healthy, low-cal dishes with tons of flavor. Now, she brings her expertise to the game-changing air fryer appliance. Using high-powered, super hot, circulating air like a convection oven, air fryers crisp up your favorite "fried" foods with barely any oil needed. Cook times are shorter than traditional oven methods and the process requires little clean-up--meaning less time spent cooking and cleaning. In *The Skinnytaste Air Fryer Cookbook*, Gina shares 75 of her best recipes that work in every type of air fryer, including basket models and countertop ovens with air fryer settings. You'll of course find crave-worthy recipes for traditionally fried foods, such as Chicken-Vegetable Spring Rolls, Crispy Coconut Shrimp, Za'atar Chickpeas, and Pickle-Brined Chicken Tenders, but Gina also shows you how versatile the appliance can be. Perfectly roasted meats and vegetables like Korean Pork Lettuce Wraps, Roasted Fish with Lemon-Almond Crumbs, Sugar and Spice Acorn Squash, and Charred Sesame Green Beans, along with baked goods like Homemade Bagels and Cinnamon Rolls with Cream Cheese Icing are all executed beautifully in the compact air fryer. For those of us with a sweet tooth, *The Skinnytaste Air Fryer Cookbook* even offers low-cal desserts, including Churros, Very Berry Mini Pie, and Baked Apples with Streusel Topping. Many dishes are vegetarian, gluten-free, and keto-friendly--all called out with helpful icons--and every recipe includes nutritional information (with the most up-to-date Weight Watchers points found on the blog).

We live in a world where beauty is everything. Society tells us that if we just looked a certain way, if we had the right products, if we were skinny enough, then we would be enough—we would have value. Society is wrong, but it took Katie H. Willcox years to understand this: "Over the course of my 30 short years, I have both worked as a professional model and been the exact opposite of our culture's beauty ideal. I have struggled with my weight and felt like I didn't and never would fit in. Then I had a powerful realization: my misery and self-loathing didn't change with my weight or how 'pretty' society thought I was, so my looks weren't the source of happiness and worth that I had believed them to be. But then, what was? And how

had I come to invest so much of myself in beliefs that were so untrue?" In these pages, Katie shares the lessons she learned in her journey to find the answers to these questions. She reveals who gains from our feeling small and why we need to examine the messages we receive from our culture and our families. She explains how we can redefine beauty, make healthy the new "skinny," and harness the power of our thoughts to choose self-love. Katie encourages us to discover our true magnificent selves, find our purpose, and pursue our dreams—and help others to do the same. Join the movement!
