

The Rising The End Time Saga Book 3

The world is destroyed in a devastating nuclear attack. Now Chuck and his family must learn to survive in a harsh new dystopia in Fairbanks, Alaska. Retired Marine and survivalist Chuck Nagy, his brilliant and brave wife Madison, and his remarkable children are thrown from the modern world into a dystopian wasteland in the span of a few heartbeats. Now it's up to Chuck to build a new life in a post-apocalyptic world that becomes more dangerous every day. The Nagys do more than simply survive a devastating surprise attack--they thrive. Together with other survivors, the Nagys must rebuild their lives in the Alaskan wilderness and create a better society from scratch. But the Russian military is closing in. As Chuck leads the survivors through three hundred miles of Alaskan wilderness in a fight for freedom, the odds are stacked against them. Food is scarce and the weather is brutal. In spite of these dire circumstances, Chuck must unite the remaining survivors before they all--even his own children--are forced to pay the ultimate price.

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

Almost 2700 years ago, the prophet Ezekiel detailed a massive end-times attack against Israel. The coalition he describes is still making headlines today. Bible scholar Ron Rhodes analyzes current events in the light of biblical prophecy and empowers readers to "interpret the signs of the times" (Matthew 16:3). This up-to-date assessment of the situation in the Middle East reveals vital information about... financial and political ties between the group of nations north of Israel Muslim leaders' growing antagonism toward Israel and the United States Iran's development of nuclear weapons and the resulting threat to global security the polarization of nations supporting extremist Islam and the rest of the world globalization and its role in setting the stage for a cataclysmic war Readers will grow in their confidence in God, for to Him, "the nations are like a drop in a bucket" (Isaiah 40:15). God is building the body of Christ to be a powerful spiritual army on the earth to carry out his plans in these end-times. It is an army of believers totally sold out to God with undivided devotion and a determination to serve him with all their hearts. They have counted the cost of following Jesus and know that there is nothing greater in life than to do his will on earth. This is the army God is using to build his kingdom and display his glory on the earth. Each believer is chosen and called by God into this army. Question is how many will say yes to the calling. This book gives practical steps of how you can come into a place of intimate relationship with God to know him and trust him so you can surrender your life to him and step into your calling. Each chapter is a building block to build you up into Christ. You'll learn how to become Christlike in your walk and how to live as a citizen of the kingdom of God. You will grow in your knowledge of the freedom you have in Christ so you can take that freedom to others and see lives

transformed by the power of God. God will empower each believer in his army to become a mighty warrior to display his mighty power on the earth. If each believer makes the choice to say yes to God's call and purpose for their lives, this could be the greatest time for the body of Christ, and we'll see the glorious church of the Lord Jesus Christ rising up throughout the earth to demonstrate the power and the glory of our risen Savior.

The blatant conspiracy by the world governments to deny a certain group of people of their history, heritage and legacy is the biggest crime that has ever been committed in the history of the world. For years the political powers along with some of the most influential church leaders in the world have been a part of a major cover up to keep the Hebrew people in a state of mental and spiritual bondage that began way before the early years of the slave trade. To the general reader the Hebrew people are the chosen first fruit of The Most High, they have been persecuted, rapped, sold into slavery, murdered and oppressed, and all because they are the chosen people of The Most High. These are just some of the issues surrounding the Hebrews today, this book will explore what is the true purpose of the Hebrew Israelites and how they are beginning to wake up to and deal with their true identity today. This book also explores how The Most High is carefully placing his people back into the natural position as their 400 years of captivity from 1619 to 2019 finally comes to an end. They will be the new rulers of the earth and show how that The Most High has planned for them to lead other nation's way before they became disobedient by not following his laws, statues and commandments. Genesis 15:13

