“An essential book” on PTSD, an all-too-common condition in both military veterans and civilians (The New York Times Book Review). Post-traumatic stress disorder afflicts as many as 30 percent of those who have experienced twenty-first-century combat—but it is not confined to soldiers. Countless ordinary Americans also suffer from PTSD, following incidences of abuse, crime, natural disasters, accidents, or other trauma—yet in many cases their symptoms are still shrouded in mystery, secrecy, and shame. This “compulsively readable” study takes an in-depth look at the subject (Los Angeles Times). Written by a war correspondent and former Marine with firsthand experience of this disorder, and drawing on interviews with individuals living with PTSD, it forays into the scientific, literary, and cultural history of the illness. Using a rich blend of reporting and memoir, *The Evil Hours* is a moving work that will speak not only to those with the condition and to their loved ones, but also to all of us struggling to make sense of an anxious and uncertain time.

Embark on a journey through the darkly bizarre and magical Underworld in this gorgeously illustrated origin story. In the dark fantasy universe of *Court of the Dead*, the savage war between Heaven and Hell is a futile stalemate fueled by the souls of mortals, whose purpose of existence has been twisted into nothing more than raw

Nicholas Irving's *Reaper: Drone Strike* is the next book in the explosive thriller series by the former special operations sniper and New York Times bestselling author of *The Reaper*. On a classified mission to help the Israeli Defense Forces stop a Syrian and Hezbollah invasion to seize the Golan Heights, Ranger sniper Vick Harwood and his spotter go deep undercover. Operating with limited support from the American and Israeli governments, Vick is out on the edge. Alessandra Cavezza, Director of Operations in Syria for the Italian UN Commission for Refugees, is moving families out of an embattled neighborhood. The nearly vacant suburb has been a haven for anti-Assad forces, ISIS militants, and Russian private military contractors. As she crawls into the basement of a home to help find a young girl's doll, she finds a secret room that has detailed descriptions of unthinkable attacks on the United States, and falls into the hands of a madman: Jasar Tankian, Lebanese mastermind behind the plots. As Syrian tanks attempt to push through Israeli defenses at the border, Team Reaper picks off Syrian tank commanders as they battle Israeli tanks, jets, and infantrymen. Combat intensifies as Vick goes black on ammunition. Commandeering a cargo drone to deliver Team Reaper to a landing zone near the coordinates, Vick becomes Alessandra's—and America's—only hope for survival. “One of the very best books to come out of the war in Iraq,” (Lt. Col. Dave Grossman, bestselling author of *On Killing*), *The Last Punisher* is a gripping and intimate on-the-ground memoir from a Navy SEAL who was part of SEAL Team THREE with American Sniper Chris Kyle. Experience his deployment, from his first mission to his first kill to his eventual successful return to the United States to play himself in the Oscar-nominated film directed by Clint Eastwood and starring Bradley Cooper. *The Last Punisher* is a “thoughtful, funny, and raw...always compelling” (Bing West, *New York Times* bestselling author of *No True Glory*) first-person account of the Iraq War. With wry humor and moving testimony, Kevin Lacz tells the bold story of his tour in Iraq with SEAL Team THREE, the warrior elite of the Navy. This legendary unit, known as “The Punishers,” included Chris Kyle (American Sniper), Mike Monsoor, Ryan Job, and Marc Lee. These brave men were instrumental in securing the key locations in the pivotal 2006 Battle of Ramadi. Minute by minute, Lacz relays the edge-of-your-seat details of his team’s missions in Ramadi, offering a firsthand glimpse into the heated combat, extreme conditions, and harrowing experiences they faced every day. Through it all, Lacz and his teammates formed unbreakable bonds and never lost sight of the cause: protecting America with their fight. “A rare glimpse into

It takes a tough mindset to be a successful sniper, to be able to dig in for days on your own as you wait for your target, to stay calm on a battlefield when you yourself have become the target the enemy most want to take out. Craig Harrison has what it takes and in November 2009 in Afghanistan, under intense pressure, he saved the lives of his comrades with the longest confirmed sniper kill - 2,475 meters. In this unflinching autobiography, Craig catapults us into the heat of the action as he describes his active service in the Balkans, Iraq and Afghanistan, and gives heart-stopping accounts of his sniper ops as he fought for his life on the rooftops of Basra and the barren hills of Helmand province. Craig was blown up by an IED in Afghanistan and left battling

A powerful memoir from an NHL heavyweight champion who moved from the dressing room to the courtroom. NHL tough guys all tell the same story. They all grew up dreaming of skating in the big league as stars. Then one day, a coach tells them the only way to make it is to drop the gloves. And every guy says the same thing: I'll do whatever it takes to play in the NHL. Not Stu Grimson, though. When he was offered a contract to patrol the ice for the Calgary Flames, he said no thanks, and went to university instead. And that's the way Grimson has approached his career and his life: on his own terms. He stared down the toughest players on the planet for seventeen years, while working on his first university degree. He retired on his own terms, and went on to practice law, including a stint as in-house counsel for the NHLPA. This has put him in a unique position when it comes to commenting on the game. He's seen it from the trenches, and he's seen it from the courtroom. This puts him in the eye of the storm surrounding fighting and concussions. And he handles that the way he does everything: on his own terms. When Don Cherry called him out on television, it was the seemingly indomitable Cherry who backed down. Hockey fans will be fascinated by his data-driven defence of fighting. But in the end, this is not a book about fighting and locker-room stories. It's the story of a young man who ultimately took on the toughest role in pro sports and came out the other side. Where many others have not.

