

The Revelation Of God In Christ

PT Brinkman

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Revelation of Jesus Christ Ranko Stefanović,2009

Revelation of Jesus Christ Margaret Barker,2000-11-02 A new and transforming approach to the Book of Revelation. Margaret Barker bases her study on a fresh reading of the primary sources. As an Old Testament scholar, she can read Revelation as Hebrew prophecy - ancient temple oracles which inspired Jesus and his own prophecies, and influenced the whole Jerusalem Church. Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee. This expectation fuelled the revolt against Rome. Josephus, who deserted to Rome, was the false prophet. John, who escaped to Patmos, compiled Revelation as a record of the first generation. In the future, he taught, the Lord would return to his people in the Eucharist. This work illuminates the formative years of Christianity, in the social, religious and political situation of mid-first-century Palestine, in a quite remarkable way. It will have profound implications for the understanding of Christian origins and the development of Christian liturgy.

The Mind of Christ Ernest Angley,2005

Jesus Christ Michael Pennock,2010 (© 2010) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course I of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Jesus Christ: God's Revelation to the World provides a map for high school students to navigate the salvific work of God--Father, Son, and Spirit--in forming a People, giving a Law, and preparing for the Messiah. The one-semester course gives students a general knowledge and appreciation of Sacred Scripture through which they encounter Jesus Christ. Tracing the stages of Salvation History, this text introduces key figures, events, vocabulary, and doctrine that will appear continuously throughout a four-year curriculum. While this text is a study of both the Old and New Testaments, it begins by centering on the nature of God and a person's natural instinct to search for God. Jesus Christ: God's Revelation to the World is a versatile text that follows the first course of the new curriculum

framework but is also suitable for schools teaching a one-semester scripture course or an Introduction to the Catholic faith course in both high schools and parish religious education programs.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Revelations Elaine Pagels,2012-03-06 A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War, in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force God's enemies to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Who Is God? Richard Bauckham,2020-07-21 Internationally respected scholar Richard Bauckham offers a brief, engaging study of divine revelation in Scripture. He probes the deep meaning of well-known moments in the biblical story in order to address the key question the Bible is designed to answer: Who is God? Accessible for laypeople and important to scholars, this volume begins by exploring three key events in the Bible in which God is revealed: Jacob's dream at Bethel (the revelation of the divine presence), Moses at the burning bush (the revelation of the divine Name), and Moses on Mount Sinai (the revelation of the divine character). In each case, Bauckham traces these themes through the rest of Scripture. He then shows how the New Testament builds on the Old by exploring three revelatory events in Mark's Gospel, events that reveal the Trinity: Jesus's baptism, transfiguration, and crucifixion. This book is based on the Frumentius Lectures for 2015 at the Ethiopian Graduate School of Theology in Addis Ababa and on the Hayward Lectures for 2018 at Acadia Divinity College, Nova Scotia.

All Things New Brian J. Tabb,2019-04-30 For many readers of the Bible, the book of Revelation is a riddle that fascinates and frustrates. In this NSBT volume, Brian Tabb stresses the importance of the canonical context of the book of Revelation and argues that it presents itself as the climax of biblical prophecy, showing how Old Testament prophecies and patterns find their consummation in the present and future reign of Jesus Christ.

According to Plan Graeme Goldsworthy,2002-10-10 Concise, pithy chapters with dozens of charts, highlighted summaries and study questions make Graeme Goldsworthy's introductory text enormously useful for understanding how the Bible fits together as the unfolding story of God's plan for salvation.

