

The Spirit Of Python Exposing Satans Plan To Squeeze Life Out You Kindle Edition Jentezen Franklin

The Queen of Heaven is one of the wicked and daring principalities that Satan trusts very much. She is connected with virtually all evil. She is to Satan whom the Holy Spirit is to God. Her witchcraft is the most sophisticated in the list because she is in charge. She is the eternal partner of Satan. She is the direct executive of Satan. No department of Satan's kingdom can act without her knowledge. She is in possession of every sinner's file. Satan himself, in most cases cannot do much without this principality. Her office is next to that of Satan. She is the inspirer of all false doctrines. She is the overseer of dead churches and all evil groups, anti-God and anti-Christ organizations. She is the character builder of all evil men. Her chief ministry is to misinterpret, oppose and fight God and his people. This book exposes her mode of operation and how to defeat her with prayers.

We live in perilous times and face a fierce enemy. That enemy is the spirit of hate. This spirit is setting our government leaders, nations and families against each other. In addition, I expose the spirit of hate's role in keeping tensions alive between spouses, racial groups and nations. There are many other things one will learn in this book. There is provided a number of prayers within this book to remove the spirit of hate and hatred from one's life as well. Gain victory over the spiritual forces of the deep! What are "water spirits?" "Overflow" can be the norm for every believer in Jesus. It's our privilege as His people, our calling as His followers, and our power as His church. The Christian life is not intended to be about us striving to please God through our noble intentions, or attempting to serve Him in our own strength. Our lives can be an adventure of experiencing the power of God overflowing into our everyday lives through the power of the Holy Spirit. "We all need to live with the abundance of the Holy Spirit that has been given to us as a gift from God. Pastor Clint lives this life and I'm so grateful he wrote this book. May the Holy Spirit burst forth from its pages and saturate every part of our lives." - Brady Boyd, author of "Addicted to Busy" and "Sons & Daughters" "Overflow is one of the most simple, practical, and biblically based introductions to the Holy Spirit's nature and ministry I have ever read." - Dean Sherman, author of "Relationships" and "Spiritual Warfare"

New York Times best-selling author Jentezen Franklin is back with a message that will inspire you to break free and reclaim a life of passion, purpose, and praise.

In the early 1990s three friends sat together to practice the art of meditation. Soon they were joined by a wonderful lady, Olive, who was then in her early eighties. She had experienced phenomena at the age of five - "remote viewing". In her mind she could see events occurring far away and would tell her mother. On 18th May 1992 the friends had achieved a state of awareness for spirit to talk to them, Peter stood up for the first time. There then was the exciting first message - the first "Words from Spirit" of many more that followed.

Does God use "Verbal Abuse" to shape up our walk with Him; is it a TEST orchestrated by God? Is it a precursor to physical abuse? Lady Day was caught up in a "Verbal Abusive" lifestyle. Her triumph

INFINITE LOVE is a reminder to All of Where they have come from, Who they truly are, and How they may return to the Source of Infinite Love.

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

How does it happen? How does someone raised Roman Catholic find himself journeying to the spirit world, interacting with spirit guides, and performing soul retrievals? This book is Paul J. McAllister's answer to that question. What makes the book interesting is that, unlike many how-to shamanic books, My Journeys To The Spirit World focuses on the author's personal journeying experiences. Between June 2011 and June 2013 the author made approximately 200 journeys to the spirit world; journaling each visit immediately after it occurred. This book presents the thirty plus most memorable journeys. It includes details of his interactions with power animals and spirit guides, the intentions for each journey, and the beneficial results of contacting the spirit world. In Chapter One the author describes initial spirit contacts he had while vacationing in Hawaii in 2011. Back on the mainland two weeks later, Paul was awakened from a sound sleep by Hawaiian spirits and given the opportunity to follow a new path. He accepted their invitation. In Chapter Two, the author briefly describes his personal spiritual quest. Following Catholicism into adulthood, the author's life took a turn into alternative spiritual ideas including years spent studying Rosicrucianism, Buddhism, Transcendental Meditation, the Order of the Golden Dawn, and ultimately shamanic practice. Chapter Three relates

