

The West Wing Script Book

Tim O'Brien

The West Wing Script Book Aaron Sorkin, 2002

The West Wing Aaron Sorkin, 2003 Presents eight teleplays selected from the third and fourth seasons of The West Wing.

The West Wing Scriptbook Aaron Sorkin, 2003 The West Wing has been named 'TV Show of the Year' by Entertainment Weekly, and stars Stockard Channing, Dule Hill, Allison Janney, Rob Lowe, Janel Moloney, Richard Schiff, Martin Sheen, John Spencer, and Bradley Whitford. The West Wing Script Book is a unique volume containing six scripts from the television phenomenon - winner of 22 Emmy Awards, including Outstanding Drama Series. The show has also won the Producers Guild Award, Directors Guild Award, Writers Guild Award, Screen Actors Guild Award, Golden Globe, Humanitas Prize and the Peabody Award. Now, for the first time, you can relive your favourite moments from these superlative scripts. This volume includes some of the most emotive and best-loved episodes from the first two series, including the Emmy Award winning In the Shadow of Two Gunmen. Also featured is an exclusive interview with creator, writer and director Aaron Sorkin, who explains how this idea for a political drama show became one of the most successful of all time, despite being told that 'shows about politics don't work'. These scripts demonstrate TV at its best, and are a thing to treasure and savour, time and time again. 'President Barlet... is the best world leader that never was. Then there's the writing, the reason that The West Wing is so good. Sometimes... the dialogue reaches such levels of perfection, I could weep.' Evening Standard 'With this wonderful political drama, the writer Aaron Sorkin has created a cast of savvy political operatives who you would not only want to run the country, but wouldn't mind letting into your life. The sense of brilliant people behaving honourably cannot fail to be moving: in the George Dubya age, we need this more than ever.' The Times 'When it's like this - fast, funny, moving and smart - The West Wing is about as good as TV gets.' Mirror 'The show remains one of TV's most satisfying hours, a savvy blend of great acting, whip-smart dialogue and grand gestures. If ever the time were ripe for a romantic salute to the value of public service, now would seem to be it.' Robert Bianco, USA Today 'The TV show of the Year! Prime-time's snuggliest blanket in which to curl up, The West Wing is terrific and only getting better. Grade: A.' Ken Tucker, Entertainment Weekly

The Trial of the Chicago 7: The Screenplay Aaron Sorkin, 2020-10-20 The brilliant screenplay of the Academy Award-nominated film The Trial of the Chicago 7 by Academy and Emmy Award-winning screenwriter and director Aaron Sorkin. Sorkin's film dramatizes the 1969 trial of seven prominent anti-Vietnam War activists in Chicago. Originally there

were eight defendants, but one, Bobby Seale, was severed from the trial by Judge Julius Hoffman—after Hoffman had ordered Seale bound and gagged in court. The defendants were a mix of counterculture revolutionaries such as Abbie Hoffman and Jerry Rubin, and political activists such as Tom Hayden, Rennie Davis, and David Dellinger, the last a longtime pacifist who was a generation older than the others. Their lawyers argued that the right to free speech was on trial, whether that speech concerned lifestyles or politics. The Trial of the Chicago 7 stars Sacha Baron Cohen, Eddie Redmayne, Frank Langella, and Mark Rylance, among others, directed by Aaron Sorkin. This book is Sorkin's screenplay, the first of his movie screenplays ever published.

Walk With Us: How The West Wing Changed Our Lives Claire Handscombe, 2016-05-14 The West Wing premiered in 1999. That's a long time ago. Back then, we were worrying about the Millennium Bug, paying \$700 for DVD players, and using pagers. 1999: a century ago. And yet, the show continues to have an impact that is arguably unique. If you live or work in DC, references to it are inescapable. People have walked down the aisle to the theme music. Or they've named children, pets, GPS systems, and even an iPhone app after the characters. Or they've started Twitter accounts as the characters to continue the storyline and comment on current political events. Or they credit it for closer relationships with their family members or a way out of depression. In this anthology of quotes and essays, contributors from six countries, ranging in age from twenty to seventy years old, tell their West Wing stories.

Inside the West Wing Paul Challen, 2001 The show that won 9 Emmy Awards - an all time record - in September 2000- is now being screened on British TV. Author Paul Challen takes a detailed look at this hugely popular show: how it's put together, what ideas and political themes drive its plots, and ultimately, why it's so popular. Through in-depth interviews, commentary from political and entertainment industry observers, plus extensive searches of the numerous official and unofficial show websites, Challen provides a comprehensive view for diehard fans and casual watchers alike. Another first from ECW.

