Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the

Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Former Boko Haram captives tell their terrifying and heartbreaking stories to a leading European journalist One night in April 2014, members of the terrorist organization Boko Haram raided the small town of Chibok in northeast Nigeria and abducted 276 young girls from the local boarding school. The event caused massive, international outrage. Using the hashtag "Bring Back Our Girls," politicians, activists, and celebrities from all around the world—among them First Lady Michelle Obama and Nobel Peace Prize winner Malala Yousafzai—protested. Some of the girls were able to escape and award-winning journalist Wolfgang Bauer spent several weeks with them as they recounted their ordeal. In Stolen Girls, he gives voice to these girls, allowing them to speak for themselves—about their lives before the abduction, about the horrors during their captivity, and their dreams of a better future. Bauer's reportage is complemented by over a dozen stunning portraits by award-winning photographer Andy Spyra. Bauer also examines the historical and political background of the Islamist terror in the heart of Africa, showing how Boko Haram works and describing the damage it has done to the fragile balance of ethnicities and cultures in one of the world's most diverse regions. His book tells a story of violence, fear, and uncertainty; it is also a story of hope, strength, and courage.

'She shivered, though the kitchen was warm. Icicles of foreboding trickled down her spine. With trembling hands she whipped back her hair at the nape of her neck. As she turned away from the window, she missed the shadow passing by.' One dark winter's morning, bride-to-be Cara Dunne is found hanging in her home, dressed in her wedding dress, with a lock of hair removed. Detective Lottie Parker is first on the scene. Looking at Cara's bruised and battered body, she wonders who could have hated her enough to kill her at the happiest time of her life. The case takes a darker turn that afternoon with another shocking discovery – the broken body of a second young woman, pushed from the roof of the hospital where she worked. Fiona Heffernan was also due to be married, and her body is clad in a wedding dress, a lock of her hair cut off. The killings seem so personal that Lottie is convinced the girls have been killed by someone they knew. When she goes to break the news to Fiona's family, she's on the alert for anything suspicious. But then she makes a discovery that causes her blood to run cold – Fiona's eight-year-old daughter Lily didn't return home from her dance recital that afternoon. In October 1996, thirty Ugandan schoolgirls were abducted by the Lord's Resistance Army and disappeared into the bush of Northern Uganda. The girls were raped and tortured before being forced to become child soldiers and sex slaves. This was only one out of thousands of child kidnappings by merciless madman and rebel leader Joseph Kony. But for the battered civilians terrorized by rebel warfare and neglected by corrupt government, this was the breaking point. Something had to be done—the world needed to know and their girls needed to be brought home. Kathy Cook's one-on-one interviews with the surviving girls and their mothers make their fear, frustration, and suffering overwhelmingly real. With exceptional insight gained from on-location research, Cook gives us an authoritative account of how concerned parents, interfaith groups, politicians from Canada and the United States, and NGOs banded together in a struggle to rescue the girls and to mobilize a people, their country, and a global community. An emotionally charged retelling of a heartbreaking true story, *Stolen Angels* reminds us of the importance of faith, strength, and determination in the face of adversity.

'I loved this book!! It has everything you could want in a mystery/thriller. It grabbed me from the first sentence and didn't let me go until the last one. I couldn't turn the pages fast enough... This book is one of my favorites of the year.'