how he began journeying on his own. The author describes purchasing *Awakening to the Spirit World* by Sandra Ingeman and Hank Wesselman, reading their instructions on journeying, and using the accompanying CD to journey easily into and out of the spirit world. After several months, he decided to verify his experiences and signed up for a class titled "Introduction to Shamanic Journeying" by Lauren Torres, a certified teacher of shamanic practices. Chapters Four and Five describe the author's success in confirming his own experiences through that training. Paul describes his journeys during four shamanic training courses as well as his own personal journeys during this timeframe. The author uses Chapter Six as an introduction to the process of healing by describing his experiences during three years as a practitioner of chakra healing. This chapter also sets the stage for discussions of soul retrievals and soul retrieval training which are covered in Chapter Seven. Chapter Eight describes four soul retrievals and includes positive post retrieval comments from each of the clients. Chapter Nine discusses the use of drums, rattles, dreams, omens, other forms of divination, and how these tools compliment healing and soul retrievals. Chapter Ten focuses on a discussion of our outmoded definition of reality, the fact that journeying is the inherent right of all human beings, and how journeying will help us discover our individual purpose which in turn will help us implement the destiny of all humanity. *My Journeys To The Spirit World*, is not a dry, intellectual approach to shamanic journeying. Rather it is an exciting, sometimes emotional retelling of the author's personal view of the journeying process. It is the wonderful culmination of a life long spiritual search.

This book will allow you to experience, as you read, what it was like for this woman of God, as she graciously started ministry at just 18 1/2 years old. Elder, Evangelist, Della Clark, has been called, chosen, and appointed by God to go into all the world to preach the Gospel of Jesus Christ. She is equipped and anointed to finish the work that He has called her to do. This book is a great read, and as you peel back each page, you will begin to see, that, on her journey, she has made full proof of the ministry by the power of the Holy Spirit. Elder, Evangelist, Della Clark, boldly confesses with conviction that "No devil in hell can stop it" because her work and call into the ministry is ordained by God. And I thank Christ Jesus our Lord, who hath enabled me, for that, he counted me faithful, putting me into the ministry; 1Timothy 1:12KJV Authors note... Keep pressing on as you are courageous and free and never held back by fear, intimidation, or defeat. The battle belongs to the Lord, and He has the final victory...

PYTHON SPIRITS...WHAT ARE THEY? HOW TO IDENTIFY THEM AND DEFEAT THEM PERMANENTLY.The python spirit is the spirit of lies, deception and spiritual oppression of heaviness. It is also the spirit that empower people to practice divination, fortune telling, and visions that are not of God.In Genesis, it was this spirit that possessed the serpent to lie to Eve, twisting the Word of God and ultimately worked towards creating enmity between God and man. That's the ultimate goal of the python spirit. It will lie to your mind and create all manner of thoughts against God. It will try to convince you that God does not really care, otherwise, why would you be going through the kind of problems you are going through. It will remind you how much you have prayed, fasted and sowed seeds and yet have nothing to show for it. It will try to point you to other believers who are suffering and try to get you to reconsider your absolute faith in God. When you begin to get this kind of dialogue in your mind, recognise that the spirit of python has come to oppress you. Bind it and cast it into abyss, in Jesus name. There are also other ways that the python spirit operate. In this book, we will explore how this spirit can possess and oppress people and then deal with the demon and her children with the WORD of God. Beloved, arise and enforce your complete deliverance....TODAY...from anything that is not of God.

Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by tales of miracles and books of wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Read on, and discover the truth of **HOW GODS ARE MADE**.

An in depth manual for helping people who are or who feel attacked by spiritual forces (Catholic and ecumenical ministry in Africa and in multi-cultural settings). *Unseen Worlds* introduces a culturally sensitive approach to spiritual healing and deliverance that goes beyond "quick fixes". It does not divorce spiritual matters from corresponding human conditions, relationships and family issues. Religious beliefs in spiritual evil affect World Christianity in fundamental ways. This is true also in African settings, where the unseen world comes with a maze of pastoral problems for Christian communities and their pastors, which this book takes up: How to help people affected by witchcraft or demons How to intervene when witchcraft accusations rip communities apart How to help pupils who claim contact with occult forces While charismatic and Pentecostal deliverance ministries have made great inroads into African Christianity, addressing a felt need of many, unreflective ministries that follow in their wake easily perpetuate a vicious cycle of victimhood and blame. *Unseen Worlds* takes up spiritual attacks as challenges for spiritual growth. It responds to the old African (and non-African) pastoral challenge of witchcraft and spirits

