Give every child the chance to build their knowledge, skills and confidence in English with flexible resources that include tests and activities designed for students with special educational needs.

Discover the inner secrets of Chiron, the most recently discovered planet, and see how it is interpreted in astrological charts with "Chiron" by Barbara Hand Clow. Chiron is a peculiar planetoid that orbits the Sun from between Saturn and Uranus. Its discovery in 1977 was concurrent with the explosion of divination, alternative healing techniques, and a new hope for a spiritual regeneration. "Chiron" explores this planet's mythological background and history as well as its effect on astrology. This comprehensive book includes: The meaning of Chiron when it appears in each house The meaning of Chiron in aspect to each planet The meaning of Chiron through each sign The mythological legacy of Chiron A Chiron ephemeris Chiron in transit Chiron as a bridge between the inner and outer planets Based on over 700 charts from the author's personal files, "Chiron" is the first book to explore in depth the astrological meanings of this planet. Learn how you can incorporate Chironic wisdom in your astrological readings and your life with this groundbreaking work.

"The Legend of Rainbow Bridge' by William Britton ahas comforted the hearts and souls of countless animal lovers around the globe. Written for adults and children of all ages. My Britton's healing words offer solace and comfort to those left behind when their beloved companions journey to Rainbow Bridge. This book, beautifully illustrated by Dandi Palmer, is a must for all who share lives with animals of any kind."--Back cover.

Mr. Ace, a rescue dog, journeys to the Rainbow Bridge where he watches over his owners as they live out the rest of their lives.

Angels and animal spirit guides serve each and every one of us every day. We share this true story, hoping to bring people to the light of the knowledge that magic exists everywhere in the world and that the end of this life is not the end of life at all.

"Provides comprehensive information on how the human eye sees color"--Provided by publisher.

The Rainbow Bridge A Visit to Pet Paradise Harbour Publishing Company

"Beyond the Rainbow Bridge" is a treasure house of practical and inspiring wisdom for raising children. Based on a successful parent enrichment class led by a seasoned teacher and parent. Learn about healthy rhythms, creative discipline, birthday stories, and doll making. Appendix with resources and craft instructions. Richly-illustrated with photographs and pencil drawings. For anyone who cares for children.

A line-by-line presentation of the Rainbow Bridge poem, with artists' renditions for each couplet.

A contemporary story based on the Chumash Indian legend about the origin of dolphins.

Where do pets go when they die? Will we ever see them again? The LEGEND OF RAINBOW BRIDGE is tenderly written in a way that appeals to children & adults alike. At less than 1000 words & illustrated in water color, the LEGEND is told by a Native American Shaman & will bring a tear & a smile to anyone who has ever loved & or lost a pet.

The author states, "I already know you have and love dogs or you wouldn't even be reading this. I also know that you have lost dogs, have had beloved canine companions who have crossed the Rainbow Bridge. In these pages you will find glimpses of your dogs, and that these stories will make you smile, or cry, but most of all remember."

This is the third book in the Jack McAfghan Series. As you join Jack on his journey to Rainbow Bridge and back, he will give you a glimpse of the world to come while sharing his deep wisdom of unconditional love and the power of healing. Our story is your story too. It is the story of life, love and renewal. What you get out of his story is limited only by your beliefs. Sometimes what seems to be the ending of something is just the beginning of everything.

Our dogs are our friends and companions, guardians and defenders. Their love enriches our souls, and few things bring us joy like their loyalty and devotion. Until the day arrives when we say goodbye. But what if that is not the final farewell? What if there comes a time and a place where we can be reunited with the dogs we have loved and lost?

After a very rough beginning in life as a puppy mill dog, Henley was rescued and then adopted into a loving home. His life was a full one, and a happy one. Henley became a Therapy Dog, a Reading Buddy, a Humane Education Ambassador, and the author of his very own book, "My Name is Henley: My life and times as a rescued dog." Thousands upon thousands of children embraced his story and his mission to find happily-ever-afters for all our animal friends. "Living a life that values life," and being "the voice for those who cannot speak for themselves," were the words upon which his mission was founded. Sadly, Henley's own life came to an end on March 13th, 2010, just three days after his twelfth birthday - but his story continues. In true "Henley" tradition, this dear old dog comforts us once again - now from another place - to help those who have suffered the loss of a pet, and to give them a sense of closure. Yes, the tears and sadness are normal, feeling the loss is normal, and so is moving forward - to honor that much-loved friend and pet. May this gentle sheepdog's words bring you comfort, smiles, understanding, and a reason to celebrate rich memories that live on and on. Even in the darkest of situations you can find the light...if you look in the right places. And this book is one of those places.

