

The Undead The Second Week Compilation Edition Days 8 14 The Undead Series Book 2

Three months outbound from Earth and the starship Desio approaches its planetary destination, her crew eager to commence a mission of scientific discovery. Kyle Lorenzo, however, has a personal reason for being on board--an inner conflict that will ultimately propel him to explore not only of the furthest reaches of an enigmatic ocean world but the nebulous recesses of his inner psyche. During the long and isolating interstellar journey a physical relationship develops between Kyle and the ship's physician, Kelly Takara. That part is easy. Understanding the reasons for avoiding the emotional commitment desired by Kelly is harder. So, too, is trying to penetrate the mind of Larry Melhaus, the mission's brilliant and reclusive physicist - a failure to communicate made exponentially more troublesome when the scientist's disturbing behavior begins to threaten the crew. While Kyle struggles to comprehend himself and Melhaus, the ship's crew, led by their strong-willed commander, Bruce Thompson, attempt to fathom a planet where none of the precepts of science seem to apply. A world where every preconceived notion of what constitutes life must be re-examined and challenged. Two journeys: One inward, one outward. Culminating at the same destination.

Is this the year you are finally going to share your message with the world? Don't let the idea of having to write a book hold you back. It's easier than you think, and you don't even have to actually write the book yourself... Never thought about writing a book? Maybe you should consider it! Publishing a book will give you expert status, help spread your message and increase sales of your other products and services. It may even kick-start or boost your public speaking career. Writing, publishing and promoting a book has never been easier. You can do it in a week. This guide will teach you: The best kept secrets to a quick start for writing, promotion and sales Smart writing process hacks Alternatives to writing the book yourself Self-publishing The keys to launching a successful book, superfast "I just published my book. What I haven't been able to achieve in the past three years I did in just 7 days!" Chris About the authors Esther Jacobs (The Netherlands, 1970) is an international (TEDx) speaker and author. Esther has given over 1000 keynotes and is (co)author of 21 books. Her workshops have helped over 400 entrepreneurs to write their book. The NO EXCUSES LADY helps leaders and entrepreneurs to transform their challenges into opportunities. Marie Stern (Germany, 1982) is an "Amazon Self-Publishing Ninja." She authored 7 bestselling Amazon books, even though she wasn't even good at writing in school. However, she spent many hours browsing and reading in bookstores, discovering the secret behind successful books. As a former data mining analyst, she knows how important research is and how to find structure in any process. Marie helped many non-writers have their book written and likes to share her best knowledge on how to self-publishing and sell books. Esther and Marie met at a conference, where they were giving a book writing workshop. They decided to write this book in just one day, using their own tested method. And now they're inviting you to try it, too!

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father. In a sleepy, secluded Alaska town called Barrow, the sun sets and doesn't rise for more than thirty consecutive days and nights from November to December. During this time a few years ago, from the darkness and across the frozen wasteland, an evil that normally preferred to exist in the shadows descended upon Barrow and brought the residents to their knees. Barrow's only hope was Eben and Stella Olemaun, a husband-and-wife law enforcement team who were torn between their own survival and saving the town they loved. Months later, as Stella Olemaun attempts to warn the world about the looming vampire threat by any means necessary, a rogue government agent may be taking more than an active interest in her story. And meanwhile, further north, a new sheriff and his young son must solve the lingering mystery of Barrow, even as the survivors of the original attack prepare for the sun to set once again -- however this time, they're ready. 30 Days Of Night: Rumors Of The Undead is Steve Niles's innovative and eagerly anticipated expansion of a nightmarish narrative that explores the nature of ancient evil existing -- and thriving -- in an unsuspecting modern world.

The Undead Day Seventeen. The UK's best-selling zombie horror series Now a best-selling audio book series on Audible

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Three months have passed since the mysterious event transformed life on Earth. The air grows colder, the days shorter, the snow deeper, and Coral and Benjamin struggle to find food enough to keep them on their feet. Moving on to warmer climes seems their only long-term hope, but travel means a terrible danger: encountering other people. The rule of law is gone, the old morality is crumbling, and Coral needs all her wits and skill to survive in this brutish new world. (Gray is a trilogy.)

