

The Winning Attitude Your Pathway To Personal Success By John C Maxwell

In her most popular bestseller ever, the beloved author and minister Joyce Meyer shows readers how to change their lives by changing their minds. Joyce Meyer teaches how to deal with thousands of thoughts that people think every day and how to focus the mind the way God thinks. And she shares the trials, tragedies, and ultimate victories from her own marriage, family, and ministry that led her to wondrous, life-transforming truth—and reveals her thoughts and feelings every step of the way. Download the free Joyce Meyer author app.

Go for the win! Achieve excellence and be better than you've ever been! In his years as a professional ice-skater, Olympic Gold Medalist Scott Hamilton learned to embrace the mind-set of working hard to "beat" the competition. But it seems competition has gotten a bad rap these days. We've bought into the belief that it is unfair to participants to rank performance. Yet competition is in fact a good thing because it's about working toward excellence. Finish First is a wake-up call for business leaders, entrepreneurs, spouses, parents, and even students to stop settling for mediocre and begin to revitalize their intrinsic will to achieve excellence and go for the win. Most of us feel we were made for something more, but we're often afraid to allow ourselves to be competitive because we think our finishing first might somehow rob others of their chance to shine. This book encourages the hidden potential, the champion within all of us, to come out—which eventually brings our family, marriage, career, business, and the world around us the greatest possible good. Relationships are at the heart of every positive human experience. Maxwell, a master communicator and relational expert, makes learning about relationships accessible to everyone. The most sophisticated leaders and salespeople will pick up on skills that will make them even better, and relational novices will learn skills that can transform them into relational dynamos.

Utuk has created an inspiring and informational road map to get ones life moving in the right direction in order to achieve success and fulfillment. Using dynamic biblical principles, clear language, and vivid examples, he shows how to turn limited beliefs into limitless beliefs, overcome personal obstacles, and focus on solutions, and more. (Practical Life) #1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful—and fulfilled—in your daily life.

The Winning Attitude Your Pathway to Personal Success Thomas Nelson

"A highly motivational resource." The Midwest Book Review At some point in their career, all writers experience either the pain of rejection, discouragement, disappointment, and/or other hazards of the writing life. The key is to identify the obstacles ahead and know how to overcome them. - Learn the truth about failure. - Discover the ultimate dream killer. - Find out how to get rid of a wet blanket - Discover the one secret every full-time writer knows - And much more This revised and update edition includes information for indie authors, expands on the necessary traits of long-term professionals and addresses other changes in the industry. Your destiny is at hand!

Don Wilson uses his stuffed animal from childhood (his "Woobie") as a metaphor to help people embrace uncomfortable change to create better habits that lead to new opportunities in business and in life.

How to release anger and reconnect to yourself using mindfulness techniques. Anger is one the most common human emotions, so if you're not feeling it, then you're probably unconsciously burying it. But anger that is buried isn't actually gone. In fact, hidden or covert anger may be just as damaging as the overt, outwardly destructive kind, only it wreaks havoc from the inside-out. All sorts of physical and emotional problems can stem from suppressed anger: headaches, digestive problems, insomnia, just to name a few. Buried anger is expressed in a continuum, with rage and aggression at the top, and frustration, annoyance, irritation at the bottom, and everything in between. Unless this anger is addressed, it is impossible to overcome. This book urges readers to practice mindfulness—deliberately allowing physical sensations and emotions to surface so they can be examined and released. This sort of processing of anger—fully felt in the body as it happens, moved out through appropriate expression, and let go—will allow readers to process anger before it becomes unhealthy. Whether for you or your clients, this book offers simple tools of mindfulness to strengthen your connection with your inner world and learn to explore your anger, paying heed to the important messages it is sending.