After his beloved pet Koko has passed away, Ricky meets Buster, a messenger dog, who flies him to the Rainbow Bridge where all pets happily wait for their human companions.

"The Rainbow Bridge: Bridge to Inner Peace and to World Peace," recipient of 21 literary awards/recognitions (see below), has been endorsed by H.H. the Dalai Lama, New York Times bestselling authors, doctors, lawyers, Ambassadors, Astronauts, Olympians, an Academy Award-winning actor and a growing chorus of prestigious global luminaries. The book illuminates the common ground in the world's major wisdom traditions, also known as universal principles. The sixty easy-to-use universal principles can be used to help guide us to experiencing deep inner peace. They can also be used in concrete ways to help create a bridge to a peaceful harmonious world that works for all via a comprehensive Road Map to World Peace. This book also reveals how the mainstream Rainbow Bridge is spontaneously appearing around the world in the form of physical bridges, stores, hotels, music festivals, Hollywood films and more. The Rainbow Bridge is a vision of peace and unity that comes from deep inside the heart of humanity. Learn how it can be a positive contribution to your life and to the lives of billions of people worldwide. From the author of the picture book phenomenon *The Invisible String* comes a moving companion title about coping with grief when a pet dies. "When our pets aren't with us anymore, an Invisible Leash connects our hearts to each other. Forever." That's what Zack's friend Emily tells him after his dog dies. Zack doesn't believe it. He only believes in what he can see. But on an enlightening journey through their neighborhood—and through his grief—he comes to feel the comforting tug of the Invisible Leash. And it feels like love. Accompanied by tender, uplifting art by Joanne Lew-Vriethoff, bestselling author Patrice Karst's gentle story uses the same bonding technique from her classic book *The Invisible String* to help readers through the experience of the loss of a beloved animal.

A comforting story in tribute to the loss of a pet depicts an idyllic heaven for animals with angels who play every dog's favorite game, rays of sunshine ideally suited to cats and unobscured sky fields where horses can run freely. By the creator of *On the Night You Were Born*.

No dog ever lives long enough. Anyone who has ever loved a dog knows this... So begins this comforting picture book that's perfect for adults and children facing the loss of a beloved dog. Richly illustrated with warm and uplifting watercolors, *Dog Heaven: Somewhere Over the Rainbow Bridge* follows old Jake Dog from his last moments with his family and into the wonderful land of Dog Heaven. "A delightful ray of sunshine that cuts through the grey clouds of pet loss. The perfect gift for anyone who is grieving the loss of their loyal companion." – KNBR-1050

A gentle and moving story about losing a friend, and the importance of always expressing your love. Elfie the dachshund is the best dog anyone could every ask for. Every day, she and her owner explore and play together. And every night, her owner tells her "I'll always love you." Elfie owner grow up together, but growing up can mean having to say goodbye to the ones you love. This tender story is a perfect way to make the topic of loss a little less scary for kids (and grownups).

How do you say good-bye to a loved family pet? Follow little Gracie in this heartwarming story as she remembers the life of her dog and best friend, Gus. Children who have experienced the loss of a pet can create a special "Memory Page" at the end of this book to celebrate the unique place their pets have in their hearts.

"Andy's parents rescued Rocket when Andy was just a toddler, and they grew up together, with Rocket serving as Andy's guardian through every one of childhood's ups and downs. So when Rocket passes away right before Andy's 14th birthday, he's rudderless. High school is coming soon and he can't imagine making that transition without Rocket at his side. The day before school starts, when Andy is at his lowest, he visits Rocket's grave, and unexpectedly summons the RAINBOW BRIDGE, a gateway to a fantasy world where pets discover their afterlife. One part heaven and one part limbo, this is a final resting place for pets - but also a realm where any unfinished business must be completed, before restless pet souls twist into bizarre, seemingly malevolent wraiths that haunt the periphery of this otherwise splendid paradise. It's extremely rare for a human to visit this realm, but Rocket and Andy find each other again in this wondrous pet Valhalla to go on one last epic adventure to help Rocket reunite with his lost littermate, fulfilling Rocket's last wishes. Here, the roles are reversed, as Andy has to be the strong one and support Rocket in his quest for closure. By adventure's end, Andy finally gains the confidence to let go of his childhood and enter the next phase of his life, starting his first day of high school."--Provided by publisher.

