New York Times bestselling adult author Luanne Rice makes her dazzling YA debut with this gorgeous, unputdownable story of love, hope, and redemption. When Ruth Ann (Roo) McCabe responds to a text message while she's driving, her life as she knows it ends. The car flips, and Roo winds up in a hospital bed, paralyzed. Silent. Everyone thinks she's in a coma, but Roo has locked-in syndrome -- she can see and hear and understand everything around her, but no one knows it. She's trapped inside her own body, screaming to be heard. Mathilda (Tilly) is Roo's sister and best friend. She was the one who texted Roo and inadvertently caused the accident. Now, Tilly must grapple with her overwhelming guilt and her growing feelings for Roo's boyfriend, Newton -- the only other person who seems to get what Tilly is going through. But Tilly might be the only person who can solve the mystery of her sister's condition -- who can see through Roo's silence to the truth underneath. Somehow, through medicine or miracles, will both sisters find a way to heal? The story of the Phantom of the Opera, a half-crazed musician hiding in the labyrinth of the famous Paris Opera House and creating a number of strange and mysterious events to further the career of a beautiful young singer, is today regarded as one of the most famous of all horror stories: widely mentioned in the same breath as Frankenstein and Dracula. Yet the fame of this novel is based almost entirely on the various film versions, while the original book has been largely ignored and is rarely in print. An Accelerated Reader® Title

Use these laws of attraction to effortlessly attain your heart's desire. "If you don't need it, you are more likely to attract it." If our emotional needs are unmet, we repel what we most desire. When we've fulfilled our needs--such as the need to be cherished, the need to be heard, and the need for harmony--we are naturally attractive to potential love interests. "Like attracts like." When we are fully living our core values, we effortlessly attract others with similar values. It sounds simple. The trick is learning how to apply these laws in your everyday life--and international bestselling author and noted life coach Talane Miedaner shows you how. This easy-to-follow guide provides a comprehensive quiz to help you identify your top four emotional needs and includes step-by-step instructions on how to meet those needs. Once you start embracing your passion and living your dreams, you instantly become more attractive to others. It's truly the "effortless" way to find and keep the love of your life. "Talane is a masterful life coach--she is the living embodiment of the laws of attraction." --Sandy Vilas, MCC, CEO of Coach U, Inc.

Richard Russo has celebrated Monica Wood's fiction as "thoroughly captivating warm and wise and beautifully written," and Andre Dubus III praised it as "luminous and graceful—entertaining yet transcendent." *Any Bitter Thing*, Wood's brilliant new novel, is her breakout book, a timely, gripping, and compassionate tale of family, faith, and deeply hidden truths. One of its greatest strengths is its continuous ability to defy expectations. It's not what you think. It is worse. Lizzy Mitchell was raised from the age of two by her uncle, a Catholic priest. When she was nine, he was falsely accused of improprieties with her and dismissed from his church, and she was sent away to boarding school. Now thirty years old and in a failing marriage, she is nearly killed in a traffic accident. What she discovers when she sets out to find the truths surrounding the accident and about the accusations that led to her uncle's death does more than change her life. "A deeply curious and evenhanded report on our national appetites." --The New York Times In the tradition of Fast Food Nation and The Omnivore's Dilemma, an extraordinary investigation into the human lives at the heart of the American grocery store The miracle of the supermarket has never been more apparent. Like the doctors and nurses who care for the sick, suddenly the men and women who stock our shelves and operate our warehouses are understood as 'essential' workers, providing a quality of life we all too easily take for

granted. But the sad truth is that the grocery industry has been failing these workers for decades. In this page-turning expose, author Benjamin Lorr pulls back the curtain on the highly secretive grocery industry. Combining deep sourcing, immersive reporting, and sharp, often laugh-out-loud prose, Lorr leads a wild investigation, asking what does it take to run a supermarket? How does our food get on the shelves? And who suffers for our increasing demands for convenience and efficiency? In this journey:

- We learn the secrets of Trader Joe's success from Trader Joe himself
- Drive with truckers caught in a job they call "sharecropping on wheels"
- Break into industrial farms with activists to learn what it takes for a product to earn certification labels like "fair trade" and "free range"
- Follow entrepreneurs as they fight for shelf space, learning essential tips, tricks, and traps for any new food business
- Journey with migrants to examine shocking forced labor practices through their eyes

The product of five years of research and hundreds of interviews across every level of the business, *The Secret Life of Groceries* is essential reading for those who want to understand our food system--delivering powerful social commentary on the inherently American quest for more and compassionate insight into the lives that provide it.

important messages, whether for us or other cats.

Susanne Schötz is hard at work on breaking the cat code. She is a professor at Lund University in Sweden, where a long-standing research program is proving that cats do actually use vocal communication—with each other and with their human caretakers. Understanding the vocal strategies used in human-cat communication will have profound implications for how we communicate with our pets, and has the potential to improve the relationship between animals and humans within several fields, including animal therapy, veterinary medicine and animal sheltering. In *The Secret Language of Cats*, Schötz offers a crash course in the phonetic study of cat sounds. She introduces us to the full range of feline vocalizations and explains what they can mean in different situations, and she gives practical tips to help us understand our cats better.

The ancient, mystical system presented in Love and Destiny is unsurpassed in its delineations of the character and nature of relationships—their strengths and weaknesses, the lessons presented, the opportunities that exist, and last but not least, what each relationship needs most to find its fullest potential. Using the Love and Destiny system to see what a relationship is really about is a powerful way for readers to gain great selfmastery with choice over their lives and relationships.

In *The Secret Language of Intimacy*, shame and its consequences are foregrounded as a major, if not the major, impediment to the healthy functioning in the relationships of couples. In the first part of the book, Robert Lee presents the "Secret Language of Intimacy Workshop," developed and presented for the first time at the 1998 Annual Conference of the Association for the Advancement of Gestalt Therapy. Lee not only describes how the hidden forces of shame and belonging regulate couple dynamics, but also how the workshop itself has facilitated the acceptance of these forces and promoted therapeutic resolution, utilizing clinical vignettes. The second half of the book is comprised of

internationally contributed essays from leading names in the Gestalt perspective, each adding to and redefining the role of shame and belonging in the theory and practice of Gestalt couples therapy. Their conclusions, however, are just as insightful for purveyors of other psychoanalytic and psychodynamic therapies as well.

BEHAVIOR Why doesn't my man get me flowers?

Easy - because flowers don't do anything cool. Will I scare him off if I call him first? No way. Well, not unless he's actually terrified of his phone, in which case you likely have bigger problems. Why can't he just talk to me about our relationship? Yeah . . . and how come a gazelle never waits around to see if that lion is friendly? Men sometimes seem impossible to understand. But it turns out they're about as easy to read as coloring books - if you know what you're looking for. Manslations answers all these questions and more in this hilarious - and honest - guide to what men say, who they are, and why they behave the way they do. "When that guy told you - within thirty seconds of introducing himself at the bar - that he drives a hybrid because he cares about the environment, the manslation is that he was trying to work his way into your bikini areas." Manslations reveals the golden rule that helps you figure out what never to worry about (and what to lose sleep over), plus the two key questions that will help unlock the meaning behind even the most confusing male actions. Capped off by a man-to-woman phrasebook, this is the only relationship guide you'll