Step into amazing adventures of the miraculous with renowned speaker and Bible teacher Marilyn Hickey. Your Pathway to Miracles takes you from Marilyn's early experiences of discovering true faith in God to a life of supernatural protection and provision. For more than forty years and in 120 countries, Marilyn has traced a pathway to miracles that others can follow to experience God's supernatural intervention in their own lives. As Marilyn shares miracles that she has personally experienced and witnessed, as well as biblical accounts of miracles, your own faith will increase, and you will: Identify keys to receiving miracles Remove mountains that block your miracles See the impossible become possible Experience supernatural breakthroughs Turn problems into miraculous opportunities God desires to work supernatural miracles in—and through—you. See miracles happen in your life!

Decades of planning, creating, nurturing, and building have resulted in a family business that's respected nationally for both quality and integrity. This life experience taught the author the steps for youth to take in order to have the best chance to get onto the path leading to a fulfilling life.

The second edition of this comprehensive guide introduces new marketing, advertising, sales and public relations techniques to the 1,500 proven ideas from the first edition. It adds dozens of new high-tech strategies required to stay one step ahead in today's highly competitive global marketplace. Off- and online resources have been updated and new ones—including blogs and new websites—have been added.

Using quotes and matching layouts from Maxwell's best-selling book, The Treasure of a Friend, this journal highlights the connections, the bonds, and experiences of being a true friend. This journal is designed key elements for recording "friendship times" throughout one's life. The considerable attraction for gift-giving to friends is continued with a journal to help record those events and happenings that shape life.

As a motivational speaker and coach, one question that Jeff Keller often gets asked is 'What separates successful people from everyone else?' His answer is an overwhelming stress on the 'right attitude'. In fact, it always boils down to what Jeff popularly refers to as the 'winning attitude'. No matter where you are on your journey of self-development, a winning attitude will always be the differentiator as Jeff Shows in example after example, covering virtually all the important aspects of our life. This book presents fifty-four golden principles that can dramatically change your life. For more than thirty years, these principles have changed Jeff's life for the better - and they have done it for millions of others. Read it, enjoy it, apply the principles and you will create extraordinary results in your life.

#1 New York Times bestselling author John C. Maxwell believes that any setback, whether professional or personal, can be turned into a step forward when you possess the right tools to turn a loss into a gain. Drawing on nearly fifty years of leadership experience, Dr. Maxwell provides a roadmap for winning by examining the eleven elements that constitute the DNA of learners who succeed in the face of problems, failure, and losses. 1. Humility - The Spirit of Learning 2. Reality - The Foundation of Learning 3. Responsibility - The First Step of Learning 4. Improvement - The Focus of Learning 5. Hope - The Motivation of Learning 6. Teachability - The Pathway of Learning 7. Adversity - The Catalyst of Learning 8. Problems - The Opportunities of Learning 9. Bad Experiences - The Perspective for Learning 10. Change - The Price of Learning 11. Maturity - The Value of Learning Learning is not easy during down times, it takes discipline to do the right thing when something goes wrong. As John Maxwell often points out--experience isn't the best teacher; evaluated experience is.

How to live a more productive life by putting a profitable lifestyle ahead of profits With his standout Wall Street line “Greed is good,” Gordon Gekko became pop culture icon for unrestrained greed. But, while greed might be great for one person—especially when that person is fictional—it's not so great for good people living in the real world. In Goodbye Gordon Gekko: How to Find Your Fortune and Not Lose Your Soul, Anthony Scaramucci describes how a better understanding of people, capital, and culture can be used to enrich one's life, financially as well as spiritually. With smart and engaging prose, the book: • Discusses how the best manifestations of ambition, entrepreneurship and mentoring can lead to a life that not only fulfills financial obligations, but also leaves a lasting legacy • Describes ways in which Americans and American companies can act to avoid the kind of crisis that crippled the country's economy • Details how to build a core set of values to discover wealth on one's own terms Given the turmoil in financial markets over the past few years, many people are reevaluating what it means to be “rich.” Goodbye Gordon Gekko shows how it's possible to be well-off without all the trappings of wealth.

Theological schools are often led by teachers with minimal administrative experience or training. Excellence in Theological Education is designed to help leaders of theological schools, especially within the Majority World, to affirm the excellence of their own training institutions, and where excellence may be lacking, to discover ideas that will strengthen the quality of administration and education provision.