Your pet has gone to Heaven, and is waiting to be reunited with you someday. As you read this book you will learn about: People who have seen their pets in Heaven through near-death, out-of-body, and deathbed experiences. You can look to your future with your animal companion family member. Realize Heaven is a very real place. Find out if there is recognition in Heaven. How you can overcome depression. Learn about a special white angel cat, and the miracle cross formed out of snow. Understand that You re Not Dead When You Die. Comprehend the concept of body, soul, and spirit for all creatures. A Memorial Service for your beloved animal companion.

A New York Times Best Illustrated Book Critically acclaimed author Jabari Asim and Caldecott Honor-winning illustrator E. B. Lewis give readers a fascinating glimpse into the boyhood of Civil Rights leader John Lewis. John wants to be a preacher when he grows up—a leader whose words stir hearts to change, minds to think, and bodies to take action. But why wait? When John is put in charge of the family farm's flock of chickens, he discovers that they make a wonderful congregation! So he preaches to his flock, and they listen, content under his watchful care, riveted by the rhythm of his voice. Celebrating ingenuity and dreaming big, this inspirational story, featuring Jabari Asim's stirring prose and E. B. Lewis's stunning, light-filled impressionistic watercolor paintings, includes an author's note about John Lewis, who grew up to be a member of the Freedom Riders, chairman of the Student Nonviolent Coordinating Committee, and demonstrator on the Edmund Pettus Bridge in Selma, Alabama. John Lewis is now a Georgia congressman, who is still an activist today, recently holding a sit-in on the House floor of the U.S. Capitol to try to force a vote on gun violence. His *March: Book Three* recently won the National Book Award, as well as the American Library Association's Coretta Scott King Author Award, Printz Award, and Sibert Award.

In a dramatic companion volume to *Norse Myths*, a Carnegie Medal winner revisits an ancient world of magic, mythology, and mountain trolls. Step back into a sweeping landscape of green glades and glaciers where dwarves, frost giants, and ghosts roam and where gods and goddesses work their magic for Middle Earth, sometimes crossing the great rainbow bridge to come to the aid of humans. Five gripping new tales by Kevin Crossley-Holland plumb Norse mythology as never before, while Jeffrey Alan Love's illustrations give the epic figures bold new life. Eerie, lyrical, and arresting, this must-have companion book to *Norse Myths: Tales of Odin, Thor, and Loki* is the ideal gift for fantasy and mythology fans as well as newcomers to Viking lore.

A mysterious stranger, looking for a change in scenery, discovers a small Mormon community where a grown-up Fay Larkin has been taken against her will. Like its predecessor, *The Rainbow Trail* highlights the oppression of women within their religion. Following the events of *Riders of the Purple Sage*, polygamy has become a hidden practice among fundamentalist Mormons. Instead of living publicly, they've built an isolated village of sealed wives reserved for church elders. Fay Larkin, the adopted daughter of heroine Jane Withersteen, suddenly falls victim to the secret practice. This coincides with the arrival of John Shefford, a failed minister who's hot on the trail of Fay and her captors. *The Rainbow Trail* is a romance western driven by social commentary. It's a compelling story with a beautiful setting and engaging characters. Grey delivers a worthy follow-up to his most celebrated and culturally relevant work. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Rainbow Trail* is both modern and readable.

This is a true story of a mutual rescue between Jim Burris and his Cavalier King Charles Spaniel, Carly. The book is beautifully written and illustrated in watercolor. It answers some of the

painful questions about the loss of a furry baby. Truly a heart warming and passionate journey.

This New York Times bestselling love story about two teens who find each other while standing on the edge is soon to be a Netflix film starring Elle Fanning and Justice Smith! Theodore Finch is fascinated by death, and he constantly thinks of ways he might die. But each time, something good, no matter how small, stops him. Violet Markey lives for the future, counting the days until graduation, when she can escape her Indiana town and her aching grief in the wake of her sister's recent death. When Finch and Violet meet on the ledge of the bell tower at school, it's unclear who saves whom. And when they pair up on a project to discover the "natural wonders" of their state, both Finch and Violet make more important discoveries: It's only with Violet that Finch can be himself--a weird, funny, live-out-loud guy who's not such a freak after all. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink.

