The #1 New York Times bestselling series! Red Queen, by #1 New York Times bestselling author Victoria Aveyard, is a sweeping tale of power, intrigue, and betrayal, perfect for fans of George R.R. Martin's Game of Thrones series. Mare Barrow's world is divided by blood—those with common, Red blood serve the Silver-blooded elite, who are gifted with superhuman abilities. Mare is a Red, scraping by as a thief in a poor, rural village, until a twist of fate throws her in front of the Silver court. Before the king, princes, and all the nobles, she discovers she has an ability of her own. To cover up this impossibility, the king forces her to play the role of a lost Silver princess and betroths her to one of his own sons. As Mare is drawn further into the Silver world, she risks everything and uses her new position to help the Scarlet Guard—a growing Red rebellion—even as her heart tugs her in an impossible direction. One wrong move can lead to her death, but in the dangerous game she plays, the only certainty is betrayal. Four girls continue their mother-daughter book club, reading Charles Dickens's "A Christmas Carol," but from unexpected blizzards to a sledding disaster, nothing goes as planned.

In this gripping and emotionally-charged thriller, New York Times bestselling author Heather Gudenkauf shows how all it takes is a single moment to change everything. In the midst of a sudden spring snowstorm, a man armed with a gun walks into a school. Officer Meg Barrett holds the responsibility of the children of Broken Branch in her hands. Will Thwaite stands by helplessly and wonders if he has failed his child again. Trapped in her classroom, Evelyn Oliver watches for an opportunity to rescue the children in her care. And thirteen-year-old Augie Baker will risk her own safety to protect her little brother. As tension mounts with each passing minute, and as the people of Broken Branch race to uncover the identity of the stranger, small acts of fear and courage reveal hidden truths that will alter the town forever. In 1889 Emma Goldman and Alexander Berkman met in a Lower East Side coffee shop. Over the next fifty years they became fast friends, fleeting lovers, and loyal comrades. This dual biography offers a glimpse into their intertwined lives, the influence of the anarchist movement they shaped, and their unyielding commitment to equality and justice.

Volume 1 of the candid, no-holds-barred account by American anarchist Goldman relates her philosophical and political journey through life, beginning with her emigration from Russia to the U.S. in 1886. 'Absolutely magical ... Always intriguing' Richard Adams author of Watership Down. Behind the realm of man lie the wild roads. Weaving through time and space, these hidden pathways carry the natural energies – the spirits, the dreams – of the world. No creature can slip into the shadows and travel the wild roads better than the cat. For millennia, cats have patrolled the tangled paths, maintaining balance and order, guarding against corruption and chaos. It is dangerous territory: for those who control the wild roads hold the keys to the world. Amid a struggle between the purest good and the darkest evil, here are tales of duty and destiny, of courage and comradeship among the extraordinary creatures who brave the wild roads... Secure in a world of privilege and safety, Tag is happy with life as a house cat – until the dreams begin. Hazy dreams of strange pathways, of a mission he must undertake and of a terrible responsibility he will bear. Armed with the cryptic message, Tag must bring the King and Queen of cats to Tintagel before the spring equinox. Meanwhile, a man known only as the Alchemist doggedly hunts the Queen for his own ghastly ends. And if the Alchemist captures her, the world will never be safe again...

"Virginie Despentes's Vernon Subutex trilogy is the zeitgeistiest thing I ever read. Everything about it is contemporary, right down to the fearless woman author who doesn't think of herself as a feminist and gives an impression at least in interviews of habitually killing rapists . . . [It] has dupes and assholes and racists and the people they hate and a stunning diversity of internal monologues and trans true love. Like the last decade, it searches for a happy ending that isn't merely personal and can't find it . . . These novels with their depth and detail kick TV's sorry ass." —Nell Zink, Bustle, "The Best Books Of The 2010s" From the provocative writer and filmmaker Virginie Despentes comes volume one of her acclaimed trilogy of novels, Vernon Subutex—short-listed for the Man Booker International Prize. But who is Vernon Subutex? Vernon Subutex was once the proprietor of Revolver, an infamous music shop in Paris, where his name was legend throughout Paris. By the 2000s, however, with the arrival of the internet and the decline in CD and vinyl sales, his shop is struggling, like so many others. When it closes, Subutex finds himself with nowhere to go and nothing to do. Before long, his savings are gone, and when the mysterious rock star who had been covering his rent suddenly drops dead of a drug overdose, Subutex finds himself launched on an epic saga of couch-surfing, boozing, and coke-snorting before finally winding up homeless. Just as he resigns himself to life as a panhandler, a throwaway comment he once made on Facebook takes the internet by storm. The word is out: Subutex is lugging around a bunch of VHS tapes shot by that same dead rock musician—his last recordings on this earth. Soon a crowd of wild characters, from screen writers to social media groupies, from porn stars to failed musicians to random misfits, are hot on Vernon's trail . . . but Vernon is none the wiser.

