

The Short Second Life Of Bree Tanner

THE #1 FRENCH BESTSELLER MORE THAN 3 MILLION COPIES SOLD WORLDWIDE The feel-good #1 bestselling French novel about a woman whose mission to cure her "routine-itis" leads her to lasting joy and true fulfillment, for fans of *The Alchemist* and *Hector and the Search for Happiness*. At thirty-eight and a quarter years old, Paris native Camille has everything she needs to be happy, or so it seems: a good job, a loving husband, a wonderful son. Why then does she feel as if happiness has slipped through her fingers? All she wants is to find the path to joy. When Claude, a French Sean Connery look-alike and routinologist, offers his unique advice to help get her there, she seizes the opportunity with both hands. Camille's journey is full of surprising escapades, creative capers, and deep meaning, as she sets out to transform her life and realize her dreams one step at a time...

As Odd journeys through California and Nevada after a vision about the murders of three children, he befriends a series of eccentric helpers who become allies in a battle against a sociopath and a network of killers.

A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition *Auschwitz*, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

Is Nick Allen a troublemaker? He really just likes to liven things up at school -- and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his

best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

THREE STARRED REVIEWS "Remarkable."--VOYA "Genre-defying."--Booklist "Deeply compelling."--BCCB "A beautiful, moving, and thoughtful story about how far we're willing to go for family." -Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* Vera Rivers' life is split in two: before her twin sister Ava disappeared twelve years ago and after. Before was hot Junes and ice cream trucks, dancing in sprinklers, loud Christmas mornings and pancakes on Saturdays. The after is everything else: police officers, investigators, tips, theories, leads, but never any answers. The case made headlines, shocked Vera's Northern California community, and turned her family into tragic celebrities. Now, at eighteen, Vera is counting down the days until she starts her new life at college in Portland, Oregon, far away from the dark cloud she and her family have lived under for twelve years. But all that changes when a girl shows up at the local hospital. Her name is Ava Rivers and she wants to go home. Ava's return begins to mend the fractures in the Rivers family. Vera and Ava's estranged older brother returns. Vera reconnects with Max, the sweet, artistic boy from her childhood. Their parents smile again. But the questions remain: Where was Ava all these years? And who is she now? Powerful and gripping, *The Second Life of Ava Rivers* is equal parts thriller, mystery, and haunting meditation on grief, family, and forgiveness.

Lily has grown up believing she accidentally killed her mother when she was four. She not only has her own memory of holding the gun, but her father's account of the event. Now fourteen, she yearns for her mother, and for forgiveness. Living on a peach farm in South Carolina with her father, she has only one friend: Rosaleen, a black servant whose sharp exterior hides a tender heart. South Carolina in the sixties is a place where segregation is still considered a cause worth fighting for. When racial tension explodes one summer afternoon, and Rosaleen is arrested and beaten, Lily is compelled to act. Fugitives from justice and from Lily's harsh and unyielding father, they follow a trail left by the woman who died ten years before. Finding sanctuary in the home of three beekeeping sisters, Lily starts a journey as much about her understanding of the world, as about the mystery surrounding her mother.

A NEW YORK TIMES EDITORS' PICK • A TODAY SUMMER READING LIST PICK • AN ENTERTAINMENT WEEKLY BEST DEBUT OF SUMMER PICK • A PEOPLE BEST BOOK OF SUMMER PICK A poetic and raw coming-of-age memoir about Blackness, masculinity, and addiction "Punch Me Up to the Gods" obliterates what we thought were the limitations of not just the American memoir,

but the possibilities of the American paragraph. I'm not sure a book has ever had me sobbing, punching the air, dying of laughter, and needing to write as much as Brian Broome's staggering debut. This sh*t is special." —Kiese Laymon, New York Times bestselling author of Heavy "Punch Me Up to the Gods is some of the finest writing I have ever encountered and one of the most electrifying, powerful, simply spectacular memoirs I—or you—have ever read. And you will read it; you must read it. It contains everything we all crave so deeply: truth, soul, brilliance, grace. It is a masterpiece of a memoir and Brian Broome should win the Pulitzer Prize for writing it. I am in absolute awe and you will be, too."

