The gripping conclusion to the acclaimed Arthurian fantasy trilogy from New York Times bestselling author Kiersten White finds Guinevere questioning everything—friends and enemies, good and evil, and, most of all, herself. While journeying north toward the Dark Queen, Guinevere falls into the hands of her enemies. Behind her are Lancelot, trapped on the other side of the magical barrier they created to protect Camelot, and Arthur, who has been led away from his kingdom, chasing after false promises. But the greatest danger isn't what lies ahead of Guinevere—it's what's been buried inside her. Vowing to unravel the truth of her past with or without Merlin's help, Guinevere joins forces with the sorceress Morgana and her son, Mordred—and faces the confusing, forbidden feelings she still harbors for him. When Guinevere makes an agonizing discovery about who she is and how she came to be, she finds herself with an impossible choice: fix a terrible crime, or help prevent war. Guinevere is determined to set things right, whatever the cost. To defeat a rising evil. To remake a kingdom. To undo the mistakes of the past...even if it means destroying herself. Guinevere has been a changeling, a witch, a queen—but what does it mean to be just a girl?

When the pair discovers that the neighboring enclave has been decimated by tunnel monsters, the elders refuse to listen to their warnings. And when Deuce and Fade are exiled from the enclave, the girl born in darkness must survive in daylight in the ruins of a city whose population has dwindled to a few dangerous gangs. Outpost: Deuce's whole world has changed. Down below, she was considered an adult. Now, topside in a town called Salvation, she's a "brat" in need of training in the eyes of the townsfolk. To make matters worse, her Hunter partner, Fade, keeps Deuce at a distance. Her feelings for Fade are still strong, but he seems not to want her around anymore. Things have been changing on the surface, just as they did below ground. The monsters don't intend to let Salvation survive, and it may take a girl like Deuce to turn back the tide. Horde: The survival of Salvation is up to Deuce, Fade, Stalker, and Tegan. Deuce decides the only way to fight an army is to raise one. At first, everyone laughs at the idea of a girl leading humanity's forces against the Freaks, but then she proves herself in combat. Can Deuce render a permanent truce with the Freaks? Who will survive? Includes bonus chapters from Ann Aguirres *Mortal Danger!*

AN INSTANT NEW YORK TIMES BESTSELLER From New York Times bestselling author Roshani Chokshi comes *The Gilded Wolves*, a novel set in Paris during a time of extraordinary change--one that is full of mystery, decadence, and dangerous desires... No one believes in them. But soon no one will forget them. It's 1889. The city is on the cusp of industry and power, and the Exposition Universelle has breathed new life into the streets and dredged up ancient secrets. Here, no one keeps tabs on dark truths better than treasure-hunter and wealthy hotelier Séverin Montagnet-Alarie. When the elite, ever-powerful Order of Babel coerces him to help them on a mission, Séverin is offered a treasure that he never imagined: his true inheritance. To hunt down the ancient artifact the Order seeks, Séverin calls upon a band of unlikely experts: An engineer with a debt to pay. A historian banished from his home. A dancer with a sinister past. And a brother in arms if not blood. Together, they will join Séverin as he explores the dark, glittering heart of Paris. What they find might change the course of history--but only if they can stay alive.