The Trial of the Chicago 7: The Official Transcript Mark L. Levine, George C. McNamee, Daniel Greenberg, 2020-10-06 Republished fifty years later to coincide with the release of the Academy Award-nominated film of the same title written and directed by Aaron Sorkin with an all-star cast, this is the classic account of perhaps the most infamous, and definitely the most entertaining, trial in recent American history. In the fall of 1969 eight prominent anti-Vietnam War activists were put on trial for conspiring to riot at the 1968 Democratic National Convention in Chicago. One of the eight, Black Panther cofounder Bobby Seale, was literally bound and gagged in court by order of the judge, Julius Hoffman, and his case was separated from that of the others. The activists, who included Abbie Hoffman, Jerry Rubin, and Tom Hayden, and their attorneys, William Kunstler and Leonard Weinglass, insisted that the First Amendment was on trial. Their witnesses were a virtual who's who of the 1960s counterculture: Allen Ginsberg, Timothy Leary, Arlo Guthrie, Judy Collins, Norman Mailer, among them. The

defendants constantly interrupted to protest what they felt were unfair rulings by the judge. The trial became a circus, all the while receiving intense media coverage. The convictions that resulted were subsequently overturned on appeal, but the trial remained a political and cultural touchstone, a mirror of the deep divisions in the country. The Trial of the Chicago 7 consists of the highlights from trial testimony with a brief epilogue describing what later happened to the principal figures.

Dear Mr. You Mary-Louise Parker,2015-11-10 This book renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted--

A Public Reading of an Unproduced Screenplay About the Death of Walt Disney Lucas Hnath,2014-08-25 Tonight, Walt is going to read you a screenplay he wrote. It's about his last days on earth. It's about a city he's going to build that's going to change the world. And it's about his brother. It's about everyone who loves him so much, and it's about how sad they're going to be when he's gone. Right? I mean, how can they live without him? How can anyone live without him?

The West Wing Ian Jackman,Paul Ruditis,2002 Step inside the Bartlet Administration in this detailed official companion to one of televisions most sophisticated dramatic series. Created by Aaron Sorkin, The West Wing won nine Emmy Awards in its first season alone, and is acclaimed for its writing, portrayals, and an intelligent, authentic depiction of White House life.

What's Next Melissa Fitzgerald,Mary McCormack,2024-08-13 *INSTANT NEW YORK TIMES BESTSELLER* A behind-the-scenes look into the creation and legacy of The West Wing as told by cast members Melissa Fitzgerald and Mary McCormack, with compelling insights from cast and crew exploring what made the show what it was and how its impassioned commitment to service has made the series and relationships behind it endure. Step back inside the world of President Jed Bartlet's Oval Office with Fitzgerald and McCormack as they reunite the West Wing cast and crew in a lively and colorful "backstage pass" to the timeless series. This intimate, in-depth reflection reveals how The West Wing was conceived, and spotlights the army of people it took to produce it, the lifelong friendships it forged, and the service it inspired. From cast member origin stories to the collective cathartic farewell on the show's final night of filming, What's Next will delight readers with on-set and off-camera anecdotes that even West Wing superfans have never heard. Meanwhile, a deeper analysis of the show's legacy through American culture, service, government, and civic life underscores how the series envisaged an American politics of decency and honor, creating an aspirational White House beyond the bounds of fictional television. What's Next revisits beloved episodes with fresh, untold commentary; compiles poignant and hilarious stories from the show's production; highlights initiatives supported by the cast, crew, and creators; and makes a powerful case for competent, empathetic leadership, hope, and optimism for whatever lies ahead.

Scripts of Terror Benedict Wilkinson,2020 How do terrorists resolve the tension between their ambitions and their often limited resources?

The West Wing Peter C. Rollins,John E. O'Connor,2003-04-01 Eminent scholars Peter C. Rollins and John O'Connor make an important contribution to the field with an eclectic mix of essays, which translate visual language into on-screen politics. While the series may be criticized as idealistic, its clever techniques of camera work, lighting, editing, and mise en scene reflect America's best image of itself, and entertains a loyal audience that desperately wants to believe in the nobility of the American dream. This collection introduces readers to the sensibilities to appreciate the show's nuances and the necessary knowledge to avoid any misreadings. It will be of interest to students of politics, popular culture, fans and critics alike.

