Presents a collection of recipes that are unique to the various regions of Tuscany.

More than 200 delicious classic and contemporary Italian vegetarian recipes from the acclaimed Silver Spoon kitchen The latest title to join Phaidon's Silver Spoon library features more than 200 recipes for Italian vegetarian dishes, with a particular emphasis on healthy meat-free options for appetizers, main dishes, salads, sides, and desserts. Recipes range from classic dishes that are traditionally vegetarian to contemporary dishes that introduce ingredients borrowed from outside Italy's culinary culture. The book is easy to navigate, thanks to its recipe icons, while gorgeous specially commissioned photographs bring its delicious dishes to life. At Least the Sheep are Happy is a true, unplanned account of what happened when I visited America and, for the most part, New Zealand throughout 2006. It incorporates humour and comedy sandwiched within the Kiwi bureaucratic framework and describes characters I met and places I visited, all written within a diary format.

A hilarious tale of two nursery-rhyme heroes on the run, from the award-winning creator of the Traction Man series! When the cow jumped over the moon, the dish ran away with the spoon . . . to seek fame and fortune in twentieth-century America. This is the never-before-told story of their exciting adventures out in the big world. How this famous nursery rhyme couple learns that crime doesn't pay—and love conquers all—is a treat for the whole family! Hand this to fans of Jon Scieszka and Lane Smith's The True Story of the Three Little Pigs or The Stinky Cheese Man. "This inventive tale of true love will sustain many re-readings by readers of all ages." —Publishers Weekly, Starred Hey-diddle-delightful." —Kirkus Reviews, Starred

Winner of the International Board on Books for Young People, Certificate of Honour, this story for young people teaches the lesson that honesty is the best policy. Ure comes from a poor but honest family, and works as a houseboy to pay his own school fees. Towards the end of his primary school days he is accused of stealing money. He is saved by the well-placed total trust of his parents and his teacher.

Have you ever felt your kids were spoiled or ungrateful? Are your children overly focused on material possessions? Do your kids really understand the value of money and how hard it is to earn it? Are you concerned about your children's initiative and level of achievement? Do you worry that your kids won't be able to make it on their own? If you answered yes to any of these questions, then you are not alone. Many parents, just like you, well know how to succeed financially, but are still left with nagging concerns about how their prosperity will affect their children. This book offers a vital new program based on the Five Immutable Laws of Financial Parenting, practical principles to guide your every decision when handling your kids and money. Filled with valuable self-assessment tools and corrective prescriptions, the book serves as a timely, compassionate guide that will help you raise happy, well-adjusted and financially secure children, no matter what their age or stage in life.

Doris Lessing's contemporary gothic horror story—centered on the birth of a baby who seems less than human—probes society's unwillingness to recognize its own brutality. Harriet and David Lovatt, parents of four children, have created an idyll of domestic

bliss in defiance of the social trends of late 1960s England. While around them crime and unrest surge, the Lovatts are certain that their old-fashioned contentment can protect them from the world outside—until the birth of their fifth baby. Gruesomely goblin-like in appearance, insatiably hungry, abnormally strong and violent, Ben has nothing innocent or infant-like about him. As he grows older and more terrifying, Harriet finds she cannot love him, David cannot bring himself to touch him, and their four older children are afraid of him. Understanding that he will never be accepted anywhere, Harriet and David are torn between their instincts as parents and their shocked reaction to this fierce and unlovable child whose existence shatters their belief in a benign world. The essential guide to raising financially responsible children. What parents say and do about money has a profound influence on children. Here are the eight behaviors of financially intelligent parents that will help families of all economic backgrounds raise fiscally responsible children.

India: The Cookbook is the first comprehensive guide to Indian cooking, with over 1,000 recipes covering every aspect of India's rich and colourful culinary heritage. Unlike many other Indian cookbooks, it is written by an Indian culinary academic and cookbook author who lives and works in Delhi, and the recipes are a true reflection of how traditional dishes are really cooked all over India. They have been carefully edited to ensure that they are simple to follow and achievable in western kitchens, with detailed information about authentic cooking utensils and ingredients. Indian food has been hugely popular in the UK for many years, and the appetite for Indian food shows no sign of diminishing. Now, for the first time, a definitive, wide-ranging and authoritative book on authentic Indian food is available, making it simple to prepare your favourite Indian dishes at home, alongside less well-known dishes such as bataer masalydaar (marinated quails cooked with almonds, chillies and green cardamom), or sambharachi kodi (Goan prawn curry with coconut and tamarind). The comprehensive chapters on breads, pickles, spice pastes and chutneys contain a wide variety of recipes rarely seen in Indian cookbooks, such as bagarkhani roti (a rich sweet bread with raisins, cardamom and poppy seeds) and tamatar ka achar (tomato and mustard-seed pickle). India: The Cookbook is the only book on Indian food you'll ever need.

