A collection of five short stories that have been made into movies includes "The Mangler," in which a skeptical writer investigates a supposedly haunted hotel room that has apparently caused at least forty-two deaths.

Four new horror adventures to let you discover courage in the face of fear. To push past the worries of death and try to continue on. Could you survive while frozen in your deepest fears? Find out what happens next in the tales of INFESTED.

INDIANA JONES MEETS THE X-FILES IN THIS "TAKE NO PRISONERS" (PRESTON & CHILD) SURVIVAL THRILLER OF A ROGUE ARCHAEOLOGIST TRAPPED IN A GRAND CANYON CAVE THAT'S A CONSPIRACY THEORY COME TO LIFE. Not all secrets are meant to be found. If Indiana Jones lived in the X-Files era, he might bear at least a passing resemblance to Nolan Moore -- a rogue archaeologist hosting a documentary series derisively dismissed by the "real" experts, but beloved of conspiracy theorists. Nolan sets out to retrace the steps of an explorer from 1909 who claimed to have discovered a mysterious cavern high up in the ancient rock of the Grand Canyon. And, for once, he may have actually found what he seeks. Then the trip takes a nasty turn, and the cave begins turning against them in mysterious ways. Nolan's story becomes one of survival against seemingly impossible odds. The only way out is to answer a series of intriguing questions: What is this strange cave? How has it remained hidden for so long? And what secret does it conceal that made its last visitors attempt to seal it forever?

Master storyteller Stephen King presents the classic "wondrously frightening" (Publishers Weekly) #1 New York Times bestseller about a writer's horrific and haunting pseudonym. "I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son of a bitch." After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad's even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph "Not a Very Nice Guy." Although on the surface, it seems that Thad can finally concentrate on his own novels, there's a certain unease at the prospect of leaving George Stark behind. But that's nothing compared to the horror about to descend upon Thad's new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark's untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad's fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he's going to find out just how wrong he is...

Roberta Anderson, while searching for firewood in the forest, stumbles upon a buried ship and with the help of her onetime lover, Jim Gardener, excavates an artifact that changes the townspeople of Haven. A critical look at the work of Stephen King, writer of horror stories.

Surely America's greatest storyteller, no single author has been adapted more regularly than Stephen King. With 65 existing movies and 30 television shows, and many more to come, the concept of the King adaptation lies at the core of what we understand as Hollywood entertainment, the essence of horror, and the landscape of American life. Illustrated with a fabulous array of familiar and unusual iconography, this is the most comprehensive account of the films and television series adapted from the work of Stephen King ever put together. Every Children of the Corn movie has been accounted for; every remake and reboot wrestled into submission; all the dark recesses of King's imagination brought out into the light. Including fresh critical analysis, interviews, behind-the-scenes revelations and biographical detail, this is both a King completist's dream and a must for all movie fans. Here is the chance to delve deep into such terrifying and beloved movies and TV shows as Carrie, Salem's Lot, The Shining, Cujo, Stand By Me, Misery, The Shawshank Redemption, The Green Mile, and such modern marvels as Castle Rock, Mr. Mercedes, Pet Sematary, It: Chapters One and Two, and Doctor Sleep.

A USA TODAY BESTSELLER In this thrilling sequel to the New York Times bestselling novella by Stephen King and award-winning author Richard Chizmar, an adult Wendy is summoned back to Castle Rock after the mysterious reappearance of the button box. Something evil has swept into the small Maine town of Castle Rock on the heels of the latest winter storm. Sheriff Norris Ridgewick and his team are desperately searching for two missing girls, but time is running out. In Washington, DC, thirty-seven-year-old Wendy Peterson couldn't be more different from the self-conscious teenaged girl who once spent a summer running up Castle Rock's Suicide Stairs. That same summer, she had been entrusted—or some might say cursed—with the extraordinary button box by Richard Farris, the mysterious stranger in the black suit. The seductive and powerful box offered Wendy small gifts in exchange for its care and feeding until Farris eventually returned, promising the young girl she'd never see the box again. One day, though, the button box suddenly reappears but this time, without Richard Farris to explain why, or what she's supposed to do with it. Between this and the troubling disappearances back in Castle Rock, Wendy decides to return home. She just might be able to help rescue the missing girls and stop a dangerous madman before he does something ghastly. With breathtaking and lyrical prose, Wendy's Magic Feather explores whether our lives are controlled by fate or the choices we make and what price we sometimes have to pay. Prepare to return again to Stephen King's Castle Rock, the sleepy little town built on a bedrock of deep, dark secrets, just as it's about to awaken from its quiet slumber once more.