Cane is considered a literary masterpiece from visionary writer, Jean Toomer. He presents a diverse collection of tales with distinct and vibrant characters who populate a world that's all too familiar. HEADLINE: Jean Toomer delivers a vivid depiction of America in the early twentieth century that centers the Black experience, consisting of family, religion, romance and race. It's a detailed work of fiction that's closely rooted in reality. A collection of disparate stories illustrating the challenges and motivations of Black people in the United States. The author uses poetry and imagery to create a world that's recognizable but also unique. In "Seventh Street," the narrative follows the happenings of a historic neighborhood with links to World War I and Prohibition. There's also "Blood Burning Moon," which highlights a volatile love triangle that leads to tragic results. It's an insightful read that introduces outsiders to a different point of view. Jean Toomer's Cane is highly revered for its unique structure and compelling storytelling. It presents a brilliant contrast of rural and urban living, while acknowledging the racial disparities of both. This modern classic was crucial in establishing and cementing Toomer's literary legacy. With an eye-catching new cover, and professionally typeset manuscript, this edition of Cane is both modern and readable.

attend. All packaged up and brought to you by the successful former US Army Ranger Sniper (The Reaper 33), Nicholas Irving. Some of the topics discussed in this book includes, the up to date sniper fundamentals, various range and wind estimation and calculations (basic and advanced), environmentals, high angle shooting, disproved sniper theories, transonic issues, Advanced ballistics, hit probabilities, precision shooting in urban and mountainous environments, etc. There are over 19 chapters of unparalleled topics and information ever presented in a sniper/precision book.

From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. Way of the Reaper is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster movie which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly

In June 2005 four US Navy SEALs left their base in Afghanistan for the Pakistani border. Their mission was to capture or kill a notorious al-Qaeda leader known to be ensconced in a Taliban stronghold surrounded by a small but heavily armed force. Less than twenty-four hours later, only one of those Navy SEALs was alive. This is the story of team leader Marcus Luttrell, the sole survivor of Operation Redwing. Blasted unconscious by a rocket grenade, blown over a cliff, but still armed and still breathing, Luttrell endured four desperate days fighting the al-Qaeda assassins sent to kill him, before finding unlikely sanctuary with a Pashtun tribe who risked everything to protect him from the circling Taliban killers.

The mission was to kill the most wanted man in the world--an operation of such magnitude that it couldn't be handled by just any military or intelligence force. The best America had to offer was needed. As such, the task was handed to roughly forty members of America's supersecret counterterrorist unit formerly known as 1st Special Forces Operational Detachment-Delta; more popularly, the elite and mysterious unit Delta Force. The American generals were flexible. A swatch of hair, a drop of blood, or simply a severed finger wrapped in plastic would be sufficient. Delta's orders were to go into harm's way

and prove to the world bin Laden had been terminated. These Delta warriors had help: a dozen of the British Queen's elite commandos, another dozen or so Army Green Berets, and six intelligence operatives from the CIA who laid the groundwork by providing cash, guns, bullets, intelligence, and interrogation skills to this clandestine military force. Together, this team waged modern siege of epic proportions against bin Laden and his seemingly impenetrable cave sanctuary burrowed deep inside the Spin Ghar Mountain range in eastern Afghanistan. Over the years, since the battle ended, scores of news stories have surfaced offering tidbits of information about what actually happened in Tora Bora. Most of it is conjecture and speculation. This is the real story of the operation, the first eyewitness account of the Battle of Tora Bora, and the first book to detail just how close Delta Force came to capturing bin Laden, how close U.S. bombers and fighter aircraft came to killing him, and exactly why he slipped through our fingers. Lastly, this is an extremely rare inside look at the shadowy world of Delta Force and a detailed account of these warriors in battle.

John medieval mystery series, set in twelfth-century England. 1195. County coroner Sir John de Wolfe is summoned to inspect a corpse in Exeter's cathedral precinct. Money-lender Aaron of Salisbury has been found dead, his head enveloped in a brown leather money-bag, a scrap of folded parchment clutched in his hand. On it is written: 'And Jesus went into the temple and overthrew the tables of the money-changers.' This is just the beginning of a strange series of murders in which an apt biblical text is left at the scene of the crime. Setting out to track down a literate and Bible-learned killer in an age when only one percent of the population can read or write, Sir John quickly deduces that he is looking for a priest. But with over twenty-five parish churches in Exeter, the pool of suspects includes more than a hundred clerics – and if Sir John doesn't act fast, the homicidal clergyman may soon strike again . . .

Nicholas G. Irving gives a first hand account of his last deployment to Afghanistan as a Sniper Team Leader conducting over 80 special operations behind enemy lines and achieving his 233 kills.