The VADE MECUM IN TRIBULACIONE was meant as an eschatological manual for the thirteen catastrophic years between its composition in December 1356 and the Thousand-Year Reign of Christ expected to begin in 1370. This manual, permeated by passion for clerical reform, was intended to give righteous Christians practical and spiritual advice on how to survive this period of tribulation. Likewise, it aimed to inform them about what to expect from the envoys of Satan, the Western and the Eastern Antichrists, but also from Christ's warriors, the papal restorer and his secular assistant, the French-Roman Emperor. Moreover, it offered a brief outline of Christ's Thousand-Year Reign and of Armageddon. The VADE MECUM was written by John of Rupescissa OFM (c. 1310-1366), the most prolific apocalyptic author of the Middle Ages, as the central work of in all three

manuals designed to prepare Christendom for the impending crises. As a completely new text type and summary of the late Rupescissa's doctrines, this eschatological manual fascinated numerous readers in the Late Middle Ages, who copied, reworked and translated it and made it thus a pivotal text of medieval apocalypticism: ten versions of the Latin VADE MECUM in more than forty manuscripts have come down to us. Rupescissa's eschatological manual is his last known and most widely distributed work; the present study provides an annotated critical edition equipped with an English translation. It inducts in the manual's contents, places them in the context of Rupescissa's work and medieval prophetic literature, investigates important aspects of its reception and clarifies the relationships between its different versions. Furthermore, it ends with a critical edition of the VENI MECUM IN TRIBULACIONE, the most influential compendious version of the VADE MECUM. Thus this book offers an indispensable fundamental contribution to the flourishing studies of Rupescissa and medieval apocalypticism.

Russia, again, is on the move. The news headlines proclaim it. Georgia was first. Then, Ukraine and the invasion of Crimea. Meddling in the elections of the United States followed. For the fourth straight year, Forbes has ranked Vladimir Putin as the world's most powerful person—even above the president of the United States. Like it or not, the world has descended into a new Putin-led Cold War 2.0. As the storm clouds gather, America sleeps. Russian's hand in Syria and its closer ties to Iran are especially alarming to those who know Bible prophecy and the book of Ezekiel. Putin is poised right now on Israel's northern border—an ominous sign of our times. What does the Bible say about our troubling times? In *Russia Rising*, Mark Hitchcock, popular speaker and Bible prophecy expert, explores the history of Russia and its current military moves. He will explain the biblical prophecies related to Russia, the Middle East, and the end times. The tracks of the Russian bear lead to the Middle East and Israel. Are we on a collision course with Russia?

Asthma is a growing health problem throughout the developed world. This volume presents a critical review of all the possible factors for this rising trend and includes research that has not yet been published in the scientific literature. Discusses the basic biology of asthma and addresses genetic influences. Surveys the epidemiological evidence for the worldwide trends in morbidity and mortality.

End Times Empire Rising will challenge your current understanding about the End Times in a comprehensive and significant way. Many teachings about this critical period don't match current world events and are sharply at odds with the writings of some of the disciples of John the Apostle, who wrote the book of Revelation. *End Times Empire Rising* masterfully blends current real-world dynamics with early historical perspectives to give an exciting new vision of the End Times. For example, do you know what nations comprise the Antichrist's ten-nation kingdom? They're not the ones you might expect. Do you think you know what specific threat the Antichrist will be to Jews and Christians? What if this threat also includes danger to certain Muslim nations? From long-standing topics such as the timing of the rapture and the tribulation to the Antichrist's origins, this groundbreaking book focuses on Daniel, Revelation, and critical prophetic

passages in Luke and 1 and 2 Thessalonians to prepare believers spiritually and practically for the coming days. In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce questions are being pondered. Inquires like, 'How can a modern society scale back its dependence on gasoline as a motive source?' 'Are there genuine alternative power sources?' 'Are they the answer to a growing crisis?' Recent announcements of hybrids like those from Honda, Toyota, and Ford have really brought attention to this issue. Hybrids that use both gasoline engines and electric motors. Really, though, alternative power sources have been around for as long as the automobile has been. The battle between and among the steam car, the electric and the gas car was fought out in the first couple of decades of the twentieth century. This book explores the ins and outs of that battle. A struggle from which the gasoline car emerged completely victorious. To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades. We will look over all three alternatives, exploring their advantages and disadvantages. We will also look over the obstacles to the steamers and the electrics. Barriers that still exist to a certain extent. Handicaps that caused their disappearance in the first place.