A single moment in time can change everything... The sudden death of her mother turned Taylor's life upside down. Walking away from her independence and beloved career as a photojournalist, she sacrificed her dreams to salvage her mother's life work. Endless days of tiring routines leaves her desiring more. Sharing an unexpected conversation with a mysterious stranger, Taylor finds her heart reawakening to possibilities she long ago put to rest. Embarking on a romantic journey, Taylor fights to forget her painful past. Surrendering to the current of change, she finds herself once again struggling to keep her heart from being crushed, yet still allowing the man of her dreams the chance to tear down the walls of defense.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?

Important and provocative, The Undead examines why even with the tools of advanced technology, what we think of as life and death, consciousness and nonconsciousness, is not exactly clear and how this problem has been further complicated by the business of organ harvesting. Dick Teresi, a science writer with a dark sense of humor, manages to make this story entertaining, informative, and accessible as he shows how death determination has become more complicated than ever. Teresi introduces us to brain-death experts, hospice workers, undertakers, coma specialists and those who have recovered from coma, organ transplant surgeons and organ procurers, anesthesiologists who study pain in legally dead patients, doctors who have saved living patients from organ harvests, nurses who care for beating-heart cadavers, ICU doctors who feel subtly pressured to declare patients dead rather than save them, and many others. Much of what they have to say is shocking. Teresi also provides a brief history of how death has been determined from the times of the ancient Egyptians and the Incas through

the twenty-first century. And he draws on the writings and theories of celebrated scientists, doctors, and researchers—Jacques-Bénigne Winslow, Sherwin Nuland, Harvey Cushing, and Lynn Margulis, among others—to reveal how theories about dying and death have changed. With *The Undead*, Teresi makes us think twice about how the medical community decides when someone is dead.

Poems that I have done this year, that are all sorts of types of poems, second book of poetry, similar to the first but very different also though. You will see what I mean when you read these poems compared to the first book's poems.

In the final book of Ginger Voight's *Groupie Trilogy*, Andy and Vanni have returned to Los Angeles to prepare for the birth of their child. A reformed Ladies' Man, Giovanni Carnevale now embarks on a life of monogamy with the woman he loves, but the ghosts of his past still continue to haunt their newfound happiness. The Wilke family wants to see him pay for the damage he has done to their precious Baylee, who still lies in a vegetative state. For her brother, Donny, money will never be enough to make up for what Vanni has done, but that is where the Wilke family first seeks their revenge, demanding millions of dollars in restitution. To ensure he has enough money to make up for his mistakes as well as provide for his baby, Vanni takes on the job as judge for a new reality talent show called "Fierce," where he champions an unlikely contestant, proving him to be a man of substance more than anyone could have imagined. Graham tries to move on, but when he discovers that Andy is pregnant he cannot stop dreaming of what might have been. Maggie watches on helplessly, as hopelessly in love with him as he is with someone else. She considers moving on before he shatters what is left of her heart. The biggest threat to Vanni and Andy's *Happily Ever After* is Holly Neal, who returns to Los Angeles claiming to carry Vanni's baby. Graham and Andy suspect she is up to her old tricks, but Vanni knows truly turning over a new leaf means he has to do right by all the people he has wronged - including a child he may have conceived with another woman. In the end, it is Andy and their baby who may pay the biggest price of all for his sins, when Baylee's death sends her psychotic brother over the edge. Everything blows literally to pieces, forcing Vanni - and Graham - to give it all for the sake of love.

The world remains in a state of flux, but life in a post-zombie society goes on. It's now three years since Bernard Marlowe's stunning election victory. Incidents involving the undead have fallen to an all-time low, and great strides have been made in the development of a groundbreaking treatment to reverse the devastating effects of the infection. The new prime minister is still grappling with the realization that running the country isn't quite the walk in the park he thought it might be. The one-time flavor of the month is now the most unpopular leader in recent memory. His scandal-plagued government has degenerated into a laughing stock and is hurtling head-first toward a humiliating electoral defeat. Regaining the public's trust, or restoring their deepest fears, may be his only chance of winning - and there is nothing he won't do to hold on to power.

Another day another drama as the saga continues. Asia Harrington had no idea of what she was getting into when she got with a married business owner name, Bryce Fowler. But, she soon will learn the hard way like most side chicks do. Bryce didn't exactly get away unscathed and now he's reaping from the poisonous seeds that he has sowed. Shay has been losing so long that she just might win. Annalise is on her *India Arie* and ready for love, but can Ashley say the same? Sierra thought she would get her happy ending but will it be with the one she first gave her heart too? Watch the drama unfold when what happened last night turns into what's happening now?

