A young shepherd boy has found a way to amuse himself. Again and again he yells to the villagers that there is a wolf – even though there is not. 'The Shepherd's Boy and the Wolf' is a famous fable by Aesop. Aesop's fables feature animals, legendary creatures, plants, inanimate objects, or forces of nature that speak, solve problems, and generally have human characteristics. All the stories story lead to a particular moral lesson. Aesop (620–564 BCE) was a storyteller that was believed to have lived in Ancient Greece. He is celebrated for a number of fables now collectively known as Aesop's Fables. In the few scattered sources about his life, Aesop was described as a slave who by his cleverness acquires freedom and becomes an adviser to kings and city-states. Although Aesop's existence remains unclear, numerous tales credited to him were gathered across the centuries and in many languages in a storytelling tradition that continues to this day.

The Shepherd of Hermas was one of the most popular books--if not the most popular book--in the Christian Church during the second, third and fourth centuries. Believed by the early Christians to have been the work of the Hermas referred to by the Apostle Paul in his letter to the Romans, this book was regarded as inspired Scripture by many and even included in several of the early canons. At the very least, the historical and universal acclaim of this work by those who were still burning with the recent fire of Pentecost demands a serious consideration of the message it gives to us; a message that, after nearly two thousand years, still exhales the prophetic fragrance of the ancient, apostolic faith. This version has been updated into modern language for a new generation to rediscover this captivating work of the early Church.

The Kingdom of Lower Egypt has been occupied for a hundred years by the Shepherd Kings, the Hyksos, conquerors from the East who came with horses and dreadful war chariots to crush the foot soldiers of Pharaoh. All of Lower Egypt is occupied by foreign lords, including the ancient household of The Sun Ascendant, where a young woman named Iry was once the lady of the holding and is now a slave. But there is a change in the wind--the holding has passed to the son of a woman of a Far-Eastern tribe, a Priestess of Horse Goddess, and with him comes the living incarnation of the Goddess, the White Mare. The Mare has driven her people to Egypt in the wake of the foreign kings and, to the horror of the invaders, chooses Iry to be her Servant and Chief Priestess. And now the Pharaoh Ahmose, who still rules the Upper Kingdom, will move to take back the Lower Kingdom by making a two-fold alliance: with the seafaring empire of Crete, and with Horse Goddess herself.

One of the most striking representations of Jesus in the scriptures is that of a shepherd. Based on John 10's statement that He is the Good Shepherd, this series of eight lessons teaches youngsters of Jesus' unflinching love and care (even to the point of death on the cross). Like all of her previous collections, each children's message is accompanied by a two-sided activity page -- one side that's a coloring page for younger children, and the other with numerous puzzles and activities to reinforce the lesson's theme for older children. Bland has a well-earned reputation for biblical faithfulness, creativity, and practicality. Busy pastors and teachers have found her ready-to-use materials just what they need for their children's time -- we know you'll love her latest release! "The Shepherd And His Sheep is insightful, simple, and creative. But most important is the depth of spirituality that is presented which will engage the mind and heart of a child. Although specifically designed with children in mind, Bland's messages recover the significance of Jesus' statement that unless we come to him as a child, we will miss the kingdom of God. This collection of sermons and activities will call the child in each one of us to be in the presence of the Good Shepherd." Steven M. Marsh Dean of Chapel and Spiritual Formation Assistant Professor of Religion and Philosophy Sterling College During nearly 50 years as a pastor's wife, Julia Bland has taught church groups of all ages from children through senior adults. She has been active in United Methodist Women and served as district chairperson of Global Concerns as well as Publicity and Public Relations. Bland's award-winning oil, watercolor, and pen and ink artwork has appeared in private and public collections.

"It's bloody marvelous." - Helen Macdonald, New York Times bestselling author of H IS FOR HAWK The Instant #1 International Bestseller Some people's lives are entirely their own creations. James Rebanks' isn't. The first son of a shepherd, who was the first son of a shepherd himself, his family have lived and worked in the Lake District of Northern England for generations, further back than recorded history. It's a part of the world known mainly for its romantic descriptions by Wordsworth and the much loved illustrated children's books of Beatrix Potter. But James' world is quite different. His way of life is ordered by the seasons and the work they demand. It hasn't changed for hundreds of years: sending the sheep to the fells in the summer and making the hay; the autumn fairs where the flocks are replenished; the grueling toil of winter when the sheep must be kept alive, and the light-headedness that comes with spring, as the lambs are born and the sheep get ready to return to the hills and valleys.