—Augusten Burroughs, New York Times bestselling author of Running with Scissors Punch Me Up to the Gods introduces a powerful new talent in Brian Broome, whose early years growing up in Ohio as a dark-skinned Black boy harboring crushes on other boys propel forward this gorgeous, aching, and unforgettable debut. Brian's recounting of his experiences—in all their cringe-worthy, hilarious, and heartbreaking glory—reveal a perpetual outsider awkwardly squirming to find his way in. Indiscriminate sex and escalating drug use help to soothe his hurt, young psyche, usually to uproarious and devastating effect. A no-nonsense mother and broken father play crucial roles in our misfit's origin story. But it is Brian's voice in the retelling that shows the true depth of vulnerability for young Black boys that is often quietly near to bursting at the seams. Cleverly framed around Gwendolyn Brooks's poem "We Real Cool," the iconic and loving ode to Black boyhood, Punch Me Up to the Gods is at once playful, poignant, and wholly original. Broome's writing brims with swagger and sensitivity, bringing an exquisite and fresh voice to ongoing cultural conversations about Blackness in America.

Five amazing authors. Five unforgettable stories. In this exciting collection of paranormal tales, best-selling authors Stephenie Meyer (Twilight), Kim Harrison (Once Dead, Twice Shy), Meg Cabot (How to Be Popular), Lauren Myracle (ttyl), and Michele Jaffe (Bad Kitty) take prom mishaps to a whole new level—a truly hellish level. Wardrobe malfunctions and two left feet don't hold a candle to discovering your date is the Grim Reaper—and he isn't here to tell you how hot you look. From angels fighting demons to a twisted take on getting what you wish for, these five stories will entertain better than any DJ in a bad tux can. No corsage or limo rental necessary. Just good, creepy fun.

I turned off my brain. It was time to hunt. I took a deep breath, drawing in the scent of the blood inside the humans below. They weren't the only humans around, but they were the closest. Who you were going to hunt was the kind of decision you had to make before you scented your prey. It was too late now to choose anything. Bree Tanner can barely remember life before she had uncannily powerful sense, superhuman reflexes and unstoppable physical strength. Life before she had a relentless thirst for blood. . . life before she became a vampire. All Bree knows is that living with her fellow newborns has few certainties and even fewer rules: watch you back, don't draw attention to yourself and, above all, make it home by sunrise or die. What she doesn't know: her time as an immortal is quickly running out. Then Bree finds an unexpected friend in Diego, a newborn just as curious as Bree about their mysterious creator, whom they

know only as her. As they come to realize that the newborns are pawns in a game larger than anything they could've imagined, Bree and Diego must choose sides and decided whom to trust. But when everything you know about vampires is based on a lie, how do you find the truth? In an irresistible combination of danger, mystery and romance, Stephenie Meyer tells the devastating story of the newborn army as they prepare to close in on Bella Swan in the Cullens, following their encounter to its unforgettable conclusion.

Is it possible to start afresh when you're thoroughly weighted down? A "timeless and entirely of-the-moment" (Publishers Weekly) novel from the author of *The Secret Language of Girls*. Seventeen pounds. That's the difference between Abigail Walker and Kristen Gorzca. Between chubby and slim, between teased and taunting. Abby is fine with her body and sick of seventeen pounds making her miserable, so she speaks out against Kristen and her groupies—and becomes officially unpopular. Embracing her new status, Abby heads to an abandoned lot across the street and crosses an unfamiliar stream that leads her to a boy who's as different as they come. Anders is homeschooled, and while he's worried that Abby's former friends are out to get her, he's even more worried about his dad, a war veteran home from Iraq who is dangerously disillusioned with life. But if his dad can finish his poem about the expedition of Lewis and Clark, if he can recapture the belief that there can be innocence in the world, maybe he will be okay. As Abby dives into the unexpected role as research assistant, she just as unexpectedly discovers that by helping someone else find hope in the world, there is plenty there for herself, as well.

Family secrets, terrorist plots and the return of a legendary cop: a ferociously paced noir thriller from one of Italy's top crime writers, and the second book in Pushkin Press's collaboration with Walter Presents Annibale Canessa didn't want to go back to his old life. When everything went wrong in 1984, he traded his brutal, exciting career in the Carabinieri for paradise in San Fruttuoso. He started swimming in the bay at dawn and helping his elderly aunt run a small restaurant. His life was calm. But some shattering news pulls him back in - his estranged brother has been found dead; lying beside him, the body of an ex-terrorist, a man Canessa himself caught. Back in Milan, Canessa must pursue old connections and unsolved crimes, which draw him ever deeper into the underworld he thought he'd left behind...

