## Jim Stovall

**The Ultimate Journey** Jim Stovall,2011-06-01 Jim Stovall has penned three delightful parables for anyone who wants to be inspired or give the gift of inspiration. In *The Ultimate Gift*, Jason Stevens learns to appreciate the value of his life, while in *The Ultimate Life*, he learns the value of love. Now, in the touching conclusion to the trilogy, Jason learns that life's journey is all about traveling well--not about the destination. In *The Ultimate Journey*, readers will discover the secrets of a successful life, including - money helps pay for the trip, but should never be a destination - friends make the journey worthwhile - laughter lightens the load of any rough or rocky uphill road - time may be allotted in small or large portions but the moment is what counts - and so much more Do you know how to make your life a success? *The Ultimate Journey* packs a powerful message for all ages.

**The Ultimate Life** Jim Stovall,2007-09-01 A profound follow-up to the bestselling book and major motion picture, *The Ultimate Gift*. When Jason Stevens found out he had to jump through hoops to get an unnamed inheritance from his billionaire grandfather, he was not amused. By the time he'd finished learning the lessons, he'd become a different man. Ready to tackle the duties of running a multibillion-dollar trust, he is once again derailed, this time by his pugnacious family. Not content with their cattle ranches and oil fields, his aunts, uncles, and even his parents are determined to see every last dime entrusted to their own self-serving pockets. With none of the reluctance he initially showed for the gift, he eagerly accepts the challenge and pushes himself to prove, not only to his family and the court but also to the world, that with determination and the simple tenets of the gift, anyone can lead the ultimate life.

*The Ultimate Legacy* Jim Stovall,2016-01-11 It is here—the final chapter in the trilogy! Following the highly-rated world-wide hits *The Ultimate Gift* and *The Ultimate Life* comes *The Ultimate Legacy*! The epic of Jason Stevens' (Logan Bartholomew, Hallmark's *Love's Long Journey* and *Love's Abiding Joy*) life carries on. Having dealt with the tragedies and perils of his own family, he must try to help a friend along a similar journey. This touching conclusion shows that if we learn something, we change our own life. And when we teach something, we change another's life. But when we teach people to teach, we change the world.

**The Ultimate Gift** Jim Stovall,2010-01-01 What would you do to inherit a million dollars? Would you be willing to change your life? Jason Stevens is about to find out. Red Stevens has died, and the older members of his family receive their millions

with greedy anticipation. But a different fate awaits young Jason, whom his great-uncle Stevens believed might be the last vestige of hope in the family. Although to date your life seems to be a sorry excuse for anything I would call promising, there does seem to be a spark of something in you that I hope we can fan into a flame. For that reason, I am not making you an instant millionaire. What Stevens does give Jason leads to The Ultimate Gift. Young and old will take this timeless tale to heart.

**The Gift of Legacy** Jim Stovall,2013-06-01 Beloved author Jim Stovall continues his bestselling Ultimate Gift series with The Gift of a Legacy. Just tell me how I can get my money and get out of here. Theodore Hamilton's good friend and Joey Anderson's great-grandmother, Sally Mae Anderson, touched many lives during her lifetime. Joey, however, has little interest in his great-grandmother's final wishes after she dies--until he learns that she's left him Anderson House, her successful bed-and-breakfast. But he will only inherit it if he lives at Anderson House and follows Sally Mae's instructions. How can Joey ever meet her challenge? Jason Stevens knows how Joey is feeling. After all, Jason's grandfather left him a similar inheritance years before--and his life has never been the same. The Gift of a Legacy reminds us that one legacy can change the world forever.

The Ultimate Gift Rene Gutteridge,2007-03-18 Jason Stephens lives a life of wealth. A life of privilege. A life that's about to take a radical turn. Jason always had a straightforward relationship with his billionaire grandfather, Howard Red Stevens. He shunned him but welcomed his money. So he figured when Red died, his part of the inheritance would be a simple cash transaction that would fund his extravagant lifestyle. Instead, for Jason to receive his inheritance, he's given an ultimatum...a series of twelve tests or gifts as Red calls them. If he fails at any one of them, he loses everything. If he completes them all, the ultimate gift will be his. One of those gifts involves finding a friend...something Jason has never experienced before. Yet this unlikely friendship and an unexpected romance may just open his eyes to what he's been missing all along. You don't begin to live until you've lost everything.

**The Millionaire Map** Jim Stovall,2013-12-03 When Jim Stovall, through his business, makes his movies such as The Ultimate Gift accessible both as a premiere theatrical and DVD movie, as well as part of a school curriculum, he improves the lives of young and old alike. - Donald J. Trump On the heels of the best-selling success of The Ultimate Gift and the major motion picture from 20th Century Fox based on that book, Jim Stovall brings you The Millionaire Map. This is the book I wished was available 30 years ago when I was desperate and broke with only a dream of one day being a millionaire. Now, as a multimillionaire, I want to share the wisdom I've gained from the journey and provide other travelers with a map to guide them on their journey. -- Jim Stovall The Millionaire Map Reveals: You can't expand your wallet until you expand your mind. Becoming a millionaire is not just about all the things you want to have, but it's about the things you want to do and give. In order to climb to the financial peak, you've got to crawl out of the valley of debt. You will either voluntarily control your

money now, or it will force its control on you later. The vast majority of people never arrive at their destination-not because they don't have what it takes but because they don't manage what they have.

