

## The Three Little Wolves And The Big Bad Pig

Ara . . . I made a mistake, we all did . . . go back to the beginning . . . it's not too late. As the only female to survive the devastating virus, Ara hasn't seen another human in months—not since her father disappeared. The plague has swept away humanity, and Ara's world is desolate, haunted by the ghosts of her former life. Her mother. Her sister. Kaden and his crew live by a code: stay alert, stay alive. When they catch Ara stealing from them, they are furious—and confused. She is the first girl they have seen in three years. And while Kaden knows taking her captive is wrong, he tells himself he's doing it to protect her. But with Ara determined to follow through on her father's mission—Go back to the beginning. End the plague—Kaden becomes mesmerized by Ara's will and beauty. He knows he will do anything to help her, even if it tears their worlds apart.

A wonderfully witty take on a much-loved fairy tale, *The Three Little Pigs and the Big Bad Book* celebrates the magic of reading and storytelling, and being kind to others. When Ben's mum gets distracted halfway through his bedtime story, he decides to finish the tale himself. There's only one problem – he can't quite read yet. To Ben's surprise, the three little pigs come knocking on the door, and the big bad wolf isn't far behind ... But this time, will the story have a different ending? A playful rhyming story by Lucy Rowland, with hilarious illustrations from Ben Mantle.

A journey of discovery through the nocturnal forest! While mother wolf is on the hunt, her four little wolves venture out of their burrows for the first time to find a night filled with new scents and promises. After befriending a hedgehog, discovering their own reflections, and escaping from a hunter they are happy to return home when their mother calls. The newly written text by Svenja Herrmann complements the magical illustrations by Józef Wilkon.

Retells the familiar tale in which one of three brother pigs survives a wolf's attacks by using his head and planning well.

Rolf, a small, gentle wolf, lives with Mrs. Boggins, who tells him he is a good little wolf. But when he meets up with a large, ferocious wolf, he is told that he isn't a real wolf. Wolves aren't little and good—they are big and bad. To prove he is a real wolf, the old wolf tells Rolf he must perform certain tasks, such as blowing down a little pig's house. Rolf is a total failure . . . until the big bad wolf urges him to do something unspeakable to old Mrs. Boggins. Then the good little wolf proves that he can stand up to the big bad bully. Or so it seems. More mature readers may find a different ending that could lead to a great discussion! Using familiar storybook characters and an endearing new hero, Nadia Shireen makes her debut in this winning picture book.

Marty will do anything to save his new friend Shiloh in this Newbery Medal-winning novel from Phillis Reynolds Naylor. When Marty Preston comes across a young beagle in the hills behind his home, it's love at first sight—and also big trouble. It turns out the dog, which Marty names Shiloh, belongs to Judd Travers, who drinks too much and has a gun—and abuses his dogs. So when Shiloh runs away from Judd to Marty, Marty just has to hide him and protect him from Judd. But Marty's secret becomes too big for him to keep to himself, and it exposes his entire family to Judd's anger. How far will Marty have to go to make Shiloh his?

It was time for the three little wolves to go out into the world, so they set off and built themselves a splendid brick house. But they hadn't reckoned on the big bad pig coming along with a sledgehammer...

A giggles-guaranteed picture book from the acclaimed Emily Gravett, starring three little pigs and a wolf who (maybe) won't bite. I can stand him on a stool! I can dress him in a bow... I can ride him like a horse but WOLF WON'T BITE! Come along on a wild circus adventure about three little pigs who have captured a wild wolf. They can make him do all sorts of tricks, but don't worry—he would NEVER bite. From award-winning and beloved creator Emily Gravett, *Wolf Won't Bite!* contains charming text that begs to be read aloud, and quirky humor fills every page of this playful take on "The Three Little Pigs."

When it comes time for the three little wolves to go out into the world and build themselves a house, their mother warns them to beware the big bad pig. But the little wolves' increasingly sturdy dwellings are no match for the persistent porker, who has more up his sleeve than huffing and puffing. It takes a chance encounter with a flamingo pushing a wheelbarrow full of flowers to provide a surprising and satisfying solution to the little wolves' housing crisis. Eugene Trivizas's hilarious text and Helen Oxenbury's enchanting watercolors have made this delightfully skewed version of the traditional tale a contemporary classic.

These three little pigs are horrid! They are too lazy to build their homes very strong-and one doesn't bother to build a house at all. Luckily, a big, friendly wolf (who just happens to be a builder) offers to help. But how do the three horrid little pigs respond?

