and—perhaps most importantly—how can savvy entrepreneurs position themselves today for success in the NFT-driven world of tomorrow? This guide by industry leader and entrepreneur Marc Beckman delves into the underpinnings of NFT technology in a way that makes the subject clear and comprehensible to the layman, while drawing on Marc's branding experience to explore exactly how NFTs are poised to change fashion, sport, fine art, and even social justice. In this book he explores how NFTs will create entirely new asset classes and investment possibilities, such as fractional ownership in dynamic works of art. And in doing so, he also tells the story of how he personally discovered and became entranced by this powerful new tool, and where he believes NFTs will take business and branding throughout the 21st century.

Review: "This book is a fantastic guide to online marketing, and the Internet in general. As a marketing practitioner, I've been finding my way own way through the online world for some time now but have always wondered if what I was doing was 'correct' and it would take me ages to find out what I needed to know through researching online articles, blogs, etc. I found this book to be fairly concise and focused. The references to other online articles that it includes are vast and can they be very absorbing. The best part about this is that it is written by someone that clearly has vast experience in the field and, unlike with some online articles, you get the feeling that what is advised is really 'best practice'. I'd recommend this book for anyone interested in digital marketing." Adam Butchart, Digital Marketing student

Practice Online is a digital marketing strategy that can be used by new practices, those who have gone stagnant, and those intent on maximizing success. The book details the prospect's online journey and the many complicated paths prospects can take before they become an actual patient. The strategies are broken down so they are easy to learn and implement. SEO, Google & Facebook Marketing Another challenge dental professionals face is keeping up with the latest Google algorithm changes, how to optimize for Google safely so that you don't get penalized, as well as how to advertise on Google, Facebook, and other paid digital ad platforms. Adam has managed to make these facets of digital marketing easy to understand and gives plenty of advice for maximizing clicks, conversions, and return on investment. Testing & Optimizing for Maximum Leads & Growth The key to proper digital marketing is the study of the metrics and how to use those numbers and figures to maximize your efforts online. Dental professionals will learn how to make sense of all the noise and how to glean useful information from Google Analytics and other digital analysis platforms, as well as how to tweak campaigns over time to make them even more powerful. DIGITAL MARKETING STRATEGIES 2019 book describes up to date, useful, tested and effective strategies in an easy to understand way. 1. "DIVIDE & CONQUER" METHOD As of 2019, an average consumer sees 10,000 marketing messages per day and the attention span of an average internet user declined to only 8 seconds. 1.3 billion websites try to impress these people. In such an environment, you cannot achieve success by targeting wide audiences and using general marketing messages. To gain their attention, you have to divide your target audience and communicate each segment with the most relevant marketing message. 2. SEARCH ENGINE OPTIMIZATION (SEO) As the competition gets fierce, you have to work more than ever in 2019. This chapter provides detailed information regarding all 5 stages of SEO: Research, Strategy & Keyword Selection, On-site SEO, Infrastructure and Usability, Link Development, and Performance on Search Engine Results Page (SERP). 3. DIGITAL ADSThis chapter focuses on the strategies that will provide the highest conversion in Google Ads (formerly AdWords) and Facebook Ads. You will find detailed information on how to structure your digital ad campaigns and discover effective strategies to achieve success. The chapter provides various examples on text, display and social ad campaigns. 4. SOCIAL MEDIA This chapter focuses on

marketing: start with the customer and work backwards. A campaign is only effective as it is reflective of the consumer's wants, needs, preferences, and inclinations; the DMI framework provides structured, implementable, iterative direction for getting it right every time. The heart of the framework is a three-step process called the 3i Principles: Initiate, Iterate, and Integrate. This simple idea translates into higher engagement, real customer interaction, and multichannel campaigns that extend even into traditional marketing channels. The evolution of digital marketing isn't really about the brands; it's about consumers exercising more control over their choices. This book demonstrates how using this single realization as a starting point helps you build and implement more effective campaigns. Get inside the customer's head with deep consumer research Constantly improve your campaigns based on feedback and interactions Integrate digital activities across channels, including traditional marketing Build campaigns based on customer choice and control Digital marketing turns traditional marketing models on their heads. Instead of telling the customer what to think, you find out what they already think and go from there. Instead of front-loading resources, you continually adjust your approach based on real interactions with real customers every day. Digital marketing operates within its own paradigm, and The Art of Digital