Las instituciones teológicas a menudo son dirigidas por profesores con mínima experiencia administrativa o poco entrenamiento en tal área. La excelencia en la educación teológica está diseñado para ayudar a líderes de instituciones teológicas, especialmente en el mundo mayoritario, a que afirmen la excelencia de sus instituciones educativas, y donde pueda existir una falta de excelencia, a que descubran ideas que fortalezcan su calidad administrativa y educativa.

Think Act Grow is aimed at teenagers, young people and parents and deals with the principles of success, self-improvement, motivation and inspiration. Many of these principles aren't taught in the traditional educational system but are vitally important in order for young people to develop into capable, well-adjusted adults. Think Act Grow will challenge you to think about the life you are living and provide strategies for where you may be able to enrich your life and allow you to start living the life you have always desired. Allow Think Act Grow to inspire you, motivate you and guide you to a place in life where your hopes, dreams and hard work can truly be realised. ABOUT THE AUTHOR: Dr David

Coppi is a chiropractor in private practice in Adelaide, South Australia. Along with creating powerful changes in the lives of the patients' he serves, David also has a strong passion for paediatrics and allowing children and young people to have the best start in life. His first book, Think Act Grow, allows him to spread the message to young people that success and happiness comes from within and that everyone can become successful, no matter where they come from or what they have experienced. David lives in Adelaide with his wife Angela and dog Baxter

In this book, award-winning entrepreneur and bestselling author Wally Amos shares his insights into the transformative power of positive thinking and how to use it to create a life full of success, inner strength, and lasting joy.

An inspiring guide to getting off the road to more debt and financial insecurity and on the road to wealth and financial freedom You can take charge of your financial future. You can reduce your debt, increase your net worth and enjoy a life of prosperity. You can stop struggling, doing things the way you've always have, and embark on a new pathway to wealth. So what's stopping you? According to bestselling motivational author and wealth building advisor, Pat Mesiti, it's all about identifying what's wrong with the way you think and feel about money and the path they've put you on. And it's about creating a new, more prosperous path for yourself. Provides you with the tools you need to create your own roadmap to greater wealth and financial security Gives you priceless insights into your wealth-defeating mindset and how to stop repeating the same mistakes and start building wealth by design—not by chance Offers proven prescriptions for digging your way out of the debt-heavy financial rut you're in so you can start building wealth right away Features numerous inspiring case studies of Mesiti clients and mentees who found financial freedom following his "shift your mind, touch your heart" approach to wealth

Researchers and psychologists have spent decades working to dissect and analyze the personality characteristics intrinsic to successful entrepreneurs. While a number of theories have been advanced about what it takes to achieve entrepreneurial success, none have tapped directly into the collective wisdom of the entrepreneurs themselves. In *The Five Characteristics of a Successful Entrepreneur*, serial entrepreneurs Ryan Westwood and Travis Johnson recount their two year mission to survey 100,000 highly successful U.S. business CEOs and founders whose organizations have grossed at least \$1 million in annual revenue. Armed with survey results from more than 2,600 respondents from across the nation, Mr. Westwood and Mr. Johnson take an in-depth look at the five personality traits most commonly identified as essential to entrepreneurial success. Filled with real-life examples, insightful analysis, and action plans at the end of each chapter, *The Five Characteristics of a Successful Entrepreneur* is an unprecedented journey into the rich, nuanced fabric that has made American entrepreneurs the most savvy and innovative on earth. It is a must-read for any aspiring entrepreneur seeking to follow a clear path to success—and for any accomplished entrepreneur seeking to impart the most salient, relevant advice to the next generation.

