Much has been said about the law of attraction and some have called it "the secret". However, this topic is only a secret for those that didn't know it yet as it has been mentioned and used for thousands of years. Most of the information is kept under the cover of faith and religious beliefs, and many have used this knowledge to control people and lead them within political agendas; others have used it for personal gain while hiding it from everyone else. Whatsoever is the case there's still plenty to learn about the law of attraction or the law of dream manifestation. Most books discussing it will show strategies, techniques and methods to obtain what we wish for in our life but they still hide the main secrets. These Authors show us what to do but not how it works, why it works or the purpose of its existence. After decades of personal studies on spirituality, a simplification within a specific theory was possible to explain more than anyone ever said about this issue. This book doesn't intend to represent any religious dogma in particular and was written based on the insights from several spiritual beliefs, ancient and modern, as well as known and secret to the public. Religion promotes a life philosophy and, although very misleading, also talks about universal truth. This paradigm is being noticed by modern science, which in some fields attests the dogma and in others reveals its fallacy. We're now much closer to know what is true, false or merely half-true. Quantum Physics, for example, is still at its starting point but much has been explained already. Willing to describe a more complete understanding matching all these subjects, the Author will here reveal what he knows with a reasonable and humble perspective based on personal experiences. This book will not make any promises regarding becoming a millionaire or famous and none of the theories here exposed are immune to failure. Instead, it will explain how personal and spiritual growth matches the law of attraction and how we can understand life and the changes in our reality better while applying the necessary responsibility we must have as the spiritual beings that we are. The following chapters are supported by the Author's background and studies in Religious Societies, Greek Philosophy, Chinese Philosophy, Modern Psychology and Psychopedagogy, related to the mechanism of life and the anatomy of the spirit, as well as these sources' acknowledgement in what can be applied to the law of attraction. The theory presented is complete, flexible, simple and practical, allowing an easy assimilation to any lifestyle. With this knowledge the reader will have the power to change reality and manifest his own desires, while understanding all the dynamics involved in such process. The major success of the first edition wasn't expected but the Author took into consideration all kind opinions and uplifting reviews to improve this second edition and make it even more powerful and accessible to anyone. You have now in your hands a book that has been recommended by famous Entrepreneurs as being in the same level as Napoleon Hill "Think and Grow Rich" and Wallace D. Wattles "The Science of Getting Rich", both books that inspired the movie "The Secret" and all the speakers in it. But also a book that climbed rapidly into the Bestsellers list of Amazon soon after being published for the first time. This is truly the most revealing book about the Secrets behind "The Secret".

The Secret Source reveals the actual occult doctrines that gave birth to "The Law of Attraction" and later inspired the media phenomenon known as The Secret. Follow the trail into ancient Egypt to uncover where the law of attraction was first recorded, and how it was brought

back to America to foment the New Thought movement and the prosperity cults of modern times. The new, enlarged edition will have a new section on Sex Magic and its relationship with the law of attraction. Maja D'Aoust conducts popular lectures on esoterica. Adam Parfrey is releasing this fall a visual history of fraternal orders, Ritual America.

Use these laws of attraction to effortlessly attain your heart's desire. "If you don't need it, you are more likely to attract it." If our emotional needs are unmet, we repel what we most desire. When we've fulfilled our needs--such as the need to be cherished, the need to be heard, and the need for harmony--we are naturally attractive to potential love interests. "Like attracts like." When we are fully living our core values, we effortlessly attract others with similar values. It sounds simple. The trick is learning how to apply these laws in your everyday life--and international bestselling author and noted life coach Talane Miedaner shows you how. This easy-to-follow guide provides a comprehensive quiz to help you identify your top four emotional needs and includes step-by-step instructions on how to meet those needs. Once you start embracing your passion and living your dreams, you instantly become more attractive to others. It's truly the "effortless" way to find and keep the love of your life. "Talane is a masterful life coach--she is the living embodiment of the laws of attraction." --Sandy Vilas, MCC, CEO of Coach U, Inc.

IT ALL STARTED WITH CARNEGIE AND HILL Few things in recent history have had the impact of The Secret. Created by Rhonda Byrnes, the video program and book have taken the ideas of the New Thought Movement that flourished in America at the turn of the twentieth century and made them as intriguing as The Da Vinci Code and as up-to-date as this morning's headlines. This book, The Secret Law of Attraction as explained by Napoleon Hill, focuses its attention on two of the most famous names mentioned as keepers of the secret--Andrew Carnegie and Napoleon Hill--and on how Carnegie conveyed his understanding of this Secret Law of Attraction to Hill--who, in turn, transformed those concepts into the best-selling success book in the history of publishing: Think and Grow Rich. THE COMPLETE SECRET IN ONE BOOK For the first time, Napoleon Hill's books have been carefully analyzed to identify those passages dealing with the Law of Attraction as well as the lesser-known of Carnegie's laws that govern personal achievement and success. These key sections have been brought together between the covers of this one book, The Secret Law of Attraction

Now available as an eBook, a simple step-by-step guide that allows you to realistically apply the Law of Attraction to improve your life and achieve the next level of practical understanding. The Law of Attraction is one of the most popular topics in the area of self-help. At the same time, it is also one of the most misunderstood. Why is that? There are three main reasons: First, there are hundreds of Law of Attraction books available, and most either rehash the same information or completely differ on what they teach, which results in confusion. Second, the big-name "experts" on the Law of Attraction never teach the real secrets in their books, as they mainly try to convince you to enroll in their expensive courses, which supposedly teach the real secrets. And lastly, the majority of Law of Attraction books are either motivational and/or inspirational while lacking practicality. In this economic recession, people more than ever need the Law of Attraction to find a new job, earn

more money, or simply to improve their lives. What exactly is the Law of Attraction? Plain and simple, it is the process of tapping into the hidden powers of our subconscious mind to "manifest" what we desire into our physical reality. Total Law Of Attraction explains in plain language that it's our emotions, not so much our thoughts, that play a greater role in attracting what we want. Total Law Of Attraction avoids the need to search through many different Law of Attraction books to get the most important information. In one book, Dr. David Che has made the most powerful secrets of the Law of Attraction accessible for any individual who seeks them.

When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In The School of Greatness, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.
