

## The Radical Cross A W Tozer

Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*. Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.

Will you press into heaven at the expense of earth? It has been said that revivals are born after midnight. This is not because midnight is a magic hour—it isn't—but because anyone truly desiring renewal doesn't tire at seeking it. *Born After Midnight* stirs us toward renewal. Be it in the realm of money, worship, worry, or prayer, A. W. Tozer applies God's high wisdom to our everyday living to show how sin is bitter and Christ is sweet, helping us crave heaven and lose our taste for the world. If you will take God for who He says He is, trust His promises as true, and forsake the world in clutching for

heaven, it will cost you everything. But it will give you eternity. *Born After Midnight* invites you to seek what cannot be lost.

Salvation is from our side a choice, from the divine side [...] a conquest of the Most High God. – A. W. Tozer With words like these, Tozer shakes the soul. He crumbles the lies we believe and calls us to the more sure way. In these pages, Tozer says what it means to truly be saved. It is not merely to assent to Jesus and go on our same old way, but to be conquered by the Almighty God and invaded by His Spirit. A saved person is a transformed person. Let Tozer upend you in this moving prequel to *The Pursuit of God*. And being upended, may you be found standing upright in an upside-down world.

Although never considered to be a popular speaker nor prolific writer, A. W. Tozer's audiences did appreciate what he had to say, and he was probably the most widely read Christian writer of his time. *Keys to the Deeper Life* contains six of his best-known essays and editorials. In them he rigorously examines many of the failings and foibles of his day. Although most were written more than three decades ago, the insights they offer are as fresh and thought-provoking as the day they were published. Robert Walker, the editor of *Christian Life*, and a long-time associate of Tozer, has written an Introduction to the book that delightfully captures Tozer's irascible genius. *Keys to the Deeper Life* also contains the account of an exclusive interview with A. W. Tozer shortly before his death.

Who was ultimately responsible for sentencing Jesus to death on the cross? Can we ever be good enough for

God? Do all "religious" people go to heaven? In Who Put Jesus on the Cross? A.W. Tozer examines some of the most difficult questions of the Christian faith. His indictment of lackluster belief forms the cornerstone of his appeal as he asks the reader what it really costs to be a Christian. Tozer inspires conviction that will have you digging deep within your heart to newly realize the meaning of Christ's death and resurrection and discover the "Word of God as the foundation of our peace and rest."

2011 Reprint of 1963 edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Selected and with an introduction and notes by A.W. Tozer. The purpose of this book is to bring together in one convenient volume some of the best devotional verse the English language affords, and thus to make available to present day Christians a rich spiritual heritage which the greater number of them for various reasons do not now enjoy. Includes works by Isaac Watts, Oliver Wendell Holmes, F.W. Faber, Milman, Shirley, Wesley, Rossetti, Gerhardt, Pollock, Tate, Brady, Tersteegen, Ware, Nicolai, Bonar and others. Tozer served 44 years of ministry, associated with the Christian and Missionary Alliance, a Protestant evangelical denomination; 33 of those years were served as a pastor in a number of churches. He is the author of dozens of books, two of which, *The Pursuit of God* and *The Knowledge of the Holy*, are considered classics. His books impress on the reader the possibility and necessity for a deeper relationship with God. Teachings from the Gospel of John Many Christians are

familiar with the prophetic voice of Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings (adapted from sermons given to his parishioners) is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the "heavenlies." No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to John's, the Beloved. Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord. Available Fall 2009!2

"It is our purpose to give a verse by verse exposition of the fourth Gospel in the course of this series of studies, but before turning to the opening verses of chapter I it will be necessary to consider John's Gospel as a whole, with the endeavor of discovering its scope, its central theme, and its relation to the other three Gospels. We shall not waste the reader's time by entering into a discussion as to who wrote this fourth Gospel, as to where John was when he wrote it, nor as to the probable date when it was written. These may be points of academic interest, but they provide no food for the soul, nor do they afford any help to an understanding of this section of the Bible, and these are the two chief things we desire to accomplish. Our aim is to open up the Scriptures in such a way that the reader will be able to enter into the meaning of what God has recorded for our

learning in this part of His Holy Word, and to edify those who are members of the Household of Faith." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

