WINNER OF THE 2021 PULITZER PRIZE FOR FICTION NEW YORK TIMES BESTSELLER WASHINGTON POST, AMAZON, NPR, CBS SUNDAY MORNING, KIRKUS, CHICAGO PUBLIC LIBRARY, AND GOOD HOUSEKEEPING BEST BOOK OF 2020 Based on the extraordinary life of National Book Award-winning author Louise Erdrich's grandfather who worked as a night watchman and carried the fight against Native dispossession from rural North Dakota all the way to Washington, D.C., this powerful novel explores themes of love and death with lightness and gravity and unfolds with the elegant prose, sly humor, and depth of feeling of a master craftsman. Thomas Wazhashk is the night watchman at the jewel bearing plant, the first factory located near the Turtle Mountain Reservation in rural North Dakota. He is also a Chippewa Council member who is trying to understand the consequences of a new "emancipation" bill on its way to the floor of the United States Congress. It is 1953 and he and the other council members know the bill isn't about freedom; Congress is fed up with Indians. The bill is a "termination" that threatens the rights of Native Americans to their land and their very identity. How can the government abandon treaties made in good faith with Native Americans "for as long as the grasses shall grow, and the rivers run"? Since graduating high school, Pixie Paranteau has insisted that everyone call her Patrice. Unlike most of the girls on the reservation, Patrice, the class valedictorian, has no desire to wear herself down with a husband and kids. She makes jewel bearings at the plant, a job that barely pays her enough to support her mother and brother. Patrice's shameful alcoholic father returns home sporadically to terrorize his wife and children and bully her for money. But Patrice needs every penny to

follow her beloved older sister, Vera, who moved to the big city of Minneapolis. Vera may have disappeared; she hasn't been in touch in months, and is rumored to have had a baby. Determined to find Vera and her child, Patrice makes a fateful trip to Minnesota that introduces her to unexpected forms of exploitation and violence, and endangers her life. Thomas and Patrice live in this impoverished reservation community along with young Chippewa boxer Wood Mountain and his mother Juggie Blue, her niece and Patrice's best friend Valentine, and Stack Barnes, the white high school math teacher and boxing coach who is hopelessly in love with Patrice. In *The Night Watchman*, Louise Erdrich creates a fictional world populated with memorable characters who are forced to grapple with the worst and best impulses of human nature. Illuminating the loves and lives, the desires and ambitions of these characters with compassion, wit, and intelligence, *The Night Watchman* is a majestic work of fiction from this revered cultural treasure.

A spellbinding novel that will resonate with readers of Mark Haddon, Louise Erdrich, and John Irving, *Perfect* tells the story of a young boy who is thrown into the murky, difficult realities of the adult world with far-reaching consequences. Byron Hemmings wakes to a morning that looks like any other: his school uniform draped over his wooden desk chair, his sister arguing over the breakfast cereal, the click of his mother's heels as she crosses the kitchen. But when the three of them leave home, driving into a dense summer fog, the morning takes an unmistakable turn. In one terrible moment, something happens, something completely unexpected and at odds with life as Byron understands it. While his mother seems not to have noticed, eleven-year-old Byron understands that from now on nothing can be the same. What happened and who is to blame? Over the days and weeks that follow, Byron's perfect world is

shattered. Unable to trust his parents, he confides in his best friend, James, and together they concoct a plan. . . . As she did in her debut, *The Unlikely Pilgrimage of Harold Fry*, Rachel Joyce has imagined bewitching characters who find their ordinary lives unexpectedly thrown into chaos, who learn that there are times when children must become parents to their parents, and who discover that in confronting the hard truths about their pasts, they will forge unexpected relationships that have profound and surprising impacts. Brimming with love, forgiveness, and redemption, *Perfect* will cement Rachel Joyce's reputation as one of fiction's brightest talents. Praise for *Perfect* "Touching, eccentric . . . Joyce does an inviting job of setting up these mysterious circumstances, and of drawing Byron's magical closeness with Diana."—Janet Maslin, *The New York Times* "Haunting . . . compelling."—*Minneapolis Star Tribune* "[Joyce] triumphantly returns with *Perfect*. . . . As Joyce probes the souls of Diana, Byron and Jim, she reveals—slowly and deliberately, as if peeling back a delicate onion skin—the connection between the two stories, creating a poignant, searching tale."—*O: The Oprah Magazine* "*Perfect* touches on class, mental illness, and the ways a psyche is formed or broken. It has the tenor of a horror film, and yet at the end, in some kind of contortionist trick, the narrative unfolds into an unexpected burst of redemption. [Verdict:] Buy It."—*New York* "Joyce's dark, quiet follow-up to her successful debut, *The Unlikely Pilgrimage of Harold Fry*, could easily become a book club favorite. . . . *Perfect* is the kind of book that blossoms under thoughtful examination, its slow tendencies redeemed by moments of loveliness and insight. However sad, Joyce's messages—about the limitations of time and control, the failures of adults and the fears of children, and our responsibility for our own imprisonment and freedom—have a gentle ring of truth to them."—*The Washington Post* "There is a poignancy to

