Ryan Speedo Green had a tough upbringing in
southeastern Virginia: his family lived in a trailer park and

later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a rising star performing major roles at the Met and Europe's most prestigious opera houses. SING FOR YOUR LIFE chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's path toward redemption, introducing us to a cast of memorable characters--including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes--technically, creatively--to find and foster the beauty of the human voice. And Sing for Your Life sheds unique light on the enduring and complex realities of race in America.

It started with a festival - three classic operas performed in a theatre in Toronto. But when it became apparent that there was a need for a national opera company, an organization was founded that would go on to become one of the largest performing arts organizations in the country. The Canadian Opera Company was born in 1950, and is now one of the major opera companies in North America. The Company has toured extensively

throughout Canada and the United States, and has delighted audiences as far away as Australia and Hong Kong, all the while finding the time to record frequently and develop special operatic presentations for children. More than just a group of performers, the COC also provides a training program for young professional singers, and a series of commissions of new works from both up-and-coming and established composers. Opera Viva is a history of the Company, but it is more than that: it is also a history of Canada's cultural growth in the second half of the twentieth century, a time when the Canadian Opera Company became central to Canada's musical life. As the story of the Company unfolds, the figures and personalities that were integral to the building of this landmark of Canadian culture are brought to life. An introduction to top productions, performers, and composers features story descriptions of ten key operas, offers suggestions for listening and viewing, and shares background information on sets and costumes. Original. The Rough Guide to Cape Town, The Winelands & The Garden Route is the most comprehensive and informative guide available to this spectacular region. You'll find detailed information on everything from sandboarding in De Hoop Nature Reserve to sampling wine in the many Western Cape's estates. Whether you want to wander the pastel-coloured streets of the Bo-Kaap, explore the Garden Route's dramatic Storms River Mouth, or catch a glimpse of the rare Cape mountain zebras or African penguins in the craggy Table Mountain National Park, this guide will lead you to the best attractions in this diverse region of South Africa. With its powerful combination of music and theatre, opera is one of the most complex and yet immediate of all art forms. Once opera was studied only as 'a stepchild of musicology', but in the past two decades opera studies have experienced an explosion of energy with the introduction of new approaches drawn from disciplines such as social anthropology and performance studies to media theory, genre theory, gender studies and reception history. Written by leading scholars in opera studies today, this Companion offers a wide-ranging guide to a rapidly expanding field of study and new ways of thinking about a rich and intriguing art form, placing opera back at the centre of our understanding of Western culture over the past 400 years. This book gives lovers of opera as well as those studying the subject a comprehensive approach to the many facets of opera in the past and today.

A delightful introduction to opera, Bravo! Brava! A Night at the Opera teaches elementary school children what opera is by showing how it is made. "Who writes the words?", "Who makes an opera happen? "Who is backstage?"--these questions and more are answered with easy-to-understand explanations and are illustrated with whimsical watercolors by the author. From composer, choreographer, and costume designers to the conductor, lighting and special effects crew, and, of course, the singers, the excitement builds as Anne Siberell explains each person's role in producing an opera. Bravo! Brava! A Night at the Opera reveals details of the most famous operas' plots and characters along the way and includes synopses of 27 popular operas, a glossary, suggestions for further reading, and an index.

In *Ticket to the Opera*, Phil G. Goulding finally makes the magic and mystique of opera accessible to all. Here he offers a complete operatic education, including history, definitions of key musical terms, opera lore and gossip, portraits of famous singers and the roles they immortalized, as well as pithy introductions to the greatest operas of Europe and America and their composers. The book's centerpiece is what Goulding terms "the collection"--85 classics, among them *Aida*, *The Marriage of Figaro*, *Carmen*, and *Madama Butterfly*, that have been packing the world's opera houses for years. This entertaining, meticulously researched book also includes a fascinating chapter on American opera from George Gershwin's *Porgy and Bess* to Philip Glass's *Einstein on the Beach* and a discussion of the gems of twentieth-century opera featuring works like Leos Janáček's *The Cunning Little Vixen*, Alban Berg's *Lulu*, and Serge Prokofiev's *The Love for Three Oranges*. Whether you're a curious neophyte, a music lover interested in branching out, or an aficionado eager to compare notes with a brilliant fellow opera buff, you'll prize *Ticket to the Opera* as an essential volume in your

In this comprehensive study of Olivier Messiaen's magnum opus, Saint François d'Assise, Vincent Perez Benitez examines the opera from both theological and musical-analytical perspectives to ask how Messiaen expresses his Catholic theology through his work. Benitez combines a close reading of the opera score with accounts from Messiaen's associates, studies of Messiaen's birdsong notebooks and other primary documents, and an examination of the religious, musical, poetic, and visual arts literature with which the composer was familiar to explore how the opera's harmonic language and sound-color relationships motivate its musical meaning and expression. Through his analysis of these diverse sources and comparisons of Saint François d'Assise with other works such as Berg's Wozzeck and Wagner's Parsifal, Benitez places Messiaen's compositional practice within larger musical perspectives and historical contexts.