The Radical Cross Moody Publishers

Written by the pioneering scientist, theorist and activist J. D. Bernal, this futuristic essay explores the radical changes to human bodies and intelligence that science may bring about, and suggests the impact of these developments on society. Bernal presents a far-reaching vision of the future that encompasses space research and colonization, material sciences, genetic engineering, and the technological hive mind. In his view, it will be possible for the conditions of civilization to reach a state of materialist utopia. For all three realms—the world, the flesh, and the devil—Bernal attempted to map out the utmost limit of technoscientific progress, and found that there are almost no limits. With a new introduction by McKenzie Wark.

"Some churches now advertise courses on how to pray. How ridiculous! That is like giving a course on how to fall

in love." —A. W. Tozer Tozer understood prayer as few do: as a way of life. Now readers can share that same grand vision. Prayer combines the best of Tozer on prayer into one volume. Tozer was captured by the great wonder of God, and he regarded prayer as the primary means of coming into His presence. But if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray, we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately—the true Christian life. Prayer is doable. God is accessible. And Tozer provides the wisdom and encouragement to help us encounter Him daily. With commentary and reflection questions provided by compiler W.L. Seaver, Prayer takes our understanding of prayer to new depths and helps us have a life that prays.

A book for Christians who crave more from their spiritual lives.

The way of the cross is still the pain-wracked path to spiritual power and fruitfulness. So do not seek to hide from it. Do not accept an easy way. Do not allow yourself to be patted to sleep in a comfortable church, void of power and barren of fruit. Do not paint the cross nor deck it with flowers. Take it for what it is, as it is, and you will find the rugged way to death and life. Let it slay you utterly. – A. W. Tozer, from "Coddled or Crucified?" in The Radical Cross In this collection of short essays, Tozer considers with piercing conviction the offense and power of the cross. May you venture unguarded into this book, that you might be utterly changed.

In the twenty years since its publication, Celebration of

Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines,

shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

40-day Lent devotional from a beloved spiritual writer As for the field, so for the soul: "The neglected heart will soon be overrun with worldly thoughts." Careful cultivation yields a harvest, and the heart requires great attention. . From the Grave, a 40-day Lent devotional, reflects on this critical spiritual dynamic. It features A. W. Tozer's best insights on faith, repentance, suffering, and redemption. Gleaned from transcribed sermons, editorials, and published books, each moving reflection has been carefully selected for the season of Lent. It addresses themes like: Christ's passion, death, and resurrection Mortification of the flesh Self-denial and cross-bearing New life in Christ Christian obedience and resurrection hope Each day features a brief portion of Scripture for meditation followed by a reflection from Tozer. Together the entries take you on a journey from the garden to the grave to light of day—the "pain-wracked path" to life.

Just as in our day, people under the teaching ministry of A.W. Tozer wondered about the end times. How should we read the book of Revelation? What does it mean for how believers live? In this never-before-published book, today's Christians can learn from one of the twentieth-century church's most profound thinkers and pastors. Tozer's teaching on Revelation offers a fresh and timely perspective on the purpose of prophecy, which the renowned writer believed was to lift our gaze from the

immediate to the eternal. Preparing for Jesus' Return offers readers a panoramic view of what is to come and explores what it means for individuals, churches, and the world.

Who was ultimately responsible for sentencing Jesus to death on the cross? Can we ever be good enough for God? Do all 'religious' people go to heaven?

Could many churchgoing Christians be getting a diluted Christianity—one that diminishes the loving, giving, personal God who provides the believer everything in life? Author Steve McVey passionately but unwittingly taught from the pulpit the very lies he now exposes. Forthrightly but humbly, he shows how pastors and churches can end up distorting scriptural truths because of their preconceptions. Opening up the Scriptures freshly, Steve examines typical problems such as Leaving out half of the truth: "Becoming a Christian means having your sins forgiven." (We also are made alive!) Using "shorthand" that promotes an unbiblical view: "Our sins are under the blood of Jesus." (Far better, they've been taken away!) Confusing our role with God's: "Salvation is giving your life to Christ." (More important, He gives His life to us!) Readers will see that God's undiluted truth is always best...and brings a fulfilling, close relationship with Him.