For hundreds of years, psychology has looked into the dysfunctions and symptoms of the mind. It's only over the last few decades that the field has started to pay attention to what constitutes a functional and content life. Instead of using disease to understand health, positive psychology studies the components of a good life and helps people not only avoid mental health problems but develop happiness. The work done in positive psychology is now at a point where applications are being developed in positive psychotherapy and extended to those with psychiatric diagnoses in positive psychiatry. While these fields are a recent development they hold the promise of helping all of us live a fulfilled life. Medicine in general, and psychiatry in particular, suffers from a worldview that is symptom- and deficit-oriented. By adopting a positive approach, psychology, psychotherapy, and psychiatry add a more holistic, integrative, resource oriented, and preventive perspective. There is great urgency in developing resources and potentials in our patients, not only freeing them from their disorders. Psychiatrists and psychotherapists alike are incorporating these positive tools into their practices with positive clinical outcomes. Standing on the shoulders of pioneers like Nossrat Peseschkian, in positive psychotherapy, and Dilip Jeste, in positive psychiatry, this textbook is the first to bring together these innovations in one volume that will serve as an excellent resource for medical professionals looking to reap the benefits gained by the studies in these areas. Currently, the majority of texts that are available are targeting psychologists and researchers, whereas this book seeks to use positive psychology as the foundation on which the clinical applications are built. As such, this book will be of interest to psychiatrists, psychologists, social workers, and other mental health professionals. It may be used in educating a new generation of mental health professionals in these tenets that are expanding the reach of psychology, the practice of psychotherapy, and the scope of psychiatry.

Say hello to YOUR version of uncommon success with a revolutionary 17-step roadmap to guide your journey to financial, location, and lifestyle freedom! Based on thousands of interviews from John Lee Dumas' highly acclaimed podcast, *Entrepreneurs on Fire*, this revolutionary 17-step roadmap provides a proven path for entrepreneurs like you to achieve the financial, location, and lifestyle freedom you are capable of. JLD's 17-step roadmap will help you accomplish your #1 goal in life, as it has for so many others, by showing you how to properly focus on your vision of success until it becomes your reality.

The purpose of this book is to provide athletic coaches with simple methods to enhance their coaching technique. Coaching is teaching. Therefore, coaches must look at their teaching effectiveness in order to become better coaches. In addition, the athletic arena provides a wonderful opportunity for a Christian witness. Often, coaches find it difficult to form a marriage between their coaching and a Christian lifestyle. This book intends to meld the two together, providing clear, effective teacher education and biblical advice to Christian coaches. The book also provides selected scriptures from God's Word. Can a Christian coach really make a difference? How can one Christian coach save the world of sport? Well, first there is more than one Christian coach out there. Second, if there was only one Christian coach willing to go to battle with Christ, they would fight and win. One coach plus Jesus equals a majority. Recall that it appeared as though David didn't stand a chance when he went to fight Goliath. David was not alone. David knew that God would be with him. Was he afraid? Maybe, but his faith in God was greater than his fear! Hopefully, this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior.

You are living in a box. It's a nice comfortable box perhaps, with lots of windows. You can see other people, earning more than you, driving better cars than you, healthier than you, happier than you and it appears that they are just lucky, or have been privileged somehow. There are lots of reasons you think or believe they are doing better than you, but none of those reasons are correct. Only one reason is correct. They live in a different box. All of us live in boxes created by our minds that have been built to protect us and those boxes tell us where the edges of our reality are, the edges of our expectations. Good news; You CREATED the box. That means you can break it and remake it any way you want. You can expand the edges of your reality and attract bigger and better things for you and your family. This book is the key to your personal transformation, helping you become the most magnificent you that you can be. It's about understanding what sets you off balance and what brings you back to deep

serenity. About what brings you peace and contentment, frees your mind of negativity and most importantly an understanding of how your thoughts in this moment weave your very future. Its about feeling, in a very real and profound way, your connectedness to everyone and everything, your power and your significance in this world and perhaps even to find your lifes purpose. Its about understanding the how the nature of reality and the power of your mind combined enable you to achieve anything you desire. My promise is this: You will finish reading this book a different person than the one who started reading it.