**The Facts of Business Life** Bill McBean,2012-10-09 IF YOU BELIEVE THAT: Being your own boss can be a great career choice Success is what you decide it is Doing what you have a passion and talent for can be very profitable Monetary risk, hard work, and new ideas should be financially rewarded Understanding the business basics every successful owner focuses on—and in what order—would be beneficial Success works for you only after you've worked for it Marketplace battles are won before they are played Knowing what owning a business is really like would make ownership success a lot easier Change can create great opportunities Knowing when to exit a business is as important a life and business decision as becoming an entrepreneur in the first place THEN THE FACTS OF BUSINESS LIFE IS FOR YOU! Written by a successful business owner with four decades of experience, The Facts of Business Life is full of real-world concepts that owners must use and embrace if they want to become and stay successful. This multiple award-winning book has been endorsed by some of America's top

business leaders, like Steve Forbes and Ken Fisher, and has been recognized as “one of the best five business books of the year” and “a must read for entrepreneurs or those wanting to be one.” McBean begins with clear explanations and real-life examples of the seven Facts of Business Life that every successful business owner knows and executes consistently, including exactly what they are as well as how and when to use them. He then goes on to show how those facts impact on the five levels every successful business passes through, from “Ownership and Opportunity” to “Moving On When It’s Time to Go,” explaining that while the facts themselves remain the same, as a business becomes successful and moves through its life cycle, the way they are applied must change to fit changing circumstances. But there are even more reasons why this breakthrough business book is a must read, including: Its principles are based on the author’s own experience in starting and running successful businesses in a variety of industries. It shows that the most successful businesspeople create profitable opportunities rather than wait for them to present themselves. It enables readers to analyze the likelihood of their own success based on the characteristics most successful owners have. It reveals the #1 priority for all owners and their employees, and why every owner needs to continually focus on it (Hint: it’s not being profitable). It emphasizes that becoming successful is no guarantee that success will last, and that success itself can be a trap that eventually leads to failure. It shows that a business’s culture isn’t just a mission statement but also the processes created to operate the business and the employees who implement them. It discusses the steps that must be taken even before a business is started to increase the odds of its becoming a lasting success. It covers every step in a business’ life cycle, including the last one, showing that the best time to exit a business is when you don’t have to, and that unless you pick that time, someone else will. MANY BUSINESS BOOKS INCREASE THEIR READERS’ KNOWLEDGE—THE FACTS OF BUSINESS LIFE NOT ONLY INCREASES THAT KNOWLEDGE, IT SHOWS YOU HOW TO TURN IT INTO PROFITS.

*Never the Bride* Rene Gutteridge, Cheryl McKay, 2009-06-02 “What girl can’t identify with *Never the Bride*? This is a fabulously funny novel with deep truths embedded in its pages.” -Kristin Billerbeck, author of *What a Girl Wants* “I admire writers who employ words to paint touchable pictures, likable characters, introducing us to instant friends who lead us to unexpected endings. That’s why I love *Never The Bride*.” -Squire Rushnell, author of the *When GOD Winks* books *Eleven Bridesmaid Dresses Don’t Lie* Since she was just a little girl, Jessie Stone dreamed up hundreds of marriage proposals, doodled the romantic ideas in her journal with her treasured purple pen, and fantasized about wedding dresses and falling in love. She’s been a bridesmaid nearly a dozen times, waved numerous couples off to sunny honeymoons, and shopped in more department stores for half-price fondue pots than she cares to remember. But shopping for one key component of these countless proposals hasn't been quite as productive—a future husband. The man she thought she would marry cheated on her. The crush she has on her best friend Blake is at very best...well, crushing. And speed dating has only churned out memorable horror stories. So when God shows up one day, in the flesh, and becomes a walking, talking part of her life, Jessie is skeptical. What will it take to convince her that the Almighty has a better plan than one she’s already cooked up in her journals? Can she turn over her pen and trust someone else to craft a love story beyond her wildest dreams? Cheryl McKay is the screenwriter for the award-winning film *The Ultimate Gift*. She also wrote an episode of *Gigi: God’s Little Princess*, based on the book by Sheila Walsh, and *Taylor’s Wall*, a drama about high-school violence. She’s been writing since the tender age of five when she penned her first play. Cheryl is originally from Boston, Massachusetts, and currently lives in Los Angeles. Rene Gutteridge is a critically acclaimed comedy writer and novelist. She is the author of fifteen novels including the *Boo* series, *My Life as a Doormat*, the *Occupational Hazards* series, and the novelization of the motion picture *The Ultimate Gift*. *JFK and the Unspeakable* James W. Douglass, 2010-10-19 THE ACCLAIMED BOOK, NOW IN PAPERBACK, with a reading group guide and a new afterword by the author. At the height of the Cold War, JFK risked committing the greatest crime in human history: starting a nuclear war. Horrified by the specter of nuclear annihilation, Kennedy gradually turned away from

his long-held Cold Warrior beliefs and toward a policy of lasting peace. But to the military and intelligence agencies in the United States, who were committed to winning the Cold War at any cost, Kennedy's change of heart was a direct threat to their power and influence. Once these dark Unspeakable forces recognized that Kennedy's interests were in direct opposition to their own, they tagged him as a dangerous traitor, plotted his assassination, and orchestrated the subsequent cover-up. Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis, along on the strange journey of Lee Harvey Oswald and his shadowy handlers, and to the winding road in Dallas where an ambush awaited the President's motorcade. As Douglass convincingly documents, at every step along the way these forces of the Unspeakable were present, moving people like pawns on a chessboard to promote a dangerous and deadly agenda.