An insightful collection of verbatim sermons dealing with the revival issues of "sleeping" Christians, how to get out of ecclesiastical ruts, etc. Contains Tozer's unique pulpit style and humor.

Poverty of soul has but one relief The essence of the Christian life is communion with God. To neglect Him is

to neglect the Fount of the Living, to toil and sweat from a thirsty heart. In this collection of short essays, Tozer calls us from the deserts we wander to the life we need: Christ Jesus the Lord. For the Christian eager to bear fruit—the busy one bearing little, the young one wanting growth, or the older growing weak—The Root of the Righteous is indispensable. Incisive and encouraging, Tozer heaps truth upon truth to help you live the nourished life. The Root of the Righteous is a favorite among fans of Tozer. In every chapter—each fewer than five pages—his penetrating wisdom will help you cultivate a pure heart, a full spirit, and a life that bears fruit, all as you abide in God.

What exactly is a disciple, and how will we know if we have made one? There are three core values that a disciple embodies: undiluted devotion to the Lordship of Jesus Christ, a Kingdom of God worldview, and a missional lifestyle. In *Revolutionary Kingdom: Following the Rebel Jesus*, author and Pastor Mike Slaughter explores why we must exchange comfortable cultural worldviews and values for the radical requirements of living out the Kingdom of God on Planet Earth. When God's people get serious about this call, it's revolutionary. Jesus himself was the most radical revolutionary who ever lived and provided us a vision of a kingdom worth dying for. Welcome to the revolution! Additional components for a six-week study include a DVD featuring Mike Slaughter and a comprehensive Leader Guide.

This article first appeared in *The Alliance Weekly* in 1946 and was reprinted in 1954. It has also been printed in

virtually every English-speaking country on earth, has been put into tract form by various publishers, and still crops up now and then in the religious press. Its message is still needed and it expresses Dr. Tozer's philosophy of the Christian life. If only this one message were heeded by all our readers Dr. Tozer's ministry would have been most profitable.

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer

was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life. Spiritual lethargy is one of the greatest dangers to confront a believer in his or her day-to-day walk with God. A. W. Tozer said, "There are only three directions from which danger comes to the Christian life. They are the world through which we journey, the god of this world and our own mortified flesh." In this never-before-published book, the renowned teacher issues a clarion call for all Christians to awaken to the times in which we live and stand boldly against spiritual and moral slumber. Tozer's focus is on those few believers who will heed the call to arouse themselves rise up in the face of the great temptation to malaise that is before us, believing that God always begins with one or two who hear and heed His voice, and refuse to become weary in their pursuit of Him.

The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain

why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.

If God is holy, then He can't sin. If God can't sin, then He can't sin against you. If He can't sin against you, shouldn't that make Him the most trustworthy being there is? Bestselling author Jackie Hill Perry, in her much anticipated follow-up to *Gay Girl, Good God*, helps us find the reason we don't trust God— we misunderstand His holiness. In *Holier Than Thou*, Jackie walks us through Scripture, shaking the dust off of “holy” as we've come to know it and revealing it for what it really is: good news. In these pages, we will see that God is not like us. He is different. He is holy. And that's exactly what makes Him trustworthy. As it turns out, God being “holier than thou” is actually the best news in the world, and it's the key to trusting Him.