Steele's family home lies in burnt ruins on the shore of Lake Michigan. His group hunts for his missing mother in the apocalyptic wilderness filled with the dead. Instead he finds a group of refugees badly in need of his skills learned in the shadow war on terror, for they are persecuted at every step by the Chosen, a group of fanatics hell-bent on creating God's Kingdom in the rubble of society. Dr. Joseph Jackowski finds himself in a dangerous battle against both the deadly virus and the clock inside the bowels of the Cheyenne Mountain Complex. His team struggles as their own members fall victim to the virus in a race to discover a vaccine. Colonel Kinnick rushes his paltry forces into the rocky passes of Colorado to hold the dead off long enough for a vaccine to be found. If he fails, the Vice President will burn the entire Western Seaboard into the blazing inferno of a nuclear holocaust. With every fleeting moment, the whole world draws closer to being overcome by the virus. In the most epic installment of The End Time Saga yet, Daniel Greene brings the brutalized remainders of humanity even closer to the edge of defeat. Who will rise? The living or the dead?

The book explains all 22 chapters of the book of revelation plus some.

Isaiah 47:5-8 "Sit in silence, and go into darkness, O daughter of the Chaldeans; For you shall no longer be called The Lady of Kingdoms. I was angry with My people; I have profaned My inheritance, And given them into your hand. You showed them no mercy; On the elderly you laid your yoke very heavily. And you said, 'I shall be a lady forever, ' So that you did not take these things to heart, Nor remember the latter end of them. "Therefore hear this now, you who are given to pleasures, Who dwell securely, Who say in your heart, 'I am, and there is no one else besides me; I shall not sit as a widow, Nor shall I know the loss of children'; Not every location has the same destiny. God doesn't have the same plan for every country of the earth. Some nations, like Israel, Egypt, and even the revived Assyria, have prophetic destiny: Isaiah 19:23-24 In that day there will be a highway from Egypt to Assyria, and the Assyrian will come into Egypt and the Egyptian into Assyria, and the Egyptians will serve with the Assyrians. In that day Israel will be one of three with Egypt and Assyria—a blessing in the midst of the land, As end-time events clearly unfold, many wonder where the USA is in the Bible. At the same time, many contend for a national revival that will quell the rising tide of trouble and rebellion in the western world, missing that the last superpower, the end-time Babylon, has a very clear fate. The fate of the end time Babylon is one of division, but also one of GREAT promise. The division is what Jesus wants! Out of division, or unity-by-sanctification, will come one pure and spotless Bride...an end time Church that will share Jesus' very throne! But, you must know where you live, and respond in agreement with Jesus, to get the inheritance He paid for you to have: Revelation 18:3-4 For all the nations have drunk of the wine of the wrath of her fornication, the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the abundance of her luxury." (4) And I heard another voice from heaven saying, "Come out of her, my people, lest you share in her sins, and lest you receive of her plagues. The book of Daniel offers a detailed analysis of a coming world leader who will oppress and destroy religious people. Donald Trump is not that leader, but his actions and attitudes certainly portend what is just around the corner. Come see why.

Since 1960, there have been many books on Prophecy written. Many Christians feel and realize that we are living in the End Time. However, End Time Prophecies, are in the Bible as Symbols and metaphors, turning the understanding into a lot of pieces of a puzzle. If you don't place the right piece where it belongs, then the picture won't fit. Men for over 2000 years have tried to make the pieces fit, shaving a corner here, forcing others to fit. However, we are told in the Bible that Prophecy could not be understood, until the End Time. Dan 12:4 But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased. 8 And I heard, but I understood not: then said I, O my Lord, what shall be the end of these things? 9 And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end. 10 Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand. When I realized, the pieces did not fit, about 48 years ago, I dumped them. Keeping only those that history proved, and the Bible itself interpreted. This book is not the same Orthodox teaching that Christians have heard over and over. Some might find it offensive, I hope not. However, this book is my intensive studies, for 47 years. And I don't ask you to just take my word, for these studies, but to constantly check with the Word of God. Compare, compare and compare

Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

What New Babylon Reveals to Us About the End Times What will the world look like in the last days? One significant clue the Bible offers is a fascinating look at New Babylon. More than one-tenth of the book of Revelation is devoted to prophecies about this city—the center of the antichrist's world government. But are we to understand these prophecies symbolically or literally? In *New Babylon Rising*, trusted prophecy expert Ron Rhodes offers insight into what God's Word tells us about the worldwide influence of New Babylon in the end times. Take a look at what prophetic Scripture says and discover the rampant paganism and evil that will mark this infamous city learn about the convergence and fulfillment of many ancient prophecies about the tribulation and second coming of Christ apprehend that God not only sees the future, but has determined how it will unfold As you explore the Bible's prophecies about the last days, you'll discover that no matter how uncertain the future looks, you can have peace knowing that God is in full control of all things.

When nine-year-old C.J. Walker touches the arm of his mother's dead friend at her wake service and whispers the wish that she wouldn't be dead, he's just trying to do the right thing. But when the undertaker sees the woman's rosary sliding off her outstretched fingers and tumbling down her raised left arm, the firestorm can't be held in check. Frightened people near and far demand to know how many of their own loved ones might have been buried alive by the same undertaker, or by any undertaker. But proof that C.J. Walker can indeed raise the dead is secretly videoed, then publicly aired. In a single morning, C.J.'s mother, Lynn, watches their home becoming a fortress and her son becoming a target. Grieving individuals desperate to see death let go of their loved ones; representatives from news, medical, and scientific organizations; influential religious representatives; and powerful government agencies all move in to gain maximum positions of influence over the greatest power on earth. Through the ordeal, Lynn and her separated husband, Joe, struggle to find a way to escape with C.J., to keep him hidden from every pursuer, and somehow to make it possible for him to live a normal life again. But to do it all they must act quickly, before he's stolen away by authorities in high places.

A Revealing Look at the Signs of the End Times After decades of researching biblical prophecy, bestselling author Timothy Dailey warns that end-time events are closer than we realize. Connecting the dots between history, archeological findings, first-hand accounts, and Scripture, Dr. Dailey shows that malevolent forces are converging to trigger the end of human history. He reveals: · the hidden activity of Gog and Magog over the millennia · worldly portals opening for the Antichrist · counterfeit signs and wonders · and much more Yet under the shadow of the apocalypse, the world is witnessing an unprecedented spiritual revival and outpouring of the miraculous. It's time for us to read the signs and take a stand, knowing that Jesus has promised to be with us to the end of the age.

In China, an Army Is Rising... For years, China's population size, economic growth, and thirst for military power have taken center stage by those who study biblical prophecy. Most end-time experts have seen the "Red Dragon" as an aggressor to Israel. In Revelation 16 and 19, John's mention of the armies involved in the final battle marking the end of the world could well depict China's army today. However, a different kind of army is also rising in China, and it is quickly approaching two hundred million people. This army is for Christ, not against Him.

It is a host of Christians from the Chinese underground house church who are fighting a battle against principalities and powers and spreading the gospel in unprecedented ways under intense persecution. These Christians are motivated by a powerful vision called "Back to Jerusalem." The Chinese church is quietly working to complete the Great Commission by bringing the gospel to unreached peoples in China's eastern provinces and to all the countries between the border of China and the city of Jerusalem. Yet there's even more to this fascinating development. What you read in this book may change your view of end-time prophecy. Back to Jerusalem is not just a missions movement of the Chinese church. It is an eschatological event confirmed by both the Old and New Testaments. God is using the Red Dragon to fulfill His ultimate purposes. China and End-Time Prophecy explores the surprising connection between ancient prophecy and China's modern missions phenomenon. This book will give you a new vision of what it means to go into all the world with the gospel. Most of all, it will show you why the completion of the Great Commission is inevitable and the return of Christ is unstoppable.