A tale inspired by near-future apocalypse prophecies finds math prodigy and Maya descendant Jed DeLanda invited by his former mentor, Taro, to travel back in time into another person's life more than thirteen centuries earlier to learn about a "sacrifice game" that has been described in a newly discovered Mayan codex.

The clues to a series of remorseless killings go up in smoke—and only Kay Scarpetta can find them in this #1 New York Times bestseller from Patricia Cornwell. "Sears its way into the psyche...Ablaze with Cornwell's finest, scariest writing."—Atlanta Journal Constitution The devastating fire tore through the horse farm, destroying everything it touched. Picking through the wreckage, Dr. Kay Scarpetta uncovers human remains—the work of an audacious and wily killer who uses fire to mask his brutal murders. And when Scarpetta learns that her old nemesis, Carrie Grethen, has escaped from a hospital for the criminally insane and is somehow involved, the investigation becomes personal. Tragedy strikes close to home. And Scarpetta must match Grethen's every move with one of her own to douse the inferno of evil that threatens everyone around her... Includes an Introduction by the Author

On the heels of his hugely successful "Dreamcatchers" King delivers another classic novel about boys, men, and a terrifying force only they can contain.

#1 New York Times bestselling author Stephen King's beloved novella, Rita Hayworth and Shawshank Redemption—the basis for the Best Picture Academy Award–nominee The Shawshank Redemption—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is now available for the first time as a standalone book. A mesmerizing tale of unjust imprisonment and offbeat escape, Rita Hayworth and Shawshank Redemption is one of Stephen King's most beloved and iconic stories, and it helped make Castle Rock a place readers would return to over and over again. Suspenseful, mysterious, and heart-wrenching, this iconic King novella, populated by a cast of unforgettable characters, is about a fiercely compelling convict named Andy Dufresne who is seeking his ultimate revenge. Originally published in 1982 in the collection Different Seasons (alongside "The Body," "Art Pupil," and "The Breathing Method"), it was made into the film The Shawshank Redemption in 1994. Starring Morgan Freeman and Tim Robbins, this modern classic was nominated for seven Academy Awards, including Best Picture, and is among the most beloved films of all time.

Step into the dark, uneasy dreams of award-winning writer Tyler Miller: What if Hell wasn't a fire-burning pit in the afterlife, but a real place here on Earth? A place you could accidentally stumble upon by mistake. A place that, once you found it, never wanted you to leave. A pleasant day hike turns tragic when Miguel returns alone. He swears his brother is dead, the victim of a gigantic bird deep within the woods. No one believes this story. But Miguel is not deterred. If people won't believe, well...he'll make them believe. An unhappy couple takes a final trip as their marriage crumbles, hoping for one last weekend in the sun. But someone recognizes Patty Bouman, someone from deep within her past. Someone who let her slip away once before. And who won't make that mistake again. Bizarre and unsettling, full of unexpected twists and turns, Stranger Calls showcases the exceptional talents of one of the finest writers of the dark fantastic at work today.

A small Maine town stands on the verge of self-destruction as its people suddenly acquire powers that no human should have. Reissue.

Stephen King, Kelley Armstrong, Bill Pronzini, Simon Clark, and Ramsey Campbell are the first contributors to a mind-bending new series of short-story collections that push the boundaries of horror and dark suspense to the bleeding edge. From Brian James Freeman and Richard Chizmar of the acclaimed Cemetery Dance Publications, Dark Screams: Volume One reaches across genres to take readers beyond the precipice of mortal toil and into the glimmering void of irreality and beyond. WEEDS by Stephen King When a meteorite lands on his property, Jordy Verrill envisions an easy payday. Unfortunately for Jordy, this is no ordinary rock—and the uncompromising force inside has found its first target. THE PRICE YOU PAY by Kelley Armstrong Never pay more than you owe. Sounds like easy advice to follow. But for Kara and her childhood friend Ingrid, some debts can never be repaid . . . especially those tendered in blood. MAGIC EYES by Bill Pronzini Edward James Tolliver has found a weary sort of asylum among the insane. He knows he's not one of them—but how can he tell anyone about the invaders without sounding that way? MURDER IN CHAINS by Simon Clark Imagine awaking to find yourself in an underground vault, chained by the neck to a murderous lunatic, a grunting goliath who seems more animal than man. What would you do to save yourself? THE WATCHED by Ramsey Campbell Little Jimmy gets a glimpse of the cold truth when he finds out that it's not always what you see that can get you into trouble; it's who knows what you see. Praise for Dark Screams: Volume One "A wicked treat [featuring] some of the genre's best . . . Dark Screams: Volume One is a strong start to what looks to be an outstanding series."—Hellnotes "A solid collection of quick reads, a nice selection of appetizers that represent the horror genre and many of its incarnations well."—October Country "These tales are well written, fun to read, and a great way to kill a winter afternoon. Recommended for fans of short-story collections and dark fiction!"—Horror After Dark "If Volume One is any indication of quality, I'm all in for the rest of the series."—Not Too Terrible "The editors have set themselves a high bar to meet in future volumes. . . . It's going to be a solid series."—Adventures Fantastic

