Falling in love will be brutal. Bryan is ruthless, heartless, and more than a little proud of his notorious reputation, until his bad attitude threatens to strip him of the one place he can't live without. His sanctuary. The Vault. The exclusive club is the only place he feels at home, and he'll do whatever it takes to reclaim what is his. Even if it means asking for help from the woman who landed him in trouble in the first place. Pamela may have become weak-kneed over Bryan's talented hands once before, but this self-empowered widow isn't stupid enough to want more from the sanctimonious ass. Nope. At least that's what she tells herself before he turns up at her café, offering to refresh her memory on his skilled fingers and filthy words in exchange for a favor. He needs her to set things straight in the Vault. She needs him to satisfy the cravings of fulfillment she's been missing. It's a match made in hedonistic heaven, until hostility turns to lust, and lust into passion, capturing them both in an emotional web neither one of them want to be ensnared in. Warning: This is an exhibitionist's playfield and a voyeur's delight, but dominance always rules. Throw in teasing, torture, and a gag or two, and you've got yourself another night of debauchery within the carnal walls of the Vault of Sin.

The fate of this world may rest on our shoulders today. So begins the saga of Ulfric Aldinhuus and the Knights Corporealis. War has broken out and spread Cosmos-wide. To the embattled celestials, humans are as expendable as pawns. Until the Knights take up the celestials' weapons and fight back. Featuring 1,500 pages and five action-packed books of epic fantasy adventure, with magic, monsters, and a Cosmos-crossing adventure. Knight Chosen: The Shackled Verities (Book One) Vinnr is a realm of three kingdoms, one of the five realms of the Great Cosmos. The peace between the kingdoms is stable but fragile, and the Knights Corporealis keep their distance from the fickle and divided commoners. After all, their oaths were sworn to celestials, not to people. But certain doom has come. A corrupt celestial arrives with a singular focus: to conquer the people of Vinnr and spread his dominion throughout the five realms. As the battle to save Vinnr commences, the Knights quickly find that their fight is not only for their own realm—but for the Cosmos itself. Embittered and weary of endless battle, Ulfric finds his faith failing. Ready for the challenge and eager to prove herself, Mylla Eternal, youngest of the Knights, takes up her sword readily and without a thought for her own life. And Jaemus Bardgrim, a peaceful foreigner from another realm, is caught unexpectedly in the midst of the chaos and just wants to know what in all the worlds is going on.

But surrender is not in Ulfric and the Knights, and with catastrophe nearly at hand, Ulfric is sure of one thing... a sword will never lose its faith in the fight, even if he has. Get The Shackled Verities Series box set, where the Knights Corporealis go to war against dragørs, celestials, and time itself. Some do it for hope, some for family, some for redemption, but in the end, they all face one truth: a human life is no match for the eternal power of a celestial. If they are very, very lucky, one Knight's sacrifice may be.