Haunting and atmospheric, this debut novel portrays the heartbreak, hardship and moments of surprising grace in the life of a man struggling to realize his destiny. A young man of astonishing promise when he emigrated from Ghana in 1955, Samuel Tyne was determined to accomplish great things. Fifteen long years later, he's an insignificant government employee who hates his job when he unexpectedly inherits his uncle's crumbling mansion in Aster, Alberta. Despite his wife's resistance and the sullen complaints of his thirteen-year-old twin daughters, Samuel quits his job and moves his family to the town. For here, he believes, is that fabled second chance, and he is determined not to fail again. At first, Aster seems perfect — to Samuel, the formerly all-black town represents the return to a communal, idyllic way of life. But he soon discovers the town's problems: a history of in-fighting, a strict town council and a series of mysterious fires that put all the townsfolk on edge. When his daughters cease speaking and refuse to explain their increasingly strange behaviour, Samuel turns more and more to the refuge of his electronics shop. As his ambitions intensify, the life he has struggled so hard to improve begins to disintegrate around him, and a dark current of menace in the town is turned upon the Tyne family.

The multi-million bestselling novel about a young girl's journey towards healing and the transforming power of love, from the award-winning author of *The Invention of Wings* and *The Book of Longings* Set in South Carolina in 1964, *The Secret Life of Bees* tells the story of Lily Owens, whose life has been shaped around the blurred memory of the afternoon her mother was killed. When Lily's fierce-hearted black "stand-in mother," Rosaleen, insults three of the deepest racists in town, Lily decides to spring them both free. They escape to Tiburon, South

Carolina--a town that holds the secret to her mother's past. Taken in by an eccentric trio of black beekeeping sister, Lily is introduced to their mesmerizing world of bees and honey, and the Black Madonna. This is a remarkable novel about divine female power, a story that women will share and pass on to their daughters for years to come.

The brand new second volume of the biography of one of Australia's richest, most active and most influential men, Frank Lowy - an extraordinary story of challenge and achievement. Depending on the day, Frank Lowy is either the richest or the second richest man in Australia. His story - from refugee to multi-billionaire - has become part of Australian folklore. Now in his mid 80s, Frank Lowy is still a juggernaut. Since 2000, when his first biography, the bestselling *Pushing the Limits*, was published, he's kept pushing ahead. Rather than retreating into retirement, Frank Lowy has in fact achieved more in his 'second life' than most do in a lifetime. He has turned Westfield into one of the largest retail property company in the world, dominating retail in London and Australia. He transformed Australian soccer from an insolvent shambles to a profitable mainstream sport. He created Australia's first foreign policy think tank, the Lowy Institute, which has had an impact on the world stage. When his son faced an incurable eye disease, Lowy responded by establishing an international institute to research the disease. Finally, he completed some long unfinished spiritual business by finding an extraordinary way to 'bury' his father, while commemorating the half a million Hungarian Jews who perished at Auschwitz-Birkenau. Although he continued to drive Westfield to be ever more profitable, personal wealth was not a motivator in Lowy's second life. It was all about intangible enrichment, of himself and of others. Covering his successes and failures, the controversies and the triumphs, *Frank Lowy: A Second Life* gives rare insight into this extraordinary man, his strategies, his pain and his achievements. 'Creative non-fiction at its very best ... Margo has approached [Lowy's life] as would a story-teller. And this approach makes *A Second Life* one of the most enjoyable biographies it's possible to read. This is biography on steroids, as entertaining as a good novel, as informative as an encyclopaedia.' *Jewish News*

Learn about shapes the Montessori way with this line of board books following the world-leading educational approach, *THE MONTESSORI METHOD!* Montessori education values the development of the whole child--physically, socially, emotionally, and cognitively. Learn more with *THE MONTESSORI METHOD: MY FIRST BOOK OF FEELINGS*, *MY FIRST BOOK OF NUMBERS*, and *MY FIRST BOOK OF FARM ANIMALS*.