Four men who reunite every year during hunting season in the woods of Maine, encounter a disoriented, incoherent stranger who drags the men into a terrifying struggle with a creature from another world, and their only chance for survival lies in their shared past.

"Stephen King never stops giving us his all" (Chicago Tribune) in this #1 national bestseller about the idyllic small town of Haven, Maine, and its encounter with a deadly evil out for a diabolical invasion of body, soul—and mind. Something was happening in Bobbi Anderson's idyllic small town of Haven, Maine. Something that gave every man, woman, and child in Haven powers far beyond those of ordinary mortals. Something that turned the town into a deathtrap for all outsiders. Something that is buried in the woods behind Bobbi's house. With the help of her friend, Jim Gardener, they uncover an alien spaceship. And as they learn more about this strange discovery, the citizens of Haven begin to change: The townspeople are being welded into one organic, homicidal, and fearsomely brilliant entity in thrall to the Tommyknockers, who piloted the alien ship. In Tommyknockers, "Stephen King at his best" (San Francisco Chronicle), King has given us a "brilliant, riveting, marvelous" (The Boston Globe) novel. "You will not be able to put this down" (Los Angeles Times Book Review). And the next time someone raps at your door, you may want to keep the chain on. It just might be the Tommyknocker Man. Are we alone? From War of the Worlds to Invasion of the Body Snatchers, ET to Close Encounters, creators of science fiction have always eagerly speculated on just how the story of alien contact would play out. Editor Marty Halpern has gathered together some of the best stories of the last 30 years, by today's most exciting genre writers, weaving a tapestry that covers a broad range of scenarios: from the insidious, to the violent, to the transcendent.

First published by New American Library in 1984.

Tard, la nuit dernière et celle d'avant, Toc! Toc! à la porte - les Tommyknockers ! Les Tommyknockers, les esprits frappeurs... Je voudrais sortir, mais je n'ose pas, Parce que j'ai trop peur du Tommyknocker. Tout commence par les rythmes apaisants d'une berceuse ; et pourtant, sous la plume de Stephen King, les vers anodins se muent en une inoubliable parabole de l'épouvante, qui entraîne les habitants pourtant bien sages et terre à terre d'un paisible village dans un enfer plus horrible que leurs plus abominables cauchemars... ou que les vôtres. Une histoire fascinante et démoniaque que seul Stephen King pouvait écrire. Et lorsqu'on frappera à votre porte, par prudence, mettez la

chaîne, si tant est qu'une chaîne suffise...

The Complete Hard Case Crime Stephen King Collection, featuring the bestselling titles The Colorado Kid, Joyland, and his newest novel, Later, plus exclusive art cards.

Collecting Stephen King's three homages to the classic crime pulp paperbacks, published by Hard Case Crime. This includes The Colorado Kid (2005), Joyland (2013) and Later (2021). It will also feature three exclusive art cards with alternate cover artwork for the three novels. Set in a small-town North Carolina amusement park in 1973, Joyland tells the story of the summer in which college student Devin Jones comes to work in a fairground and confronts the legacy of a vicious murder, the fate of a dying child, and the ways both will change his life forever. A rookie newspaperwoman learns the true meaning of mystery when she investigates a 25-year-old unsolved and very strange case involving a dead man found on an island off the coast of Maine. The son of a struggling single mother, Jamie Conklin just wants an ordinary childhood. But Jamie is no ordinary child. Born with an unnatural ability, Jamie can see things no one else can. But the cost of using this ability is higher than Jamie can imagine - as he discovers when an NYPD detective draws him into the pursuit of a killer who has threatened to strike from beyond the grave.

In the late 1800s, an aristocratic Tennessee family's lives are still touched by the aftermath of the Civil War

From The Long Walk to The Outsider, Stephen King's output reflects the major political concerns of the previous fifty years. This book is the first sustained study of the complex ways in which King's texts speak to their unique political moments. By exploring this aspect of the author's popular works, readers might better understand the numerous crises that Americans currently face – the book surveys King's corpus to address a wide range of issues, including the spread of neoliberalism, the Bush-Cheney doctrine, and the chaos of the populist present. Although the fiction outwardly declares itself to be anti-political (thus reflecting a widespread shift away from democracy in the aftermath of the 1960s), political energies persist just beneath the surface. Given the possibility of a political resurgence that haunts so many of his page-turners, Stephen King produces horror and hope in equal measure.

