The Universe Has Your Back: A Complete Summary 'The Universe Has Your Back' opens with Bernstein's short intro. As a teenager, she had problems with depression. Her mother was a hippie and yogi, and she coached Bernstein into the habit of meditation. During one session, she experienced a blanket of peace, filled with loving energy, tingling in her body. But because she failed to constantly practice meditation and draw power from it, she succumbed to drugs and alcohol and soon hit rock bottom. However, she knew that she needed a way out of those habits, so she started practicing meditation and mantra. Since that day, Bernstein has been on a spiritual journey. She wanted to empower her relationship with the true source of love. She says that some people call this God, a spirit, a truth, or a consciousness. Some people simply refer to this as The Universe. Here, she states that pursuing this connection to love needs to be a personal commitment for each person to make. She also felt that the root of all unhappiness is in not seeing where true happiness exists. Some people try to find happiness in material things. Some try to find it in religion without properly understanding the religion and things they say when they pray. Others turn to meditation and try to connect themselves with their inner being. The most important connection that each person needs to discover, accept, and maintain is connection with the true source of love. Only when we return to our true source we will find true happiness, joy, and true love. To be continued...Here Is A Preview of What You Will Get: A summarized version of the book. Light Is the New Black is a guidebook for those who agreed to be here at this time in history to answer the call of their soul and work their light. This soulful, encouraging book will guide you to hear the callings of your soul, so you can light up the world with your presence. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this book, Rebecca shares her own journey, alongside practical tools to help you reconnect with the core of your being and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in alignment, discover your soul gifts and offer the world something that only you can give.

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of The Subtle Art of Not Giving a F*ck I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

"Gabrielle is the real thing. I respect her work immensely." —Dr. Wayne Dyer "A new role model." —The New York Times "I came to one of Bernstein's monthly lectures and got my first look at the woman I'd one day unabashedly refer to as 'my guru.'" —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you'll feel more peace and happiness than you've ever known. I can testify to these results because I've lived them. I've never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text *A Course in Miracles*, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

I always knew I was different. From a young age, my mind has been plagued with things only I could see. Some hauntingly beautiful, others completely terrifying. Never knowing if these visions were real or just hallucinations, I learned how to lock them down and ignore them. I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for. But just when I think my life is getting on track and my dreams are achievable, a moment of weakness causes me to learn a hard and fast lesson. My entire existence has been a lie. Now I'm faced with a new reality that's as implausible as it is fantastical. Filled with realms and veils, light and dark, fae and daemons, gods and angels—things I don't understand but am forced to acknowledge. It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne, one of Seattle's richest and most powerful men. He intimidates, annoys, and intrigues me all at the same time. I don't trust him and yet there's no one else to help me. No longer certain who to put my faith in, what to believe, or how I fit into it all, one revelation is clear... The world as I know it will never be the same again. ?The Revelation of Light and Dark is book one of the Chronicles of the Stone Veil series and is best enjoyed if read in series order.

Atkinson examines the nature of mental thought and its power to affect one's life in a thought-provoking discourse that elucidates the power of positive mental thought. Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

A bold and all-embracing exploration of the nature and progress of knowledge from one of today's great thinkers. Throughout history, mankind has struggled to understand life's mysteries, from the mundane to the seemingly miraculous. In this important new book, David Deutsch, an award-winning pioneer in the field of quantum computation, argues that explanations have a fundamental place in the universe. They have unlimited scope and power to cause change, and the quest to improve them is the basic regulating principle not only of science but of all successful human endeavor. This stream of ever improving explanations has infinite reach, according to Deutsch: we are subject only to the laws of physics, and they impose no upper boundary to what we can eventually understand, control, and achieve. In his previous book, *The Fabric of Reality*, Deutsch describe the four deepest strands of existing knowledge—the theories of evolution, quantum physics, knowledge, and computation—arguing jointly they reveal a unified fabric of reality. In this new book, he applies that worldview to a wide range of issues and unsolved problems, from creativity and free will to the origin and future of the human species. Filled with startling new conclusions about human choice, optimism, scientific explanation, and the evolution of culture, *The Beginning of Infinity* is a groundbreaking book that will become a classic of its kind.

In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. She spent most of the next two years in the ward for teenage girls in a psychiatric hospital as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within

the kaleidoscopically shifting landscape of the late sixties. *Girl, Interrupted* is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

Bernstein has secrets to reveal, and she is determined to unleash the presence of your power with the comforting knowledge that the Universe has your back.

In her latest book, *The Universe Has Your Back*, New York Times best-selling author Gabrielle Bernstein teaches readers how to transform their fear into faith in order to live a divinely guided life. Each story and lesson in the book guides readers to release the blocks to what they most long for: happiness, security and clear direction. The lessons help readers relinquish the need to control so they can relax into a sense of certainty and freedom. Readers will learn to stop chasing life and truly live. Making the shift from fear to faith will give readers a sense of power in a world that all too often makes them feel utterly powerless. When the tragedies of the world seem overwhelming, this book will help guide them back to their true power. Gabrielle says, "My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety, and security we long for lies in our commitment to love. " When readers follow this path, they 'll begin to feel a swell of energy move through them. They will find strength when they are down, synchronicity and support when they 're lost, safety in the face of uncertainty, and joy when they are otherwise in pain. Follow the secrets revealed in this book to unleash the presence of your power and know always that *The Universe Has Your Back*.