Dark secrets and forbidden love threaten the very survival of the Shadowhunters in Cassandra Clare's Queen of Air and Darkness, the final novel in the New York Times and USA TODAY bestselling The Dark Artifices trilogy. Queen of Air and Darkness is a Shadowhunters novel. What if damnation is the price of true love? Innocent blood has been spilled on the steps of the Council Hall, the sacred stronghold of the Shadowhunters. Their society now teeters on the brink of civil war. One fragment of the Blackthorn family flees to Los Angeles, seeking to discover the source of the disease that is destroying the race of warlocks. Meanwhile, Julian and Emma take desperate measures to put their forbidden love aside and undertake a perilous mission to Faerie to retrieve the Black Volume of the Dead. What they find there is a secret that may tear the Shadow World asunder and open a dark path into a future they could never have imagined. Caught in a race against time, Emma and Julian must save the world of the Shadowhunters before a deadly curse destroys them and everyone they love.

Listen -- can you hear it? The explosive sequel to THE ROAR! From a whisper...to a scream! Telepathic twins Mika and Ellie at last are reunited. But if they're ever to free the brainwashed, microchipped child soldiers, they must pretend to play along with the tyrant Mal Gorman's maniacal plan, even as they mind-read his every evil thought. Members of an elite squadron of mutants, the brother and sister have specialized skills that will enable them to steal the top-secret formula for an age-reversing drug developed by rebel scientists on the wild side of The Wall. Juiced by these potent pills, the cadaver-like Gorman foresees a future in which he'll be forever young - released from the machinery that now supports him. Unless, that is, Ellie and Mika have a master plan of their own: to bring the all-powerful Gorman to his knees, and face-to-face with his greatest fear.

NOW A MAJOR MOTION PICTURE O'Connor, a vivacious, free-spirited young journalist known for her penetrating celebrity interviews, is bent on unearthing secrets long ago buried by the handsome showbiz team of singer Vince Collins and comic Lanny Morris. These two highly desirable men, once inseparable (and insatiable, where women were concerned), were driven apart by a bizarre and unexplained death in which one of them may have played the part of murderer. As the tart-tongued, eye-catching O'Connor ventures deeper into this unsolved mystery, she finds herself compromisingly coiled around both men, knowing more about them than they realize and less than she might like, but increasingly fearful that she now knows far too much.

A post-apocalyptic thriller chronicling one woman's quest to nurture those she holds dear against the backdrop of a shockingly changed world When I wake the world is gone. Only fragments remain. And then I remember . . . Before: Her life may have taken a couple of wrong turns but Zoe is trying to make the best of what she has. A part-time cleaning job to pay for college, a weekly appointment with her therapist to straighten out the problems in her life. The same problems that any thirty-year-old would have. Nothing major. Nothing life-threatening. A few bad dream, that's all. After: The only thought that remains is survival. Survival in a desolate, post-apocalyptic world. For herself. For her unborn baby. But help is scarce in a world where untold horrors exist around every corner, where food and water are in desperately short supply, and the only chance of happiness is half a world away. Adams has an excellent sense of timing, delivering gasp-inducing moments that punctuate her nightmare with verve. But it's Zoe's clear-eyed sense of self-preservation that will keep readers waiting for Adams' follow-up.- Kirkus

In a world where all signs of nature have been obliterated and a wall keeps out plague-ridden animals, Mika refuses to believe that his twin sister was killed after being abducted, and continues to search for her in spite of the danger.