17 Times Amazon Best Seller is giving YOU his Complete System! Not only that, he's also giving you his FREE COURSE and the exact Skeleton File (already formatted!) he personally uses for publishing on Kindle! Has he lost it completely? Most likely, but he swears otherwise! He has this stupid idea that if he gives you exactly what you need to solve your problems you might just stick around. By the way, because he has this delusion that you should always put your money where your mouth is, he actually shows you the video where you can see his 17 Amazon Best Sellers. Bananas! He's no saint, though! If you get his FREE COURSE he will try to sell you his complete, over-the-shoulder, professional Course down the line! He offers it for a crazy affordable price and he doesn't even try to upsell you anything. This lunatic believes in transparency and providing real value. These are the worst scumbags! The craziest part is that, even if you don't buy anything else, this book ALONE will give you EVERYTHING you need to publish your book on Amazon from A to Z! This is what I'll teach you: Choosing the Right Topic: The best way to earn a lot of money while having a sense of purpose! Market Research: Learn how to get inspiration and improve your own book by looking at the right places! Title Creation: Learn how to get readers bursting with curiosity and lining to get your book first! Writing Your Book: The fastest way to structure your book all the way to the end! Outsourcing: If you don't want to write it, learn how to outsource it the right way and end up with a masterpiece! Cover Creation: Do it yourself easily and for free OR Get a professional graphic designer to do it for \$5!

Description, Categories & Keywords: Learn the AIDA Formula for magic descriptions and know all the secrets to stand out! Formatting and Publishing your Kindle EBook: I will provide you with the same skeleton file I personally use (already formatted!) and I will show you, step-by-step, how to publish your Kindle book the right way! Formatting and Publishing your Paperback Book: Learn how to publish the paperback version for FREE! I will teach how to get an already formatted template and show you, step-by-step, how to publish your physical book the right way! He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

The Undead Day Fourteen. The second week reaches a thrilling climax. A deadly infection spreads across Europe. The Undead Series: A terrifying account of one man desperately struggling to survive this harrowing event. "Amazing series" "I love this series" "So much emotion and such a vivid imagination has brought us the best zombie series ever written" "Well done RR Haywood an absolute genius" "I would recommend this book series to anyone who loves zombie books" "The Undead saga continues to be one of the freshest and most engaging slices of action horror on the market today" "Haywood can not only

write, and write well, but he has the stamina and skill to keep this ever changing story moving forward with new twists and turns"

A story about a young villager girl, Cherrie Bloom, the only child of an old forester, who goes into a forbidden land - the Blood Forest - and gets captured by savage tribesmen known as the Asashins, who are famous for their mercilessness and bloodthirstiness throughout the lands. But there in the camp she meets a kind young prince, swordsman Chao Lin, and falls in love... Though their happiness is short-timed - a war starts between the young princes and the chief, and Chao and Cherrie get to be separated. Cherrie returns to her homeland, and soon forms a new family - she acquires a husband and has a son. However, the young woman cannot forget about her lost beloved, and dreams to someday reunite with him again... *NOTE* This story is written in a fantasy world, so no culture is directly involved. The Asashins resemble East Asian people (Japanese and Chinese) by their culture and language, however, the tribe is created purely out of fantasy.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. *Time for Anything* is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

"A rich, sensual, bewitching adventure of good vs. evil with love as the prize." ~Publisher's Weekly on *ETERNITY* 300 years ago, Raven St. James was hanged for witchcraft. But she revives among the dead to find herself alive. She is an Immortal High Witch, one of the light. A note from her mother warns that there are others, those of the Dark, who preserve their own lives by taking the hearts of those like her. Duncan Wallace's forbidden love for the secretive lass costs him his life. 300 years later, he loves her again, tormented by hazy memories of a past that can't be real. She tells him of another lifetime, claims to be immortal. Though he knows she's deluded, he can't stay away. And the Dark Witch after her heart is far closer than either of them know. If you liked the TV Series *HIGHLANDER*, you will LOVE this series. Don't miss Book 2, *INFINITY*. "A hauntingly beautiful story of a love that endures through time itself." ~New York Times Bestselling Author, Kay Hooper "This captivating story of a love that reaches across the centuries, becomes as immortal as the lover's themselves, resonates with timeless passion, powerful magic, and haunting heartbreak." ~BN.com's official review