Who controls American immigration policy? The biggest immigration controversies of the last decade have all involved policies produced by the President policies such as President Obama's decision to protect Dreamers from deportation and President Trump's proclamation banning immigrants from several majority-Muslim nations. While critics of these policies have been separated by a vast ideological chasm, their broadsides have embodied the same widely shared belief: that Congress, not the President, ought to dictate who may come to the United States and who will be forced to leave. This belief is a myth. In *The President and Immigration Law*, Adam B. Cox and Cristina M. Rodríguez chronicle the untold story

of how, over the course of two centuries, the President became our immigration policymaker-in-chief. Diving deep into the history of American immigration policy from founding-era disputes over deporting sympathizers with France to contemporary debates about asylum-seekers at the Southern border they show how migration crises, real or imagined, have empowered presidents. Far more importantly, they also uncover how the Executive's ordinary power to decide when to enforce the law, and against whom, has become an extraordinarily powerful vehicle for making immigration policy. This pathbreaking account helps us understand how the United States has come to run an enormous shadow immigration system—one in which nearly half of all noncitizens in the country are living in violation of the law. It also provides a blueprint for reform, one that accepts rather than laments the role the President plays in shaping the national community, while also outlining strategies to curb the abuse of law enforcement authority in immigration and beyond.

If the idea of walking with Jesus doesn't make you uncomfortable, you haven't thought seriously enough about His presence in your life. The passed-down, packaged Jesus turns out to be quite different from the one who steps alive and kicking out of the pages of Scripture. Author, pastor and radio teacher Chip Ingram outlines what it takes to follow this renegade Jesus toward the idea of Holy Ambition. Stretching outside of your comfortable existence is just the beginning. This newly updated edition will bolster dislocated hearts and turn broken spirits toward radical, faith-filled strategies

that make a difference for God right now.

An account of the first tribe to gain legal rights to operate a casino on reservation land.

"Behold I stand at the door, and knock; if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me'." — Revelation 3:20 At the hidden center of man's being is the dwelling place of the Triune God. It is such a private, intimate place that no one can intrude but Christ, and even He will enter only through an invitation of faith. Once the Spirit enters the core of the believer's heart and establishes residence there, man becomes a true child of God. But baptism, confirmation, receiving the sacraments, church membership, etc., mean nothing unless God has truly inhabited the soul. In *Man: The Dwelling Place of God*, Tozer reveals what it truly means to have Christ within us—like leaving your old life behind, understanding the Bible, making godly choices, loving God for Himself, Christian fellowship, and more.

Is our Christianity that of the New Testament? "God and men and their relation to each other—this I believe to be all that really matters in the world, and that is what I have written about here." —A. W. Tozer Like a physician running a biopsy on lifeless faith, here A. W. Tozer offers one of the most compelling critiques of feigned spirituality you may ever read. In *Of God and Men*, Tozer exposes false religious notions and lifts up true New-Testament Christianity. A loving and gentle critique of culture and even the church, it reveals lies we unknowingly believe, godless practices we unknowingly do, and treasures of Christ we unknowingly ignore. A

manifesto of true religion, Of God and Men will set your foot on the narrow path and lift your heart in soaring worship.

Three Bestselling Tozer Books in One Powerful Volume A.W. Tozer's writings will stir your soul and change your life. To this day he remains one of the most quoted Christians around the world as he inspires readers young and old with his wisdom, insight, and call to holiness. *The Pursuit of God* is an enduring classic that is sure to resonate if you long for a life spent in God's presence. *The Purpose of Man* is a call to worship as God reprioritizes your life and fills your soul. *The Crucified Life* will lead you to the cross so you can be raised to new life in Christ. This collection will teach you who God is, who you are, and how to live accordingly. In the end, understanding these truths will bring you deeper into God's presence and open up the life he wants for you.

-The Word of God well understood and religiously obeyed is the shortest route to spiritual perfection. Nothing less than a whole Bible can make a whole Christian.- --A. W. Tozer Key writings of one of the twentieth century's most profound Christian authors are married with the scriptures that A. W. Tozer loved, studied and wrote about over the course of his forty year ministry. Hendrickson Publishers is proud to introduce the A. W. Tozer Bible, which will introduce a whole generation of readers to his work.