The Revelation of God and His Word Charles Green,2005 Reading the Bible is one of the most important disciplines for Christian growth, but for many believers Bible study can evoke an array of emotions-from awe to frustration to agony. The numerous translations, parables, types, and shadows add further dismay. Author and Bible teacher Charles Green says that studying the Scriptures doesn't have to be intimidating. Green covers topics spanning the covenant of Abraham, the ministries of the church and the gifts of the Holy Spirit. *The Revelation of God and His Word* will appeal to anyone seeking a greater understanding of the God's written Word. Green drafts the book in an easy-to-read style, presenting the Scriptures in layman's terms for people of all walks of life and educational backgrounds and providing footnotes to key Scriptures under each subject. Among the many topics covered are: The bible and the Theory of Evolution Angel and Demons The Baptism of the Holy spirit *The Revelation of God and His Word* is a must-read for pastors, leaders, and anyone else who wants to uncover the mysteries of the Bible. An ideal reference tool for individual Bible study or cell groups. About the Author: Charles Green is the president of Harvest Ministries to the World and the founding pastor of Faith Church, New Orleans, Louisiana, a church that grew to over 3,000 people under his leadership. As a member of the board of regents of Oral Roberts University in Tulsa, Oklahoma, Green now serves as chairman of the executive board. He was also one of the founders of the Network of Christian Ministries and served the first five years as chairman of the executive board. He and his wife, Barbara, have two adult children, Michael Green, who now serves as senior pastor of Faith Church in New Orleans, and Cynthia Green Crider, also his executive assistant. They have two grandsons-Geoffrey and Tyler Green.

Revelation Grant R. Osborne,2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture. Grant Osborne's commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner. Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation. He discusses authorship, date of writing, and the social and cultural setting of the work. He also examines elements that complicate the interpretation of apocalyptic literature, including the use of symbols and figures of speech, Old Testament allusions, and the role of prophetic prediction. Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future.

Rather than exegeting the text narrowly in a verse-by-verse manner, Osborne examines larger sections in order to locate and emphasize the writer's central message and the theology found therein. Throughout, he presents his conclusions in an accessible manner. When dealing with particularly problematic sections, he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators. Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective.

The Revelation of God Peter Jensen, 2002-08-20 Peter Jensen examines the role of the Bible in divine revelation, beginning from biblical categories of the knowledge of God and the gospel. In the *Contours of Christian Theology*.

Revelation N. T. Wright, 2012-08-02 Under the guidance of one of the world's leading New Testament scholars, you and your small group will here discover that the bizarre images of Revelation conceal one of Scripture's clearest and most dramatic visions of God's plan for creation.

Dogmatic Constitution on Divine Revelation Pope Paul VI., 1965 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the word of God. Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Ask a Franciscan Patrick McCloskey, 2010 The editor of *St. Anthony Messenger* magazine for many years, Fr. McCloskey has answered many questions in his *Ask a Franciscan* column. He mines that wealth of material to find the most helpful questions and answers for readers to help them see the connection between their faith and their spiritual growth as disciples of Jesus Christ.

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

The Gnostic Gospels Elaine Pagels, 2004-06-29 Selected by the Modern Library as one of the 100 best nonfiction books of all time *The Gnostic Gospels* is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and

wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award, *The Gnostic Gospels* has continued to grow in reputation and influence over the past two decades. It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today. With insight and passion, Pagels explores a remarkable range of recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of “Christianities” emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in its implications, *The Gnostic Gospels* is a radical, eloquent reconsideration of the origins of the Christian faith.

The Living Word Robert Rabe, 2017-01-06 *The Living Word* provides an introduction to the Sacred Scriptures and to the unfolding of salvation history, with a particular focus on Jesus Christ as the fulfillment of salvation history. Revelation, both Divine and natural, is explored, as are inspiration, interpretation, and exegesis. The second edition of our popular Living In Christ series offers updated navigation, organizing and synchronizing curriculum across both teacher guides and student books. The student books have shifted from a section-part-article structure to a unit-chapter-article structure where sections become units and a part is now a chapter.

The Revelation of Jesus Christ John F. Walvoord, 1989 This tremendous exposition of the capstone of Scripture issues from years of teaching, dedicated study, and sound evangelical scholarship. The author defends the premillennial position, but at crucial points considers other views as well.