As the love triangle heats up in the third book, Bella must choose between her friendship with Jacob and her romance with Edward -- and her decision could change the fate of vampires and werewolves forever. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob -- knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation quickly approaching, Bella has one more decision to make: life or death. But which is which? It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- *Time* "A literary phenomenon." -- *The New York Times*

The Short Second Life of Bree Tanner An Eclipse Novella Little, Brown Books for Young Readers

The glamorous world of a silent film star's wife abruptly crumbles when she's forcibly quarantined at the Carville Lepers Home in this page-turning story of courage, resilience, and reinvention set in 1920s Louisiana and Los Angeles. Based on little-known history, this timely book will strike a chord with readers of Fiona Davis, Tracey Lange, and Marie Benedict. Based on the true story of America's only leper colony, *The Second Life of Mirielle West* brings vividly to life the Louisiana institution known as Carville, where thousands of people were stripped of their civil rights, branded as lepers, and forcibly quarantined throughout the entire 20th century. For Mirielle West, a 1920's socialite married to a silent film star, the isolation and powerlessness of the Louisiana Leper Home is an unimaginable fall from her intoxicatingly chic life of bootlegged champagne and the star-studded parties of Hollywood's Golden Age. When a doctor notices a pale patch of skin on her hand, she's immediately branded a leper and carted hundreds of miles from home to Carville, taking a new name to spare her family and famous husband the shame that accompanies the disease. At first she hopes her exile will be brief, but those sent to Carville are more prisoners than patients and their disease has no cure. Instead she must find community and purpose within its walls, struggling to redefine her self-worth while fighting an unchosen fate. As a registered nurse, Amanda Skenandore's medical background adds layers of detail and authenticity to the experiences of patients and medical professionals at Carville – the isolation, stigma, experimental treatments, and disparate community. A tale of repulsion, resilience, and the Roaring '20s, *The Second Life of Mirielle West* is also the story of a health crisis in America's past, made all the more poignant by the author's experiences during another, all-too-recent crisis. PRAISE FOR AMANDA SKENANDORE'S BETWEEN EARTH AND SKY "Intensely emotional...Skenandore's deeply introspective and moving novel will appeal to readers of American history."

—Publishers Weekly

This stunning set, which includes *Twilight*, *New Moon*, *Eclipse*, *Breaking Dawn*, and *The Short Second Life of Bree Tanner: An Eclipse Novella*, is the perfect gift for fans of the bestselling vampire love story. Newly turned vampire Bree Tanner lives in terror -- and must find her way out of untold danger -- in this pulse-pounding novella, a companion to *Eclipse*. Bree Tanner, a self-described "vampire nerd" first introduced in *Eclipse*, lives in terror in a coven of newborn vampires. She is a member of Victoria's vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one for the books. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight*

with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon."
-- The New York Times

Melanie Stryder refuses to fade away. The earth has been invaded by a species that take over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading "soul" who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves -- Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love. Featuring what may be the first love triangle involving only two bodies, *The Host* is a riveting and unforgettable novel that will bring a vast new readership to one of the most compelling writers of our time.

On a remote island estate, Annaleigh Thaugas, the sixth-born of twelve sisters, enlists the aid of an alluring stranger to unravel the family curse before it claims her life in this twist on *The Twelve Dancing Sisters*.

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in *Twilight*, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times Bestseller An instant #1 USA Today Bestseller An instant #1 Wall Street Journal Bestseller An instant #1 IndieBound Bestseller Apple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- New York Times

Fifteen-year-old Ana has a good life--she has friends and a boy she likes and a kind mother--but still, she's haunted by her past; she knows that she lived once before as Emma and still misses her old family. When, by chance in her life now, she meets a woman she knew then, a terrifying memory flashes through her mind of a young girl drowning. Was Emma responsible? And should Ana pay the price? Consumed by guilt, Ana sets out to find out as much as possible about the person she was before and what she had done, only to discover that the family she misses so deeply had dark secrets of its own. To come to terms with her life now, she finally figures out how to let go of the past.

It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

Millions of people around the world today spend portions of their lives in online virtual worlds. *Second Life* is one of the largest of these virtual worlds. The residents of *Second Life* create communities, buy property and build homes, go to concerts, meet in bars, attend weddings and religious services, buy and sell virtual goods and services, find friendship, fall in love--the possibilities are endless, and all encountered through a computer screen. At the time of its initial publication in 2008, *Coming of Age in Second Life* was the first book of anthropology to examine this thriving alternate universe. Tom Boellstorff conducted more than two years of fieldwork in *Second Life*, living among and observing its residents in exactly the same way anthropologists traditionally have done to learn about cultures and social groups in the so-called real world. He conducted his research as the avatar "Tom Bukowski," and applied the rigorous methods of anthropology to study many facets of this new frontier of human life, including issues of gender, race, sex, money, conflict and antisocial behavior, the construction of place and time, and the interplay of self and group. *Coming of Age in Second Life* shows how virtual worlds can change ideas about identity and society. Bringing anthropology into territory never before studied, this book demonstrates that in some ways humans have always been virtual, and that virtual worlds in all their rich complexity build upon a human capacity for culture that is as old as humanity itself. Now with a new preface in which the author places his book in light of the most recent transformations in online culture, *Coming of Age in Second Life* remains the classic ethnography of virtual worlds.