The ultimate recipe resource: an indispensable treasury of more than 2,000 foolproof recipes and 150 test kitchen discoveries from the pages of Cook's Illustrated magazine. There is a lot to know about cooking, more than can be learned in a lifetime, and for the last 20 years we have been eager to share our discoveries with you, our friends and readers. The Cook's Illustrated Cookbook represents the fruit of that labor. It contains 2,000 recipes, representing almost our entire repertoire. Looking back over this work as we edited this volume, we were reminded of some of our greatest hits, from Foolproof Pie Dough (we add vodka for an easy-to-roll-out but flaky crust), innumerable recipes based on brining and salting meats (our Brined Thanksgiving Turkey in 1993 launched a nationwide trend), Slow-Roasted Beef (we salt a roast a day in advance and then use a very low oven to promote a tender, juicy result), Poached Salmon (a very shallow poaching liquid steams the fish instead of simmering it in water and robbing it of flavor), and the Ultimate Chocolate Chip Cookies (we brown the butter for better flavor). Our editors handpicked more than 2,000 recipes from the pages of the magazine to form this wide-ranging compendium of our greatest hits. More than just a great collection of foolproof recipes, The Cook's Illustrated Cookbook is also an authoritative cooking reference with clear hand-drawn illustrations for preparing the perfect omelet, carving a turkey, removing meat from lobsters, frosting a layer cake, shaping sandwich bread, and more. 150 test kitchen tips throughout the book solve real home-cooking problems such as how to revive tired herbs, why you shouldn't buy trimmed leeks, what you need to know about freezing and thawing chicken, when to rinse rice, and the best method for seasoning cast-iron (you can even run it through the dishwasher). An essential collection for fans of Cook's Illustrated (and any discerning cook), The Cook's Illustrated Cookbook will keep you cooking for a lifetime - and guarantees impeccable results.

Harry Johnson (1923–1977) was such a striking figure in economics that Nobel Laureate James Tobin designated the third quarter of the twentieth century as 'the age of Johnson'. Johnson played a leading role in the development and extension of the Heckscher-Ohlin model of international trade. Within monetary economics he was also a seminal figure who identified and explained the links between the ideas of the major post-war innovators. His discussion of the issues that would benefit from further work set the profession's agenda for a generation. This book chronicles his intellectual development and his contributions to economics, economic education and the discussion of economic policy. Following the huge success of *The Silver Spoon*, this edition, adapted especially for children, presents 40 authentic, quick, wholesome and easy-to-make Italian recipes that kids 10 and above will love to cook and eat.

A parent's guide to raising financially responsible children in an age of unprecedented wealth It is natural as parents that we want to give our children the best of everything. And in an age of unprecedented wealth and easy credit, upper- and middle-income parents can indulge that urge like never before. Yet, you have become alarmed over the impact this newfound affluence may be having on your children. You fear that through your generosity you are training your children to be greedy, selfish spendthrifts. The first parenting guide to focus exclusively on this increasingly sensitive topic, Silver Spoon Kids was coauthored by a psychotherapist who counsels people with money-related emotional problems and a lawyer specializing in estate planning.

Drawing upon their experiences as members of the renowned NYU Family Wealth Institute, they tell you how to talk to kids about money, how to teach them to handle it responsibly, and how to instill in your kids a sense of giving to their communities.

German Jürgen Todenhöfer, went out of his way to get an invitation to visit ISIS fighters in Mosul to ask them to explain their beliefs. This book is the result of his conversation. My Journey into the Heart of Terror: Ten Days in the Islamic States shows how the organisation grew from its al-Qaeda roots and takes a harsh look at the West's role in its past and today. Only by understanding, Todenhöfer believes, can we move forward and combat ISIS's radical, violent interpretation of Islam and the terror and destruction it brings.

John Galsworthy OM (1867-1933) was an English novelist and playwright. He is viewed as one of the first writers of the Edwardian era; challenging in his works some of the ideals of society depicted in the preceding literature of Victorian England. He won the Nobel Prize for literature in 1932. Notable works include The Forsyte Saga (1906-1921) and its sequels, A Modern Comedy and End of the Chapter. From the Four Winds was Galsworthy's first published work in 1897, a collection of short stories. These, and several subsequent works, were published under the pen name John Sinjohn and it would not be until The Island Pharisees (1904) that he would begin publishing under his own name. His first play, The Silver Box (1906) became a success, and he followed it up with The Man of Property (1906), the first in the Forsyte trilogy. Along with other writers of the time such as Shaw his plays addressed the class system and social issues, two of the best known being Strife (1909) and The Skin Game (1920).