Animal Communicator Colleen Nicholson and 38 of her animal clients will take you on a spiritually uplifting journey past grief, on into the celestial and eternal worlds of "animal heaven." Read these firsthand accounts of companion animals who have either passed on, or survived traumatic events, to emerge with a greater understanding of life and the inherent meaning that imbues all aspects of existence.

In Newbery Medalist Cynthia Rylant's classic bestseller, the author comforts readers young and old who have lost a dog. Recommended highly by pet lovers around the world, Dog Heaven not only comforts but also brings a tear to anyone who is devoted to a pet. From expansive fields where dogs can run and run to delicious biscuits no dog can resist, Rylant paints a warm and affectionate picture of the ideal place God would, of course, create for man's best friend. The first picture book illustrated by the author, Dog Heaven is enhanced by Rylant's bright, bold paintings that perfectly capture an afterlife sure to bring solace to anyone who is grieving.

Meet Me at the Rainbow Bridge begins with a tragic accident in which a careless driver backs up 25 yards without looking, pinning Dr. Newman and his beloved Labrador, Gracie, between his family station wagon and the driver's bumper. Dr. Newman's life story is narrated in retrospect, emphasizing the importance of the dogs that have shared his life. It is furthermore an appeal to the hearts and minds of pet owners that the legal status of pets must be elevated above the level of mere property, the status they are now granted in our legal system. Ninety percent of pet owners now consider their pets to be family members. The owner of a pet that is killed through an accidental act of negligence or a deliberate act of malice can only receive the cash value for their pet. Dr. Newman presents his view that the laws of the land are out of touch with the public's sentiment.

"The way to Cat Heaven is a field of sweet grass, where crickets and butterflies play!" With a gentle, playful rhyme, Newbery Medalist Cynthia Rylant explores all the ways our beloved cats enjoy Cat Heaven, as she did for dogs in the bestselling companion book, DOG HEAVEN. Her shining artwork illustrates a world of peace for cats in Heaven, where no tree is too tall for exploring, where there is no lack of angels' laps for sleeping. If your child wonders where his or her kitty goes after a happy life on Earth, they can rest assured that all cats "know where the angel cats fly. They'll run past the stars and the moon and the sun . . . to curl up with God in the sky."

Venerated as god and goddess, feared as demon and pestilence, trusted as battle omen, and used as a proving ground for optical theories, the rainbow's image is woven into the fabric of our past and present. From antiquity to the nineteenth century, the rainbow has played a vital role in both inspiring and testing new ideas about the physical world.

Although scientists today understand the rainbow's underlying optics fairly well, its subtle variability in nature has yet to be fully explained. Throughout history the rainbow has been seen primarily as a symbol&—of peace, covenant, or divine sanction&—rather than as a natural phenomenon. Lee and Fraser discuss the role the rainbow has played in societies throughout the ages, contrasting its guises as a sign of optimism, bearer of Greek gods' messages of war and retribution, and a symbol of the Judeo-Christian bridge to the divine. The authors traverse the bridges between the rainbow's various roles as they explore its scientific, artistic, and folkloric visions. This unique book, exploring the rainbow from the perspectives of atmospheric optics, art history, color theory, and mythology, will inspire readers to gaze at the rainbow anew. For more information on The Rainbow Bridge, visit: &

Reveals how pets fit into the afterlife, offering comfort for bereaved pet owners while sharing uplifting tales about pets who continue their relationship with their human companions after death.

When a respected rescuer arrives at the Rainbow Bridge the night of his 100th birthday, he is thrilled to see all of his pets waiting for him in the fields. But wait! One is missing! Gather the whole family as he and his dogs travel through secret passageways into other realms on a journey to find his wandering dog, St. Star. Will they all cross the bridge and be together forever?

This booklet is an activity and color booklet for children 3-10 years. Emma Sue's birthday wish is to visit the Rainbow Bridge, a special place where pets wait for their families to join them before going to Heaven. A magical butterfly by the name of Juicy Blue appears and brings Emma Sue to the Rainbow Bridge.