Everyone knows the story of the three little pigs but few know the complementary story of how three friendly little wolves were persecuted by the Big Bad Boar. A few stories have attempted to right this egregious wrong but none have told the all encompassing story of how these clever little wolves performed miraculous feats of daring-do while being hounded by the Big Bad Boar. So, if you've ever wondered: Where did the Unicorn come from? How did Prince Charming really get past those roses to kiss Sleeping Beauty? What are the ingredients to make Seven League Boots? And How do you break witches' spells? Then find the answers while you read how Three Little Wolves undid witches' spells, used enchanted robins to make magic boots, outsmarted a selfish king and saved his castle from the big bad boar.

A calming spin on a classic fairy tale from #1 New York Times bestselling author Susan Verde Once upon a time there lived a wolf who lost his huff and his puff. It was a BIG, BAD problem! One morning, the wolf came upon a peaceful little yogi doing sun salutations. The wolf wanted to huff and puff and bloow her hut down into a big pile of straw. But instead the yogi suggested, "Let's meditate on that!" Soon the wolf met a second yogi, and then a third. He may have lost his huff and puff—but with the help of three new yogi friends, can the wolf find his breath?

This hilarious retelling-in-reverse of the traditional tale is matched to perfection with enchanting watercolors and an unexpected ending.

Retells the familiar tale in which one of three brother pigs survives a wolf's attacks by using his head and planning well

Goats and wolves are not the best friends, you may know. This is why the mother goat in our tale warned her seven kids to look out for the wolf and stay away from him. However the clever wolf found a way to deceive the poor kids and they ended up in his stomach. Our folktale does end here. Do you want to find out what happened next? Then read "The Wolf and the Seven Young Kids". Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 200 fairytales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

Detective Doggedly, a pair of cows, and a sheep who looks very familiar are all nearby each time three pigs get in trouble, but the big bad wolf is conspicuously absent.

"What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--

There's a sandwich thief in Mr. Venezia's pet shop, and everyone is a suspect, from the chinchillas to the goldfish. Never fear! The world's fluffiest detective on the case: Sasspants, PI(G). By day, Sasspants is your average book-loving, gizmo-inventing guinea pig. By night she solves pet shop mysteries with the help of her sidekick, Hamisher the hamster. Our furry little heroes will stop at nothing to find the sandwich thief! This is the first book in the Guinea PIG, Pet Shop Private Eye series.

The Big Bad Wolf keeps trying to eat the three little pigs. The farmer's wife keeps chasing the three blind mice. If they work together, maybe they can solve each other's problems.

Their family farms devastated by a Minnesota drought in 1987, a father searches for answers after his son commits a heinous murder, while a pastor's wife returns to the town for mysterious reasons of her own. By the award-winning author of *The Night Birds*.

The wolf tells the story of Little Red Riding Hood from his point of view, protesting that he was merely trying to help Grandma, not eat her.

Kids already know about the huffing, puffing wolf and the headaches he caused the three little pigs. But how does the classic fairy tale change when it's told by the wolf himself? This lighthearted first-person narrative entertains, subtly teaches the idea of point of view, and supports Common Core standards all at once.

StoryPlay Books is the smart way to read and play together! StoryPlay Books offer fun ways to engage with little ones during story time and playtime with prompts and activities everyone will love! This collection includes retellings of *Goldilocks and the Three Bears*, *Little Red Riding Hood*, and *The Three Little Pigs*. *Silverlocks and the Three Bears* Silverlocks keeps entering the Three Bears' house without their permission. The Three Bears are fed up. They decide to teach Silverlocks a lesson by playing pranks on her. *Little Green Riding Hood* Little Green Riding Hood meets a wolf in the woods. The wolf hatches a plan to eat her and her grandmother. *Little Green Riding Hood* proves too clever for him. *The Three Little Wolves* The Three Little Wolves are scared of the Big Bad Pig. He wants to eat them. They wish he'd leave them alone. They decide to teach him a lesson he'll never forget. An EPUB 3 reader is required to read this book.

Practice makes perfect in this kick-butt fractured fairy tale. Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons---he'll make mincemeat out of that wolf! His brother learns a little jujitsu--he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA! Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch!

When Big Bad Wolf, who now lives at the Villain Villa Retirement Residence, is invited to tell his story at the library, he faces the truth about what he did to the three little pigs and decides to make amends.

An altered retelling of the traditional tale about the conflict between pig and wolf--with a surprise ending.

