All of them, though familiar with every inch of their tiny hometown, are as lost as the place itself. The town's social cornerstone — St Margery's Ladies' Club — launches a rescue plan that turns everything around and upside down, then shakes it until all sorts of things come floating to the surface. And none of its inhabitants will ever be the same again. This is the highly original and heartfelt story of a place where everybody knows everything, but no one really knows anyone at all. Brimming with heart and humour, this is a delightful novel that celebrates the country people and towns of Australia. 'A small town in Tasmania given the warm spotlight it deserves. Funny, sad, relatable, full of people who continue to breathe well after the last page. A beautifully nuanced read from start to finish.' Marta Dusseldorp 'Full of wit and wisdom, Welcome To Nowhere River is an uplifting page-turner, and the perfect weekend read. So why not pour yourself a cup of tea, put your feet up and visit the quirky town of Nowhere River. We promise you'll love it there.' Better Reading

I fell in love with Penny as soon as she fell into my arms. I wasn't a believer in fate, but she convinced me. And every day she convinced me just how special our relationship was. It was us against the world. And I foolishly thought our love was indestructible. Now I know that love isn't about light and darkness or whirlwinds of color. Love can't be defined in such simple terms. When you lose it, all of that becomes clear. I don't know how much longer I can breathe in a world where I look into my wife's eyes and only see a stranger. I'd do anything to get her back. But this is one thing I don't know how to fix. This is the end to our love story. I just hope to God it's not the end of us.

For high-school senior Celeste Watkins, every day is a brutal test of bravery. And Celeste is scared. Alienated because she's too smart, her speech too affected, her social skills too far outside the norm, she seems to have no choice but to retreat into isolation. But college could set her free, right? If she can make it through this grueling senior year, then maybe. If she can just find that one person to throw her a lifeline, then maybe, just maybe. Justin Milano, a college sophomore with his own set of quirks, could be that person to pull her from a world of solitude. To rescue her—that is, if she'll let him. Together, they may work. Together, they may save each other. And together they may also save another couple—two people Celeste knows are absolutely, positively flat-out in love. Whether you were charmed by Celeste in Flat-Out Love or are meeting her for the first time, this book is a joyous celebration of differences, about battling private wars that rage in our heads and in our hearts, and—very much so— this is a story about first love.
