The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. "The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they'd read a hundred Holocaust stories or none."—Graeme Simsion, internationally bestselling author of The Rosie Project In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

A strong Christian woman embarks on a radical life experiment-a year of biblical womanhood. Strong and committed in her faith-but frustrated by the inconsistencies she saw in her evangelical culture's view of women-Rachel Held Evans became an independent woman. But, intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans had a crazy idea:What if I took "biblical womanhood" literally for a full year? In the next twelve months Rachel: Wore a scarf over her head to pray Called her husband "master" and stood on the roadside with a sign that said "Dan is Awesome" Adopted a computerized baby Perched on the roof for an afternoon of penance for gossiping Camped out in her front yard during her period Visited an Amish schoolhouse, a pig farm in Bolivia, and a Benedictine monastery Took up baking and knitting Interviewed a polygamist, a Quiverfull daughter, and a courtship couple With just the right mixture of humor and insight, Evans takes readers along with her on a lively adventure. In the process she discovers that the journey itself leads her right to the heart of God. Here's a book that's inspired by the Mexican culture and history. Artist Tattoo Duke has gathered his collection of drawings, from fully rendered color images, to collages and unique hand sketches, and compiled them into this amazing reference source. Not only does this book feature artwork that could be described as "Gangsta" or "Street," but it also features Aztec warriors, Raza-style artwork, Graffiti Art, even American Indian themes. The key, as with all art, is the shading. When the shading is done correctly it changes the entire impact of the artwork, whether it's rendered in full color or simply sketched in black & grey. This book features everything from beautifully, fully-shaded intricate collages, to simple sketches showing the design process. Tattoo Duke's artwork is a must for any artist/client that celebrates Mexican culture through tattoo designs.

Winner of the Anthony Award for Best First Novel! Stella Hardesty dispatched her abusive husband with a wrench shortly before her fiftieth birthday. A few years later, she's so busy delivering home-style justice on her days off, helping other women deal with their own abusive husbands and boyfriends, that she barely has time to run her sewing shop in her rural Missouri hometown. Some men need more convincing than others, but it's usually nothing a little light bondage or old-fashioned whuppin' can't fix. Since Stella works outside of the law, she's free to do whatever it takes to get the job done---as long as she keeps her distance from the handsome devil of a local sheriff, Goat Jones. When young mother Chrissy Shaw asks Stella for help with her no-good husband, Roy Dean, it looks like an easy case. Until Roy Dean disappears with Chrissy's two-year-old son, Tucker. Stella quickly learns that Roy Dean was involved with some very scary men, as she tries to sort out who's hiding information and who's merely trying to kill her. It's going to take a hell of a fight to get the little boy back home to his mama, but if anyone can do it, it's Stella Hardesty. A Bad Day for Sorry won an Anthony Award for Best First Novel and an RT Book Award for Best First Mystery. It was also shortlisted for Edgar, Barry, Crimespree, and Macavity Awards, and it was named to lists of the year's best mystery debuts by the Chicago Sun-Times and South Florida Sun-Sentinel.
