It all happened because John Rebus was in his favorite Edinburgh massage parlour reading the Bible... So opens the latest Rebus mystery and within a few pages the hapless Rebus has lost a lover, found an unwanted brother, been reacquainted with a dangerous ghost from the past, and witnessed the black comedy of life in a blood-soaked Edinburgh butcher's shop. Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent* follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead – a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things – especially in the world of the walking dead – are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, *The Walking Dead* franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

Hollywood was born just over a century ago, at a time of huge forward motion for women's rights. With no rules in place to stop them, there were women who forged ahead in many areas of filmmaking. Yet, despite the work of early pioneers like Dorothy Arzner, Mabel Normand, Mary Pickford and Alice Guy-Blaché, it soon came to embody the same old sexist standards. Women found themselves fighting a system that fed on their talent, creativity and beauty but refused to pay them the same respect as their male contemporaries - until now . . . The tide has finally begun to turn. A new generation of

women, both in front of and behind the camera, are making waves in the industry and are now shaping some of the biggest films to hit our screens. In *Women vs Hollywood: The Fall and Rise of Women in Film*, film critic Helen O'Hara takes a closer look at the pioneering and talented women of Hollywood and their work in film since Hollywood began. And in understanding how women were largely written out of Hollywood's own origin story, and how the films we watch are put together, we can finally see how to put an end to a picture that is so deeply unequal - and discover a multitude of stories out there just waiting to be told.

In this riveting, "gory, and action-packed" (Jonathan Maberry) survival thriller, set in the expansive world of Robert Kirkman's The Walking Dead series, three people from different walks of life in China must join forces against the typhoon of undead as chaos sweeps over Asia. In the aftermath of the zombie virus outbreak, what remains of the Chinese government has estimated that one billion walkers (called jiangshi) are currently roaming through the country. Across this dramatic landscape, large groups of survivors have clustered together for safety in villages and towns that have been built vertically as a means of protection against the unceasing wave of jiangshi. Before this devastation, Zhu was one of the millions of poor farmers who left their rural roots for the promise of consistent employment in one of China's booming factory towns. Elena was an American teaching English in China while on a gap year before beginning law school. Hengyen was a grizzled military officer of some renown, and a passionate believer in his nation's ability to surmount any obstacle. But with the settlement's 3,000 mouths to feed and the scavengers having to travel further and further in search of food, Zhu ends up at his home village, where he is shocked to find survivors. Does he force them to join the settlement or keep their existence a secret? Meanwhile, Hengyen is tasked with the impossible: fortifying the Beacon against a 100,000-strong "typhoon" of walkers header their way. Even though he realizes that the Beacon hardly stands a chance, Hengyen is a believer and will stand with his compatriots to the very last, bringing him into conflict with Zhu, who intends to flee the path of the typhoon and make for the safety of China's dramatic mountain ranges before it's too late.
