In her earlier works, Helen Keller described the details of the early illness that left her deaf and blind, and in the prevailing opinion of the day, unable to be educated, as well as the methods that were eventually used to teach her how to communicate. In the remarkable memoir *The World I Live In*, Keller offers a much more personal take on her situation, inviting readers inside her own personal experience.

A NEW YORK TIMES Notable Book of the Year “In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ‘I’m not going to hide behind you anymore,’ she says. ‘Who are you anyway? You’re not me.’ Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off.”—Anna Quindlen, *The New York Times*

Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations

with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. Helen Keller's autobiographies THE STORY OF MY LIFE and THE WORLD I LIVE IN chronicle in her own words the remarkable true story we have come to know from the stage and film productions of THE MIRACLE WORKER. Here we discover Helen's thoughts and feelings hidden in the blind, deaf, and mute character in those productions—thoughts and feelings she came to express with such eloquence orally and in writings in later years. And here we are inspired not only by Helen Keller and her journey but also by the intriguing possibilities that certainly must be awaiting discovery in others.

EARLY REVIEWS "The autobiography of Helen Keller is unquestionably one of the most remarkable records ever published."—British Weekly "This book is a human document of intense interest, and without a parallel, we suppose, in the history of literature."—Yorkshire Post "Miss Keller's autobiography, well written and full of practical interest in all sides of life, literary, artistic and social, records an extraordinary victory over physical disabilities."—Times "This book is a record of the miraculous. No one can read it without being profoundly touched by the patience and devotion which brought the blind, deaf-mute child into touch with human life, without being filled with wonder at the quick

When you're the shortest guy in the sixth grade, standing tall isn't easy. Michael Jordan does not play basketball. He's not named after the Michael Jordan. In fact, he doesn't resemble an NBA player at all. Michael is the shortest boy in his grade, which is a problem for someone starting middle school. As if being the only boy sitting in the front row of every class photo isn't bad enough, his younger sister Emma loves pretending that she is his twin-and everyone believes her. Needless to say, Michael worries that the journal entries he must write every week for literature class will immortalize a very bad year. But then an amazing thing happens- Macy, a pretty, blond eighth-grader, starts being very, very nice to him. Why she would go for a shorter, younger guy is a mystery, but Michael isn't complaining. He just enjoys getting tutored by her (even though he doesn't need it) and seeing her at his older brother's soccer games. Who knows where things could go from there? Jennifer B. Jones's funny, upbeat novel perfectly captures a boy's nervousness about middle school, girls, and learning to stand up for himself.

"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life."
—Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style. "...every one who wishes to gain true knowledge must climb the Hill Difficulty alone, and since there is no royal road to the summit, I must zigzag it in my own way. I slip back many times, I fall, I stand still, I run against the edge of hidden obstacles, I lose my temper and find it again and keep it better, I trudge on, I gain a little, I feel encouraged, I get more eager and climb higher and begin to see the widening horizon. Every struggle is a victory. One more effort and I reach the luminous cloud, the blue depths of the sky, the uplands of my desire."

Tuscumbia, Alabama. At nineteen months old an acute illness nearly took her life and left her deaf and blind. At the recommendation of Alexander Graham Bell, her parents contacted the Perkins Institute for the Blind in Boston, and Anne Sullivan was sent to tutor Helen. The story of their early years together, and of Helen's remarkable psychological and intellectual growth, is told in *The Story of My Life*, which first appeared in installments in *Ladies' Home Journal* in 1902. With Anne Sullivan, "Teacher," at her side, Helen Keller graduated from Radcliffe College in 1904, an extraordinary accomplishment for any woman of her time. Helen was dedicated to helping the blind and handicapped, raising funds for the American Foundation for the Blind and lobbying for commissions for the blind in thirty states. A women's rights activist, a Swedenborgian, a socialist, and a world-famous celebrity, Helen Keller received the Presidential Medal of Freedom and many honorary degrees. Her other books include *The World I Live In* (1908), *Midstream: My Later Life* (1929), *Helen Keller's Journal* (1938), and *Let Us Have Faith* (1940). She died in 1968. Her burial urn is in the National Cathedral in Washington, D.C.

