THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING JANE HAWK SERIES Meet Jane Hawk—a remarkable new heroine certain to become an icon of suspense. “This gripping thriller grabs readers from the first few pages and sweeps them along to the rousing finale.”—Booklist “I very much need to be dead.” These are the chilling words left behind by a man who had everything to live for—but took his own life. In the aftermath, his widow, Jane Hawk, does what all her grief, fear, and fury demand: find the truth, no matter what. People of talent and accomplishment, people admired and happy and sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important—so terrifying—that they will exterminate anyone in their way. But all their power and viciousness may not be enough to stop a woman as clever as they are cold-blooded, as relentless as they are ruthless—and who is driven by a righteous rage they can never comprehend. Because it is born of love. Quinn Quicksilver was born a mystery--abandoned at three days old on a desert highway in Arizona. Raised in an orphanage, never knowing his parents, Quinn had a happy if unexceptional life. Until the day of "strange magnetism." It compelled him to drive out to the middle of nowhere. It helped him find a coin worth a lot of money. And it practically saved his life when two government agents showed up in the diner in pursuit of him. Now Quinn is on the run from those agents and who knows what else, fleeing for his life. During a shoot-out at a forlorn dude ranch, he finally meets his destined companions: Bridget Raining, a beauty as gifted in foresight as she is with firearms, and her grandpa Sparky, a romance novelist with an unusual past. Bridget knows what it's like to be Quinn. She's hunted, too. The only way to stay alive is to keep moving. Barreling through the Sonoran Desert, the formidable trio is impelled by that same inexplicable magnetism toward the inevitable. With every deeply disturbing mile, something sinister is in the rearview--an enemy that is more than a match for Quinn. Even as he discovers within himself resources that are every bit as scary.

A generation of children forced to live without words. It begins as a statistical oddity: a spike in children born with acute speech delays. Physically normal in every way, these children never speak and do not respond to speech; they don't learn to read, don't learn to write. As the number of cases grows to an epidemic level, theories spread. Maybe it's related to a popular antidepressant; maybe it's environmental. Or maybe these children have special skills all their own. *The Silent History* unfolds in a series of brief testimonials from parents, teachers, friends, doctors, cult leaders, profiteers, and impostors (everyone except, of course, the children themselves), documenting the growth of the so-called silent community into an elusive, enigmatic force in itself—alluring to some, threatening to others. Both a bold storytelling experiment and a propulsive reading experience, Eli Horowitz, Matthew Derby, and Kevin Moffett's *The Silent History* is at once thrilling, timely, and timeless.
