

The Spirit Of Jezebel Beth Yahuwah A House Of Prayer

'The Tree of Knowledge of Good and Evil Revealed' is a journey into the true meaning, function, and purpose of the Tree of Knowledge. The author provides new scripture based insights into the matter helping the reader gain a clear understanding of the Tree of Knowledge's full significance. Included in the discussion is how the Tree of Knowledge affects man as whole mentally, spiritually, and physically; the role that it plays in the battle between good and evil; how it permeates every area of people activities; and its role in God's overall redemptive plan for creation.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

The Messages have been translated into many languages and have been distributed in book form all over the world since 1991.

She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

"The spirit of Jezebel has risen to power in our culture and infiltrated the Church. Her witchcraft has wreaked mass spiritual carnage through fear, manipulation, intimidation, and domination carried out by those who fall under her spell -- even those in leadership. Her wickedness has wounded and scarred countless believers, leaving them fearful, depressed, defeated, sick, and confused. Because of Jezebel, some have lost hope and aborted God's call on their lives. Her assault will continue until all of God's people are dead or defeated. Jezebel's bloodlust for death and destruction will only be stopped when met with spiritual violence. God's people must rise up in the power of the Holy Spirit to expose the spirit of Jezebel and her evil plans, gain authority, and war against her victoriously." --P.[4] of cover.

The Three Degrees of the Jezebel Spirit: Extreme, Moderate, and Lesser The Extreme degree of the Jezebel Spirit is the highest possible degree. This includes leadership or any person speaking on behalf of the evil one, someone who is pure evil, or one who does evil things without reason. It includes the Authority of the Rod, Astral Projection, and speaking curse words; it ultimately brings death. The Moderate degree: This degree is kept within reasonable limits and the behavior is not extreme or excessive. The practicing leadership or person appears so "sweet" or "perfect" but is deceitful and has a very flawed character that results from low confidence and low self-esteem often due to having been rejected. These leaders are able to fool others and recruit them to join them. Sometimes they can be very charming and charismatic but they are often sneaky. The Lesser degree: This degree of Jezebel spirit is not as severe or hurtful as the other degrees but the leadership still exerts undue control and employs deceit. At