Whispers of Hope, The Story of My Life, is a compelling narrative detailing the life of a young girl born in the deep south during the Jim Crow era. Her tale includes her realization that to make a better life for herself and others, she must run away from the struggles of her young life and go headlong into a world about which she knows nothing. Bertie Simmons eventually finds her way to Houston where she serves successfully for 58 years in many leadership positions within a large urban school district. Her career included experiences as a teacher, elementary school principal, assistant superintendent, district superintendent, and high school principal.

Whispers of Hope allows the reader to witness the painfully slow process of integration and introduces the heroes who demonstrated the courage to fight for equity in education. Bertie Simmons' journey includes numerous awards and recognitions such as being named HEB's Best High School Principal in Texas award in 2011 and KHOU's Spirit of Texas award. In addition, Furr was one of only three schools in the nation identified for the College Board Inspiration Award in 2011. The story culminates with her adventures and challenges as the principal in a "throwaway" high school labeled "a pipeline to prison" and a "drop-out factory." The reader learns of her seventeen-year tenure at Furr High School and her innovative approach to building a culture of community and student success that leads to the school receiving the XQ ten-million-dollar grant from Laurene Powell Jobs in 2016 to rethink high schools. The Untold Story of My Life is told in a different light. It may not be the traditional way of storytelling. Tara wanted to tell her story the way she felt it in her heart. This book is her life, her heart of where she came from, and where she is going. It's the way she feels her story should have been told. Not the good nor the bad can take it away, and say, 'This is not the way. You can't do this.' With no one to hold her back now....she flies with the wind that carries her through her journey.

Farah Ahmedi recounts her heartbreaking journey from war-torn Kabul to America in her New York Times bestselling inspirational memoir. Farah Ahmedi's "poignant tale of survival" (Chicago Tribune) chronicles her journey from war to peace. Equal parts tragedy and hope, determination and daring, Ahmedi's memoir delivers a remarkably vivid portrait of her girlhood in Kabul, where the sound of gunfire and the sight of falling bombs shaped her life and stole her family. She herself narrowly escapes death when she steps on a land mine. Eventually the war forces her to flee, first over the mountains to refugee camps across the border, and finally to America. Ahmedi proves that even in the direst circumstances, not only can the human heart endure, it can thrive. *The Other Side of the Sky* is "a remarkable journey" (Chicago Sun-Times), and Farah Ahmedi inspires us all.

The Story of My Life - Helen Keller's Autobiography by Helen Keller. This book is in three parts. The first two, Miss Keller's story and the extracts from her letters, form a complete account of her life as far as she can give it. Much of her education she cannot explain herself, and since a knowledge of that is necessary to an understanding of what she has written, it was thought best to supplement her autobiography with the reports and letters of her teacher, Miss Anne Mansfield Sullivan. The addition of a further account of Miss Keller's personality and achievements may be unnecessary; yet it will help to make clear some of the traits of her character and the nature of the work which she and her teacher have done. For the third part of the book the Editor is responsible, though all that is valid in it he owes to authentic records and to the advice of Miss Sullivan.

The Editor desires to express his gratitude and the gratitude of Miss Keller and Miss Sullivan to The Ladies' Home Journal and to its editors, Mr. Edward Bok and Mr. William V. Alexander, who have been unfailingly kind and have given for use in this book all the photographs which were taken expressly for the Journal; and the Editor thanks Miss Keller's many friends who have lent him her letters to them and given him valuable information; especially Mrs. Laurence Hutton, who supplied him with her large collection of notes and anecdotes; Mr. John Hitz, Superintendent of the Volta Bureau for the Increase and Diffusion of Knowledge relating to the Deaf; and Mrs. Sophia C. Hopkins, to whom Miss Sullivan wrote those illuminating letters, the extracts from which give a better idea of her methods with her pupil than anything heretofore published. The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.