A collection of true crime cases includes the case of Jerry Harris, a self-made millionaire whose disappearance prompted his wife's eight-year search for answers

While digging an extension to the London Underground Railway, workmen discover an object which might be an ancient Martian spaceship – and Professor Quatermass of the British Rocket Group investigates a mystery which prompts frightening revelations about the origins of humanity itself. Before 2001: A Space Odyssey and Doctor Who, Quatermass and the Pit was the paramount British science fiction saga in film and television. Kim Newman's fascinating study focuses on Roy Ward Baker's 1967 film, written by Quatermass creator Nigel Kneale for Hammer Films, but also looks at the origins of the Quatermass franchise in 1950s BBC serials and earlier films. Exploring the production and reception of the film and series, Newman assesses the lasting importance of this landmark franchise.

Titles include "The Tommyknockers" and "Gerald's Game".

Als sie das Raumschiff freigelegt haben und hineinklettern, erkennt Gardener, der sich nicht von der Hysterie hat anstecken lassen, dass die "Tommyknockers", die Ausserirdischen längst tot sind. Ihre Technologie aber hat überdauert und hat nun Haven in ihren Bann gezogen, so dass die Bewohner nach und nach auch zu "Tommyknockers" werden. Er beschliesst der Sache ein Ende zu machen und fliegt mit dem Raumschiff ins Weltall. Der Name "Tommyknockers" stammt aus einem kleinen Vers, den Gardener im Sinn hat, als er nach Haven kommt. Bobbi liest den Namen in seinen Gedanken, und da es egal ist, wie die "Invasoren" heissen, verwendet sie ihn schliesslich auch. Den zu "Tommyknockers" Mutierenden ist es laut Bobbi egal, welchen Namen man ihnen gibt. Sie seien schon auf mehreren Welten gewesen, und man hat sie mal so, mal anders genannt, jedenfalls sei der Name unwichtig."

It began -- and ended -- in 1958 when seven children searched in the drains beneath Derry for an evil creature, but in 1985, Mike, once one of those children, makes six phone calls and disinters an unremembered promise that sets off the ultimate terror.

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you...to be read in a well-lit room only" (Los Angeles Times).

A definitive overview of film adaptations of the works of horror master Stephen King analyzes the thematic, narrative, and character links that are revealed among his films, exploring such popular films as Stand By Me, Misery, The Shining, The Green Mile, and The Shawshank Redemption, among others. Original. 15,000 first printing.

The Tommyknockers Simon and Schuster

From master storyteller Stephen King comes his classic #1 New York Times bestseller about four friends who encounter evil in the Maine woods. Twenty-five years ago, in their

haunted hometown of Derry, Maine, four boys bravely stood together and saved a mentally challenged child from vicious local bullies. It was something that fundamentally changed them, in ways they could never begin to understand. These lifelong friends—now with separate lives and separate problems—make it a point to reunite every year for a hunting trip deep in the snowy Maine woods. This time, though, chaos erupts when a stranger suddenly stumbles into their camp, freezing, deliriously mumbling about lights in the sky. And all too quickly, the four companions are plunged into a horrifying struggle for survival with an otherworldly threat and the forces that oppose it...where their only chance of survival is locked into their shared past—and the extraordinary element that bonds them all...

A root cause of terrorism in far-away countries, Canadians are told, is poor, desperate young people who turn their frustrations and anger on their "rich oppressors." Uprising brings this scenario home to Canada. When impoverished, disheartened, poorly educated, but well-armed aboriginal young people find a modern revolutionary leader in the tradition of 1880s rebellion leader Louis Riel, they rally with a battle cry "Take Back the Land!" Theirs is a fight to right the wrongs inflicted on them by "the white settlers." They know their minority force cannot take on all Canada. They don't need to. A surprise attack on the nation's most vulnerable assets—abundant energy resources—sends the Canadian Armed Forces scrambling and politicians reeling. Over a few tension-filled days as the battles rage, the frantic prime minister can only watch as the insurrection paralyzes the country. But when energy-dependent Americans discover the southward flow of Canadian hydroelectricity, oil, and natural gas is halted, they do not remain passive. Although none of Canada's leaders saw it coming, the shattering consequences unfold with the same plausible harmony by which quiet aboriginal protests decades ago became the eerie premonitions of today's stand-offs and "days of action."