with an approach that is person-centred, not demon-centred, always starting with the affected person's own experience and concepts. While the categories of "true" and "false" are not easily applied to spiritual attacks, any experience that touches a person on a deep level always has a spiritual dimension that this book explores and responds to. Case studies from Zambia demonstrate how a pastor can help with simple but meaningful steps even in very complex cultural situations. Readers ready to be challenged by relational experiences of life and African notions of selfhood will find an easy entry into the theme of this book that goes beyond the timeworn divide of the "real" versus the "superstitious". The book has been developed in dialogue with theologians, historians, psychologists, anthropologists, traditional healers, pastoral teams with extensive experience in the ministry of deliverance, and — most of all — with affected families, the subject group of the book. Its person-centred method is applicable beyond Africa to multi-cultural settings, where different ideas about the occult stay side by side. Gap filled by the book: The reader will find concrete pastoral steps towards a deliverance ministry that work with African insights into the mysteries of life, not against them. The authentic case studies show the complexities of the deliverance ministry, which are rarely noticed in the available "prayer manuals" in which demons are but prayed away. How will the book be read? The book covers seven topical themes: The first draws out the successes and failures of mainstream, inculturation and charismatic approaches of combating evil spiritual forces in Africa on the example of Christian Zambia. The second outlines the principles of the person-centred approach, with its demands of listening and empathy, and introduces the notions of "inner worlds" and "outer worlds" through which the healer/pastor can clarify different levels of truths and the scope for public action. The next three themes deal with helping people who are or see themselves as victims of spirits, witchcraft, and Satanism. Another theme concerns helping people who stand accused as witches, looking at possible interventions from the time that rumours are expressed up to the time that suspicions turn into witch-hunting. The last part introduces biblical and theological concerns that give a place to people's own experiences with the unseen world. to There is a spirit that is hunting our national treasure. That national treasure is our children and those attacked by this spirit are typically our most brightest. While doing my research for this book I found out that children with Tourette's Syndrome and those with Dyslexia often have average to above average intelligence. We have also heard of the those with Autism demonstrating a certain kind of genius. This is no mistake for God the Father created these children to be brilliant, but they are under attack by a Deaf and Dumb (Mute) Spirit. These children suffer a great deal of torment and need to be set free from this wicked spirit so they can completely function in society. The Deaf and Dumb (Mute) Spirit attacks these children to frustrate the plan of God the Father for their lives. I believe these children are called into the prophetic and to provide mankind with unique inventions. Unfortunately, the Deaf and Dumb (Mute) Spirit has come against their minds and at times closing their mouths and ears so they cannot learn in an attempt to isolate them and make them ineffective. It is time to fight for these children and set them free from this evil spirit. In this book I not only look at the assault this spirit is making upon our children, but also the Church. Many churches and Christians have no idea about the power available to them. Many false teachers are teaching that the miraculous and the prophetic are no longer available to them as believers. I refute the false doctrine behind this called "Cessationism" and call believers to believe in the miraculous and the prophetic again. Jesus Christ is still working miracles and wants to work them through us. Do you believe this or are you following a Christianity devoid of power? How can we reach a generation bewitched by Harry Potter and the New Age with no power? We do it by becoming believers in Jesus Christ again and doing miracles like He did! In addition, I examine how the Deaf and Dumb (Mute) Spirit is behind a great deal of crime and the mass shooting epidemic we see today. There is a reason why psychopaths don't think like us. Their minds have become warped by this spirit so that they cannot comprehend social norms and behavior. I have also added to this book prayers to defeat this spirit and I unmask this spirit for you so you can recognize its activity and nature. NOTE: I RECOGNIZE THAT IT IS PROPER TO REFER TO A PERSON AS DEAF AND MUTE AND NOT DEAF AND DUMB. I INTEND NO OFFENSE, BUT ONLY USE THE NAME THIS SPIRIT IS MOST RECOGNIZED BY FOR THE PURPOSES OF SPIRITUAL WARFARE.

