The extraordinary beginning of an epic series brimming with the unbridled action, adventure, and imagination that have made the name R. A. Salvatore synonymous with the best in fantasy! Jeff "Del" DelGuidice was proud of his assignment to the research submarine The Unicorn. But his mission had barely begun when the vessel was sucked into a mysterious underseas void where time stood still, before propelling it forward, through the centuries. The crew surfaced in a strange, magical world changed forever by nuclear holocaust. Here a race of angelic beings had taken pity on the remnants of humankind, offering a chosen few a precious second chance. Thus the Isle of Hope was raised from the poisoned seas and set like a jewel in Earth's ravaged crown. But the jewel had a flaw, a dark vein of evil. For a sinister expert of the mystical arts had embraced the forbidden third magic, the most deadly sorcery of all. Only Del could defeat it--a hero sworn to peace and fated to wield the dazzling power of the fourth magic. . .

In a dark future, when North America has split into two warring nations, 15-year-olds Day, a famous criminal, and June, the brilliant soldier hired to capture him, discover that they have a common enemy.P. Putnam's Sons.

New York Times and USA Today Bestseller! R. A. Salvatore returns with one of fantasy's most beloved and enduring icons, the dark elf Drizzt Do'Urden, in an all-new trilogy full of swordplay, danger, and imaginative thrills. Centuries ago, in the city of Menzoberranzan, the City of Spiders, the City of Drow, nestled deep in the unmerciful Underdark of Toril, a young weapon master earned a reputation far above his station or that of his poor house. The greater nobles watched him, and one matron, in particular, decided to take him as her own. She connived with rival great houses to secure her prize, but that prize was caught for her by another, who came to quite enjoy the weapon master. This was the beginning of the friendship between Zaknafein and Jarlaxle, and the coupling of Matron Malice and the weapon master who would sire Drizzt Do'Urden. R. A. Salvatore reveals the Underdark anew through the eyes of Zaknafein and Jarlaxle—an introduction to the darkness that offers a fresh view of the opportunities to

One last job: A job that would take him to Andorra, high in the Pyrenees, to a secret conference of 130 of the world's most powerful men and women, cloistered in a luxury hotel to discuss the future of the world. Among them, Stephen Plant, Andrew Ashkenazi and William Hughes; IT billionaires, believers in 'strong Ai'. Each one of them must die. Because their plans for humanity cannot be allowed to succeed. There was just one problem. It had to be done then, right then, with no planning and no intel. And only Harry Bauer could do that...