A New York Times Notable Book of 2017 Louise Erdrich, the New York Times bestselling, National Book Award-winning author of LaRose and The Round House, paints a startling portrait of a young woman fighting for her life and her unborn child against oppressive forces that manifest in the wake of a cataclysmic event. The world as we know it is ending. Evolution has reversed itself, affecting every living creature on earth. Science cannot stop the world from running backwards, as woman after woman gives birth to infants that appear to be primitive species of humans. Twenty-six-year-old Cedar Hawk Songmaker, adopted daughter of a pair of big-hearted, open-minded Minneapolis liberals, is as disturbed and uncertain as the rest of America around her. But for Cedar, this change is profound and deeply personal. She is four months pregnant. Though she wants to tell the adoptive parents who raised her from infancy, Cedar first feels compelled to find her birth mother, Mary Potts, an Ojibwe living on the

reservation, to understand both her and her baby's origins. As Cedar goes back to her own biological beginnings, society around her begins to disintegrate, fueled by a swelling panic about the end of humanity. There are rumors of martial law, of Congress confining pregnant women. Of a registry, and rewards for those who turn these wanted women in. Flickering through the chaos are signs of increasing repression: a shaken Cedar witnesses a family wrenched apart when police violently drag a mother from her husband and child in a parking lot. The streets of her neighborhood have been renamed with Bible verses. A stranger answers the phone when she calls her adoptive parents, who have vanished without a trace. It will take all Cedar has to avoid the prying eyes of potential informants and keep her baby safe. A chilling dystopian novel both provocative and prescient, *Future Home of the Living God* is a startlingly original work from one of our most acclaimed writers: a moving meditation on female agency, self-determination, biology, and natural rights that speaks to the troubling changes of our time.

A National Book Award Finalist, Sarah Shun-lien Bynum's enchanting and inventive first novel is a groundbreaking, contemporary classic. When a girl falls into a mysterious, impenetrable sleep, the borders between her provincial French village and the peculiar, beguiling realm of her dreams begin to disappear: A fat woman sprouts delicate wings and takes flight; a failed photographer stumbles into the role of pornographer; a beautiful young wife grows to resemble her husband's viol. Madeleine, the dreamer, travels in their midst, trying to make sense of her own metamorphosis. She leaves home, joins a gypsy circus, and falls into an unexpected triangle of desire and love. Embracing the earthy and the ethereal, the comical and the poignant, *Madeleine Is Sleeping* is part fairy tale, part coming-of-age story, and above all, an

her breathtaking narrative magic in an emotionally haunting contemporary tale of a tragic accident, a demand for justice, and a profound act of atonement with ancient roots in Native American culture. North Dakota, late summer, 1999. Landreaux Iron stalks a deer along the edge of the property bordering his own. He shoots with easy confidence—but when the buck springs away, Landreaux realizes he's hit something else, a blur he saw as he squeezed the trigger. When he staggers closer, he realizes he has killed his neighbor's five-year-old son, Dusty Ravich. The youngest child of his friend and neighbor, Peter Ravich, Dusty was best friends with Landreaux's five-year-old son, LaRose. The two families have always been close, sharing food, clothing, and rides into town; their children played together despite going to different schools; and Landreaux's wife, Emmaline, is half sister to Dusty's mother, Nola. Horrified at what he's done, the recovered alcoholic turns to an Ojibwe tribe tradition—the sweat lodge—for guidance, and finds a way forward. Following an ancient means of retribution, he and Emmaline will give LaRose to the grieving Peter and Nola. "Our son will be your son now," they tell them. LaRose is quickly absorbed into his new family. Plagued by thoughts of

