**Phyllis J. Perry**

*The Sea Chest* Toni Buzzeo,2002 A young girl listens as her great-aunt, a lighthouse keeper's daughter, tells of her childhood living on a Maine island, and of the infant that washed ashore after a storm.

**The Secrets of the Sea Chest** Phyllis J. Perry,2016-07-09 The Secrets of the Sea Chest is the fourth book in the Fribble Mouse Library Mystery series. It is spring when Fribble's family receives an invitation to come vacation at Great Uncle Skipper's house on the coast of Maine. Great Uncle Skipper also says he is mailing to Fribble his old sea chest that is filled with all kinds of secrets. It is also the time when Fribble must write a report on careers, in the present, past or future. Once Fribble receives and opens the sea chest and begins to examine its contents, he decides he will make his school report on sailors of the past. Fribble learns many things as he uses library research skills to study objects like scrimshaw, a barometer and a telescope, and as he learns about signal flags at sea and how to tie sailor knots. After a successful Career Night at school, Fribble and his family journey with the special treasure map that Great Uncle Skipper has sent them to visit him in Maine and seek the treasure.

**The Sea Chest** Kerry Greer,2023-11 The Sea Chest is a visceral, moving, and emotionally layered account of life in the

aftermath of loss. In 2017, Kerry Greer's husband Gabriel ended his life with horrific violence, dying on the kitchen floor of his parents' home. Haunting in its honesty, and underpinned by a connection to the spirituality of the natural world, *The Sea Chest* traces the impact of Gabriel's death over years and continents. The collection provides a counter-narrative to ideas of grief portrayed in sympathy cards or Hollywood movies. There is no redemptive narrative arc, no going back to normal. But there is the old love-the indissoluble thread that is now called grief. Imagistic and probing, *The Sea Chest* speaks directly into the void. In the stillness, in the grey: a ripple, an answer from the ether, asking the reader to listen, to not turn away. The *Sea Chest* becomes a holding space for grief-for the things which cannot be said out loud, but which need to be voiced. This is poetry as invocation, poetry as love enacted, poetry as gateway to the liminal and the sacred.