The girl you love vanishes - you search and search. No trace is found. You see someone who looks so like her - she looks at you but does not know you, no recognition flickers. Is it a mirage, dream or desperate hope? She likes you. You ask and she comes with you. Her mind sees only sunlight. You see dark shadowed edges. Can you remake your life with a person who holds no memory of you? An unknown girl appears on an aboriginal community in far north Queensland. She has no memory of any life before, no one knows her. The people in the community say she just arrived one day. Who is she? Where has she come from? She looks like a missing backpacker, Susan, but her name is Jane. Her past life is an unknown place from where she knows no one. She is trying to make a new life without any connections to her past. This is the final book of the Crocodile Spirit Dreaming Series. It tells the story of an English backpacker who went travelling in Outback Australia with a man who loved crocodiles, and how her life turned into a horror nightmare. She finally gets her freedom only to disappear. Her name was Susan. She was on trial for murder when she vanished. She had been just released on bail, despite pleading guilty, when new evidence indicating self-defense was found. She was also pregnant and expecting twins. Since she disappeared only a pair of shoes she was wearing have been found. They were next to a waterhole full of crocodiles. It is feared that she and her unborn children are dead, taken by crocodiles. More than a year has passed without any other trace of her. An inquest has made an open finding on her disappearance. Is there a link between missing Susan and this girl, Jane, who turns up out of nowhere, knowing no one, remembering nothing? Can this girl, Jane, build a new and happy life with her two small children. Can whatever tragedy haunted her past be overcome? This is the story of the remaking of a new life from the broken shell of the old - and how memories of the old threaten to tear apart the new. And at the dark edge lurks an ancient creature of the deep, a being whose lineage is the long lost Australian Aboriginal Dreamtime, the time when the spirits made this land. Yet beyond this dark is a new place where sunlit shadows dance.

How to recognize and cope with the Jezebel spirit in Christian groups.

A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to. In Health and Faith, Jay Rev. 2:7 'He that has an ear, let him hear what the Spirit says unto the Churches.' He says it to each of the seven churches giving them warning as to what will happen if they don't listen. Later in the same book, he says something that opened my understanding to the reason people don't hear. He says, 'If any man have an ear, let him hear.' This indicates to me, the Spirit will no longer be speaking to people because He is no longer in the world. Those left behind will only be able to hear with the natural ear what is going on around them. I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord. There is coming a time when the Spirit will no longer speak to the hearts of man, for judgment will be falling on the world who would not listen. It will be a time of famine of the Word. I pray the church wake up now. Don't be like the five virgins, who feel asleep with no oil in their lamps and woke up left behind. Now is the day of salvation, now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life. You can't change yourself, you can only die to the self life and grow in the God life the savior provided for you at the cross. Living in the Last Days is not

a popular phrase, but it is what is happening. We have no leadership, and preachers are preaching to itching ears and tickling ears. Hearts are cold or very lukewarm with no attention span to help one another to grow. Evil is growing and good people are doing nothing because they are too busy, to overworked, to far asleep. 666 is now here and is going to be required by government and good people are doing nothing because they don't care, don't see what it happening right in front of them. The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon.

Break free from this subtle destroyer and reclaim a life of passion and purpose. Pythons have an interesting way of killing their prey. They constrict it until it can no longer breathe, literally suffocating the life out of it. In the spirit realm Satan often works in the same way, slowly slithering his way into our lives, attempting to choke the very life out of us. The python spirit can squeeze the joy out of your worship and prayers. It can pressure you to keep quiet when God wants you to speak up. And it can steal the peace of knowing that you belong to God. But there is a way to defeat him. You don't have to become his prey. The Spirit of Python helps you understand the strategies of this subtle destroyer, how he works, how to detect him, and how to break his hold from your life. You can learn to: · Recognize the early warning signs that you are under attack · Find the ways you may have unknowingly given him access into your home · Bring God's deliverance and restoration into every area of your life We are in the middle of an unseen spiritual war. God wants to break the coils of the serpent off of your life. He wants to help you breathe again.