A FEW GOOD MEN ,1992

American Beauty Alan Ball,Sam Mendes,1999-09-17 On a typical suburban street in a typical suburban town,there is an ordinary family living the American dream. But look closer. Lester Burnham's wife, Carolyn, regards him with contempt, his daughter, Jane, thinks he's a loser, and his boss is positioning him for the ax. Captivated by Jane's sultry high school friend Angela, Lester decides to make a few changes in his mere existence—changes that are less mid-life crisis than a life reclaimed.The freer he gets, the happier he gets, which is even more maddening to his wife and daughter. Complicating matters, Lester finds an unexpected ally in Ricky, the teenage son of the new next-door neighbors, who sees life through a camera lens that has lately focused on Jane Burnham. In pursuit of his new vision of the American dream, Lester is about to learn that the ultimate freedom comes at the ultimate price. The 1999 winner of five Academy Awards®, including Best Picture and Best Original Screenplay, *American Beauty* boasts an accomplished cast led by two-time Academy Award® Best Actor winner Kevin Spacey (*The Usual Suspects*) and Oscar® nominee Annette Bening (*The Grifters*).The ensemble cast also includes Thora Birch (*Ghost World*),Wes Bentley (*The Claim*), Mena Suvari (*American Pie*),Peter Gallagher (*Mr. Deeds*), Allison Janney (NBC's *The West Wing*), Scott Bakula (NBC's *Quantum Leap*), Sam Robards (*A.I.: Artificial Intelligence*), and Chris Cooper (*Adaptation*). *American Beauty* marks the feature film directorial debut of award-winning theater director Sam Mendes (*The Blue Room*, *Cabaret*). The film is produced by Dan Jinks (*Nothing to Lose*) and Bruce Cohen (*The Flintstones in Viva Rock Vegas*) from an original screenplay by Alan Ball (*HBO's Six Feet Under*). Stan Wlodkowski (*One Hour Photo*) and Alan Ball are the co-producers.

The Feather Thief Kirk Wallace Johnson,2018-04-24 As heard on NPR's *This American Life* “Absorbing . . . Though it's non-fiction, *The Feather Thief* contains many of the elements of a classic thriller.” —Maureen Corrigan, NPR’s *Fresh Air* “One of the most peculiar and memorable true-crime books ever.” —*Christian Science Monitor* A rollicking true-crime adventure and a captivating journey into an underground world of fanatical fly-tiers and plume peddlers, for readers of *The Stranger in*

the Woods, The Lost City of Z, and The Orchid Thief. On a cool June evening in 2009, after performing a concert at London's Royal Academy of Music, twenty-year-old American flautist Edwin Rist boarded a train for a suburban outpost of the British Museum of Natural History. Home to one of the largest ornithological collections in the world, the Tring museum was full of rare bird specimens whose gorgeous feathers were worth staggering amounts of money to the men who shared Edwin's obsession: the Victorian art of salmon fly-tying. Once inside the museum, the champion fly-tier grabbed hundreds of bird skins—some collected 150 years earlier by a contemporary of Darwin's, Alfred Russel Wallace, who'd risked everything to gather them—and escaped into the darkness. Two years later, Kirk Wallace Johnson was waist high in a river in northern New Mexico when his fly-fishing guide told him about the heist. He was soon consumed by the strange case of the feather thief. What would possess a person to steal dead birds? Had Edwin paid the price for his crime? What became of the missing skins? In his search for answers, Johnson was catapulted into a years-long, worldwide investigation. The gripping story of a bizarre and shocking crime, and one man's relentless pursuit of justice, *The Feather Thief* is also a fascinating exploration of obsession, and man's destructive instinct to harvest the beauty of nature.

How To Write For Television Madeline Dimaggio, 1990-02-10 This readable, reliable book has been a trusted reference for nearly two decades and is now revised to include the most up-to-date information from today's television climate. TV Writing the Right Way! In this guide for every student of the small screen and every scriptwriter dreaming of breaking into the business, writer-producer Madeline DiMaggio hands you the tools of the trade. With dozens of examples from today's hit shows, as well as perennial classics, DiMaggio walks readers through the scriptwriting process, from learning how to watch TV like a writer to developing your script, pitching it, and eventually sealing the deal. DiMaggio answers the questions on every aspiring television writer's mind, with chapters on: The tools of scriptwriting Hooks that sell Creating the pilot Developing the episode, step by step How to create riveting characters Writing long form and cable movies Adaptations and collaborations Marketing your script DiMaggio combines her own experience with advice to writers from others in the trade, including agents, producers, animators, and more. This readable, reliable book has been a trusted reference for nearly two decades and is now revised to include the most up-to-date information from today's television climate, from writing for cable, reality, and TV-movie formats to the ever-evolving face of the sitcom. A must-read for anyone aiming to write for TV, *How to Write for Television* will continue to help budding writers reach their small-screen goals and will prepare them for working in the rapidly changing world of TV.

Dirty Rotten Scoundrels (Songbook) , 2006-01-01 (Vocal Selections). 16 vocal selections from the wickedly funny Broadway musical with music by David Yazbek. Songs include: Give Them What They Want * Great Big Stuff * Love Is My Legs * Love Sneaks In * Nothing Is Too Wonderful to Be True * What Was a Woman to Do * and more. Includes bio and pages of photos!

The Things They Carried Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Screenwriter Within D. B. Gilles, 2011 *The Screenwriter Within*, 2nd Edition, provides screenwriters with a crash course in the basics of what any Hollywood pro writer needs to know - how to get the deal! Book jacket.
