

The Tudors Kings Queens Scribes And Ferrets

Originally published: London: Walker Studio, 2017.

Tudor Kings and Queens is the ideal, handy guide to what is a perennially popular era in British history.

Beginning with the accession to the English throne of Henry VII, the author guides the reader through a succession of monarchs, who also included the infamous King Henry VIII, Mary I, Edward VI and Elizabeth I. Identifying the key moments of their reigns, from insurrections to their handling of foreign policy to their many marriages, Alex Woolf clarifies the way in which these kings and queens governed their realm and what they had to deal with. It's the perfect companion for anyone who enjoys historical drama and wants to know more about one of the most intriguing royal dynasties.

This book is a fascinating and interactive introduction to the Tudors age for curious children.

Charles Dickens is not only the author of some of the best-loved stories in the English language, but also the creator of some of its most memorable characters. Meet them all between the pages of this splendid book, which retells, in lively comic strip style, five of Dickens's most popular stories: Oliver Twist, Great Expectations, A Tale of Two Cities, David Copperfield and A Christmas Carol.

Retells nine tales of ancient Egypt, including the story of Ra rising from the waters of the Nile to create the gods of the earth, sky, and rain.

Suitable for Key Stage 2, Discover the Tudors: Tudor Exploration looks at aspects of how Tudors expanded their knowledge of the world, including seafaring, navigation, life on board ship, the spice trade, joint-stock companies, slavery and colonisation. Discover the Tudors offers a look at key areas of Tudor history.

Sibert Honor author Deborah Hopkinson illuminates the true stories of Jewish children who fled Nazi Germany, risking everything to escape to safety on the Kindertransport. An NCTE Orbis Pictus recommended book and a Sydney Taylor Book Award Notable Title. Ruth David was growing up in a small village in Germany when Adolf Hitler rose to

File Type PDF The Tudors Kings Queens Scribes And Ferrets

power in the 1930s. Under the Nazi Party, Jewish families like Ruth's experienced rising anti-Semitic restrictions and attacks. Just going to school became dangerous. By November 1938, anti-Semitism erupted into Kristallnacht, the Night of Broken Glass, and unleashed a wave of violence and forced arrests. Days later, desperate volunteers sprang into action to organize the Kindertransport, a rescue effort to bring Jewish children to England. Young people like Ruth David had to say good-bye to their families, unsure if they'd ever be reunited. Miles from home, the Kindertransport refugees entered unrecognizable lives, where food, clothes -- and, for many of them, language and religion -- were startlingly new. Meanwhile, the onset of war and the Holocaust visited unimaginable horrors on loved ones left behind. Somehow, these rescued children had to learn to look forward, to hope. Through the moving and often heart-wrenching personal accounts of Kindertransport survivors, critically acclaimed and award-winning author Deborah Hopkinson paints the timely and devastating story of how the rise of Hitler and the Nazis tore apart the lives of so many families and what they were forced to give up in order to save these children.

Sail back to a vicious time with fearsome seafaring Viking warriors with big boats, big shields and enormous ginger beards. Readers can discover all the foul facts about the Vicious Vikings, including

Draws eight stories from well-known collections of Indian folktales--Hitopadesha tales, Jataka tales, and Panchantra tales--and presents them with cartoon-like illustrations.

The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for

File Type PDF The Tudors Kings Queens Scribes And Ferrets

Game of Thrones The inspiration for the Channel 5 series Britain's Bloody Crown The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

When 17-year-old Henry Tudor ascended to the English throne, his reign looked promising. But by the time of his death in 1547, King Henry VIII was characterized as an extremely harsh, insecure king. This biography takes readers into the life of a monarch mainly remembered for his six marriages and establishing the Church of England. Illustrations..

An illustrated, scrapbook-style diary inspired by Jane Austen's classic imparts the events of *Pride and Prejudice* from Elizabeth Bennet's firsthand perspective. By the creator of *Tales from Shakespeare*.

The TudorsKings, Queens, Scribes, and Ferrets!Candlewick Press

Four hundred years after William Shakespeare's death, his works continue to not only fill playhouses around the world, but also be adapted in various forms for consumption in popular culture, including in film, television, comics and graphic novels, and digital media. Drawing on theories of play and adaptation, *Playfulness in Shakespearean Adaptations* demonstrates how the practices of Shakespearean adaptations are frequently products of playful, and sometimes irreverent, engagements that allow new 'Shakespeares' to emerge, revealing Shakespeare's ongoing impact in popular culture. Significantly, this collection explores the role of play in the construction of meaning in Shakespearean adaptations—adaptations of both the works of Shakespeare, and of Shakespeare the man—and contributes to the growing scholarly interest in playfulness both past and present. The chapters in *Playfulness in Shakespearean Adaptations* engage with the diverse ways that play is used in Shakespearean adaptations on stage, screen, and page, examining how these adaptations draw out existing humour in Shakespeare's works, the ways that play is used as a

File Type PDF The Tudors Kings Queens Scribes And Ferrets

pedagogical aid to help explain complex language, themes, and emotions found in Shakespeare's works, and more generally how play and playfulness can make Shakespeare 'relatable,' 'relevant,' and entertaining for successive generations of audiences and readers.

Harry Christmas and Angie Moon are best friends and almost-twins. Ever since they were born two days apart they've been partners in cloud-spotting, sweet-eating and treehouse-building. But when Harry is taken to hospital for headaches that won't go away, he needs Angie more than ever. Because when things fall apart, only a best friend can stitch them back together. Told through Angie's lively diary, this is a bittersweet story about friendship and growing up.

Do you like your history horrifying? Then the Terrifying Tudors will tantalise you! Shudder at the mad Tudor monarchs and their suffering subjects, who were always losing their heads. Discover what Tudors did in the good times and the gory times, from their great goose fairs and foul festivals to the terrible tricks of their ruthless royal family.

Originally published: London: Walker Books, c2015.

Profiles over one hundred of the world's most influential inventors, and describes the origins of such everyday items as the ballpoint pen, eraser, sandwich, and zipper.

At first, nothing lived on Earth. It was a noisy, hot, scary place. Choking gas exploded from volcanoes and oceans of lava bubbled around the globe... Then in the deep, dark ocean, something amazing happened. This is an exciting and dramatic story

File Type PDF The Tudors Kings Queens Scribes And Ferrets

about how life began and developed on Planet Earth, written especially for younger children. The authors explain how the first living cell was created, and how the cells multiply and create jellyfish and worms, and then fish with bendy necks, which drag themselves out of the water into swampy forests. They tell the story of the biggest creatures that have ever walked on land - the dinosaurs. Long after that, hairy creatures who have babies, not eggs, take over, stand on two legs and spread around the world, some of them living through cataclysmic events such as ice ages and volcanic eruptions. Everyone living today is related to these survivors. With delightful illustrations including lots of detail and humour, all carefully researched and checked, this book shows the development of life on Earth in a truly accessible and simple way.