Being a leader means working with people, and that's not always easy! Whether in your office, church, neighborhood, or elsewhere, your interpersonal relationships can make or break you as a leader. That's why it's so important to be a "people person" and develop your skills in tapping that most precious of all resources: people. In this powerful book, America's leadership expert John Maxwell helps you: discover and develop the qualities of an effective "people person" improve your relationships in every area of life understand and help difficult people overcome differences and personality traits that can cause friction inspire others to excellence and success Loaded with life-enriching, life-changing principles for relating positively and powerfully with your family, friends, colleague, and clients, Be a People Person is certain to help you bring out the best in others—and that's what effective leadership is all about.

Seven salient points I want you to know and write in the marble of your heart: Nothing just happens. Anything good or bad happening to you is for a purpose; you were born in riches or a rag for a purpose. If you can identify with that purpose, you will surely make your dreams a reality. It is not what the enemy is doing to you that is killing you; not the society you are in; not the promises some politicians, relatives and associates fail to keep; not the family and community you came from; it is what you have failed to do with yourself that is killing you. Life failure is not the absence of opportunities but the absence of vision. You will create whatever opportunities you want in life when you have a vision; that is why you shouldn't fight your way to be in the presence of great men; rather identify your gift, and when you do, it will make a way for you and bring you before great men. If God can trust you, He will increase your capacity to receive more from him. And one of the reasons you are in the struggle and things don't seem to be working to your favor is because you have not earned God's trust. A man with a vision struggles less than a man without a vision to pursue; goals to attain and targets to achieve. Conceive your vision today and pursue it diligently, because if you don't, other people will hire you to pursue theirs. God never created anybody useless; if He knows you are useless, why would He spend his resources to create you? Your limitation is not entirely your situation, but your understanding of who you are. Biology is studied based on its definition; same applies to life. Your life is what you define it to be. It would have been better if you were aborted at conception than to live through life not achieving your purpose. Whom should I cry for, the fellow who died untimely or the fellow that is alive and without a purpose?

Do you wonder if you have an important call with destiny? That you have been selected for something? A cause of a higher purpose? Well you have been chosen and the why, when, where and how is the subject of this book. Explore Your Destiny is divided into four sections. Each section supplies one more piece of the puzzle for you to place, so you can look at your life's arc with new insights. 1.Why - Why are we here and why must we live what we are living through right now? It's the age old expression, that we all say at one time or another, "Why me?" Well there is a reason and it will be explained to you. 2.When - In what period along your souls timeline is all of this happening? Yes, there is a greater context of your soul, which you may not be aware of. Knowing your relative position in the path to perfection will guide you to understanding your current life. 3.How - How does all of this occur? How does the entire process affect your destiny and actions? What are the rules of the game? Knowing the structure and comprehending the basic laws that direct your life provides you with a point of view that will put everything into perspective. 4.Where - Where is this world that plans our destiny? Are there good places to be and are there bad? Where does the earth fit into the logical structure? You will see where the regions that you are striving to attain are and where you may be living in your not-to-distant future.

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller The Game, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes—and now of world financial meltdown—Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked The Game, The Dirt, and How to Make Love Like a Porn Star, Emergency traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world—and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

The Blackbelt Mastermind - 'The training of a fighter is well-known as a meticulous disciplined enterprise. True grit and hard knocks are the order of the day. You're on the canvas of life. Your muddied, semiconscious, incoherent brain is listening to the referee's 10-count. It is at this point when even courage and tenacity fail, when intestinal fortitude abandons you, that you need the one thing that every great champion who has ever stepped into the ring of life possesses - a mentor, a confidant, a coach, an angel on your shoulder. This book contains the wisdom of such a motivational figure. Danielle Serpico has earned her stripes in the jungle of life. Battling through personal, emotional and financial adversity to emerge a true champion. Her experiences chronicle her pathway to success. In this book you will find the strategies that she used to develop her acclaimed M.A.S.T.E.R. System. From an entrepreneurial businesswoman and European Martial arts champion to a Master NLP Trainer and coach, Danielle has evolved her system with one goal in mind - your success. This book contains all the practical exercises and easily assimilated techniques you need in order to develop your inner warrior. Utilizing the key principles of her system, you will learn to become the master of your mind and ultimately master of your destiny. Whether battling for victory in your personal life or in your business, the M.A.S.T.E.R. system is an easy-to-follow step-by-step personal coaching method that works. Using cutting edge NLP technology and sports psychology, this book builds a comprehensive matrix of success strategies. Foreword by New York Times Best Selling Author Raymond Aaron 'Masterful attitude, strength and tenacity equal results' is the key basis of her system.