This revealing work examines an approach from ancient astronomy to what was then a particularly important question, namely that of understanding the relationship between the position in the ecliptic and the time it takes for a fixed-length of the ecliptic beginning at that point to rise above the eastern horizon. Schemes known as "rising time schemes" were used to give lengths of the celestial equator corresponding to each of the twelve zodiacal signs which make up the ecliptic. This book investigates the earliest known examples of these schemes which come from Babylonia and date to the mid to late first millennium BC. Making an important contribution to our knowledge of astronomy in the

ancient world, this volume includes editions and translations of all of the known Babylonian rising time texts, including several texts that are identified for the first time. Through a close examination of the preserved texts it has been possible to reconstruct the complete Babylonian rising time scheme. This reconstruction is unprecedented in its completeness, and it is also now possible to situate the scheme within a genre of Babylonian astronomy known as schematic astronomy which presents theoretical descriptions of the astronomical phenomena. The unique discoveries and fresh explorations in this book will be of interest to historians of ancient astronomy, scholars of Babylonian history and those investigating the origins of scientific thought.

Even as seas rise against the shores, another great tide is beginning to rise – a tide of outrage against the pillage of the planet, a tide of commitment to justice and human rights, a swelling affirmation of moral responsibility to the future and to Earth's fullness of life. Philosopher and nature essayist Kathleen Dean Moore takes on the essential questions: Why is it wrong to wreck the world? What is our obligation to the future? What is the transformative power of moral resolve? How can clear thinking stand against the lies and illogic that batter the chances for positive change? What are useful answers to the recurring questions of a storm–threatened time – What can anyone do? Is there any hope? And always this: What stories and ideas will lift people who deeply care, inspiring them to move forward with clarity and moral courage?

Venice, 1769. The City of Masks is awash with rumour. A strange man haunts the nearby island of Torcello, a skeleton strapped to his back. A wolf wearing a priest's cassock is spotted running through the fields. A mysterious courtesan bears signs of a most unusual form of stigmata. Michele Archenti, former priest and devil's advocate, and current publisher of a scandalous collection of erotic poetry, becomes reluctantly embroiled in political intrigue. Called upon to defend the skeleton-bearer—his friend Rodolfo—against charges of heresy, Archenti must navigate the murky political waters as well as the less-frequented canals of Venice, and outsmart the ambitious new Inquisitor from Rome who vows not only to prosecute the heretic, but to see him burn. In the heady, uninhibited days of Carnival, the signs are ripe: the citizens of Venice prepare for the Second Coming of Christ.

Bible scholar Ron Rhodes analyzes current events in the light of biblical prophecy and empowers readers to interpret the signs of the times (Matthew 16: 3).

The second coming is perhaps the most confusing, controversial, and contentious of biblical doctrines. In *The Lost Message of the End Times*, Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus's return. As he does so, he brings their powerful, hope-filled, faith-inspiring, and life-changing message to life. With clear and easily understood explanations, this book will show you how the Scriptures reveal a world of promise, not fear; a kingdom present, not to come; and the powerful bride as she is, not one that needs to be raptured away.

I asked in Volume One of the series "This World's War on Fathers and Family," Is she crazy or demon possessed? With the mounting number of incidents where women have harmed or even killed their own male children, spouses or significant others, I think that we can now see that there is more going on than a little agitation. What is ultimately inside of any woman that would blatantly deny the scriptures has come to a place where it wants to be out in the open AND accepted by all. What is really going on? The truth here is that there is no such thing as a woman who is not submitted to "Something." The real question is "What" is she submitted to. The answer goes all the way back to the Garden of Eden. These are not "Women." They are something different completely. "Jezebel Rising" is a study of just what drives our sisters to this place and how it fits within the context of scripture. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

Has the final countdown to the end days begun? Are the heavens telling us we are nearing the end? Astronomers have noticed it is coming. Historians have noted its significance. In 2014 and 2015, there will be a phenomenon in the skies of four blood moons falling during Jewish feasts. This has only happened three times in recorded history: 1493-94, 1949-50 and 1967-68. Each time these dates have had extraordinary significance for the Israelites. From the discovery of the New World to the creation of modern-day Israel, these years of the four blood moons have truly been turning points in history. Bible prophecy describes the moon being darkened and turned to blood. What is the significance of these signs in the skies? What will the future bring?
