the Revolutionary Era, 1760-1815.

Victorious Living Is Within Your Reach! The story of Exodus is not just that of Israel's journey out of slavery in Egypt and into the Promised Land of Canaan; it can also be your story of deliverance out of the mediocrity and pain of your past and into the promise and victory that God has for your future. Bryan Cutshall brings this Old Testament story to life and applies it to the modern-day life of every Christian. Experience the journey of the Israelites and you will... Learn from the painful lessons of past mistakes Overcome fear and mediocrity Understand how stress affects your spiritual life Get rid of doubt and bitterness Defeat the spirits of greed, criticism, and intimidation Become the landlord of your life Feast on the sustenance of God Begin your journey into the miraculous life of power God has planned for you. Your Promised Land Awaits!

Describes the NET Groups program (an acronym for Nurturing Experience Theologically), which begins with experiences and leads people into biblical and theological reflection.

"In an age when church growth is centered in Africa, Asia, and Latin America, evangelicalism must adapt to changing demographics or risk becoming irrelevant. Yet many evangelicals behave 'tribally'-valuing the perspective of only those like themselves-while also denying any evidence of racial attitudes in the church. Anthony Bradley has gathered scholars and leaders from diverse 'tribes'-black, Hispanic, and Asian-to share advice on building relationships with minority denominations and valuing the perspectives and leadership of minority Christians (not just their token presence.) They

seek to help evangelicalism more faithfully show the world that the gospel brings together in Christ people from all tribes, languages, and cultures" -- Publisher description.

DIVDiscusses the migration of African-Americans from the south to the north after WWI through the 1940s and the effect this had on African-American churches and religions./div

The Liberia Exodus of 1878 was the one of the biggest events in African American history. It certainly rivaled the Emancipation Proclamation and the end of slavery in the nineteenth century, as the grand event and the most talked about until the coming of Marcus Garvey some forty years later.

Antin emigrated from Polotzk (Polotsk), Belarus [Russia], to Boston, Massachusetts, at age 13. She tells of Jewish life in Russia and in the United States.

The Mega Pastor Theological * Political * Philosophical * Apologetically * Inspirational Dr. D.C. Stewart has written a book that is absolutely about Christian leaders being accountable in all things and that Christians conduct themselves in godliness. The Mega Pastor is a shepherding pastor of God's workmanship, who encounters and overcomes the intrinsic of all agendas that the body of Christ Jesus is up against. The Mega Pastor is the one taking the lead in the fight of faith. It is fit for the Mega Pastor and leaders of the flock of God to detect and expel the enemies from within and to expose the enemy that is outside looking in. There are primarily three groups of people categorizing this book. The secular humanist, which are all types of people that causes negative affect against Christian believers. Hirelings are those who are in the position to protect and serve the body of Christian believers but are not chosen, therefore causing many to stumble at the word of God and in faith. The Mega Pastors are those called and chosen of God who keeps the faith, walk in truth and preserve the body of Christian believers.

This is a story of overcoming struggles to achieve success. It is about a poor boy who lived in a mud home of a small village in a third-world country. His life was in poverty and desperation, but once he put his trust in God, his life was completely changed. When you read this book, your life will be challenged, your faith will be built, and all of your mountains will seem as though nonexistent. You will know that you are capable to do anything in life, if you put your heart into it! This book includes the following: Pastor Masihs biography loving the lost how to stand strong in your faith truth about Islam

Childhood in the Promised Land is the first history of France's colonies de vacances, a vast network of summer camps created for working-class children. The colonies originated as a late-nineteenth-century charitable institution, providing rural retreats intended to restore the fragile health of poor urban children. Participation grew steadily throughout the first half of the twentieth century, "trickling up" by the late 1940s to embrace middle-class youth as well. At the heart of the study lie the municipal colonies de vacances, organized by the working-class cities of the Paris red belt. Located in remote villages or along the more inexpensive stretches of the Atlantic coast, the municipal colonies gathered their young clientele into variously structured "child villages," within which they were to live out particular, ideal visions of the collective life of children throughout the long summer holiday. Focusing

Read Free The Promised Land By Pastor Chris Oyakhilome Free

on the creation of and participation in these summer camps, Laura Lee Downs presents surprising insights into the location and significance of childhood in French working-class cities and, ultimately, within the development of modern France. Drawing on a rich array of historical sources, including dossiers and records of municipal colonies discovered in remote town halls of the Paris suburbs, newspaper accounts, and interviews with adults who participated in the colonies as children, Downs reveals how diverse groups—including local Socialist and Communist leaders and Catholic seminarians—seized the opportunity to shape the minds and bodies of working-class youth. *Childhood in the Promised Land* shows how, in creating the summer camps, these various groups combined pedagogical theories, religious convictions, political ideologies, and theories about the relationship between the countryside and children's physical and cognitive development. At the same time, the book sheds light on classic questions of social control, highlighting the active role of the children in shaping their experiences.