From the New York Times bestselling author of *Before I Go to Sleep*, a sensational new psychological thriller about a woman with a secret identity that threatens to destroy her. How well can you really know another person? How far would you go to find the truth about someone you love? When Julia learns that her sister has been violently murdered, she must uncover why. But Julia's quest quickly evolves into an alluring exploration of own darkest sensual desires. Becoming involved with a dangerous stranger online, she's losing herself . . . losing control . . . perhaps losing everything. Her search for answers will jeopardize her marriage, her family, and her life. A tense and unrelenting novel that explores the secret lives people lead—and the dark places in which they can find themselves—*Second Life* is a masterwork of suspense from the acclaimed S. J. Watson.

For fans of the worldwide phenomenon Twilight comes a bold reimagining of Stephenie Meyer's novel, telling the classic love story but in a world where the characters' genders are

reversed. There are two sides to every story . . . You know Bella and Edward, now get to know Beau and Edythe. When Beaufort Swan moves to the gloomy town of Forks and meets the mysterious, alluring Edythe Cullen, his life takes a thrilling and terrifying turn. With her porcelain skin, golden eyes, mesmerizing voice, and supernatural gifts, Edythe is both irresistible and enigmatic. What Beau doesn't realize is the closer he gets to her, the more he is putting himself and those around him at risk. And, it might be too late to turn back . . . With a foreword and afterword by Stephenie Meyer, this compelling reimagining of the iconic love story is a must-read for Twilight fans everywhere. The series has been praised as New York Times and USA Today bestsellers, a Time magazine Best Young Adult Book of All Time, an NPR Best Ever Teen Novel, and a New York Times Editor's Choice. Enrapturing millions of readers since its first publication, Twilight has become a modern classic, leaving readers yearning for more. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Explore the making of the film *The Twilight Saga: Eclipse* in this ultimate visual companion, lavishly illustrated with full-color photos of the cast, locations, and sets. This beautiful paperback edition celebrates the onscreen creation of Stephenie Meyer's fascinating world, brought to life by critically acclaimed director David Slade. With never-before-seen images, exclusive interviews and personal stories, renowned author Mark Cotta Vaz takes you behind the scenes with cast and crew, uncovering intimate details of the filmmaking process.

"Fascinating...[Bamberger] knows the world of professional golf, and the pressures it exacts, like few others." —The Wall Street Journal It's one of the greatest comebacks of all time. And for Tiger Woods—his game, his body, and his life in shambles—getting back to the winner's circle was only half the story. Here's the rest of it. Tiger Woods's long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods's DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see.

That episode could have marked the beginning of Tiger's end. It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In *The Second Life of Tiger Woods*, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddie yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend's return. Packed with new information and graced by insight, Bamberger's story reveals how this iconic athlete clawed his way back to the top. Here you'll meet the people who have shaped and saved Tiger's life. It's a disparate group: a Florida police officer, an old friend from Tiger's boyhood, his girlfriend, his manager, his caddie. You'll go inside the ropes and see Tiger's interactions with fellow pros, with broadcasters and rules officials and Tour executives, with legends young (Rory McIlroy) and old (Jack Nicklaus) and in between (Fred Couples). On the Sunday before Masters Sunday, you'll join Tiger as he takes a long, slow, contemplative walk across Augusta National, and you'll be with him again seven days later in the splendid isolation of the tee at thirteen, in the rain, his right foot slipping while he swings his driver at 120 miles per hour. This is an intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden. In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. *The Second Life of Tiger Woods* is not only the saga of an exceptional man but also a celebration of second chances. Bamberger's bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.

The Twilight Saga series has entranced millions of readers around the world. Now all 5 books in the series, *Twilight*, *New Moon*, *Eclipse*, *Breaking Dawn* and *The Short Second Life of Bree Tanner*, are available in this deluxe white-edition paperback boxed set.