Another body in a string of ritualistic murders. A serial killer who's getting cocky. Detective Derek Childress thinks this day just can't get any worse. And then he meets his new partner. Investigator Kayle Perrine is a Variant: one of several races of once-thought mythical creatures who now live among and lord-over humankind. Led by a group of vampires called the Clan Gentry, the Variants protect their own, just as they did when Derek's previous partner was killed by one, nearly a year ago. Now that Perrine's on the case, Derek expects a cover-up. Kayle Perrine has worked his whole life to prove himself, but being paired up with a boorish mundane like Derek Childress is feeling more like punishment than reward. Derek is so blinded by his prejudice against Variants, that he refuses to see the evidence Kayle finds blatantly obvious. The sooner Kayle can close this case, the sooner he can go back home and forget about the infuriating human detective. A brutal attack forges a fragile truce between the two men, driving them together. Derek and Kayle must learn to trust and depend on each other while tempers flare and passions of every kind run hot between them. Yet as they begin to grow closer, one fact continues to keep them apart: they are from different worlds. With time running out to solve this case, Derek and Kayle understand that love may not be enough to overcome prejudice, politics, and murder.

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Triber. In the Middle Realm, Tribers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

Work at a funeral home can be mundane. Until you accidentally start bringing the dead back to life. Cassie Black works at a funeral home. She's used to all manner of dead bodies. What she's not used to is them waking up. Which they seem to be doing on a disturbingly regular basis lately. Just when Cassie believes she has the problem under control, the recently-deceased Busby Tenpenny insists he's been murdered and claims Cassie might be responsible thanks to a wicked brand of magic she's been exposed to. The only way for Cassie to get her life back to normal is to tame her magic and uncover Mr. Tenpenny's true killer. Simple right? Of course not. Because while Cassie works on getting her newly acquired magic sorted, she's blowing up kitchens, angering an entire magical community, and discovering her past is more closely tied to Busby Tenpenny than she could have ever imagined. If you like urban fantasy with snarky humor, unforgettable characters, and paranormal mystery such as Ben Aaronovitch's *Rivers of London* series, you'll find it hard to pry yourself away from this first book of the *Cassie Black Trilogy*. * Winner of the Novel Excerpt Prize from the League of American PEN Women * Finalist in the Yeah You Write Novel Contest Note: While this book delivers plenty of wry giggles and a few hexes, it's fairly clean with only an itty-bitty bit of light cursing, one fight scene, and no hanky panky or sexual situations.

"When Dr. Joy Gilbert is fired, she returns to her small town home to find her former fiancée single, her mother struggling financially and physically, and the 15-year-old daughter of her former boss stowed away in her back seat"--

The *Second Week* starts out with a BANG As survivors in the tiny community of Lula, Mississippi scavenge for supplies across the river, a decision made by someone a thousand miles away puts them and their entire community at risk. With weapons being scarce, they must use their wits if they want to live to see another day in the zombie apocalypse. *Dead America: The Second Week* introduces new survivors and locations in addition to revisiting some familiar ones as people all across the country fight for their survival against the growing armies of the undead.

Lizzie O'Malley is back with a purpose in life. Still flighty and unpredictable, she knows that loving and losing Teagan Gallagher has changed her life forever. As she navigates her new life in Boston as a full time working mother, she promises herself she will never fall in love again. But can she keep that promise after meeting Nick Sawyer, the gorgeous Texan who has fallen for her? Follow Lizzie to Ireland where she struggles with tragedy and rediscovers herself all over again.

The first terrifying chapter of the *Dead Texas* spinoff. It's Day Zero and the Texas zombie virus is quickly spreading throughout the nation. In a desperate race against the clock, two special forces teams are

given an impossible mission. Turn the football stadium in Charlotte into a fortress, and rescue some of the brightest minds in the world to help with the coming war. Dead America: The First Week focuses on the national response to the Texas zombie outbreak. There will be multiple mini-series within The First Week focused on several regions of the nation and how they are dealing with the crisis.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Since the times of magic, Bob Conner's WWII fighter plane was as close as he could get to dancing among the clouds and nestling in the shoulders of his mighty emerald dragon. It had been thousands of years since the magic was buried deep within the Earth to protect it from mankind. Now the world has changed forever as it has been rediscovered, and once again brought to the Earth's surface. Now that the magic has been released, it is up to those few elves and dwarfs that have stayed behind to put things back. With the help of three special women and a small air force of vintage aircraft, this courageous group battles the darkness and it is the light that ushers in a whole new age of enchantment.