suicide, Nola dotes on him, keeping her darkness at bay. His fierce, rebellious new “sister,” Maggie, welcomes him as a coconspirator who can ease her volatile mother’s terrifying moods. Gradually he’s allowed shared visits with his birth family, whose sorrow mirrors the Raviches’ own. As the years pass, LaRose becomes the linchpin linking the Irons and the Raviches, and eventually their mutual pain begins to heal. But when a vengeful man with a long-standing grudge against Landreaux begins raising trouble, hurling accusations of a cover-up the day Dusty died, he threatens the tenuous peace that has kept these two fragile families whole. Inspiring and affecting, LaRose is a powerful exploration of loss, justice, and the reparation of the human heart, and an unforgettable, dazzling tour de force from one of America’s most distinguished literary masters.

A working stargate dating back more than ten thousand years has been discovered in North Dakota, on a Sioux reservation near Devils Lake. Travel through the gate currently leads to three equally mysterious destinations: (1) an apparently empty garden world, quickly dubbed Eden; (2) a strange maze of underground passageways; or (3) a space station with a view of a galaxy that appears to be the Milky Way. The race to explore and claim the stargate quickly escalates, and those involved divide into opposing camps who view the teleportation technology either as an unprecedented opportunity for scientific research or a disastrous threat to national—if not planetary—security. A New York Times Notable Book For more than a half century, Father Damien Modeste has served his beloved Native American tribe, the Ojibwe, on the remote reservation of Little No Horse. Now, nearing the end of his life, Father Damien dreads the discovery of his physical identity, for he is a woman who has lived as a man. To further complicate his quiet existence, a troubled colleague comes to the reservation to investigate the life of the perplexing, possibly false saint Sister Leopolda. Father Damien alone knows the strange truth of Leopolda's piety, but these facts are bound up in his own secret. He is faced with the most difficult decision: Should he tell all and risk everything . . . or manufacture a protective history for Leopolda, though he believes her wonder-working is motivated solely by evil? In a masterwork that both deepens and enlarges the world of her previous novels set on the same reservation, Louise Erdrich captures the essence of a time and the spirit of a woman who felt compelled by her beliefs to serve her people as a priest. *The Last Report on the Miracles at Little No Horse* is a work of an avid heart, a writer's writer, and a storytelling genius.

Black Man collects seventeen of Mosley's most accomplished short stories to showcase the full range of his remarkable talent. Touching, contemplative, and always surprising, these stories introduce an array of imperfect characters—awkward, self-defeating, elf-involved, or just plain odd. In *The Awkward Black Man*, Mosley overturns the stereotypes that corral black male characters and paints subtle, powerful portraits of unique individuals. In "The Good News Is," a man's insecurity about his weight gives way to illness and a loneliness so intense that he'd do anything for a little human comfort. "Pet Fly," previously published in the *New Yorker*, follows a man working as a mailroom clerk—a solitary job for which he is overqualified—and the unforeseen repercussions he endures when he attempts to forge a new connection. And "Almost Alyce" chronicles failed loves, family loss, alcoholism, and a Zen approach to the art of begging that proves surprisingly effective.

It turned up in a North Dakota wheat field: a triangle, like a shark's fin, sticking up from the black loam. Tom Lasker did what any farmer would have done. He dug it up. And discovered a boat, made of a fiberglass-like material with an utterly impossible atomic number. What it was doing buried under a dozen feet of prairie soil two thousand miles from any ocean, no one knew. True, Tom Lasker's wheat field had once been on the shoreline of a great inland sea, but that was a long time ago -- ten thousand years ago. A return to science fiction on a grand scale, reminiscent of the best of Heinlein, Simak, and Clarke, *Ancient Shores* is the most ambitious and exciting SF triumph of the decade, a bold speculative adventure that does not shrink from the big questions -- and the big answers. the lothario, the fine-handed gypsy, and hitherto the undisputed king of the Roundhouse. Before long, Edmund and Barney are fighting it out for the affections of an ice-cream coquette called Lia. Sex, drugs, rock'n roll and mutant rats swiftly follow as Edmund's life changes in previously unimaginable ways. Charting the progress of Barney, Lia and Crowe, from the orgiastic, mind-bending '70s to the social-climbing, emotionally-famished '90s; from crumbling cityscape to lavish country retreat, Kings of the Roundhouse is a brilliantly twisted darkly comic novel about love, friendship, men, money, and the life-transforming power of lightning strikes.