The Shepherd's Life the story of a deep-rooted attachment to place, modern dispatches from an ancient landscape that describe a way of life that is little noticed and yet has profoundly shaped the landscape over time. In evocative and lucid prose, James Rebanks takes us through a shepherd's year, offering a unique account of rural life and a fundamental connection with the land that most of us have lost. It is a story of working lives, the people around him, his childhood, his parents and grandparents, a people who exist and endure even as the culture - of the Lake District, and of farming - changes around them. Many memoirs are of people working desperately hard to leave a place. This is the story of someone trying desperately hard to stay.

The training of church leaders has been one of my main areas of contribution to church growth in the church in Yaounde. Burdened with the need for competent pastors for the growing number of House Churches in the city of Yaounde, I gave these lessons on leading a House Church to about 800 leaders in training. The course took place on two weekends. The lessons of the first and second weekends are here presented, as much as possible, as they were spoken that weekend, having been compiled from notes taken during the course and completed from the taped messages. They are written just as they were spoken, with very limited editing by the author. We send them out with a heart cry that they contribute to produce the type of leaders that are needed for the Lord's flock on the eve of His imminent return.

Leaders in the church are called to be shepherds, not a board of directors. This requires involvement in a personal shepherding ministry among the people. The Shepherd Leader unpacks the four primary ministries of shepherds-knowing, feeding, leading, and protecting-on macro (church-wide) and micro (personal) levels, providing seven elements to be incorporated into an effective shepherding plan. Christmas Eve, 1957: An RAF pilot needs a miracle to make it home as his fighter jet begins to fail, in a story by the #1 New York Times–bestselling author. It is Christmas Eve, 1957, and there are cozier places to be than the cockpit of a de Havilland Vampire fighter plane. But for the Royal Air Force pilot who has just taken off from West Germany, this single-seat jet is the only way to make it back to England for Christmas morning. His flight plan is simple; the fuel tank is full. In sixty-six minutes, he will be back in Blighty. But then the plane begins to fail. First the compass goes haywire, then the radio dies. Lost and alone above the English coast, the pilot is searching for a landing strip when the fog closes in, signaling certain death. He has given up hope when a second shadow appears—a Mosquito fighter-bomber of World War II vintage. The plane is a “shepherd,” guiding the Vampire to a safe landing, and its appearance is a gift from fate, a miracle out of time—but for one lonely pilot, the mystery has just begun. A classic bestseller, beloved by aviation fans (including actor John Travolta, who calls it “one of my favorites because it personalizes the two planes”) and general readers alike, The Shepherd is a gripping, heartwarming tale for a cold winter's night.

David Sanders was a shepherd who tended his flocks on Salisbury Plain, England, during the eighteenth century. Mr. Johnson, who was Hannah More's friend Dr. Stonhouse, found him to be an intriguing man of faith because of his humble and peaceful attitude about life, while having modest material wealth. This true narrative was very popular when written and is filled with the thoughtful insights of a simple man with an old family Bible. This edition includes a biography of Hannah More by Henry Johnson, short memoirs of both David Sanders and Dr. Stonhouse, and a letter written by David Sanders. It also includes the short story "'Tis All for the Best," by Hannah More. He delighted in his occupational counterparts like Moses, David and other shepherds. A quote from the book: "It was to shepherds keeping their flocks by night, that the angels appeared in Bethlehem, to tell the best news, the gladdest tidings, that ever were revealed to poor sinful men; often and often has the thought warmed my poor heart in the coldest night, and filled me with more joy and thankfulness than the best supper could have done."

A familiar, beloved rhyme scheme paired with a fresh perspective on the Christmas story, The Shepherd's Story provides readers with a profound experience alongside a courageous shepherd boy who is

searching for meaning in life. Together with the shepherd, readers connect the birth of Christ with their own human experience, learning that one child—a single person—has the possibility of making an extraordinary difference in the world. In the loving arms of his parents, Jesus represents every newborn—and through the shepherd's eyes, parents and children alike recognize Jesus' promise of abundant life and infinite love. Come along with the curious young shepherd to explore the human and divine natures of the birth of Jesus—and through this shepherd's witness, discover the wonder, majesty, and promise of all human life.

DAVID, the Shepherd King is the story of the greatest king of Israel. The complexities of his life are staggering. He shepherded both sheep and people. He was an empire builder but a failed parent. His name appears more than a thousand times in the Bible, more than any other individual. Above all, he was faithful to his calling as the mashiach, the anointed one of the Lord God.