Two stolen Pakistani nuclear bombs, a conspiracy to manipulate the global market in rare earths and a plot to assassinate the President of the United States. It's going to be a busy week for Ali Monpour, special investigator for the National Security Advisor. Rare Earths is a fast-paced political thriller ripped from today's headlines! Action and intrigue intertwine from the deserts of Balochistan to the halls of power in Washington, D.C.

The Undead Day Fourteen

The Second Week concludes with another six books. As the Texas Zombie Virus continues to spread, those left alive battle the living and the undead for survival. In this collection, Terrell faces stiff opposition in the Carolinas, the El Paso group engages in risky mission to appease the Cartel, a mini-war breaks out in New Mexico, Zion continues to build his Portland empire, and the battle for Spokane begins. Boos in Collection: Carolina Front - Pt. 4 El Paso - Pt. 3 New Mexico Portland - Pt. 2 Heartland - Pt. 4 Heartland - Pt. 5

"Boomstick. Samurai bat. Motorcycle leather. And the will to live amongst the unliving. Augustus Berry lives a day-to-day existence comprised of waking up, getting drunk, and preparing for the inevitable day when "they" will come up the side of his mountain and penetrate his fortress. Living on the outskirts of a city and scavenging for whatever supplies remain since the demise of civilization, Gus knows that his next visit to undead suburbia could be his last. Not only does he face a corpse-infested urban hell, human scavengers, and unending loneliness, but now a new mystery has risen... The undead are disappearing from the streets. A force is gathering, beyond the mountain man's wildest nightmares, even more relentless and terrifying than the roaming tides of dead flesh. And it's preparing to hunt." -- Back cover.

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring--except for her. So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened. Gray I is the first novel in a series.

MITE (Book One) is the first of this gripping, thought provoking, Young Adult story of how a seemingly positive, beneficial breakthrough in medical technology with many wonderful applications can be corrupted for unscrupulous use by powerful companies and their corporate leaders and top scientists. MITE is a cautionary tale loaded with drama, corporate conspiracy, exciting adventures and a little teenage romance. Readers of author M.S. Antonucci's novel will be drawn to the charismatic characters and their thrilling conflict. The very real possibilities of MITE's fantasy technology and this absorbing story of its ominous effects on its innocent subjects will inspire readers of all ages to ask, "What if?" A father walking towards the lifeless body of his daughter, Kailey, a fate brought on by his own doing. He never thought that by enrolling her in a program meant for protection it would become her biggest source of danger. MITE tells a story of a young couple driven into the scientific community by their inability to naturally conceive. Once given a chance by a doctor with interests in a new form of surveillance, their fears of the world around them leads the young parents to enroll in his program; a decision that will change their lives and the life of their daughter. Spinning out of control, Allen begins a drunken overprotective surveillance over the course of his daughter's adolescence. As tragic events unfold, he is driven into an alcohol-induced madness which sends his daughter seeking freedom from his parental control. Soon, an overlooked stipulation in the contract between him and the doctor shifts Kailey from a patient to prey as the misguided program seeks to tie up loose ends. Now Kailey finds herself part of a hidden resistance of like-fated former patients coping with a life of lies and the reality of being hunted and their only option; to fight back.

The first 6 books in the Second Week series in one box set! The Second Week starts out with a BANG! As the Texas Zombie Virus ravages the nation, those left alive are struggling for survival. In this six book set civilians in Mississippi deal with the fallout from a decision made a thousand miles away, the people of El Paso fight against an invading force from the south, and the military put numerous plans in place to start taking the country back from the undead. The six books included in this set are 1 - Mississippi 2 - Heartland pt. 2 3 - El Paso pt. 2 4 - Cincinnati 5 - Heartland pt. 3 6 - The Nevada Caravan THE UK'S BEST-SELLING HORROR SERIES The Undead Day Sixteen By Washington Post best-selling author RR Haywood, author of the smash-hit time travel series - Extracted A deadly infection spreads across Europe. The Undead Series: A terrifying account of one man desperately struggling to survive this harrowing event "Brilliant writing from start to end." "A whip-cracking, adrenaline-fuelled doozy of a book!" "The best series ever!" "A cracking read..." "You'll cheer, laugh and cry..." "A gem of a series." "Gripping." "The best zombie series by far." "One of the best series out there and one of the best authors of this genre - totally gripping and will have you at the edge of your seat." find out more about the author at rraywood.com *The Undead is entirely self-published.