What if you could do it all again? *The Unusual Second Life of Thomas Weaver* is a Sci Fi/Metaphysical journey about time travel, second chances, what life was really like in the 1970s, and one man's chance at redemption. Thomas Weaver was an ordinary kid, coming of age in the seventies, when a tragedy changed his life. Forty years later, at the end of a life forever changed, Thomas gives up and takes his own life. He is surprised to immediately open his eyes and find himself back in his teenage bedroom, in his teenage body, with all memories intact. *The Unusual Second Life of Thomas Weaver* asks the question, "What would you do differently, if you could live your whole life over?" With a tragedy to avoid, a serial killer in training, a girl he grows close to, and trying to figure out why he has been given a second chance, there's a lot happening in Thomas Weaver's second life.

Two lives. Two loves. One impossible choice. From the #1 New York Times bestselling author of the Reese's Book Club Pick *One Day* in December . . . "I read *The Two Lives of Lydia Bird* in a single sitting. What a beautiful, emotional gift Josie Silver has given us."—Jodi Picoult Written with Josie Silver's trademark warmth and wit, *The Two Lives of Lydia Bird* is a powerful and thrilling love story about the what-ifs that arise at life's crossroads, and what happens when one woman is given a miraculous chance to answer them. Lydia and Freddie. Freddie and Lydia. They'd been together for more than a decade and Lydia thought their love was indestructible. But she was wrong. On Lydia's twenty-eighth birthday, Freddie died in a car accident. So now it's just Lydia,

and all she wants is to hide indoors and sob until her eyes fall out. But Lydia knows that Freddie would want her to try to live fully, happily, even without him. So, enlisting the help of his best friend, Jonah, and her sister, Elle, she takes her first tentative steps into the world, open to life—and perhaps even love—again. But then something inexplicable happens that gives her another chance at her old life with Freddie. A life where none of the tragic events of the past few months have happened. Lydia is pulled again and again through the doorway to her past, living two lives, impossibly, at once. But there's an emotional toll to returning to a world where Freddie, alive, still owns her heart.

Because there's someone in her new life, her real life, who wants her to stay.

In the explosive finale to the epic romantic saga, Bella has one final choice to make.

Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion,

Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

In the secluded town of Amity Falls, Ellerie has the chance to have her secret wishes come true, but there is a price to pay in this retelling of Rumpelstiltskin.

Soul Sisters by Lesley Lokko is a rich, intergenerational tale of love, race, power and secrets which centres on the lifelong friendship between two women: Scottish Jen McFadden and South African-born Kemisa Mashabane, known to her friends as Kemi. Since childhood, Jen and Kemi have lived like sisters in the McFadden family home in Edinburgh, brought together by a shared family history which stretches back generations. Kemi was educated in Britain alongside Jen and the girls could not be closer; nor could they be more different in the paths they take in life. But the ties that bind them are strong and complicated, and a dark family secret exists in their joint history. Solam Rhoysi is from South Africa's black political elite. Handsome, charismatic, charming, and a successful young banker, he meets both Kemi and Jen on a trip to London and sweeps them off their feet. Partly influenced by her interest in Solam, and partly on a journey of self-discovery, Kemi, now 31, decides to return to the country of her birth for the first time. Jen, seeking an escape from her father's overbearing presence, decides to go with her. In Johannesburg, it becomes clear that Solam is looking for the perfect wife to facilitate his soaring political ambitions. But who will he choose? All the while, the real story behind the two families' connection threatens to reveal itself – with devastating consequences . . .

Instant New York Times and Indie Bestseller! New York Times bestselling author Renée Ahdieh returns with a sumptuous, sultry and romantic new series set in 19th century New Orleans where vampires hide in plain sight. In 1872, New Orleans is a city ruled by the dead. But to seventeen-year-old Celine Rousseau, New Orleans is a safe haven after she's forced to flee her life as a dressmaker in Paris. Taken in by the sisters of the Ursuline convent in the middle of the carnival season, Celine is quickly enraptured by the vibrant city, from its music to its fancy soirées and even its danger. She becomes embroiled in the city's glitzy underworld, known as La Cour des Lions, after catching the eye of the group's enigmatic leader, Sébastien Saint Germain. When the body of one of the girls from the convent is found in Sébastien's own lair--the second dead girl to turn up in recent weeks--Celine battles her attraction to Sébastien and suspicions about his guilt along with the shame of her own horrible secret. After a third murder, New Orleans becomes gripped by the terror of a serial killer on the loose--one who has now set Celine in his sights. As the murderer stalks her, Celine finally takes matters into her own hands, only to find herself caught in the midst of an age-old feud between the darkest creatures of the night, where the price of forbidden love is her life. At once a sultry romance and a decadent, thrilling mystery, master storyteller Renée Ahdieh embarks on her most potent fantasy series yet.