"Wise romantic and painfully relatable."—BECKY ALBERTALLI, award-winning author of *Simon vs. the Homo Sapiens Agenda* For fans of Adam Silvera and Nina LaCour comes a timely novel about a teen's struggle when academic success and happiness pull him in opposite directions. Senior Ariel Stone has spent his life cultivating the perfect college résumé: first chair violinist, dedicated volunteer, active synagogue congregant, and expected valedictorian. He barely has time to think about a social life, let alone a relationship...until a failed calculus quiz puts his future on the line, forcing Ariel to enlist his classmate, Amir, as a tutor. As the two spend more time together, Ariel discovers he may not like calculus, but he does like Amir. When he's with Amir, the crushing academic pressure fades away, and a fuller and brighter world comes into focus. But college deadlines are still looming. And adding a new relationship to his long list of commitments may just push Ariel past his limit. Full of empathy, honesty, and heart, *You Asked for Perfect* is a story for anyone who has ever questioned the price of perfection. Praise for *You Asked for Perfect*: "Silverman's novel hit me straight in the heart... It was powerful enough to make me want to be a better—yet still imperfect—person." —Bill Konigsberg, author of *The Music of What Happens* "A coming-of-age novel that will charm readers with its relatable and diverse characters, quirky storyline, and interweaving of faith, queerness, and the everyday lives of seniors navigating the pressures of college applications, grades, and relationships. Heartwarming and engaging."—Kirkus By the award-winning author of *Waiting for Normal* and *All Rise for the Honorable Perry T. Cook*, Leslie Connor. Multiple award winner: Kirkus Reviews Best Children's Book * Smithsonian Magazine Notable Book for Children * Cooperative Children's Book Center Choice Crunch asks: What might happen if the earth's supply of gas runs out? It's a perfect classroom read to spark discussions about energy conservation and the future of our planet. Dewey Marriss is stuck in a crunch. He never guessed that the gas pumps would run dry the same week he promised to manage the family's bicycle-repair business. Suddenly everyone needs a bike. And nobody wants to wait. Meanwhile, the crunch has stranded Dewey's parents far up north. It's up to Dewey and his older sister, Lil, to look after their younger siblings and run the bike shop all on their own. To top things off, Dewey discovers that bike parts are missing from the shop. He's sure he knows who's responsible—or does he? Will exposing the thief only make more trouble for Dewey and his siblings? "Charming and original." —Kirkus Reviews (starred review)

From the bestselling author of *P.S., I Love You*, a fiercely feminist story collection that illuminates -- sometimes in fantastical ways -- how women of all kinds navigate the world

today. In this singular and imaginative story collection, Cecelia Ahern explores the endless ways in which women blaze through adversity with wit, resourcefulness, and compassion. Ahern takes the familiar aspects of women's lives -- the routines, the embarrassments, the desires -- and elevates these moments to the outlandish and hilarious with her astute blend of magical realism and social insight. One woman is tortured by sinister bite marks that appear on her skin; another is swallowed up by the floor during a mortifying presentation; yet another resolves to return and exchange her boring husband at the store where she originally acquired him. The women at the center of this curious universe learn that their reality is shaped not only by how others perceive them, but also how they perceive the power within themselves. By turns sly, whimsical, and affecting, these thirty short stories are a dynamic examination of what it means to be a woman in this very moment. Like women themselves, each story can stand alone; yet together, they have a combined power to shift consciousness, inspire others, and create a multi-voiced Roar that will not be ignored. Includes a Reading Group Guide

Driving is a fact of life. We are all spending more and more time on the road, and traffic is an issue we face everyday. This book will make you think about it in a whole new light. We have always had a passion for cars and driving. Now Traffic offers us an exceptionally rich understanding of that passion. Vanderbilt explains why traffic jams form, outlines the unintended consequences of our attempts to engineer safety and even identifies the most common mistakes drivers make in parking lots. Based on exhaustive research and interviews with driving experts and traffic officials around the globe, Traffic gets under the hood of the quotidian activity of driving to uncover the surprisingly complex web of physical, psychological and technical factors that explain how traffic works.