Goodreads Reviewer, 5 stars "Help me," the girl cries, alone in the forest, shivering in her nightgown, her small frame almost lost between the trees. "Please." When Detective Casey White discovers the body of a beautiful teenage girl in a white nightgown near the shoreline in North Carolina's Outer Banks, a familiar fear floods through her. Could this be Hannah, her sweet, blue-eyed daughter snatched from home fourteen years ago? But it only takes one look to confirm that the girl with dark bruising around her throat is another family's tragedy. Putting her own grief aside, Casey digs into unsolved missing child cases in the area. The victim is Cheryl Parry, one of two little girls taken during a family beach vacation nine years ago. Her sister's body was found strangled a week later, but someone has been keeping Cheryl alive—until now. Fearful there may be other innocent lives in danger, Casey and her team work around the clock to trace the material from Cheryl's nightgown, but hit a dead end and don't know where to turn. Then, another teenager's body is found in a nearby pine forest, dressed all in white. It's suddenly clear that a twisted killer has been hiding in the Outer Banks for years, and he will strike again. Casey painstakingly combs the forest soil for clues to the killer's next move, but nothing prepares her for what she finds: a buried charm bracelet exactly matching one that her little Hannah always wore—right down to the broken star charm by the clasp... An absolutely unputdownable crime thriller with twists and turns that will have you racing through the pages. Fans of Kendra Elliot, Rachel Caine and Robert Dugoni will be completely hooked. In Richard Montanari's chilling new suspense novel, a sealed-off network of secret passages connects all of Philadelphia to the killer hidden within. Luther Wade grew up in Cold River, a warehouse for the criminally insane. Two decades ago the hospital closed its doors forever, but Luther never left. He wanders the catacombs beneath the city, channeling the violent dreams of Eduard Kross, Europe's most prolific serial killer of the 20th century. A two-year-old girl is found wandering the streets of Philadelphia in the middle of the night by detectives Kevin Byrne and Jessica Balzano. She does not speak, but she may hold the key to solving a string of murders committed in and around Priory Park. As the detectives investigate, more bodies are found at Priory Park, and they're drawn closer and closer to the doors of Luther's devious maze and the dark secrets of Cold River.

Skylar and her friends were invited to an A-list celebrity party in Los Angeles. Things took a wrong turn once they left their hometown of Miami. While they were passing through Texas, their car broke down which is where Skylar met the love of her life. Little did anyone know, prior to the quest, she had been harassed by a man which led her to being abducted.

The girl was beautiful, even in death. Her skin was translucent beneath the sliver of moonlight peeking through the bare branches of the surrounding pines, and her chestnut hair had tumbled around her pale shoulders. Around her, smoke twisted in the air, curling into the inky sky. The remote town of Crooked Creek has barely recovered from its most recent tragedy when wildfires tear through the mountains. Detective Ellie Reeves is grappling with her own heartbreak—she has just discovered she was adopted and that her childhood was a lie. Under the scorching summer sun, Ellie is called to a river where a body has been found. She spots a lone woman's shoe caught in a nearby tangle of vines, and a pearl necklace scattered by the water's edge. The remains are surrounded by a circle of stones, which Ellie is certain means something. Was the victim—whoever she was—caught in the fire or is something more sinister at play? The Fourth of July usually means festivals and fireworks, but when another body turns up the town is left in tatters. A young girl with dark hair lies dead, surrounded by stones, smoke drifting in the air. Thanks to an engraved silver necklace, Ellie identifies the body as eighteen-year-old Katie Lee Curtis, and the diary she finds hidden under the teenager's mattress could get her close to the killer. With two victims in less than twenty-four hours, it's clear Ellie's up against a serial killer, and she vows that no more innocent girls will be sacrificed. For her, every day is a battle to come to terms with her past, but when this case becomes personal, will she win? A totally gripping and utterly addictive page-turner that will have you racing through and reeling at the twists. Perfect for fans of Melinda Leigh, Lisa Regan and Kendra Elliot, it's best read with the lights on! Readers love *The Burning Girls*: "Such a roller coaster ride! Daniel and his wife, Laura, are expecting a baby; Jackson works at the town bar; and Tyler is dating Annaleise Carter, Nic's younger neighbor and the group's alibi the night Corinne disappeared. Then, within days of Nic's return, Annaleise goes missing. Told backwards—Day 15 to Day 1—from the time Annaleise goes missing, Nic works to unravel the truth about her younger neighbor's disappearance, revealing shocking truths about her friends, her family, and what really happened to Corinne that night ten years ago.
