"I had a strong personal desire to illustrate Hans Christian Andersen's 'The Ugly Duckling,' " reflects pioneering performance artist Marina Abramovic (born 1946). "As a young child and growing adolescent, I felt a complete identification with the story. I, too, was the ugly duckling." Andersen's story of the ugly duckling that endures torment and loneliness before becoming a beautiful swan has resonated with readers since it was first published in 1843. Now, in this beautiful new edition of the classic fairy tale, Abramovic reimagines the story by adding new pen and crayon illustrations to the original text. This volume is the second publication in a series of Hans Christian Andersen fairy tales illustrated by contemporary artists,

following the huge success of 2016's *The Little Mermaid* by Hans Christian Andersen & Yayoi Kusama.

The Ugly Duckling Harper Collins

An ugly duckling spends an unhappy year ostracized by the other animals before he grows into a beautiful swan.

Mother Duck doesn't notice when a strange egg appears in her nest. But a large and ugly duckling hatches out of it that is so different that all the other animals laugh and call him names. The duckling runs away from home but there is a happy ending when he finally grows into a beautiful swan.

A Southern folktale in which kind Blanche, following the instructions of an old witch, gains riches, while her greedy sister makes fun of the old woman and is duly rewarded.

For over one hundred years *The Ugly Duckling* has been a childhood favorite, and Jerry Pinkney's spectacular new adaptation brings it triumphantly to new generations of readers. With keen emotion and fresh vision, the acclaimed artist captures the essence of the tale's timeless appeal: The journey of the awkward little bird -- marching bravely through hecklers, hunters, and cruel seasons -- is an unforgettable survival story; this blooming into a graceful swan is a reminder of the patience often necessary to discover true happiness. Splendid watercolors

set in the lush countryside bring drama to life.

Through moving prose and beautiful watercolors, award-winning author-illustrator duo collaborate to tell the poignant tale of a spirited young girl who comes face to face with segregation in her southern town. There's a place in this 1950s southern town where all are welcome, no matter what their skin color...and 'Tricia Ann knows exactly how to get there. To her, it's someplace special and she's bursting to go by herself. When her grandmother sees that she's ready to take such a big step, 'Tricia Ann hurries to catch the bus heading downtown. But unlike the white passengers, she must sit in the back behind the Jim Crow sign and wonder why life's so unfair. Still, for each hurtful sign seen and painful comment heard, there's a friend around the corner reminding 'Tricia Ann that she's not alone. And even her grandmother's words—"You are somebody, a human being—no better, no worse than anybody else in this world"—echo in her head, lifting her spirits and pushing her forward.

A Southern charmer for fans of Newbery Honor book *Three Times Lucky* by Sheila Turnage Audrey Couloumbis's masterful debut novel brings to mind Karen Hesse, Katherine Paterson, and Betsy Byars's *The Summer of the Swans*—it is a story you will never forget. Willa Jo and Little Sister are up on the roof at Aunt Patty's house. Willa Jo went up to watch the sunrise, and Little Sister followed, like she always does. But by mid-morning, they are still up on that roof, and soon it's clear it wasn't just the sunrise that brought them there. The trouble is, coming down would mean they'd have to explain, and they just can't find the words. This is a funny, sometimes heartbreaking, story about sisters, about grief, and about healing. Two girls must come to terms with the death of their baby sister, their mother's unshakable depression, and the ridiculously controlling aunt who takes them in and means well but just doesn't understand children. Willa Jo has to try and make things right in their new home, but she and Aunt Patty keep butting heads. Until the morning the two girls climb up to the roof of her house. Aunt Patty tries everything she can think of to get them down, but in the end, the solution is miraculously simple.