A young mother's nightmare comes true as the tube doors close with her baby still on the train. Struggling as a single mother, Emma sometimes wishes that her thirteen-month-old son Ritchie would just disappear.

Hopeless. Freak. Elephant. Pitiful. These are the words of Skinny, the vicious voice that lives inside fifteen-year-old Ever Davies's head. Skinny tells Ever all the dark thoughts her classmates have about her. Ever knows she weighs over three hundred pounds, knows she'll probably never be loved, and Skinny makes sure she never forgets it. But there is another voice: Ever's singing voice, which is beautiful but has been silenced by Skinny. Partly in the hopes of trying out for the school musical - and partly to try and save her own life - Ever decides to undergo a risky surgery that may help her lose weight and start over. With the support of her best friend, Ever begins the uphill battle toward change. But demons, she finds, are not so easy to shake, not even as she sheds pounds. Because Skinny is still around. And Ever will have to confront that voice before she can truly find her own. Donna Cooner brings warmth, wit, and startling insight to this unforgettable debut.

Twins Mika and Ellie live in a future behind a wall, safe from the plague animals that live beyond. Or so they've been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies ...

Addie is waiting for normal. But Addie's mom has an all-or-nothing approach to life: a food fiesta or an empty pantry, jubilation or gloom, her way or no way. All or nothing never adds up to normal. All or nothing can't bring you all the way home, which is exactly where Addie longs to be, with her half sisters, every day. In spite of life's twists and turns, Addie remains optimistic.

Someday, maybe, she'll find normal. Leslie Connor has created an inspiring novel about one girl's giant spirit. *Waiting for Normal* is a heartwarming gem.

Set in Wyoming in pioneer days. The hero, never named, provokes the enmity of a local bad man named Trampas. In a poker game, Trampas accuses the Virginian of cheating and impugns

his ancestry. Instantly the Virginian's pistol is drawn and put on the table before him, and he utters the catch phrase "When you call me that, smile." Trampas backs down. Later the Virginian rescues a New England schoolmistress from a stage coach that has been marooned in high water by a drunken driver. Eventually they get married. The novel's climax is a pistol duel between Trampas and the Virginian in which Trampas is vanquished, the scene constituting the first known walkdown in American literature. The author had first gone to Wyoming for health reasons on the advice of Theodore Roosevelt. Wister dedicated the novel to Roosevelt and many of the Virginian's traits and ideals resemble Roosevelt's. According to Wister, writing in the 16th edition of the book, the hero is a combination of several men he had known in Wyoming. It became the prototype for all cowboy heroes.

The magical world of Artimâe is gone and the Unwanteds are looking to Alex Stowe for answers, but while his twin brother Aaron continues to build his army in Quill, a very dangerous common enemy is revealed.

A spellbinding, deeply felt debut novel--soaring and poignant--about passion, freedom, motherhood, and the power to shape our destinies. Oona grew up on the island of Inis: a wind-blasted rock off the coast of Ireland where the men went out on fishing boats and the women tended turf fires; where the only book was the Bible; and where girls stayed at home until they became mothers themselves. The island was a gift for some, a prison for others. Even as a child, Oona knew she wanted to leave, but she never could have anticipated the tumultuous turn of events that would ultimately compel her to flee. Now, after twenty years--after Oona has forged a new, very different life for herself--her daughter vanishes, forcing Oona to face her past in order, finally, to be free of it. Heralding a singularly gifted new voice in fiction, *The Island Child* is a timeless story of birth and betrayal, storms and shipwrecks and fairy children, and the weight of long-buried secrets.

A People Magazine Pick * US Weekly "Must" Pick * Named "Best Book of the Summer" by Glamour * Good Housekeeping * USA TODAY * Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads
From the acclaimed author of *The Seven Husbands of Evelyn Hugo* and *After I Do* comes a breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame; in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby's guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she's ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah, as well as the people around her. As the two alternate realities run their course, *Maybe in Another Life* raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she's found him.

Living behind walls they believe keeps them safe from the animals outside, Mika and Ellie discover a harsh reality when one suddenly vanishes and the sinister truth about their concrete world is suddenly revealed.