Satisfying both as a story and as an exploration of story, *The Three Pigs* takes visual narrative to a new level. When the wolf comes a-knocking and a-puffing, he blows the pigs right out of the tale and into a whole new imaginative landscape, where they begin a freewheeling adventure as they wander-and fly-through other stories, encountering a dragon and a cat with a fiddle, among others. This familiar tale will never be the same old story again.

In this variation of "The Three Little Pigs" set in the Southwest, three little tamales escape from a restaurant before they can be eaten, and set up homes in the prairie, cornfield, and desert.

"It was a whisper at first. But then we knew. Black cats were disappearing. Silktail was the first. Then Whiny, Giuseppe, Rameses, Blackie, Lothario, and Bijou..." Island life had been good for the street cats—stealing fish, laying in the sun, singing under the stars. This is the story of dark deeds, cool cats, and The Society of the Superstitious. Get your paws on it! Eugene Trivizas, who has been called the "J.K. Rowling of Greece," is the winner of many national and international prizes. He is the author of more than a hundred books, including an acclaimed collaboration with Helen Oxenbury, *The Three Little Wolves and the Big Bad Pig*.

Ingrid Bell and her five teenage cousins are such a close-knit group that they don't really mind sitting at the kid table—even if they have to share it with a four-year-old. But then Brianne, the oldest cousin, lands a seat at the adult table and leaves her cousins shocked and confused. What does it take to graduate from the kid table? Over the course of five family events, Ingrid chronicles the coming-of-age of her generation. Her cousins each grapple with growing pains, but it is Ingrid who truly struggles as she considers what it means to grow up. When first love comes in the form of first betrayal (he's Brianne's boyfriend), Ingrid is forced to question her own personality and how she fits into her family. The cousins each take their own path toward graduating into adulthood—only to realize that maybe the kid table was where they wanted to be all along. Almost a reverse coming-of-age, this touching and hilariously funny novel will appeal to any reader who has sat at the kid table . . . or is still sitting there!

Join Big Wolf and Little Wolf as they move through the seasons and share an adventure.

A delightfully different fairy tale about daring to be yourself. Illustrated by Liz Pichon, creator of the bestselling Tom Gates series. Little Wolf doesn't want to be a Big Bad Wolf. Instead she likes pretty things, pink things and fairy tales.

Particularly ones with happily-ever-afters. But one day she's sent out to catch dinner ... and bumps straight into Little Red Riding Hood! Can Little Wolf find the courage to stay true to herself? Perfect for children already familiar with the classic Red Riding Hood tale.

In a snow-cloaked kingdom, two wicked rivals secretly compete for the pure heart of a prince, only to discover they might be falling for each other. Karnawa? season is a time for mischief and revelry. For the next few weeks, all will be wintry balls, glittery disguises, and nightly torch-lit sleigh-parties. Unbeknownst to the merrymakers, two uninvited girls join the fun. Zosia and Marynka are drawn to each other the moment they meet, until they discover they're rivals, who both have their sights set on the prince's heart. If one consumes a pure heart, she'll gain immeasurable power. Marynka plans to bring the prince's back to her patron in order to prove herself. While Zosia is determined to take his heart and its power for her own. Their ambition turns into a magical contest with both girls vying to keep the prince out of the other's grasp, even as their attraction to one another grows. But their attempts on his life draws the attention of the city that would die for him, and suddenly their escalating rivalry might cost them not just their love for each other, but both their lives. Perfect for fans of: *The Wicked Deep* and *A Curse So Dark and Lonely* Witchy tales Dark fantasy fiction LGBTQ books *Enemies to lovers* romance Praise for *The Dark Tide*: "Striking the perfect balance, *The Dark Tide* demands to be read in one held breath as its tide bears down on all."—Foreword, Starred Review "A dark scenic adventure, sensitively written for romantics, Jasinska's debut novel is a fantasy of promises, betrayal, unrequited love, and black magic."—School Library Journal, Starred Review "The *Dark Tide* is the dark, queer fantasy of your dreams that's part beauty and the beast, part something entirely new and original... a lush world that begs to be lived in... It's beautiful, and fast paced, and everything I ever want from a fairy tale."—Cat VanOrder, Bookmarks (Winston-Salem, NC) "Fans of the enemies-to-lovers trope will be ecstatic with this book...The *Dark Tide* offers an exciting and immersive story with a strong feminist slant that subverts common YA tropes and forges its own original path."—The Nerd Daily

A house made of straw. A house made of sticks. A house made of bricks. Three little wolves. One Big Bad Pig. The Three Little Wolves are scared of the Big Bad Pig. He wants to eat them.