From New York Times bestselling author Louise Erdrich comes a haunting novel that continues the rich and enthralling Ojibwe saga begun in her novel Tracks. After taking her mother's name, Four Souls, for strength, the strange and compelling Fleur Pillager walks from her Ojibwe reservation to the cities of Minneapolis and Saint Paul. She is seeking restitution from and revenge on the lumber baron who has stripped her tribe's land. But revenge is never simple, and her intentions are complicated by her dangerous compassion for the man who wronged her.

Drawing from the insights of subaltern studies and postcolonial feminisms, Proma Tagore brings together the work of a diverse group of writers - Toni Morrison,

Shani Mootoo, Louise Erdrich, M.K. Indira, Rashsundari Debi, and Mahasweta Devi. She focuses on the visceral, affective nature of their narratives and explores the way that personal and historical trauma, initially silenced, may be recorded across generations, as well as across complex national, racial, gender, and sexual lines.

American Revenge Narratives critically examines the nation's vengeful storytelling tradition. With essays on late twentieth and twenty-first century fiction, film, and television, it maps the coordinates of the revenge genre's contemporary reinvention across American culture. By surveying American revenge narratives, this book measures how contemporary payback plots appraise the nation's political, social, and economic inequities. The volume's essays collectively make the case that retribution is a defining theme of post-war American culture and an artistic vehicle for critique. In another sense, this book presents a scholarly coming to terms with the nation's love for vengeance. By investigating recent iterations of an ancient genre, contributors explore how the revenge narrative evolves and thrives within American literary and filmic imagination. Taken together, the book's diverse chapters attempt to understand American culture's seemingly inexhaustible production of vengeful tales.

by gathering at the fireside. In the north of England, far from the intrusions of cities but not far from civilization, Silvie and her family are living as if they are ancient Britons, surviving by the tools and knowledge of the Iron Age. For two weeks, the length of her father's vacation, they join an anthropology course set to reenact life in simpler times. They are surrounded by forests of birch and rowan; they make stew from foraged roots and hunted rabbit. The students are fulfilling their coursework; Silvie's father is fulfilling his lifelong obsession. He has raised her on stories of early man, taken her to witness rare artifacts, recounted time and again their rituals and beliefs—particularly their sacrifices to the bog. Mixing with the students, Silvie begins to see, hear, and imagine another kind of life, one that might include going to university, traveling beyond England, choosing her own clothes and food, speaking her mind. The ancient Britons built ghost walls to ward off enemy invaders, rude barricades of stakes topped with ancestral skulls. When the group builds one of their own, they find a spiritual connection to the past. What comes next but human sacrifice? A story at once mythic and strikingly timely, Sarah Moss's *Ghost Wall* urges us to wonder how far we have come from the "primitive minds" of our ancestors.

Mrs. Pretty, the widowed owner of the farm, has had her hunch confirmed that the mounds on her land hold buried treasure. As the dig proceeds, it becomes clear that this is no ordinary find. darker, often crippling aspects of fame. Biographies have chronicled the lives of pseudonymous authors such as Mark Twain, Isak Dinesen, and George Eliot, but never before have the stories behind many noms de plume been collected into a single volume. These are narratives of secrecy, obsession, modesty, scandal, defiance, and shame: Only through the protective guise of Lewis Carroll could a shy, half-deaf Victorian mathematician at Oxford feel free to let his imagination run wild. The "three weird sisters" (as they were called by the poet Ted Hughes) from Yorkshire—the Brontes—produced instant bestsellers that transformed them into literary icons, yet they wrote under the cloak of male authorship. Bored by her aristocratic milieu, a cigar-smoking, cross-dressing baroness rejected the rules of propriety by having sexual liaisons with men and women alike, publishing novels and plays under the name George Sand. Grounded by research yet highly accessible and engaging, these provocative, astonishing stories reveal the complex motives of writers who harbored secret identities—sometimes playfully, sometimes with terrible anguish and tragic consequences. A wide-ranging examination of pseudonyms both familiar and obscure, *Nom de Plume* is part detective story, part exposé, part literary history, and an absorbing psychological meditation on identity and creativity.