Danielle is always in your corner and has your back as you engage in your most rewarding endeavour, the creation of a wonderful and rewarding life. Filled with wonderful nuggets of advice as well as heart felt passion and emotion, this book is the perfect companion for anyone looking to make big changes in their thinking and ultimately their life. You will develop a winning mindset and gain the successes you desire while discovering the limitless power and abundance that you already possess. A must read to carry with you whenever you need someone in 'your corner'.

The all-encompassing framework for achieving the life of your dreams It All Matters presents a framework for the rest of your life. What are those dreams you would only dare to dream if there was no possibility of failure? How can you live a life of real intention and purpose instead of duty and obligation? This book answers these questions and more. Everyone has the capacity to author their own destiny; it's not our circumstances that shape our lives, it's our response to those circumstances that either propels us to great heights or keeps us stuck in the mud. Here, author Paul Cummings shares one of the most comprehensive goal setting systems ever put into print. Based on the key U.B.U. process—Understand who you are, Be true to yourself, and always be Unique—this framework gives you the power to transform your life. Through a fast-moving series of engaging stories, you'll learn how to question yourself to greatness as you begin to think in bigger and more positive terms. Professionals from across the globe have implemented this framework to achieve what they truly wanted out of life—isn't it your turn? This enlightening guide teaches you the revolutionary strategies that can help you make big things happen. Dig deep to find your real dreams, and set a plan to achieve them Discover the core principles the form the foundation for success Learn the art of self-questioning as a motivational tool Implement a comprehensive, proven system for getting what you want You are one great question away from everything you ardently desire at all times. Are you ready to take the leap? It All Matters shifts your perspective to let you see the shining path ahead.

Le présent ouvrage a été conçu pour aider les responsables d'institutions théologiques à progresser vers l'excellence dans leurs établissements de formation biblique et théologique, en donnant des pistes pratiques pour renforcer la qualité de leur formation et de leur administration. Ce livre est plus particulièrement destiné aux responsables d'institutions de formation théologique francophones situées hors de l'Europe et de l'Amérique du Nord.

Using insights from the Bible, dynamic pastor and motivational speaker Maxwell gives detailed steps for developing the attitude of mind which brings peace, courage, and success--to help turn problems into opportunities.

There's no such thing as business ethics. How can that be? Because a single standard applies to both your business and personal life—and it's one we all know and trust: the Golden Rule. Now bestselling author John C. Maxwell shows you how this revered ideal works everywhere, and how, especially in business, it brings amazing dividends. There's No Such Thing As "Business" Ethics offers: * Stories from history, business, government, and sports that illustrate how talented leaders invoked this timeless principle * Examples of difficult business decisions—layoffs, evaluations, billing clients, expansion—and how the Golden Rule applies to each * The five most common reasons people compromise their ethics—and how you can prevail over such moral obstacles * How applying the Golden Rule to business builds morale, increases productivity, encourages teamwork, lowers employee turnover, and keeps clients coming back. John C. Maxwell not only reveals the many ways the Golden Rule creates the perfect environment for business success, but does it with great wisdom, warmth, and humor. Backed by flawless research and the ideas of history's best thinkers, this engaging book brilliantly demonstrates how doing the right thing fosters a winning situation for all, with positive results for employees, clients, investors, and even your own state of mind. Business runs much more smoothly, profits increase, and you know that you've set the groundwork for years of future prosperity...and it's all thanks to the tried-and-true Golden Rule. The former heavyweight champion explains how new levels of happiness and achievement can be obtained through optimism, faith, resilience, forgiveness, and seeing the best in others, in a book with personal stories from the author.
