The latest novel in the TV smash hit and New York Times bestselling Walking Dead series from Jay Bonansinga. To risk everything... She has weathered over four years of the apocalypse. She has done things that she would not have dreamt of doing in her darkest nightmares. But she has survived. And now, she has staked a claim in the plague-ravaged city of Atlanta. It is a safe haven for her people, rising high above the walker-ridden streets, a place of warmth and comfort. But for Lilly Caul, something is missing... She still dreams of her former home—the quaint little village known as Woodbury—a place of heartache as well as hope. For Lilly, Woodbury, Georgia, has become a symbol of the future, of family, of a return to normal life amidst this hell on earth. The call is so powerful that Lilly decides to risk everything in order to go back... to reclaim that little oasis in the wilderness. Against all odds, against the wishes of her people, Lilly leads a

ragtag group of true believers back across the impossible landscape of walker swarms, flooded rivers, psychotic bands of murderers, and dangers the likes of which she has never known. Along the way, she discovers a disturbing truth about herself. She is willing to go to the darkest place in order to survive, in order to save her people, in order to do the one thing she knows she has to do: Return to Woodbury.

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent* follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead – a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the

wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things – especially in the world of the walking dead – are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

The new era of peace and prosperity is interrupted by a new type of enemy. One that travels amongst the walkers. One that will turn whispers of their appearance to screams. Collects THE WALKING DEAD #133-138