How do you persevere when life seems hopeless and you feel so helpless? Where does faith fit in? How do you find meaning and purpose in life when the most important people in your life are not there? How do you overcome years of depression? What can you do to be successful in marriage when only failure has been modeled before you? These questions and their answers are the starting points to healing from past damaging relationships and entering into a life of emotional strength and spiritual boldness. In the Old Testament, God called His people to a land that was filled with milk and honey. It was called the Promised Land. Similarly, He calls each believer today to a place of rest and abundant living. This book--made possible by combining decades of personal struggle, spiritual counseling, personal Bible study, and a psychology background--can be your pathway to the fullest and happiest days of your life as well.

This 1912 classic of the Jewish-American immigrant experience, whose author arrived in Boston from Russia as a child in the 1890s, offers a moving narrative of Old and New World cultures.

G. E. Patterson challenges you to let Christ break the shackles of low self-esteem, poverty, and spiritual dryness off of your life. *The Promise Land* LoveWorld Publishing

Too often, all oppressed people in America are lumped together under the moniker "people of color," as if each group's experience under the yoke of systemic racism has the same economic and social repercussions. But the American Descendants of Slavery (ADOS) hold a unique claim to economic and reparative justice: for ADOS, after all, is the only group whose ancestors were forcibly brought to America, enslaved, built much of the wealth of the country, yet continue to be specifically excluded from the same social, political, and economic rights of other Americans. To that end, Rev. Dr. Kevin W. Cosby lays out the first theology of the ADOS movement, turning the traditional lens of Black liberation theology from Moses leading escaped Hebrew slaves in Exodus to other biblical leaders like Solomon, Daniel, and Nehemiah. A Jew born in exile, Nehemiah landed a somewhat privileged position in the Persian king's court. with money (reparations) obtained from the imperial government. In the stories of Nehemiah and other biblical leaders, Cosby finds inspiration on how to rebuild Black America including the necessity of government reparations for ADOS. Cosby calls all Americans to move from a place of relative nonengagement and detachment to a place of active support of ADOS's efforts for justice and healing.

Promise has a long pedigree in the history of Christian understandings of the gospel. This volume gathers together leading homileticians to consider the breadth of its understanding today in light of the struggle to reconcile God's grace with God's justice. Assuming that promise is a core sense of the gospel, how does this relate to the variety of contexts in which homiletical theology is done? In this final volume in the series, six homileticians from a variety of contexts and perspectives try to move specifically toward a homiletical theology of promise as a way to articulate the central theological gift and task that is preaching the gospel today.

Examines the relationship between grassroots Catholic Church groups (base Christian communities) and the mobilization of peasant farmers in the fight for control of Amazon lands.

This new study of the Old Testament from trusted scholar Dr. John MacArthur provides thorough insights into a sometimes little-studied portion of the Bible. A widow watches as her dead son is brought back to life. A man is cured of leprosy by simply dipping himself in a river—while another man is struck by leprosy when he accepts an unwarranted gift. The nation of Judah witnessed great miracles and great failures, as her kings vacillated between serving the Lord and following pagan practices. This was a time of decision for God's people—would they serve the Lord with a whole heart, or divide their loyalty between God and pagan deities? *Losing the Promised Land: Elisha and the Kings of Judah* takes an in-depth look at this historical period beginning with the first kings of Judah, continuing through the ministry of Elisha, and concluding with the nation's exile. Studies include close-ups of Elisha, Naaman, Elisha's servant Gehazi, and others, as well as careful considerations of doctrinal themes, such as "Renewing God's Word" and "Being Wholehearted for God."

ARE YOU READY FOR THE ADVENTURE OF A LIFETIME? Our life in Christ is meant to be an adventure the likes of which we have never imagined! There are horizons and vistas of God's amazing grace just waiting for us to explore and experience ... Join us as we open up the photo album of the children of Israel and look at snapshots from their journey as God delivered them out of Egypt, through the wilderness and into the Promised Land. Through our glance at these pictures taken from along the way during their journey, may the Holy Spirit illustrate and reveal to us the present, living realities of our own adventurous journey of faith and grace, which we are experiencing in Christ now! So what are we waiting for? ... **LET THE ADVENTURE BEGIN!**
