The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called The Kybalion. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in Divine Magic, Doreen Virtue presents a clear, edited version of The Kybalion, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.

Enthralled with the possibility of time travel and time machines, we long for the future or regret our past and wish for a way to break out of the linear progression of time. Behind all of this time fascination and obsession is the human urge to manage our destiny and feel in control of our world. Yet the secret to escaping temporal bondage is inside each of us, a soul-given power to visit the past or future and travel through the present at the speed of light. Exploring the 7 secrets of time, Von Braschler reveals how to break free from the physical world and travel through time and space via the energy body. He examines time, timelessness, and time travel from the viewpoint of mystics, shamanic dreamwalkers, and scientists, including Helena Blavatsky, C. W. Leadbeater, Albert Einstein, and Julian Barbour, as well as Hindu spiritual science. Explaining how transcending the physical body offers new hope for the treatment of illness, emotional problems, and addictions, he offers step-by-step instructions and active, out-of-body exercises to develop your time travel abilities and explore the world of energy and spirit. Emphasizing the spiritual wholeness that comes from energy body work, he shows that by visiting the past and the future we can more fully live in the now.

The lies told in the Garden, you shall not die and you will become wise like God, (become a god), are the foundational pillars of paganism/nature worship. From these religions many proclaimed healing methods which are not based on known science have evolved. They are a component of pagan spirituality, not some healing modality accidentally discovered. Such healing practices are the right arm for evangelism in the Neo-PaganNew Age movement. The devil, by deception, offers his counterfeit system of healing to entice man to give him the honor and worship due only to Jesus Christ the Divine Son of God. Many are deceived into believing that there is no spiritual danger in partaking of these proclaimed healing practices This book exposes the terrible spiritual dangers posed by the New Age holistic health movement, which combines valid healing remedies with various mystical healing arts. Valuable insights are given herein into the traps of the paranormal from a Christian perspective. Today there many who are more interested in health at any cost than Gods will at any price.