Tozer (1897-1963), an pastor, preacher, student and teacher, is perhaps the closest American writer to C. S. Lewis, with the same penetrating insights and straightforward use of language. His bracing words, which accompany related passages throughout this Bible, unlock many of the mysteries of the Scriptures in language that could have been written today. This unique volume features over 500 key selections and teachings, taken from more than 40 of Tozer's writings, ranging from seminal bestselling books like *The Pursuit of God* and *The Attributes of God* to lesser-known works such as *The Size of the Soul* and *The Root of the Righteous*. Each selection appears in one of three categories: **On Scripture** - Over 365 selections, each sharing the page with the Bible passage to which it refers, add depth and insight to a particular verse's application for the believer. **Reflections** - More than 100 writings that apply the deep meaning of the Christian faith to everyday life. **Challenges** - Nearly 100 entries, tied to scripture, that exhort the reader to resist complacency in particular areas of one's -living out- the Word in the world. **Special Features** - Brief biography of A. W. Tozer - Over 500 Tozer selections - Book introductions - Words of Christ in red - Concordance - Maps

During his ministry, which included extended pastorates in Chicago and Toronto, Dr. Tozer was often referred to as a prophet. That doesn't mean he

predicted future events, but rather he spoke God's truth to believers and the culture, even if it meant disrupting the status quo. Even in the Bible, prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future. The encouragement in *Voice of a Prophet* is that the church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book. Using the lives of such prophets as Elijah, Elisha, and John the Baptist, Tozer underscores the importance of the ministry of the prophet in our world today.

Albert Benjamin Simpson was God's man. From inauspicious beginnings in Bayview, Prince Edward Island, Canada, he rose to prominence through Presbyterian pastorages in Hamilton, Ontario, Louisville, Kentucky, and New York City. But God had other plans for Simpson. He resigned from his comfortable pulpit to launch a ministry aimed at reaching the world's lost multitudes. *Wingspread* is Simpson's story—a story of one of God's chosen leaders, written by another man of God, A. W. Tozer. It will captivate and challenge you, inspiring you to rise up and attempt something great for God. Charting the history of contemporary philosophical and religious beliefs regarding nature, Roderick Nash focuses primarily on changing attitudes toward nature in the United States. His work is the first

comprehensive history of the concept that nature has rights and that American liberalism has, in effect, been extended to the nonhuman world. “A splendid book. Roderick Nash has written another classic. This exploration of a new dimension in environmental ethics is both illuminating and overdue.”—Stewart Udall “His account makes history ‘come alive.’”—Sierra “So smoothly written that one almost does not notice the breadth of scholarship that went into this original and important work of environmental history.”—Philip Shabecoff, New York Times Book Review “Clarifying and challenging, this is an essential text for deep ecologists and ecophilosophers.”—Stephanie Mills, Utne Reader

Straight talk about the Holy Spirit. When the Holy Spirit is confined to creeds, the church becomes like a land with no water or a kite with no wind. In his life and writings, A.W. Tozer was insistent that the church reclaim a practical theology of the Holy Spirit—that it actually know Him. The Counselor will help you cultivate sweet communion with God. Gifted at bringing lofty thoughts down low, Tozer explains clearly who the Spirit is and what it means to know Him. His words will leave you with a deep longing to be filled with the blessed Spirit, to have joy, peace, life, and power in Him. “[The Holy Spirit] wants to be Lord of your life, to possess you so that you are no longer in command of the little vessel in which you sail.”

In *The Best of A.W. Tozer, Book One* Warren Wiersbe compiles a fantastic amount of writings to show us once again that Tozer had a gift from God. This collection of 52 favorite chapters represent the major themes from the works of A.W. Tozer. Each chapter offers what Tozer has come to be known for: incredible insight, deep conviction, and high praise of God. From *Let My People Go* to *The Pursuit of God*, Tozer's books were always written after long hours of meditation and prayer. Perhaps this explains their wide circulation and lasting influence. A.W. Tozer once said, "I guess my philosophy is this: Everything is wrong until God sets it right." Enjoy this collection of writings from a man who scarcely, if ever, stated a truth he didn't glean from God.

Why should the cross—an object of Roman distaste and Jewish disgust—be the emblem of our worship and the axiom of our faith? And what does it mean for us today? In this thoughtful, comprehensive study of Scripture, tradition and the modern world, John R. W. Stott brings you face to face with the centrality of the cross in God's plan of redemption.