Lucy Cotton is a witch with an uncanny ability of attracting dead things. Some dead things like her. One of them wants her dead. Continuing where Hungry Spirits, Book 2 of The Cotton Family Series, left off we find out what happens at the Midsummer party when Lucy is confronted by an old and unexpected enemy. Struggling to maintain her ancestors' estate as well as her own personal relationships, Lucy finds herself weighed down with responsibility and plagued by attacks from her family's ages-old tormentor. Will she harness her own power as a witch and invoke her ancient ancestors to defeat the demon once and for all? Or will she succumb to the evil spirit's attempt at her life and family's legacy? In Ancient Spirits, there is more at stake than just human lives.

The first Biblical prophecy in Genesis 3:15 simply reveals a salient truth: There is a spiritual hostility and conflict between the righteous and the devil, the ancient serpent. God wants us to engage the ancient serpent in a battle. He wants us to use the authority He has given to us to smash the serpent's head! Unfortunately, so many people of God are bound by demonic forces but do not know how to be free. The proliferation of python and snake spirits in this end time has resulted in an epidemic of people living in spiritual bondage. These python and snake spirits have an aggressive appetite for destinies to swallow! War Against Python And Snake Spirits is an attempt to address this problem using two powerful strategies: knowledge of how the enemy works and fighting them with acidic warfare prayers. Praying with knowledge of how the enemy operates gives a believer superior advantage over the enemy. As you pray with this book, you will see a great release of God's power as it blends the power of His Word with these two powerful strategies. The prayers in this book is a do-it-yourself kind of prayer, designed for you to see results. They are written to be simple, yet powerful. My dear, you can't wait to hunt down those python and snake spirits coiling and squeezing your life and family. Enough of that intimidation! Pick this Book and let's go-a-hunting!

There is no gainsaying that God's plan concerning every man on earth is that he prospers and be in health. Unfortunately, many people suffer lack, and most times, are not successful in whatever they lay their hands on. This is not the will of God for such people. Satan - the age long enemy of man is responsible for this, using his emissaries to afflict his victims in the kingdom of darkness. This book is specially packaged to put an end to such afflictions from the kingdom of darkness, as it offers over 200 inspired Prayers that will attract money, financial ideas and favor of God and man into your life. The prayers in this book are not meant to be prayed casually, they are highly spiritual. There is no other book like this book. Why? This is because the prayers were released by the Holy Spirit while meditating on over 150 special scriptures that will command financial release over your life. Friend, As I read each passage, by virtue of my gifts of prophecy and healing, the Holy Spirit instantly released those prayers, and I put them down as I heard the Holy Spirit spoke to my spirit. So you can see clearly that these prayers were not formulated or guessed. This is why I'm fully convinced that this book will be of immense blessings to you. The prayers in this book covers all areas of your life, you will only be able to appreciate the book when you go through all the prayers. This is because the prayers are spiritually discerned and arranged. You are to pray the prayers in this book with all seriousness. Pray most of them repeatedly before moving to the next prayer. These prayers would be very great during your special midnight prayers. Furthermore, since these prayers were released while meditating on God's word, you can pray this prayer perfectly even if you don't have access to the Holy Bible during your prayers. I look forward to your arrays of testimonies as you read this book and add the wisdom and Grace in it to your

life and family.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

From the very moment the man had seen the old fella - serving behind the counter, that bright afternoon - he had returned to that time, some 30 years ago. Something had taken over him; propelling him forward, carrying him through, and he had not come back to his full self until the deed had been completed. A deed that would open deep, septic wounds, that had been inflicted so many decades ago. Francesca Dreighton is bright, pretty, and (aside from her boyfriend: Ford) only too content to keep to her own company. But when a letter, containing private documents and photographs, is slid under the door of her room at Rose-Mount Halls of Residence, the two university students begin on a path that will lead them into a murky, dangerous underworld. Conspiracy and cover-ups are only part of the horrifying events that will come to light, and if she is to survive, Francesca will have to confront the monsters who are, not only coming out of the shadows to hunt her down, but who dwell within the very civility of our everyday lives. True evil is real, and it exists, not only within men, but within society itself.
